the Class of 1950

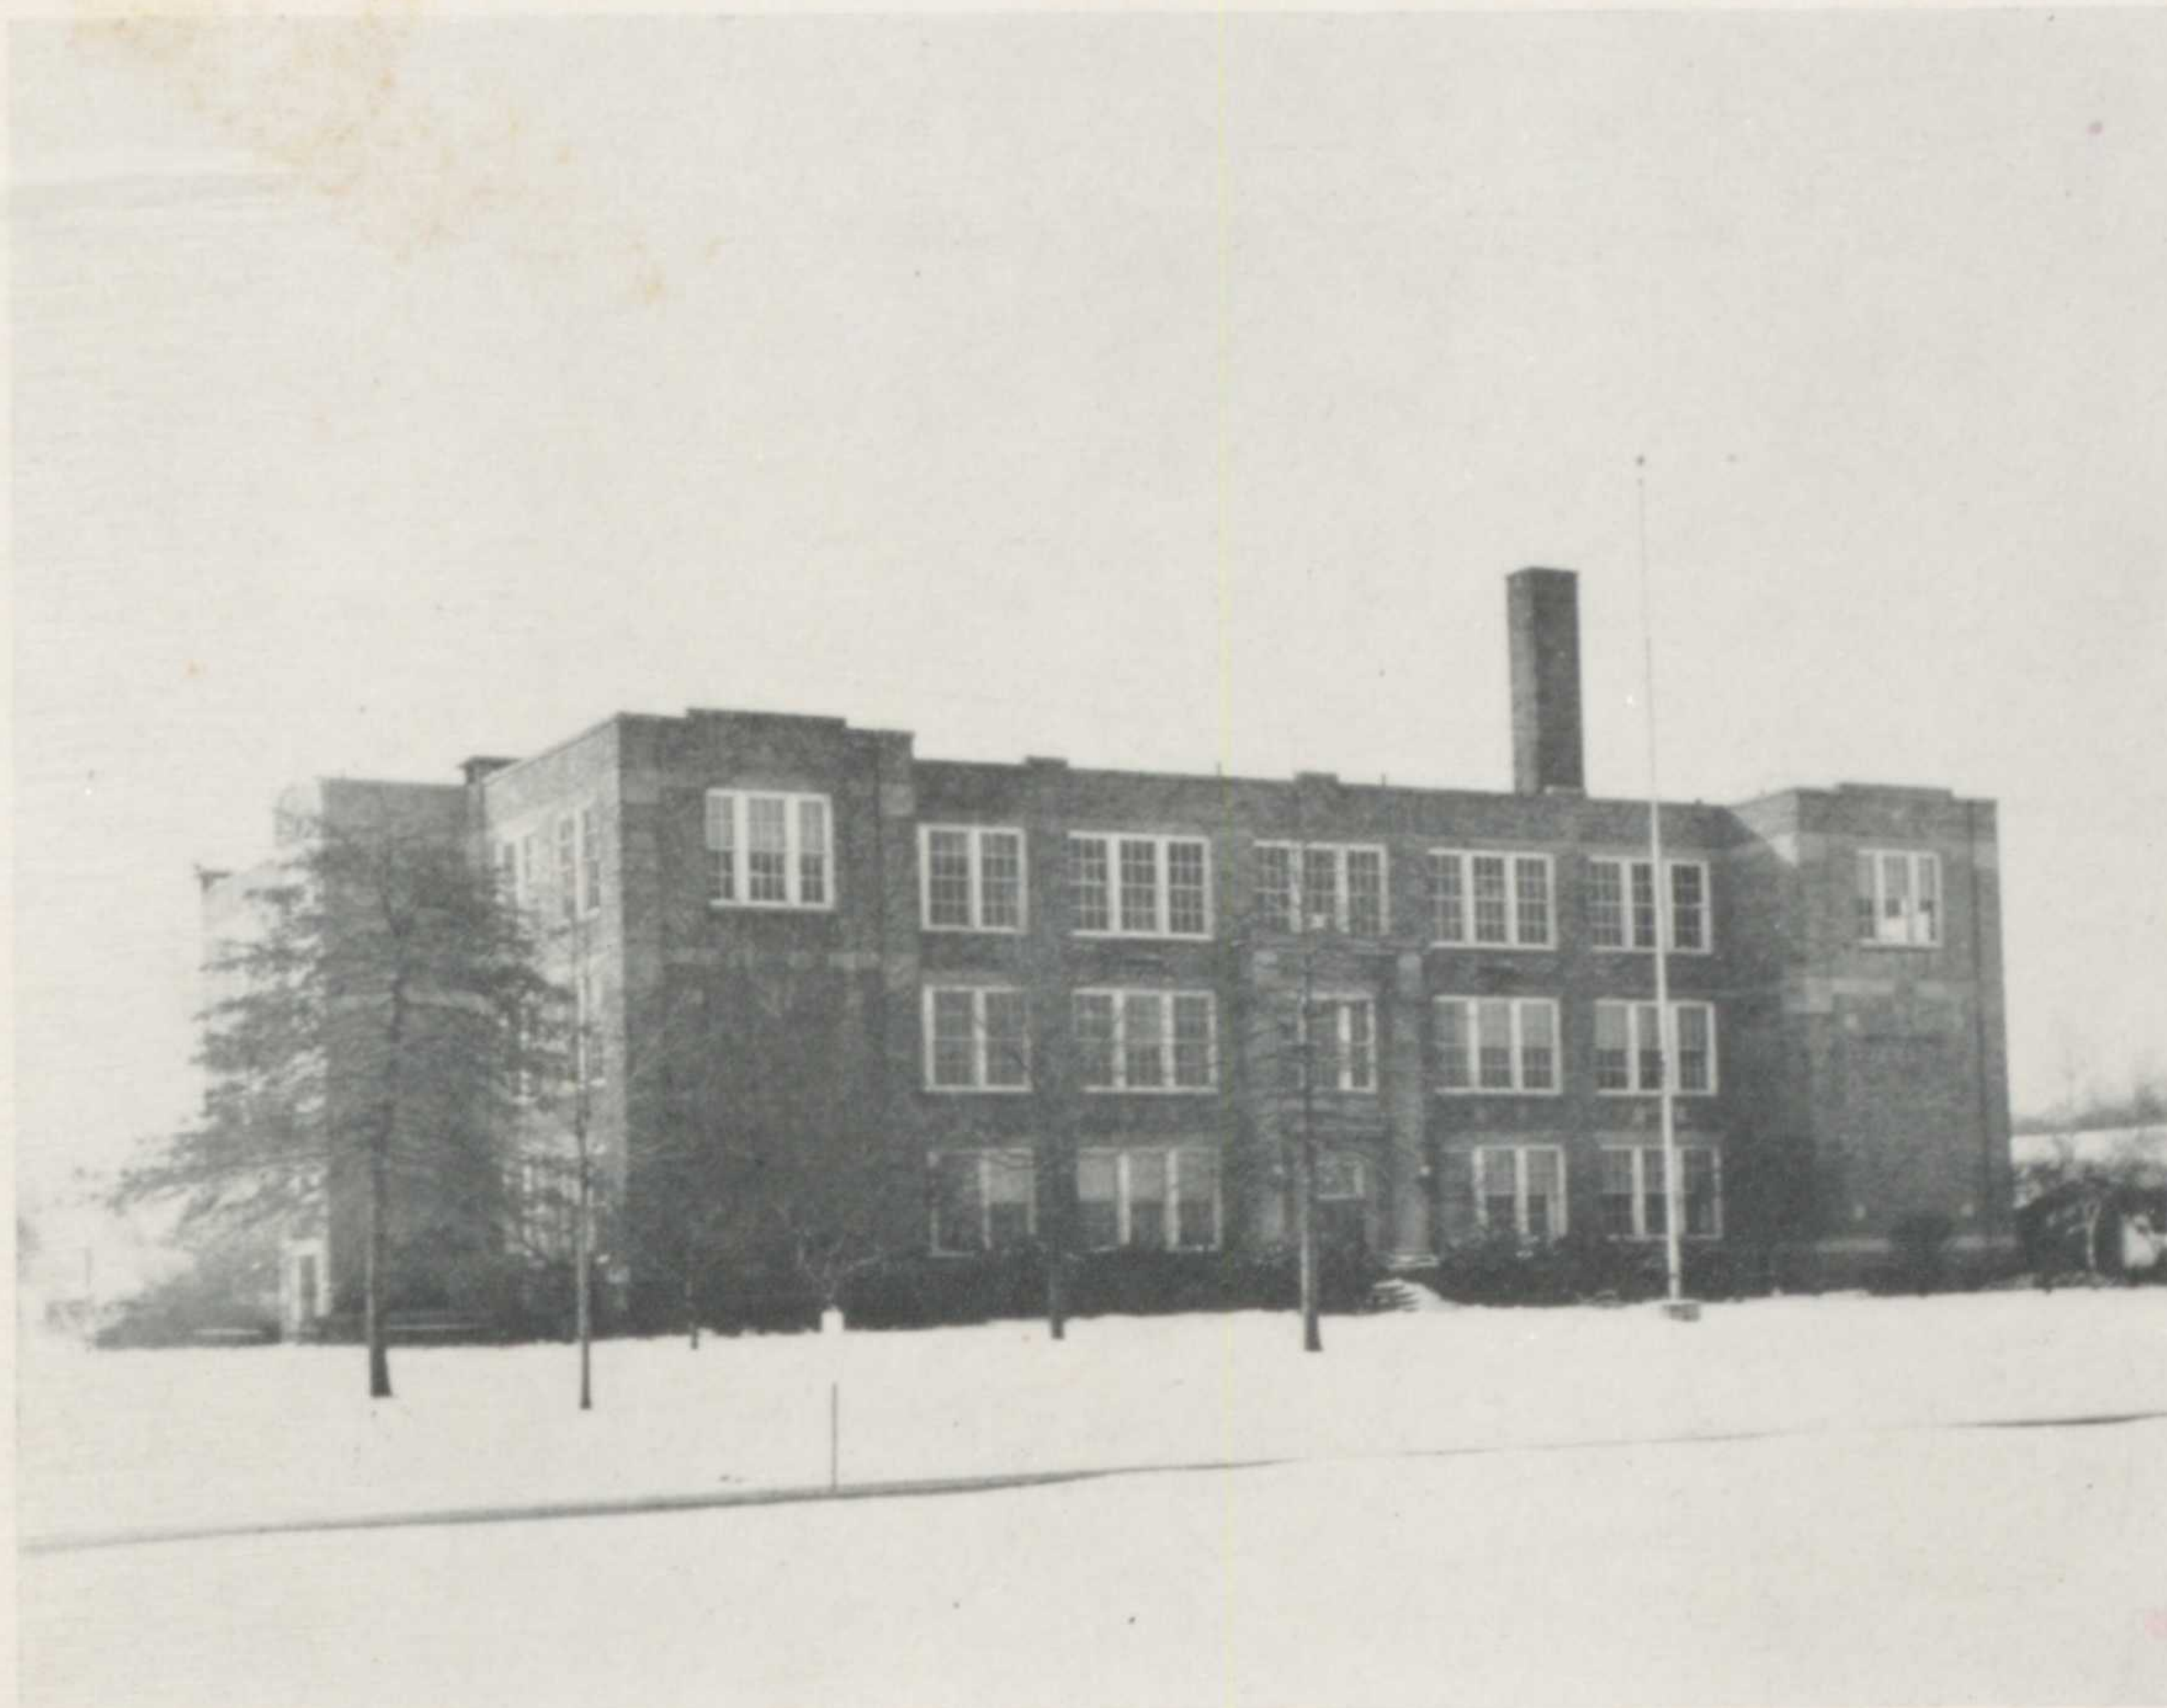

DEDICATION

The Senior class of 1950 dedicates this edition of the Bay Blue Book to "Our Town" which has so deeply affected the student lives of Bay High.

The marked paths which have flourished in the minds of these graduates will never be forgotten as the long trip commences on an unfamiliar avenue toward the future.

BAY HIGH SCHOOL

Oh Bay we sing thy praises,
From loyal hearts and true,
And every song of praises,
In gratitude to you.
For lessons learned, for friendship
Alike at work and play,
To thee we pledge our loyalty,
All hail to thee oh Bay.

BOARD OF EDUCATION

1. Mr. Dean Sadler
2. Mr. H. Branigan Armstrong
3. Mr. Wilbur J. Springer
4. Mrs. L. P. Fernbach
5. Mrs. K. T. Allen
6. Mr. Kenyon C. Chamberlain

This elected body has a large number of responsibilities in connection with Bay High School. It might be called the backbone of operations concerning financial matters and administration appointments, since such matters as these must be approved by this board.

Through the efforts of the respective board members noticeable improvements and advancements have been made concerning our High School's functions and growths.

ADMINISTRATION

MR. WILBUR J. SPRINGER
MR. C. M. PATTERSON

Mr. Wilbur J. Springer, superintendent of Bay schools has graduated from Mount Union College in Alliance, Ohio; and at Harvard University he worked for his Master of Education Degree.

Mr. Charles M. Patterson, principal of Bay High, is a graduate of James Millekin University and of Ohio State University, where he obtained his M.A. Degree.

Blue ribbons go to the blue ribbon faculty members of Bay High from every student under their guidance. Through the effort of these teachers, our school has become an educating and outstanding stepping stone in the path of progress.

Extra curricular activities, added to a heavy schedule, constitute a rigid routine for our advisor-teachers.

Carrying out its duties of presiding over the Football King and Queen ceremony, sponsoring the Monitor System and Tribunal, providing help in the new concession stand, planning the assemblies with Miss Penyak, and ushering at P.-T.A. meetings; the Student Council has become a strong and respected body.

The Student Council Citizenship Cup award for the year 1949-1950 has been made to Ann Holbrook Beach—as outstanding girl, and to William Calvert Williams—as outstanding senior boy.

BACKWARD GLANCE

Come along with us and walk down the road on which the class of '50 traveled until they finally reached the cross-section where other roads combine with this one.

Let's take a look in the first grade class at Forestview. Is it really these present seniors who are small enough to crawl under the desks? It looks like Mickie McDonough and Marilyn Disbrow carry messages to each other via crawling on the floor. Look, there's Ted Uebbing, big leader of the girls' gang.

At Parkview we see a few members of the class staying after school. Still, Janet Smith, Nancy Miller, Edith Dunn, and Don Solt haven't done all their work on time.

Listen to these chants and tom-toms beating as the primitive third graders prepare their Indian program. We travel on and see that measles has wiped out most of the tribe.

The scene has changed as the Dutch fourth graders present a program of Holland. What's the matter Gordon, aren't you able to keep those wooden shoes on?

Helen Grachanin, Mickie McDonough, and Dolores Crates are really embarrassed. No wonder! They've been caught red-handed taking candy saved for superior spellers.

Look at the time the sixth graders are having during their first class party held at Alethe McDonough's house!

Another first is the slumber party Ann Roberts is having for Janet Smith, Helen Grachanin, Helen Ross, Sheila Baker, and Alethe McDonough in the sixth grade. During this grade, also, boys catch the girls is the popular sport.

Our great athletes show off their physical prowess in the grade school Army-Navy game. Say, how many cheerleaders are there? Come, come, girls, everybody can't be one. Surely twenty are enough.

Don't our dramatic stars look devastating in their Dad's pajamas stuffed with pillows in "The Squander Bug" play?

Why does Ted Uebbing have a bandage around his finger? Could it be that he caught himself with the mouse trap that he put in his desk for pencil thieves?

Say, our little troupe is going to "high school" now as these would-be "wheels" enter the seventh grade.

Comes the spring of 1945 and we find our eighth graders participating in the annual Spring Concert.

Ouch! Tom Redinger has gracefully jumped over five hurdles, and there he is gracefully flopping over the last.

Now our geniuses have become freshmen, madly thinking of schemes to enter the lime-light. The baby faces are beginning to disappear at last.

How utterly social everyone is at the first formal party held by Lesley Wolfe at the Community House.

A change comes about at the scene of Sally Brown's Halloween party, when, among other things accomplished, a dead mouse was placed in somebody's mailbox.

What next in the classroom! The boys have taken the girls to lunch as an assignment for occupations class. Everybody has indigestion as a result.

Hep! Hep! Get your pep! Here come our three cheerleaders, Marie Frate, Ginnie Mersbach, and Janet Smith.

Next come the running board rides on Jack Nelson's beloved car. Take it easy on those corners, please.

Following in the parade of fancy jalopies come Fred Gilner and Homer Davis with their pride and joys.

During the Junior play, we see that somebody is sitting on Willy's cigar, an important prop. Right after "Out of the Frying Pan" these juniors pop over to Marie Frate's house, where we see another class party being held.

Well, well, Wally Massey, George Hutcherson, Dick Coulton, and Dick Watson have finally let the "butches" grow.

It is the fall of '49 now and the end of the road nears. Lou Ann Aukens, Edith Dunn, Barbara Brand, and Lesley Wolfe are bringing back tales of the journalism conference at Ohio University.

Now we are passing various scenes such as the hilarious talent assembly, the Valentine Senior Dance, proms, interviews with Mr. Patterson, senior play preparations and tests, tests, tests.

The road is becoming wider now as the class of '50 continues on toward the dim horizon of the future. Before they travel completely out of sight they turn to us, knowing their Bay High days are over . . .

BASKETBALL

This year's basketball season was not a championship experience for the Bay High Varsity Basketball squad. It was what Coach Shollenberger classified as a test; a test for the team, for the spectators, and for the coach himself.

An entire new team had to be hurriedly constructed after the football season; there being only one letterman left from the previous year's championship players. The rest of that squad had graduated. This was the reason for the rebuilding that had to be done.

It may be said that Lady Luck was on the wrong side of the fence for the Rocket cagers because of the various close losses that were suffered. Bay lost to both Brooklyn and North Olmsted by one point, both games being thrillers. In an exciting double-period overtime, Bay again experienced a loss to Strongsville by two points. In the Fairview-Bay game, Bay was trailing by the same number, two points. At the end of the season, in the County Tournament, Bay fell behind Orange in a tense game, losing by only three points.

Surprisingly enough, the Varsity Basketball squad defeated the Alumni players, many of whom had participated in the championship wins of the previous season. Bay took them over by fifteen points, the score being 47-32.

Bay did not come out badly in the statistical angle of the 1949-50 basketball season. The total number of points attributed to all of Bay's games add up to 672, in comparison to the opponents' total of 787. It is also interesting to note that although Bay won only a small percentage of the games, our average per game was close to that of the opponents. Our per-game average amounts to 42 points; only seven points behind that of the opponent's, which is 49 points.

During all the games, with but few exceptions, the Bay Rockets played good basketball. It was the team's scrappy fighting spirit and good sportsmanship that caused the crowds to come and witness the various home games. It took hard practicing and good coaching to organize a team to face opponents "out for the champs."

Promises of championship basketball teams of the future for Bay have been shown in this season's playing done by the Junior-Varsity team.

The majority of the members of this team were freshmen and sophomores, which means that these boys were obtaining experience needed to produce a first-rate classification. They played their regular season games well and sounded an encouraging

note for the future years by placing first, and winning the Junior-Varsity County tournament held at Olmsted Falls High School. The Bay "Jay-Vees" proved to be the best of the eight teams that contested.

Playing three consecutive nights, we had three consecutive victories. Bay took the first game from Brecksville with the score of 50-21, while the second win was over North Olmsted with the score being 32-5. The third game proved to be the thriller as Bay came out victorious with the score 32-30 over Westlake.

Some facts about these three tournament games are that Bay's total average added up to 114 points while the opponents' total came to 56; these amounting to less than half of Bay's accredited points. Average per-game for the Bay "Jay-Vees" was 38 points and for the opponents, 19 points.

It was a happy Junior-Varsity squad that received a beautiful trophy for the school gained by these victorious efforts. This trophy was crowned "Junior-Varsity Champions."

John Shollenberger coached both the Varsity and Junior-Varsity squads, while Coach Jack Llewellyn worked with the freshman team.

FOOTBALL

This year every student of Bay High and every spectator of our football games of the past season is proud of the results that followed.

It isn't easy to take the skeleton of a championship football team and rebuild it into a good ball club. Every team in the district points to "knock off the champs." Jack Llewellyn and Bob Kitzerow knew that as they began work last August with their inexperienced squad.

Although it meant shifting linesmen to the backfield and moving backs into vital positions in the line, our coaches developed the finest ability possible and gave Bay High School a team of which it could be proud.

Bay began its season on the wrong foot as it was outdistanced by a strong Rocky River eleven. During the first quarter, the excellent play of Bay's forward wall stopped Rocky River cold; and it appeared that perhaps the Rockets could snap Rocky River's fifteen game unbeaten string. In the second quarter and throughout the rest of the game, the River passing attack proved too much for the Rockets as they went down before a 26-6 score. Bay's superior line play was the excellent feature of the Rockets' game. Bay blocking and tackling proved to be good.

Bay again assumed the underdog role in its battle with Westlake. Although Westlake built up a 20-7 halftime lead, Bay came roaring back, and the Rockets tied the score at 20-20 in what proved one of the most thrilling contests in this year's games.

Bay tasted victory for the first time by whipping a scrappy Mayfield eleven 19-13 at Bay. Revenge was gained for the 33-13 thumping given the Bay team by Mayfield last year in the county play-offs.

In its next contest Bay succumbed to a championship-bound North Olmsted team which the Rockets played with everything they had; Olmsted proved too much for Bay, however; the final score being 20-6.

Bay rolled to a last half 13-0 victory over Strongsville with good defense and offensive strategy.

In its peak performance of the year, the Rockets smashed a much-feared and previously unbeaten

North Royalton team 25-6. With the touchdowns made aided by Bay's defensive line, this game proved the high point of the season.

The following week at Bay the Rockets breezed to a 25-6 decision over Brooklyn. The line constantly droned through to smash Brooklyn's backs for numerous losses. The Brooklyn paper accurately described the contest as "Slaughter on Tenth Avenue."

On a muddy, snow-swept field, the Rockets ground out a 13-0 triumph at the expense of Olmsted Falls. The Bay attack and blocking proved to be superior in this game.

In the last game of the season, the Rockets smashed to their fifth consecutive victory by downing Fairview 13-6; this battle being one of the roughest ever witnessed on the Bay field. The climax of the game came in the fourth period when Fairview droned to a first down on the Bay four-yard line. There they were stopped by the driving line play of the defensive Rockets. This was the best goal-line stand of the season and assured Bay of victory.

This rough and hard-won victory was a fitting way to close a successful season for the Bay Rocket gridders.

Throughout the entire season, superior coaching and the greatest of team sportsmanship among the teammates provided the town with a worthy and exciting football season for our own Bay High.

TRACK

Last year Bay opened its 1949 track season on Friday, April 8, with a dual meet at North Olmsted. Bay romped to an easy victory, with Lefty Leavens, the meet's only double winner, leading the way with triumph in the high jump and pole vault.

Friday, April 22, Bay lost its first dual on a triangular meet in the last three years, as Fairview nosed us out by one-half of a point in this triangular meet, which also included North Olmsted.

Thursday, April 28, Bay placed third behind Brecksville and Brooklyn in the North Olmsted International meet.

The following Tuesday, May 3, Bay swept to a smashing victory in the Clearview Invitational, obtaining the greatest number of points ever made in that meet by any team. Both the regular relay teams in the mile and 880-yard relays led their events, and, in addition, Bay won the discus, high jump, and pole vault relays.

May 7, at the Orange relays, Bay's point total was cut drastically. The only win was in the

pole vault relay where the team of Leavens, Springer, and Davis gained the victory.

At the Cuyahoga County Meet, Bay was leading after the first day with Leavens and Springer tied for first in the pole vault, Keever fourth in the discus, and Hawks fifth in the shot put. However, the next day brought disaster as Bill Sterling, with a fourth in the 880-yard run, was the only runner to place.

At the district, Leavens and Springer qualified for the state meet by tying for second in the pole vault; Keever placed fourth in the discus throw; Sterling was third in the 880, and Bay's mile relay team garnered a fourth.

No Bay trackster placed at the State meet, with Leavens and Springer both being just nosed out of fifth place, and finishing in a tie for sixth.

All boys wishing to participate in the following year's football team are required to take part in track for conditioning. This procedure has been made a requirement by Coach Jack Llewellyn, who coaches both varsity football and track.
