# Song Without Fear For Today's Youth

Connie Watson

You who bore us, reared us, loved us,  
You who taught us how to grow,  
Let no fears invade your hearts, now,  
In this hour when we must go.  
Though you know the world holds heartaches,  
Harder games than we have played,  
Though you see a thousand dangers,  
You should never be afraid.

For we, too, can see these dangers,  
Yet go forward without fears.  
Never has a task so worthy  
Faced the youth of other years.  
Sweet security we forfeit,  
This the price that must be paid.  
If our task will be accomplished  
We must never be afraid.

You who reared us, taught us, loved us,  
You have given us our might,  
Given us our love and justice,  
Hope for peace, and truth, and right.  
Hope that dreams may spring to being  
When our bright new world is made.  
You who gave us this example  
Have no cause to be afraid.

Stricken people of all nations,  
Look to us in this dark day.  
Past roads guide us for the future;  
We shall not forget the way.  
Tired earth, heartbroken millions,  
We come now to give you aid.  
You who sorrow, hunger, call us,  
Need no longer be afraid.

## *Allied Powers*

In the world today many countries have united to work toward their common goal. These Allied Powers are fighting to secure for the individual the right to life, liberty, and the pursuit of happiness.

There are Allied Powers working together in our high school as well. Our schools are educating their students to use these rights. They are educating us for LIFE so that we may do our work in the world successfully. They are educating us for LIBERTY so that we may take our places as conscientious citizens. They are educating us in the PURSUIT OF HAPPINESS so that we may find real joy in living.

**ALLIED POWERS**

## Wilbur J. Springer

SUPERINTENDENT

We can all be very proud of our energetic Superintendent of Schools. He has formed many new plans for our school system and has successfully carried them through.

Mr. Springer's favorite actor is Jimmy Stewart, but he swings to the stage for his favorite actress, Katherine Cornell. You can tell by his pleasant disposition that he has no pet peeves, but walking under a ladder will make him jumpy for a week. His first recollection was falling and skinning his nose. Perhaps that's why his favorite color is violet. His hobby is all kinds of sports, with basketball taking first place on his Sport Parade. On Sundays he likes to sit back in the evening and enjoy the Charley McCarthy show. After that, with several rubbers of bridge, or a book like "Keys of the Kingdom," Mr. Springer is on top of the world. Abraham Lincoln is his favorite American.

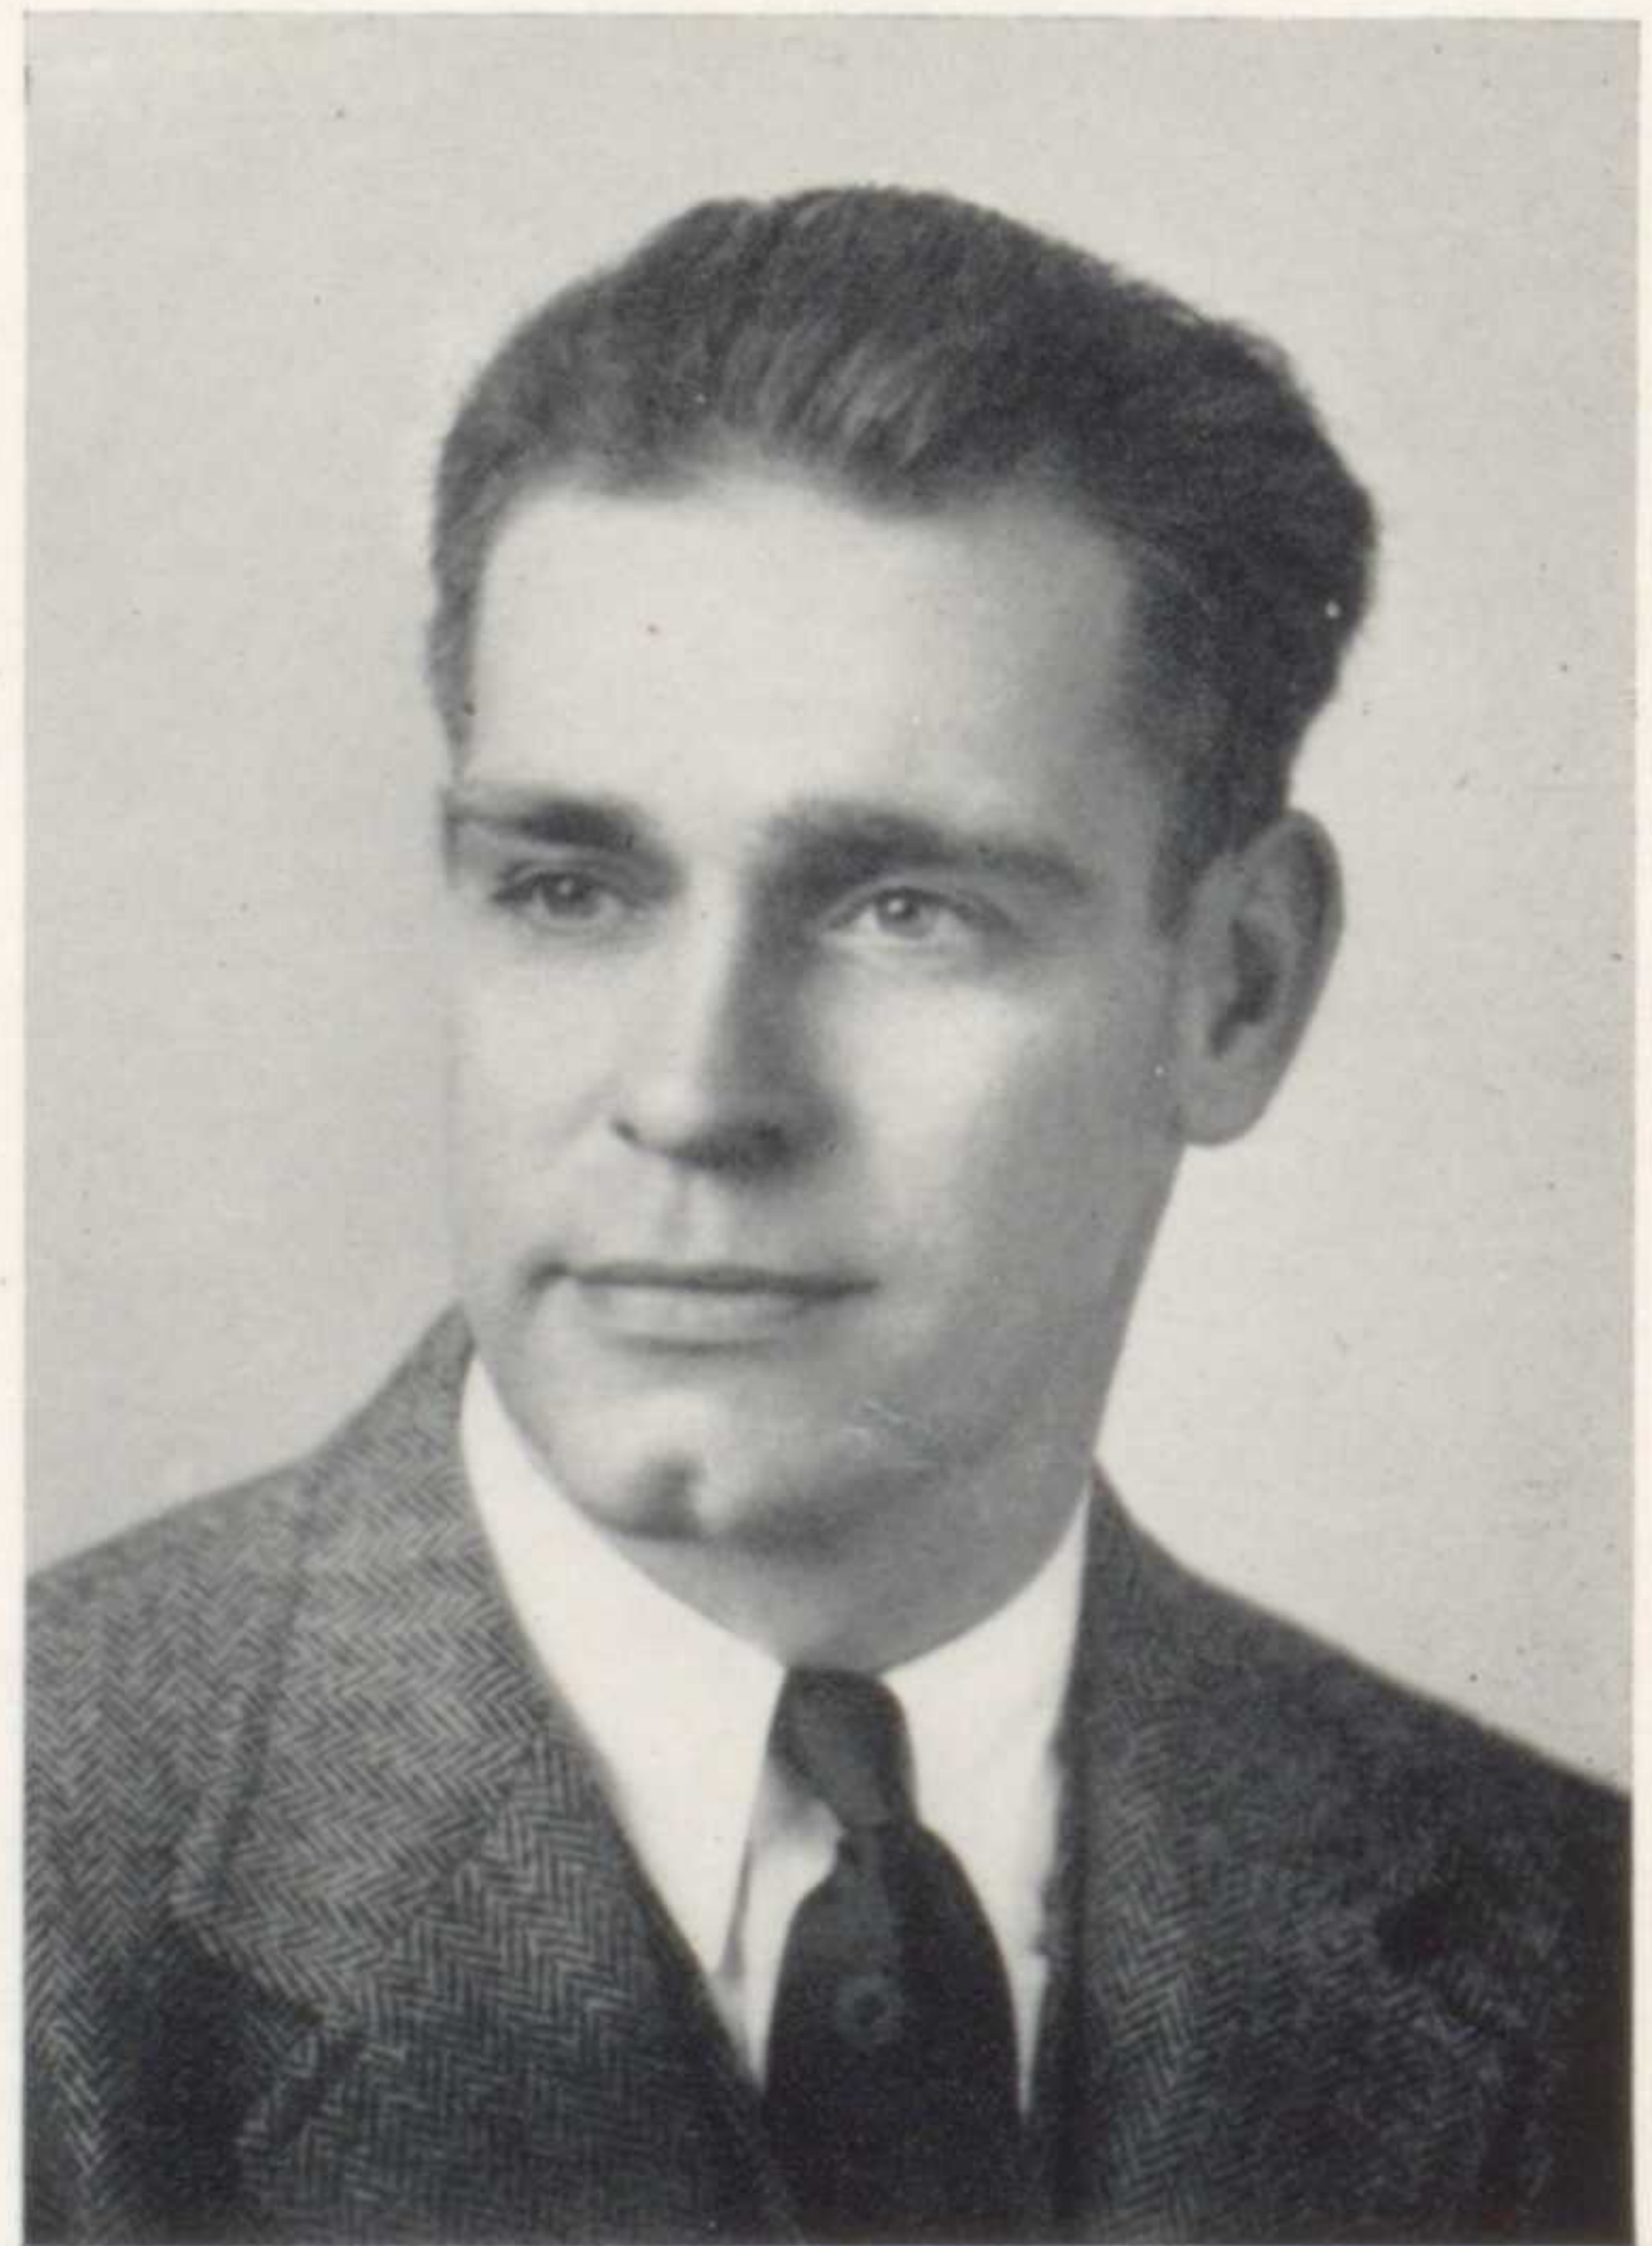

Mr. Springer came to Bay in 1940. He received his Bachelor of Science degree from Mount Union College and his Master of Education degree from Harvard University.

## H. R. Secrist

PRINCIPAL

Our Principal, or "Coach" as he's commonly known, is a great fellow. He cracks jokes and likes Rita Hayworth and Jimmy Stewart as much as the rest of us do. His pleasant personality and sincere qualities insure popularity; but your popularity won't be assured if you're never on time, for his pet peeve is tardiness. His favorite color is blue. His first recollection is smashing his brother's finger. There's no need of saying what his favorite sport is since he's the football coach. He likes puttering around and then relaxing by listening to a nice juicy news broadcast. He claims he's not superstitious. His favorite American is Thomas A. Edison—very appropriately. His way of escaping from the everyday happenings is to relax with a travel or biographical book.

"Coach" has been with us since 1929. He received his Bachelor of Science degree at Wooster College, and his Master of Arts at Western Reserve University.

*W. G. Schumaker*

*Bette Davis*

*M. B. Bogner*

*Helmi Johnson*

*14 members of Bay High  
Irene Furniss  
Faculty*

Miss E. A. Pasppek came to Bay in April, 1941, with a B. B. A. degree from Western Reserve University. Her earliest recollection was being seasick going to Europe; her pet peeve is constant alibiing; and her favorite sport, dancing. Her hobby is collecting stamps for her older brother.

In 1938 Bay High welcomed Mr. C. M. Patterson who received his A. B. at Millikin University and his M. A. at Ohio State. His movie favorites are Bette Davis and Lionel Barrymore; Lincoln is his favorite American; and sucker sticks and gum cracking are his pet peeves.

Lux Radio Theater is a favorite program of Miss M. E. Sebert who came to Bay in 1925. She received her A. B. at Otterbein College and her M. A. at Columbia University. Her pet peeve is "that the day has only 24 hours and that I seem to need 8 for sleeping." Traveling is her hobby.

Miss H. A. Johnson came to Bay in 1938 with an A. B. degree from Flora Stone Mather. Her first recollection was playing school; her pet peeve is poor manners; and Bette Davis is her favorite actress. Her pastime is reading.

Mr. W. G. Schumaker was a Bay freshman with us seniors in 1939. He received his B. S. at Wooster and his M. A. at Wisconsin University. Finger nail polish of bright hues is his pet peeve; picking up pins is his superstition. His favorite book is "How to Torture Your Friends."

This is Mr. C. N. Bogner's first year at Bay. He received his A. B. at Baldwin-Wallace and his M. A. at Western Reserve University. His first recollection is a March blizzard; road hogs are his pet peeve, and his hobby is vocal-

izing alone. His pastime is reading detective stories.

Mrs. H. K. Bortz came to Bay in 1934 with an A. B. degree from Smith College. Her first recollection is getting lost when she ran away from home; her hobby is cooking; and the Bible is her favorite book. Helen Hayes and Walter Pidgeon are her movie favorites.

A rag doll is the first recollection of Mrs. Chandler. This is her first year at Bay High. She received her B. S. and M. A. degrees from Rhode Island State. Golf is her favorite sport; sewing is her pastime. General McArthur is her favorite American.

Miss Irene Furniss came to Bay in 1941 with a B. S. in Education from Columbia University. Gardening is her hobby; and football, her favorite sport. Her bonnet is her first recollection; and Theodore Roosevelt, her favorite American.

This is Mr. W. C. Reed's first year at Bay. He received his B. S. in Education at Kent State. His hobby is raising chickens, and fishing is his favorite sport. Theodore Roosevelt is also his favorite American.

Miss Helen Mabie's pet peeve is people who try to sell her something. She came to Bay in 1929 and has an M. A. from Western Reserve University. Cooking is her hobby, and she's superstitious of Friday the 13th. "Les Miserables" is her favorite book.

Miss Jean Koncana is another newcomer this year. She received her B. A. degree from Denison University. Her first recollection is being afraid to sit on a chair with a bluebird design on it; Lincoln is her favorite American, and traveling is her hobby.

The versatility of the sophomores was aptly displayed by their participation in many activities.

Athletically the class of '45 was represented by Douglas Burke, Bob Christofferson, and Dale Dombey.

The highlight of the year was a unique Parent-Teacher-Student party held at the Community House in February. One hundred and twenty people sang, played, danced, and enjoyed the entertainments of students and adults.

The year's events included a farewell to Bob Christofferson, who joined the Coast Guard, and Jim King, who left for the Marines.

Two other parties were planned by the class, one a traditional beach party in June.

Hugh Lusher won the honor of being the only freshman boy to be awarded a letter in basketball.

# Life

"They are educating us for life, so that we may do our work in the world successfully." Success has a different meaning for each of us. To many of us, friends are closely associated with success. We dream of contacts and friendships with important people in the future.

School organizations prepare us for these future contacts. Joining and participating in activities such as Glee Club, Hi-Y, and Friendship Club give us opportunities to associate with people and to carry through ideas. From these groups we receive training to help our life to be a successful one. For this reason every student is urged to join and make use of school organizations.

## Glee Clubs

Membership in the Girls' Glee Club is voluntary. Girls from the ninth grade to the twelfth are eligible.

The aim of the Glee Club is first of all sheer enjoyment. The second aim is to be able to read the score and appreciate the beautiful tone and balance of harmonizing parts. The girls have been singing all types of classical, semi-classical, and assorted popular music.

Miss Helen Mabie, Glee Club director, based the Spring Concert on historical and patriotic music through American history.

The Boys' Glee Club took part in the Spring Concert and also the Musical, which was presented in the school auditorium on March 7.

It is made up of the boys in the upper four grades who are interested in music.

They also sing for enjoyment and to learn the appreciation of music.

## BAY VILLAGE HOSPITAL

WARDS Forestview and Parkview

B. R. Griffth and W. J. Springer DOCTORS

YEAR	MEDICATION AND DIET	NOTES	NURSES
1931	<p>In the year of 1931 the class of '43 was found to have a lack of knowledge. At once they were rushed to the Bay Village Hospital where their temperatures were taken and where they were immediately given treatment. Special nurses, assigned to their case, put the class on a strict diet of learning the alphabet. By the end of the year they opened their first primary readers, thus commencing their long struggle to the road of recovery.</p>	<p>Beginning their first school days at Parkview were Bob Berger, Albert Hruby, Harry Huthsteiner, Helen Merseburg, Laddie Nyerges, Bud Price, Connie Watson, and Burton Wolf. Starting at Forestview were Dan Aspery, Patsy Austin, Marjory Beck, Don Bussman, Beverley Christian, Ruth DuPerow, Fred Dutton, Zora Grachanin, Bob Lee, Dan Spencer, and George Sutliff.</p>	<p>Miss Bonsey Miss Loomis</p>
1932	<p>The class of '43 advanced into the second year of their existence with very little change in either ward. Arithmetic and writing were prescribed; discipline began to take effect.</p>	<p>There were no new patients this year. A consultation was held by the doctor and his assistants; afterwards they had high hopes for the class.</p>	<p>Miss Bonsey Miss Loomis</p>
1933	<p>This year they were guided successfully through the multiplication tables. The Forestview ward began to show their individuality by staging a Dutch play for their parents.</p>	<p>Dick Miller and Dan Harwood were the only new members at Forestview while Betty Karcher added her name to the Parkview ward.</p>	<p>Miss Foreman Miss Brown</p>
1934	<p>The Sohions were the championship baseball team at Forestview while Parkview had Laddie Nyerges as the star on their football team. A very successful production, "Princess and Curdy," was put on by the Parkview ward.</p>	<p>The class at Parkview had nurse trouble, being administered to by Miss Foreman, Mrs. Foote, and Mrs. Button all in one year.</p>	<p>Mrs. Button Mrs. Belloway</p>
1935	<p>The classes were first brought together in the fifth grade at the Forestview ward. Future judges and attorneys had their first chances at the Bizzy Bear trials. There seemed to be no serious complications as yet.</p>	<p>Albert Hruby and Fred Dutton left Bay for new towns, while Paul Reilender was added to the progressive class.</p>	<p>Mrs. Kelly Mrs. Funk</p>
1936	<p>The musical talent showed up in two bands, the "sour notes" and the "sweet notes." Under the direction of Miss Mabie, they presented the operetta, "Sunny of Sunnyside." The class felt very much encouraged when they learned that they were considered wise enough for high school in the Parkview ward.</p>	<p>The class was joined by George Bernard and Elizabeth Woodson. They put out the first edition of Forest Views which has proved to be a very successful publication.</p>	<p>Mrs. Funk Miss Dietz</p>

DOCTORS

YEAR	MEDICATION AND DIET	NOTES	NURSES
1937	<p>They won the three gallons of ice cream in the Annual contest this year. In June was charted their first beach party at Elizabeth Woodson's home.</p>	<p>The class, already showing signs of growing pains, finally found their way around the new building and settled down to work.</p>	<p>Mr. Shollenberger Mrs. Mink</p>
1938	<p>A prom was held during the year; and having become very social-minded, the class celebrated their progress with a dance in the cafeteria. They finally ended the year with a beach party. It was noticed that some actually started dating this year.</p>	<p>Harry Craig and Bob Dash were the only new patients. The doctor announced at the annual medical forum that the X-ray of the class of '43 showed that they possessed many talents.</p>	<p>Mr. Patterson</p>
1939	<p>This was the beginning of sports for the boys, who were now considered old enough for football and basketball. The big event of the year was their Sadie Hawkins Day Dance with music supplied by their own classmates.</p>	<p>Six new members, which included Anne Allen, Jerry Couchey, Mary De Witt, Arthur Grealis, Virginia Meilander, and Bob Sims joined; Al Hruby re-joined. The condition of the class continued to be satisfactory.</p>	<p>Mr. Schumaker</p>
1940	<p>Again the class won the Annual contest and with their winnings gave a farewell party for Dorothy Sancik, who was stricken with tuberculosis and was compelled to leave the ward.</p>	<p>The class as sophomores welcomed Bob Smith, Elvira and Ruth Palinkas, and Betty Jones as fellow patients; and Fred Dutton returned as Bud Price temporarily left for Wisconsin.</p>	<p>Mr. Patterson</p>
1941	<p>Two-tone blue was the color chosen for their snappy reversible jackets. Class rings arrived after a patient wait. World War II was declared but little change was found in the ward. A very original Junior-Senior Dinner Dance was held; and henceforth Laddie would be known as George.</p>	<p>Don Drenkhan, Janice Peake, and Mildred Holter entered the hospital; and Bud Price returned. Dr. Springer reported that as juniors this was their year of big doings; but they weathered the crisis wonderfully.</p>	<p>Mr. Schumaker</p>
1942	<p>The class "threw" one of its best parties for Dan Harwood. Bob Smith's model "A" Ford competed with the school bus throughout the final year. Eventually the class was found to have learned all the knowledge required by the ward, and after the final rush of graduation they were dismissed on June 2, 1943.</p>	<p>The final year arrived, and the class charted by the statistician was to be guided again by Mr. Schumaker through one of its stormiest years. Carl Ritchie and Larry Krumweide joined. Dan Harwood left for the Army Air Corps and George Bernard for the Coast Guard Band.</p>	<p>Mr. Schumaker</p>

# Liberty

The Allied Powers are fighting for Liberty. They are now seeking to preserve personal freedom for all men. This is the dream.

Our schools are striving to prepare the future generation for these liberties and for the responsibilities which go with them. This is reality.

We are learning the principles of self-government through our Student Council. We are studying problems of law and order in our Tribunal.

Through the "Bay Window" we are seeing the responsibilities and influence of a free press. Now, in this, our Annual, we are seeking to interpret our conceptions to you.

We have found that freedom means responsibility. The citizens of tomorrow must be ready for Liberty.

## Student Council

The Student Council of Parkview High is a governing body composed of representatives of the various clubs, organizations, and homerooms of the school. The people who are on Student Council are elected by the student body of the school.

A group of students eligible for the presidency is presented to the student body who elect the president from that group. One member of the Council's Tribunal is elected from the high school at the same time. The other three members on the Tribunal are elected by the Council from its own membership. These four, with the Student Council President, make a Tribunal of five students who act as the disciplinary force of the Council.

The monitor system and the honor study halls are also set up by the Council.

In February the Student Council took time out to enjoy a dinner party held in the school cafeteria. This was pronounced a success by everyone who attended it.

The Placement Bureau, which was established last year as a clearing house between the students who wish part-time work and the people who want their help, is still in full effect.

Each year a citizenship cup is presented by the Student Council as an award to one boy and one girl of the senior class who have been recognized as outstanding citizens of the school. The principal, the senior class adviser, and the Student Council adviser select the people who are to receive the awards from a list compiled by the faculty. The awards this year were received by Don Bussman and Connie Watson.

At the end of the year Student Council had its annual weiner roast for the incoming Council.

### FACULTY ADVISERS

Miss E. A. Paspek                      Mr. C. N. Bogner

The Bay Window is a student publication issued every Friday. Assignments are made on Monday. Articles are typed and the dummy is set up on Wednesday. After being approved by the faculty advisers, the stencil is cut on Thursday, and the paper is mimeographed in the office Thursday afternoon.

Mr. C. N. Bogner became the new faculty adviser and helped greatly in his constructive criticisms.

Of the ten editors of the Bay Window, nine are seniors who have worked on past Bay Windows during their high school years. Their services will be greatly missed.

# Calendar

September 9, 1942

Dear Diary,

Things started all over again today with the opening of school.

September 18

Bay began things off slow and easy in their first football game out in North Royalton. They didn't want either side to go home beaten so they let the score stand at 0-0.

September 25

Bay cheering section got their first look at our swell new football uniforms, at this, the first home game. The fellows didn't want to get them too dirty so the final score read: Independence 45; Bay 2.

But man, did you see those cheer leaders! I wish I could whistle on paper.

October 1, 1942

Cuyahoga Heights comes over with no score and goes home with the same, while Bay chalks up 19 points. That a boy, George!

October 10

Bay went over to Brecksville and came back with the short end of a 20-7 score.

October 14

Hi-Y had their first dinner of the year which accompanied the initiation of new members.

October 17

Bay football squad played host to Fairview and did as any good host would do—let them win. Final score: 18-0.

October 23

Bay went to N. Olmsted today and came back with seven points while N. Olmsted took 18.

October 30

Got a day off today. No sir, you're wrong; I didn't skip school; N.E.O.T.A. met today.

October 31

Olmsted Falls comes down and makes one touchdown more than Bay. So the final score stood 7-0.

November 7, 1942

Today was the day. Everybody and their uncle turned out for the annual football game with our friendly rival, West-

lake (Dover). What a game! Both teams played their hardest and when the dust had cleared, Westlake had collected 14 points; Bay had 6. Boy, that team of ours played a "wow" of a game!

I wonder if Elizabeth Woodson and Don Bussman will ever forget this game, for it was today they reigned as king and queen. Last night at the snake dance they were crowned, and today at the half of the game, they paraded down the field in a yellow convertible with Dover's queen and king.

And this still isn't all, for at night Friendship threw one of their traditionally fine dances. If today didn't tire you out, nothin' will.

November 14

The modern way of doing things took over tonight at the Student Council Bar Dance. They started a Virginia Reel, but it soon turned into a Conga Line—maybe because it was cold and they wanted to keep warm.

November 20

"The junior class rises to new triumph."

That's what a dramatic critic would have said if he had seen the juniors' play, "Stage Door."

Nice work, Bobbie.

November 26-29

A parole for three days. Reason: Thanksgiving.

December 4, 1942

First basketball game and it's played right here at home. Final score Bay—17, North Olmsted—15.

December 15

Fairview dropped in tonight, and while they were here they dropped 32 points in the basket. Bay made a final 30 points losing their first game on their home floor in three years.

December 16, 17

Conductor Fred Austin presented his 1942 edition of the Bay Village High School Band in their first concert. There's a solid outfit.

## Calendar - continued

December 18

Bay went into Rocky River for their game tonight. Final score: Bay—32; Rocky River—27.

December 24—January 4, 1943

End of the ride for this year, so to all a Merry Christmas and a Victorious New Year.

January 8

Starting 1943 out right, Bay defeats Avon Lake; 36-22.

January 13

Hi-Y and Friendship cooperate on a play night. This ought to be an annual affair because each year it becomes more fun.

January 15

Bay couldn't quite find the basket up at Westlake so they brought home the short end of a 23-18 score.

January 22

North Olmsted and Bay tangled again. This time the final score was Bay 69; North Olmsted 54.

January 29

Victory for Bay over Olmsted Falls: 43-37.

February 6, 1943

Bay does it again over at Fairview. Final score was Bay 44; Fairview 35.

February 10

10th grade party at the Community House. Things were done up right. Entertainment and everything!

February 18

Juniors frolic at their class party. Fun for all and all for fun!

February 19

The freshman class had a potluck dinner tonight, and then they all stayed to see the last game of the year: Bay vs. Westlake.

Bay this time handed Westlake a defeat by the score of 32-21.

This was all concluded by a Victory Dance given by the Senior Class.

February 23-26

Setting up point rationing for these four days, consequently we are exposed to only one-half day of school. That's tough, isn't it?

March 11, 1943

Bay's basketball team, after winning all their tournament games at Orange, traveled to Kent where they lost to Mineral Ridge, 35-54. This, however, was farther than any Bay team has ever gone in the tournaments so they deserve lots of praise.

March 12

It's the wearing of the green at the Community House tonight for the Junior Class's St. Patrick's Dance.

March 29-April 2, 1943

Hold onto your hats! It's campaign week for the Victory and Liberty Parties. What a riot!

April 7, 8

The winners of the election took over school and village today. We make more good citizens this way—

April 16

The curtain was rung down on another theatrical success tonight when the senior class presented "The Late Christopher Bean"

April 19-25

What could be better than a spring vacation in the spring? I know, two of them.

April 28

Parents of Hi-Y members flocked to the Hi-Y Parents' Night and there participated to make this a red-letter evening.

May 7, 1943

One of the nicest Spring Concerts ever presented was produced tonight under the direction of Miss Mabie. Congratulations are in order to all.

May 14

The junior class was host to the senior class in the traditional Junior-Senior Banquet. Really a 'sender,' right Sam?

May 30

Pardon the quiver in my hand as I write, but it was Baccalaureate today. Getting kind of close to the end.

Junior 2, 1943

Commencement! This is where we write "the end" for the seniors; not quite as easy to do as it sounds either.

June 5

School closed officially today. A momentous ending to an even more momentous year.

## *Pursuit of Happiness*

"When the lights go on again;" "When Johnny comes marching home;"—these are our ideas of happiness today, to have a peaceful world to live in so that our fathers and brothers and friends can come home. Life then will be complete and happy.

In our school life our pursuit, of course, is knowledge; for in knowledge lies happiness, even if we do dislike homework. But there are other important pursuits in school. One is the making of friendships; another, bringing pupils of a class and classes to a better understanding and a closer unity. Truly, friendship, understanding, and unity point the way to happiness.

## Football

Bay's football team had an energetic but uneventful season this year. Starting the season with only five lettermen returning from last year's squad, Bay won one game, lost six, and tied one.

The team played hard but lacked the experience needed to come out on top. They were a green team composed mostly of sophomores and juniors. There were six seniors on the squad. Dick Humphrey and Harry Craig captained the team.

Next season Bay expects to have twelve lettermen returning, the most Bay has ever had; and they should be a crack, experienced team.

This year's lettermen were: Seniors: Bob Lee, Harry Huthsteiner, Paul Reilender, Harry Craig, Carl Ritchie, and George Nyerges who led the team in scoring; Juniors: Dick Humphrey, Tom Toth, Corless Ganyard, Keith Paine, Henry Young, Jack Rossland, Louis Frazier, Jack Burke, and Don Carpenter; Sophomores: Douglas Burke, Dale Dombey, and Bob Christofferson.

The season's scores:

Bay	0	North Royalton	0	
Bay	2	Independence	45	
Bay	19	Cuyahoga Heights	0	
Bay	0	Fairview	18	
Bay	7	Brecksville	20	
Bay	7	North Olmsted	18	
Bay	0	Olmsted Falls	7	
Bay	6	Westlake	14	
Season Total	41		122	

# Basketball

This season Bay's basketball team hung up one of the best records in the history of the school. In the first round of games Bay dropped two but came back to avenge them both in the second round.

While their two defeats kept them from a clean record of victory the boys took another by staying in the tournament through six games until they were finally dropped at Kent by Mineral Ridge. This is a record unapproached by any other bay team and was carried out in spite of the loss of their coach, J. W. Shollenberger, to the Navy during the tournament. It might be said in passing that we all feel that our loss is the Navy's gain.

This year's varsity consisted of Dan Aspery, Doug Burke, Jack Burke, Don Carpenter, Melvin Cayce, Harry Craig, Corless Ganyard, Dick Humphrey, Joe Keenan, Hugh Lusher, and Tom Toth.

The lettermen were captained by Jack Burke. They are: Dan Aspery, Harry Craig, Melvin Cayce, Corless Ganyard, Dick Humphrey the high point man, Joe Keenan and Tom Toth.

## *Dramatics*

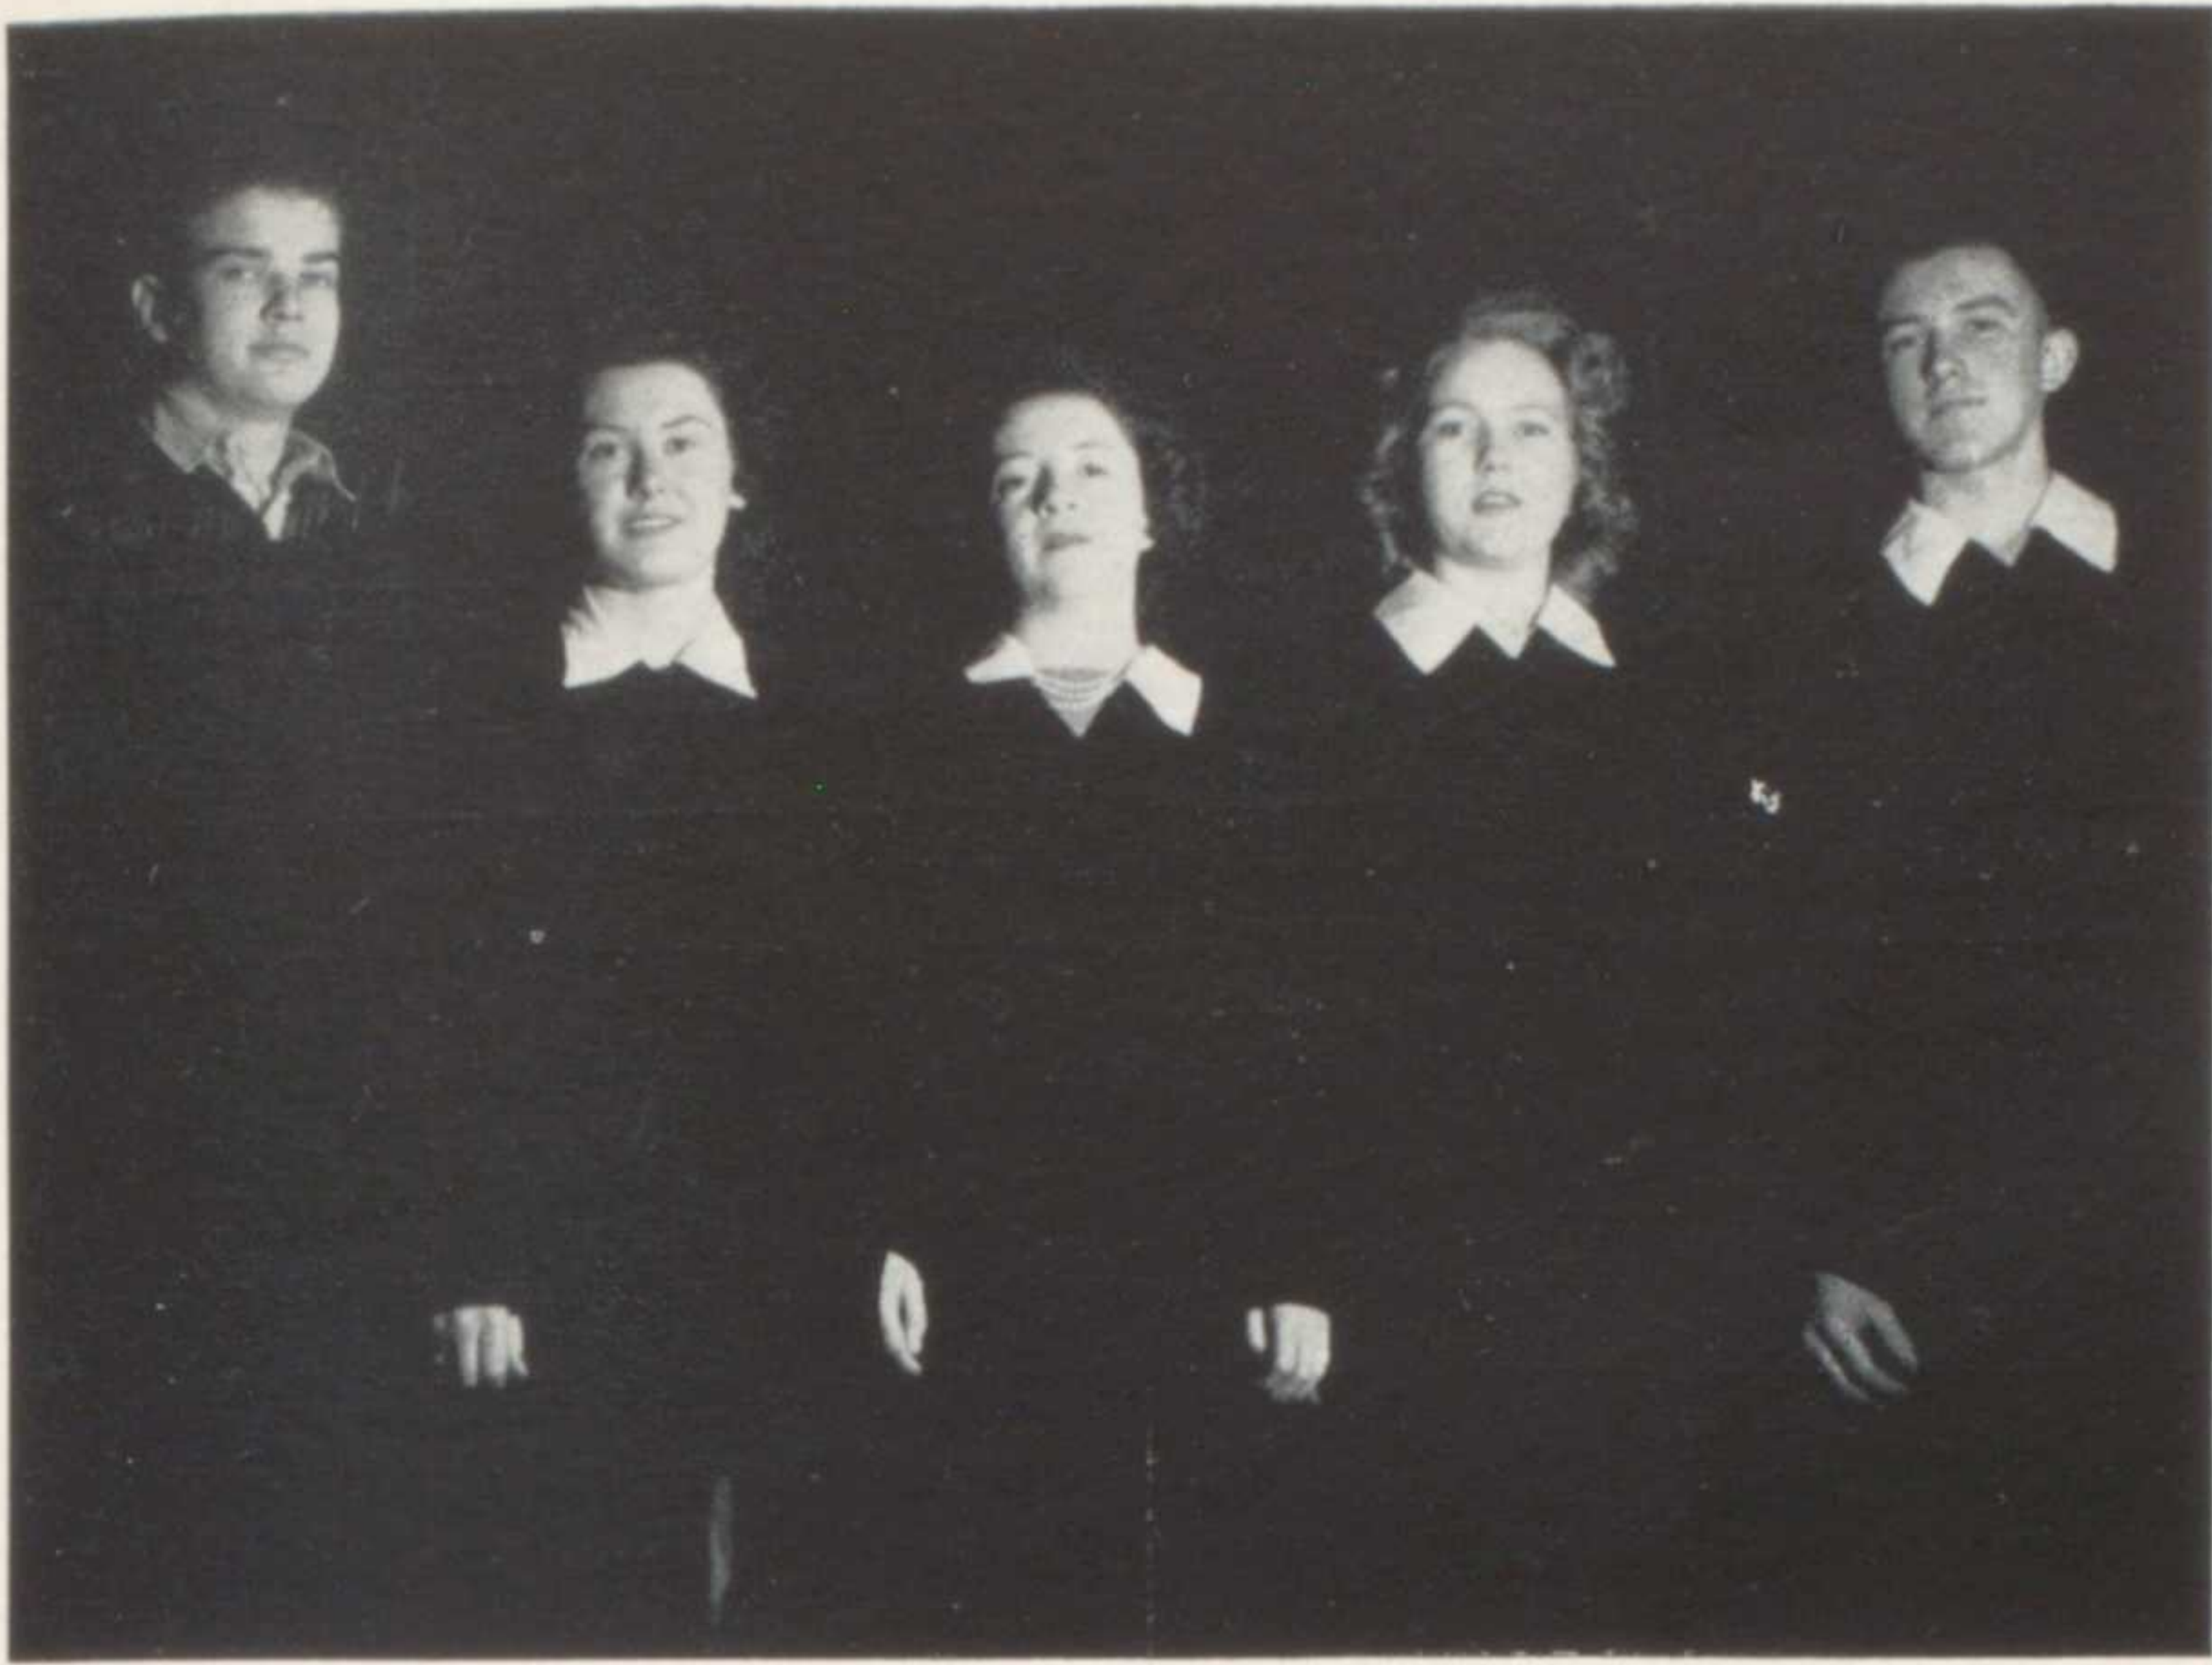

Miss Jean Koncana, a new member of our faculty, took charge of the school dramatic productions for this year. Her all-girl dramatic class has had a great deal of excellent experience.

Tradition was shattered this year when the Junior Play was presented first. A record-breaking cast of thirty presented the Broadway success, "Stage Door," at two performances; one a matinee for the high school on November 26th, and the other an evening production on November 27th.

The cast was made up of juniors, for the most part, with the feminine leads going to several dramatic class students. Barbara Ann Chasé won the coveted role of Terry Randall. Betty Dunham gave a convincing performance as Kay Hamilton, and Barbara Ranney as Jean Maitland. Mary Ann Woodmancy's characterization of Mrs. Orcutt will not soon be forgotten. Male leads went to Harry Craig and Louis Frazier. The play was a decided success and netted the class forty-nine dollars.

In contrast to this gay, sophisticated play, the seniors presented a pleasant comedy of American life, "The Late Christopher Bean." It was presented on April 16th by a small all-senior cast of nine members. Top honors went to Donald Bussman as the lovable country doctor. Connie Watson appeared in the feminine lead, as Abby, the maid and widow of the late Christopher Bean.

Beverley Christian was cast as the doctor's nagging, greedy wife, and Betty Karcher and Jerry Couchey appeared as his daughters. Harry Craig was the aspiring young village artist. Bud Price and Ted Dutton appeared as the rascally art-dealers; while Carl Ritchie had the role of a kind and honest art critic.

## National Honor Society

Left to right: Donald Bussman, Helen Merseburg, Anne Allen, Constance Watson, Robert Berger.

In 1940 Parkview's Chapter of the National Honor Society was founded. Scholarship, leadership, character, and service represent the basis for entrance.

New members are selected by a faculty committee and admitted to the society in an impressive and formal service during the second semester.

This year six more students were added: Ruth Berger, Jack Burke, Agnes Porter, Betty Dunham, Barbara Chase, Ruth Palinkas and Finley Jackson.

The band this year took its rightful place among up-and-coming bands and delighted the school with the great improvement it has made.

Mr. Fred Austin, popularly known as "Fred," is the new director and has made the band a regular school subject. Practice was every day during school and credit toward graduation was granted for band work.

In the late fall the band gave a two-evening concert that proved a big success. Later in the year they played for the inductees in Cleveland.

The group entertained at several school assemblies. During the second semester it concentrated on new music for the annual band concert in the spring.
