BOARD OF EDUCATION

Boards of Education are the most important bodies in any taxing district. They have under their direction, not only the most important and most technical of public business, but also the largest public business. More money is spent on public education, more people are employed in it, and more people affected, directly or indirectly, by it than is true of any other undertaking.

The local Board of Education is custodian of more than a quarter of a million dollars worth of property, and yearly directs the expenditure of \$100,000. Besides this it is responsible for an adequate educational programme.

The personnel of the Bay Village Board of Education is well adapted to the needs of the office:

Dan W. Jones, President, is manager of the Cuyahoga Building, Cleveland, Ohio. He was first appointed to the Board in 1922, upon the resignation of Mr. H. V. Christman. He served as president of that body during the years of '24, '25, '26, '27, and the present year, 1930.

J. P. Latimer, Vice President, is a successful building contractor of high class homes. He was first elected to membership

JUNIOR CLASS

The Class of 1931 proved to be one of the most active in the high school.

Realizing the need of funds for the Junior-Senior banquet, they immediately started on a money-making campaign which was concluded very successfully. A dance was given October 26, and about a month later a play, "Who Wouldn't Be Crazy" was presented.

Meanwhile the boys were helping to bring the football team to a second place standing in the county league. Nelson Russ, Harold Stott, Ward Powell, Robert Jennings, Donald Latimer, and Earl Siebenhaar were the Juniors on the varsity eleven.

The Juniors again were partly responsible for the high standing reached by the basketball team with Powell as captain and Russ, Latimer, Jennings and Stott contributing to its success. The Girls' Team was also successful, winning the Interclass Championship after defeating the Freshies and the Seniors in a class tournament.

About the middle of February the Juniors surprised the school by appearing in very attractive sweaters. Even Miss Sebert was sporting the blue and gold colors and '31 numeral of the Junior class.

During the year they presented the school with three ferns and a fern stand, and twenty dollars which was to be placed in the general fund.

The annual Junior-Senior banquet, presented for the departing class was given on May 1 at the Chamber of Commerce, Terminal Tower.

This group has been energetic and ambitious and promises to fill aptly the role of Seniors next year.

SOPHOMORE CLASS

Class officers were Carolyn Neff, president; Carlton Gaines, secretary and treasurer.

The life of a sophomore is trying. Sophomores have many troubles because they are not looked upon as sufficiently removed from the Freshman stage.

There being only six boys in the class, its athletic powers are rather depleted. However, Donald Du Perow earned a letter for football and Du Perow and Billy Serne were active players on the second basketball team.

Debate claimed a good many sophomores. In fact, the junior teams were made up entirely of sophomores with exception of one alternate. Those who were in debate are: Carol Phillips, Carolyn Neff, Betty Ferster, Billy Serne and Donald Du Perow.

The usual number of parties were held this year and of course "a good time was had by all."

Top Row, left to right: Glenn Hosack, Glen Wright, William Zollner, Leo Ouellet, George Serb, Tom Bott, Robert Jones, Leonard Toensing, Theodore Hoover, Lawrence Haller.

 First Row: James Heim, Merton Colahan, Robert McAuley, Gerald Hyde.

FRESHMAN CLASS

Well represented in all activities and sports the Freshmen have proved to be an energetic group of students.

Various members of the class have participated in varsity athletics. Two of the boys, Ward Proeschel and Leonard Toensing, were awarded letters for football. Other Freshmen were also on the squad. There is excellent material for future athletics including basketball, track, and football.

The Freshman girls defeated the Sophs in the inter-class basketball tournament but the Freshman boys were defeated by the Sophomore boys.

Freshmen also were active in debate, Glee Clubs, and Airplane Club.

At the beginning of the year a beach party was given and later a Hallowe'en party (which was well attended by members of the Senior class.)

Wishing to help finance the Annual, they donated the entire first semester dues.

The class officers are: Bobby Jones, president; Betty Hoag, vice president; Winifred Benbow, secretary and treasurer.

Top Row: Guthery Drake, Cletus Oster, Herbert Dean, William Young, Jack Conrady, Edward Grant, Carl Toeller, George Morgan, Harold Mulford, Robert Swanker.

EIGHTH GRADE

Officers of the class are: Carl Toeller, president; Jay Hubach, vice president; Jack Meddick, secretary, and Guthery Drake, treasurer.

The eighth grade girls under the supervision of Miss Barclay, have organized a basketball team of which Cleo Carlin is captain.

The boys had a good basketball team this year, winning the Junior High championship. Several of the boys were on the Junior High team.

New members of the class this year are Cletus Oster, Mae Everson, and Dorothy Stott.

These pupils had their share of social events throughout the year.

The eighth grade gave an original play in assembly.

SEVENTH GRADE

The officers of the Seventh Grade for this year are: Billy Aspinwall, president; Mary Merseberg, vice president; Katherine Evans, secretary. Betty Troyan, treasurer; and Chester Dean, sergeant-at-arms.

This class believed in social doings and had several parties. They started out by having a Hallowe'en party which was followed by a skating party and later a weiner roast. At Christmas time and again on Valentine's Day they celebrated with parties.

A Sporting Club organized by this class consists of fourteen members with the following officers: Richard Gibson (eighth grader), president; and Betty Troyan, secretary and treasurer.

FOOTBALL

Believe it or not, here is the football squad. Because their suits were in the process of being cleaned the day the photographer took pictures for the Annual the boys were obliged to pose for the football picture as you see them here.

Bay Village, at the end of a successful season, stood tied for second place in the county league having been beaten only by the champions, six to nothing.

The scores for the season are as follows:

Bay 12	Dover	0
Bay 0	Independence	6
Bay 25	Orange	0
Bay 16	Miles Heights	0
Bay 50	Fairview	0
Bay 29	Solon	0
Bay 0	Strongsville	0
Bay 0	West Tech	6

These scores show that our eleven, coached by Mr. Secrist, had both offensive and defensive ability and gave a good account of both. It was a team of which we may well be proud.

Clinton Latimer '30, left tackle, proved his capability as captain and played his position very well. Nelson Russ '31, fullback, with respect to his outstanding ability to play football has been chosen to captain the team for the 1930 season. Seniors lost through graduation are "Pat" Corlett,

BASKETBALL

Parkview basketball team had a good season during 1929-30. It finished with 10 wins and 6 defeats and a score of 429 points to the opponent's 324.

Bay started her season with Avon in a practice game. She was defeated 20-13 by the visitors. The game was poorly played by Bay but since it was the first game it may be overlooked.

Then Bay took on Dover. At first it looked like a walk away for Dover, the score being 13-2 at the half, but the Bay players came back to beat Dover by a score of 24-18.

Bay Village varsity met the Alumni the next week and won the game 39-12.

Independence invaded Bay a week later. The opponents were from the eastern division. Bay took a close victory. The score at the final whistle was 31-29.

The game with Royalton started the western division ratings. Royalton took the game in the last minute of play when one of her players sunk a basket from the middle of the floor making the score 24-22.

The next week the varsity traveled to Strongsville and won by a score of 23-16.

Fairview played on our floor January 31 and was defeated 48-9.

The next week Bay met Olmsted and was defeated in an exciting game. The score was 22-18.

Then to show Dover players that the first win over them was no accident the boys gave them a drubbing that ended 30-20 on their floor.

This game ended Bay Village's county schedule and we were tied with Strongsville and Royalton for second place.

GIRLS' BASKETBALL

Although inter-scholastic basketball for girls was discontinued three years ago, the interest in the game has not been lost. Each Wednesday from 3:30 to 5:30 was girl's practice. At that time, under the direction of Miss Barclay, many a hard workout took place. Class teams were organized, and inter-class games were staged. In a game between the Seniors and the Freshmen the former emerged victorious. The Juniors followed suit by conquering the Sophomores. Thus, it remained for the championship game to be played. The Junior girls became inter-class champions of 1930 after a hard-fought game with the Seniors.

The next big affair was the choosing of an Army team and a Navy team. These were picked from the most outstanding basketball players in the senior high gym class.

On Friday evening, March 14, the big game took place. Good playing was displayed by both teams. The final score was Navy-12, Army-6. On the night of the game Miss Barclay announced the names of the girls who were awarded their school letter. They were: Juanita Carlin, Helen Hille, Maude Phillips, Jean Sutliff, Janet Kramer, Mildred Rudd, Helen Conant, Harriet Evans, Jane Phillips.

DEBATE

Student judges and non-championship debates were the features of the new plan for debating tried out in Cuyahoga County this year. Some of Bay's teams were among those victorious.

Each team was composed of two speakers, there being in all, four teams; two from the Junior and Senior classes and two from the Freshman and Sophomore classes.

The new plan, provided for debates to be held in the afternoon at neutral schools. They were judged by students of that school. If the plan is judged a success by the County Debate Council it will probably be used by the county schools next year.

The question for debate this year was: Resolved, that trial before a judge or board of judges be substituted for trial by petit jury in the United States.

The teams were:

FRESHMAN-SOPHOMORE

Affirmative	Negative
Billy Serne	Betty Ferster
Carolyn Neff	Carol Phillips
Eleanor Myers, Alternate	Donald Du Perow, Alternate

Maude Phillips	Mildred Rudd
Kenneth Black	Clintie Winfrey

ORCHESTRA

This organization offers an opportunity to every member of the six upper grades who is able to play an orchestral instrument. The added experience in ensemble playing and the pleasure to be found in such association are ample rewards for the effort required. One forty-five minute rehearsal is held each week to which are added occasional sectional rehearsals.

The Parkview Orchestra under the direction of Miss Helen Mabie made its first public appearance of the year at the Armistice Day program in November. The orchestra provided accompaniment for the operetta also.

The membership and orchestration are as follows:

Gerald Hyde	Violin	Helen Snyder	Piano
Dorothy Stott	Violin	Doris Roberts	Clarinet

Esther Brumagim	Violin	Bobby Jones	Saxophone

GLEE CLUBS

The Girl's Glee Club began the year with a fine enthusiasm which has been maintained. The first appearance was at the Armistice Day Assembly program, when the girls sang a group of war-time songs. On a later Sunday they sang at both of the Village churches, and again at the January meeting of the P. T. A.

The climax of the year's work in both Glee Clubs was the operetta—"Jerry of Jericho Road", on May ninth. This light and tuneful comedy revealed the possibilities for adventure on a western tourist ranch.

The Glee Clubs will also furnish music for the commencement exercises.

The regulars who received letters, besides the above mentioned Seniors, are Ward Powell, Robert Jennings, Harold Stott, Donald Latimer, Donald DuPerow, Leonard Toensing, and Ward Proeschel. Earl Siebenhaar played a good game but because he was injured in one of the first games, he did not play enough to win his letter.

Next season promises to bring good results for there is sufficient material for another successful year.

Six years of constant labor have served to make our school paper, The Arc-Light, one of the finest papers in the county. Much praise for this is due to the efforts of Miss Sebert who has been faculty adviser of the editorial division for the past three years. This year she has had the editing done by the Sophomore, Junior, and Senior classes of the English department. Practically every member of the Senior High School has served on the staff and has loyally contributed throughout the year.

Under the management of the business staff, directed by Mr. Wertz, a large subscription campaign took place last fall. The Seniors proved

SOCIAL PROBLEMS CLUB

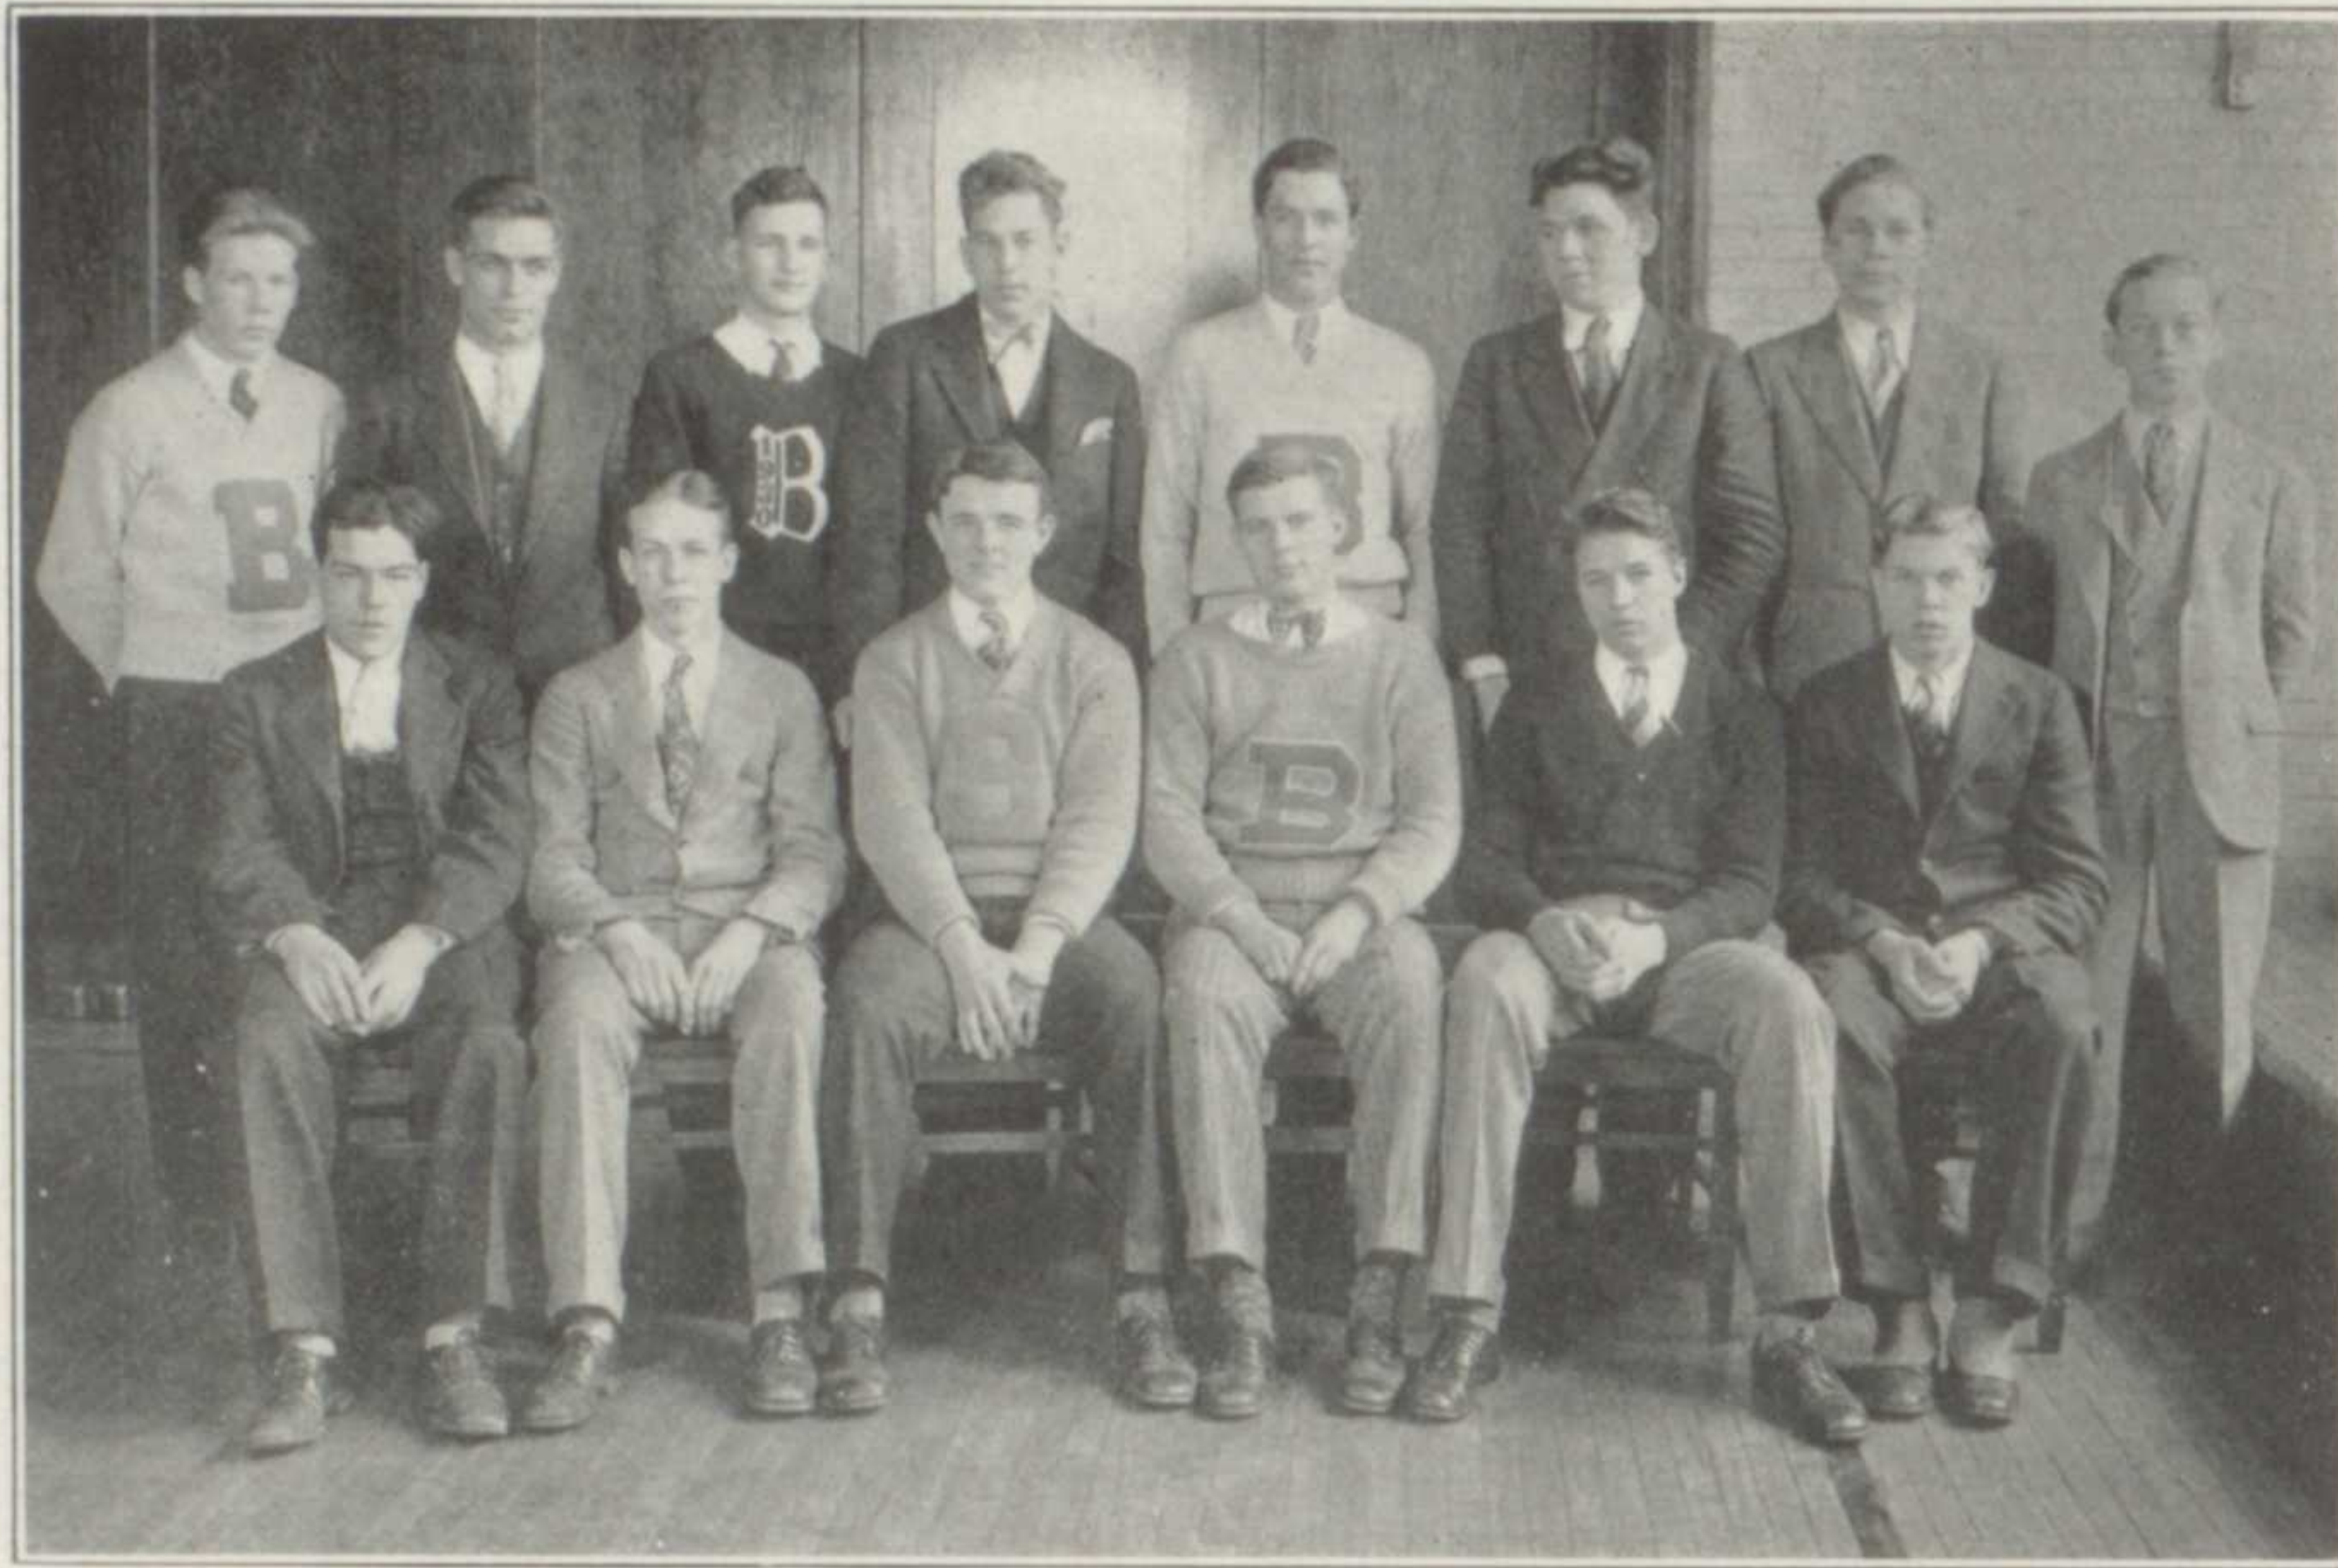

- President John Corlett
 Vice President Elizabeth Hume
 Secretary Maude Phillips
 Faculty Adviser Mr. Ganyard

Because of its accomplishments this club has been a desirable asset to Parkview High. As an example, in 1928 the club after thoughtful discussion recommended a partition dividing the library section of the study hall from the rest of it. This year the dream materialized and much confusion and disorder is avoided in the study hall. Such problems as this one are discussed and enlarged upon by the club.

This year a cafeteria monitor system was worked out which called for one boy and one girl to see that proper order was kept in the lunch line. Each couple served two consecutive days. It proved to be a noticeable improvement.

The Annual was another problem of this club. The Blue Book staff was chosen from the Social Problems Club members and the club and its adviser, Mr. Ganyard, are responsible for the publication of this book for 1930. Members of the editorial staff are: Janet Kramer, Editor-in-chief, and her assistants Maude Phillips, Mildred Rudd, Clintie Winfrey, Jean Sutliff, Nelson Russ, Elizabeth Hume, and Roland Kidwell. The business

HI-Y

"To create, maintain, and extend through the school and community high standards of Christian character," is the purpose of the Hi-Y Club.

The club, which was formed in January 1926 with Mr. H. J. Chapman as faculty adviser and Walter Myers as president, is now led by Mr. H. Secrist as faculty adviser and Clinton Latimer as president.

The present enrollment is thirteen.

Mr. O. J. Fox, Hi-Y leader from Cleveland, spoke to the boys several times concerning their life's work.

They enjoyed suppers cooked by the Hi-Y boys on the second Tuesday of each month and a swim once a month at the Central Y. M. C. A.

The club has met every Friday afternoon from 1:15 to 2:00 to take care of club business and to discuss social problems.

Social Problems, (continued from page 27)

staff consists of John Corlett, manager, and his asistant, Harold Stott. Henry Gavie is circulation manager.

The K-Shun Club has also given us financial help on this Annual and in this place we gratefully thank them.

A form of student council has been encouraged by this group and is, we believe, in the making as this book goes to the press.

Top Row, left to right: Helen Hille, Helen Meilander, Clintie Winfrey, Marguerite Beach, Janet Kramer, Helen Conant.
 Second Row: Olive Owen, Elizabeth Hume, Harriet Evans, Jean Sutliff, Edna Hagedorn, Juanita Carlin, Esther Brumagim.
 Front Row: Phyllis Probeck, Helen Snyder, Maude Phillips, Mildred Rudd, Martha Kirby, Miss Harris.

K-SHUN

The K-Shun Club became a member of the Friendship Club, which is part of the Y. W. C. A., early in the school year. At that time, Miss Ruth Barker, of the Lakewood Y. W. C. A., came out to assist in working out the program under the new plan.

Another new friend to the club was Mrs. Frank Moore. She invited the girls of the Friendship group from Lakewood, Rocky River, and Bay Village to her home to tea, so they might all get acquainted. The latter club is very fortunate in having Mrs. Moore as patroness.

The Mothers' and Daughters' Banquet, on November 28th, was a memorable occasion. Janet Kramer welcomed the mothers, and Mrs. Phillips responded. Miss Heinbaugh, general secretary of the Y. W. C. A., was the guest speaker.

At Christmas time the girls made scrap books, for the children's hospital and helped Santa fill orders on baskets of food.

K-Shun presented a part of the program for the World Fellowship Tea, on February 14, given in Lakewood.

With the help of the club this book was sent on its way, by a contribution of thirty dollars, shortly after the intention of Social Problems Club was made known.

The girls have raised all funds by sale of candy and sandwiches. Some of the money made it possible to send two delegates to the Girl Reserve Conference in Warren this Spring.

 Front row: Eleanor Kuester, Dorothy Branoner, Elaine Wuebker, Winifred Benbow, Maude Phillips, Juanita Carlin, Helen Conant.

ART CLUB

Early last fall, members of the two art classes of the high school met, under the direction of Miss Virginia Kittinger, art adviser, for the purpose of forming an organization which could co-operate in decorating the art room. This resulted in an active club which has contributed their share in school activities.

The Art Club transformed the art room into a studio, in which their studies could be pursued 'midst beautiful surroundings.

Several different types of art have been taken up by the group and they have contributed some fine displays at different school entertainments throughout the year.

Through diligent effort the club members earned enough money to pay half of the cost of a picture for the art room. The picture is named, "Treasures of the Orient," and is a valuable addition to the school.

Members of this club contributed to the National Scholastic Artist's Contest and also made cartoons for the school paper and Annual.

One of the outstanding accomplishments of the members was the creation of a panel of stained glass windows, which was on display at the School Board Banquet.

The officers of the Art Club are as follows:

President	Maude Phillips
Vice President	Juanita Carlin
Secretary	Betty Hoag
Treasurer	Russell Ferkan
Faculty Adviser	Miss V. Kittinger

Calendar

September

9. First day of school—short but not so sweet.
10. First football practice—results: no broken bones but plenty stiff muscles.
11. Election of class officers. There was some claim of “stuffed” ballot boxes but it could not be proved.
12. “Standing room only.” Such a condition existed in book store today. Second-hand book sellers were also doing a rushing business.
13. Russell Ferkan finally has his schedule arranged so that he is in Miss Harris’s study hall. (Beware of Alex. Russell).
16. The rush on the book store has finally subsided.
17. All lessons well prepared (?). The same old excuse of “no book” was used heavily today.
18. Introduction of new teachers and “clapping in” of seventh graders.
19. The K-Shun Club, which has lain dormant during summer, was revived today.
20. Another revival. Hi-Y this time.
23. Russell Ferkan has again changed his schedule. He is no longer in Miss Harris’s study hall.
24. Glenn Hosack was observed pricing candy, etc., at Blaha’s, Sylvester’s, Kutchen’s and Michelick’s; we wonder who offered the best wholesale contract?
27. Musical assembly program—some sang in assembly but some saved their energy and *tried* to sing in the next period class.
26. The school now has some coal in the basement due to the efficiency with which over-time pupils have handled the “black diamonds.”
27. First football game. We beat Dover 12 to 0.
30. Arc-Light contest began.

GIRL SCOUTS

This February a troop of Girl Scouts was organized with Harriet Evans as captain and Helen Snyder as lieutenant. The troop has made good progress for the short time it has been organized. It has sixteen registered members. Eight of them at this writing have passed their tenderfoot test. The members are from the fifth and sixth grades of Forestview and Parkview schools.

The girls intend to go on with their second class test and as soon as the weather gets nice they intend to do some hiking and out-door cooking.

The girls are all interested in going to the Cleveland Girl Scout Camp at Burton, Ohio, this summer.

Walter C. Myers, owner and manager of the Myers Coal & Coke Company, Cleveland, Ohio, is a member of the village planning commission and has served as Board member since 1923 when he was appointed to fill the unexpired term of Miss F. E. Ellis. He was president of the Board during 1928 and 1929.

William Serne, an architect by training, has spent his life in the designing and building of substantial homes. He was elected to the Board in 1927.

General policies of business are adopted by the board, but the detailed execution of these policies is the work of the clerk, D. M. Class Poem---1930

OUR FAREWELL

The day was done. With steps more slow
 The Seniors lingered near the door,
 The hour had come when they would go,
 To know that haven, never more.
 And as the sun was sinking low
 And time had made its round,
 They seemed to hear a faint echo—
 "Launched, but whither bound?"

Long before, their eager souls
 Had dreamed of days to be—
 Had set before them mighty goals—
 Had dared to seek degree.
 To "Parkview" ever loyal
 To "Parkview" always true—
 To love their colors, royal
 Fight for the white and blue!

Years of work gave their reward.
 Each gained his own fair name;
 Each always kept his face toward
 Honor's steady flame.
 And still they ever upward climb,
 Laughing at their mishaps,
 Until at the door the hand of Time,
 Its final message taps.

The day is done, with steps more slow
 The Seniors linger near the door—
 The time has come when we're to go—
 To know this haven, nevermore.
 And as the sun is sinking low
 And time has made its round,
 We plan to heed that faint echo—
 "Launched, but whither bound!"

Johnston was a forward of sensational ability. At the beginning of the season he couldn't miss.

Russ, the other guard, played consistently and effectively and showed best where the competition was keenest.
