Dedication

Keeping the school in smooth operating condition is among the least appreciated of tasks; it demands endless service, sacrifice, and the patience of a veritable Job. There are no rewards or plaudits; it is a matter of integrity, technical ability, and know-how, yielding only the satisfaction of a job well done. So it is that the class of 1953 takes immeasurable pride in dedicating its annual to Ray Klein, under whose capable hands the maintenance of Bay High School has rested these many years. For the untiring devotion of you and your workers, Ray—we salute you!

Superintendent

Another successful year has passed with Mr. Charles M. Patterson as our superintendent. He is a graduate of James Milliken University, and he obtained his M.A. at Ohio State University. Mr. Patterson is now working on his Ph.D. at Western Reserve University.

School Board

Mr. Raymond D. Kraus, Dr. Dean Sadler, Mr. Harold B. Armstrong,
Mr. Arthur V. Hook, Mrs. Katherine Allen.

Principal

Our second year with Mr. Harry Salisbury has been a very progressive one. He was graduated from Wilmington College where he received his B.A. Upon receiving a scholarship, he continued college work at Haverford College in Pennsylvania where he earned his M.S. Mr. Salisbury is working on his Ph.D. at Western Reserve University.

Assistant Principal

Working in co-operation with Mr. Salisbury is Mr. Gerhard Deutschlander, the assistant principal. He received his B.A. and M.A. degrees at Western Reserve University.

What with acting as assistant principal, teacher, and an advisor of several clubs, Mr. Deutschlander is busy every minute of the day and night.

In Memory of William H. Heidloff, Jr., Classmate

Class Will

We, the Senior Class of 1953, students of Bay High School, of Bay Village, Ohio, County of Cuyahoga, and State of Ohio, do make, publish, and declare this to be our last will and testament.

BARBARA AGY leaves her well-known wiggle to the surprised MARY LEASE.

DON ALLEN leaves his membership card for the girls' wrestling team to BOB GROFF.

JEAN ALLEN wills the Charleston to EDDIE MILLER.

GARY ANSCHUETZ is willing to leave his '48 Pontiac sedan to any SOPHOMORE OR JUNIOR BOY planning to raise a family.

PAT ARMSTRONG gladly bids farewell to the job of laying out the Annual, knowing that GAIL HALLER will continue next year.

MARY ANN BALZERSEN leaves her height to the not so needy NANCY WOLFE.

The leads were played by Dick Reese, Ruth Garn, Norma Frederick, and Ronald Jonas.

Senior Class Prophecy

"Oh, hum, I hate to get up in the morning. Let's see what this morning's paper has to say. I'll start with the front page. Oh yes, today is Tuesday, 1975. That reminds me to watch the HAPPY CHAMBERLAIN'S BREAKFAST SHOW on T.V. starring that happily married couple, LYNNE and BRUCE CHAMBERLAIN. Well, back to the paper. My, there are a lot of people in the paper that I knew in high school. Just for fun I think I'll recall them by their former names.

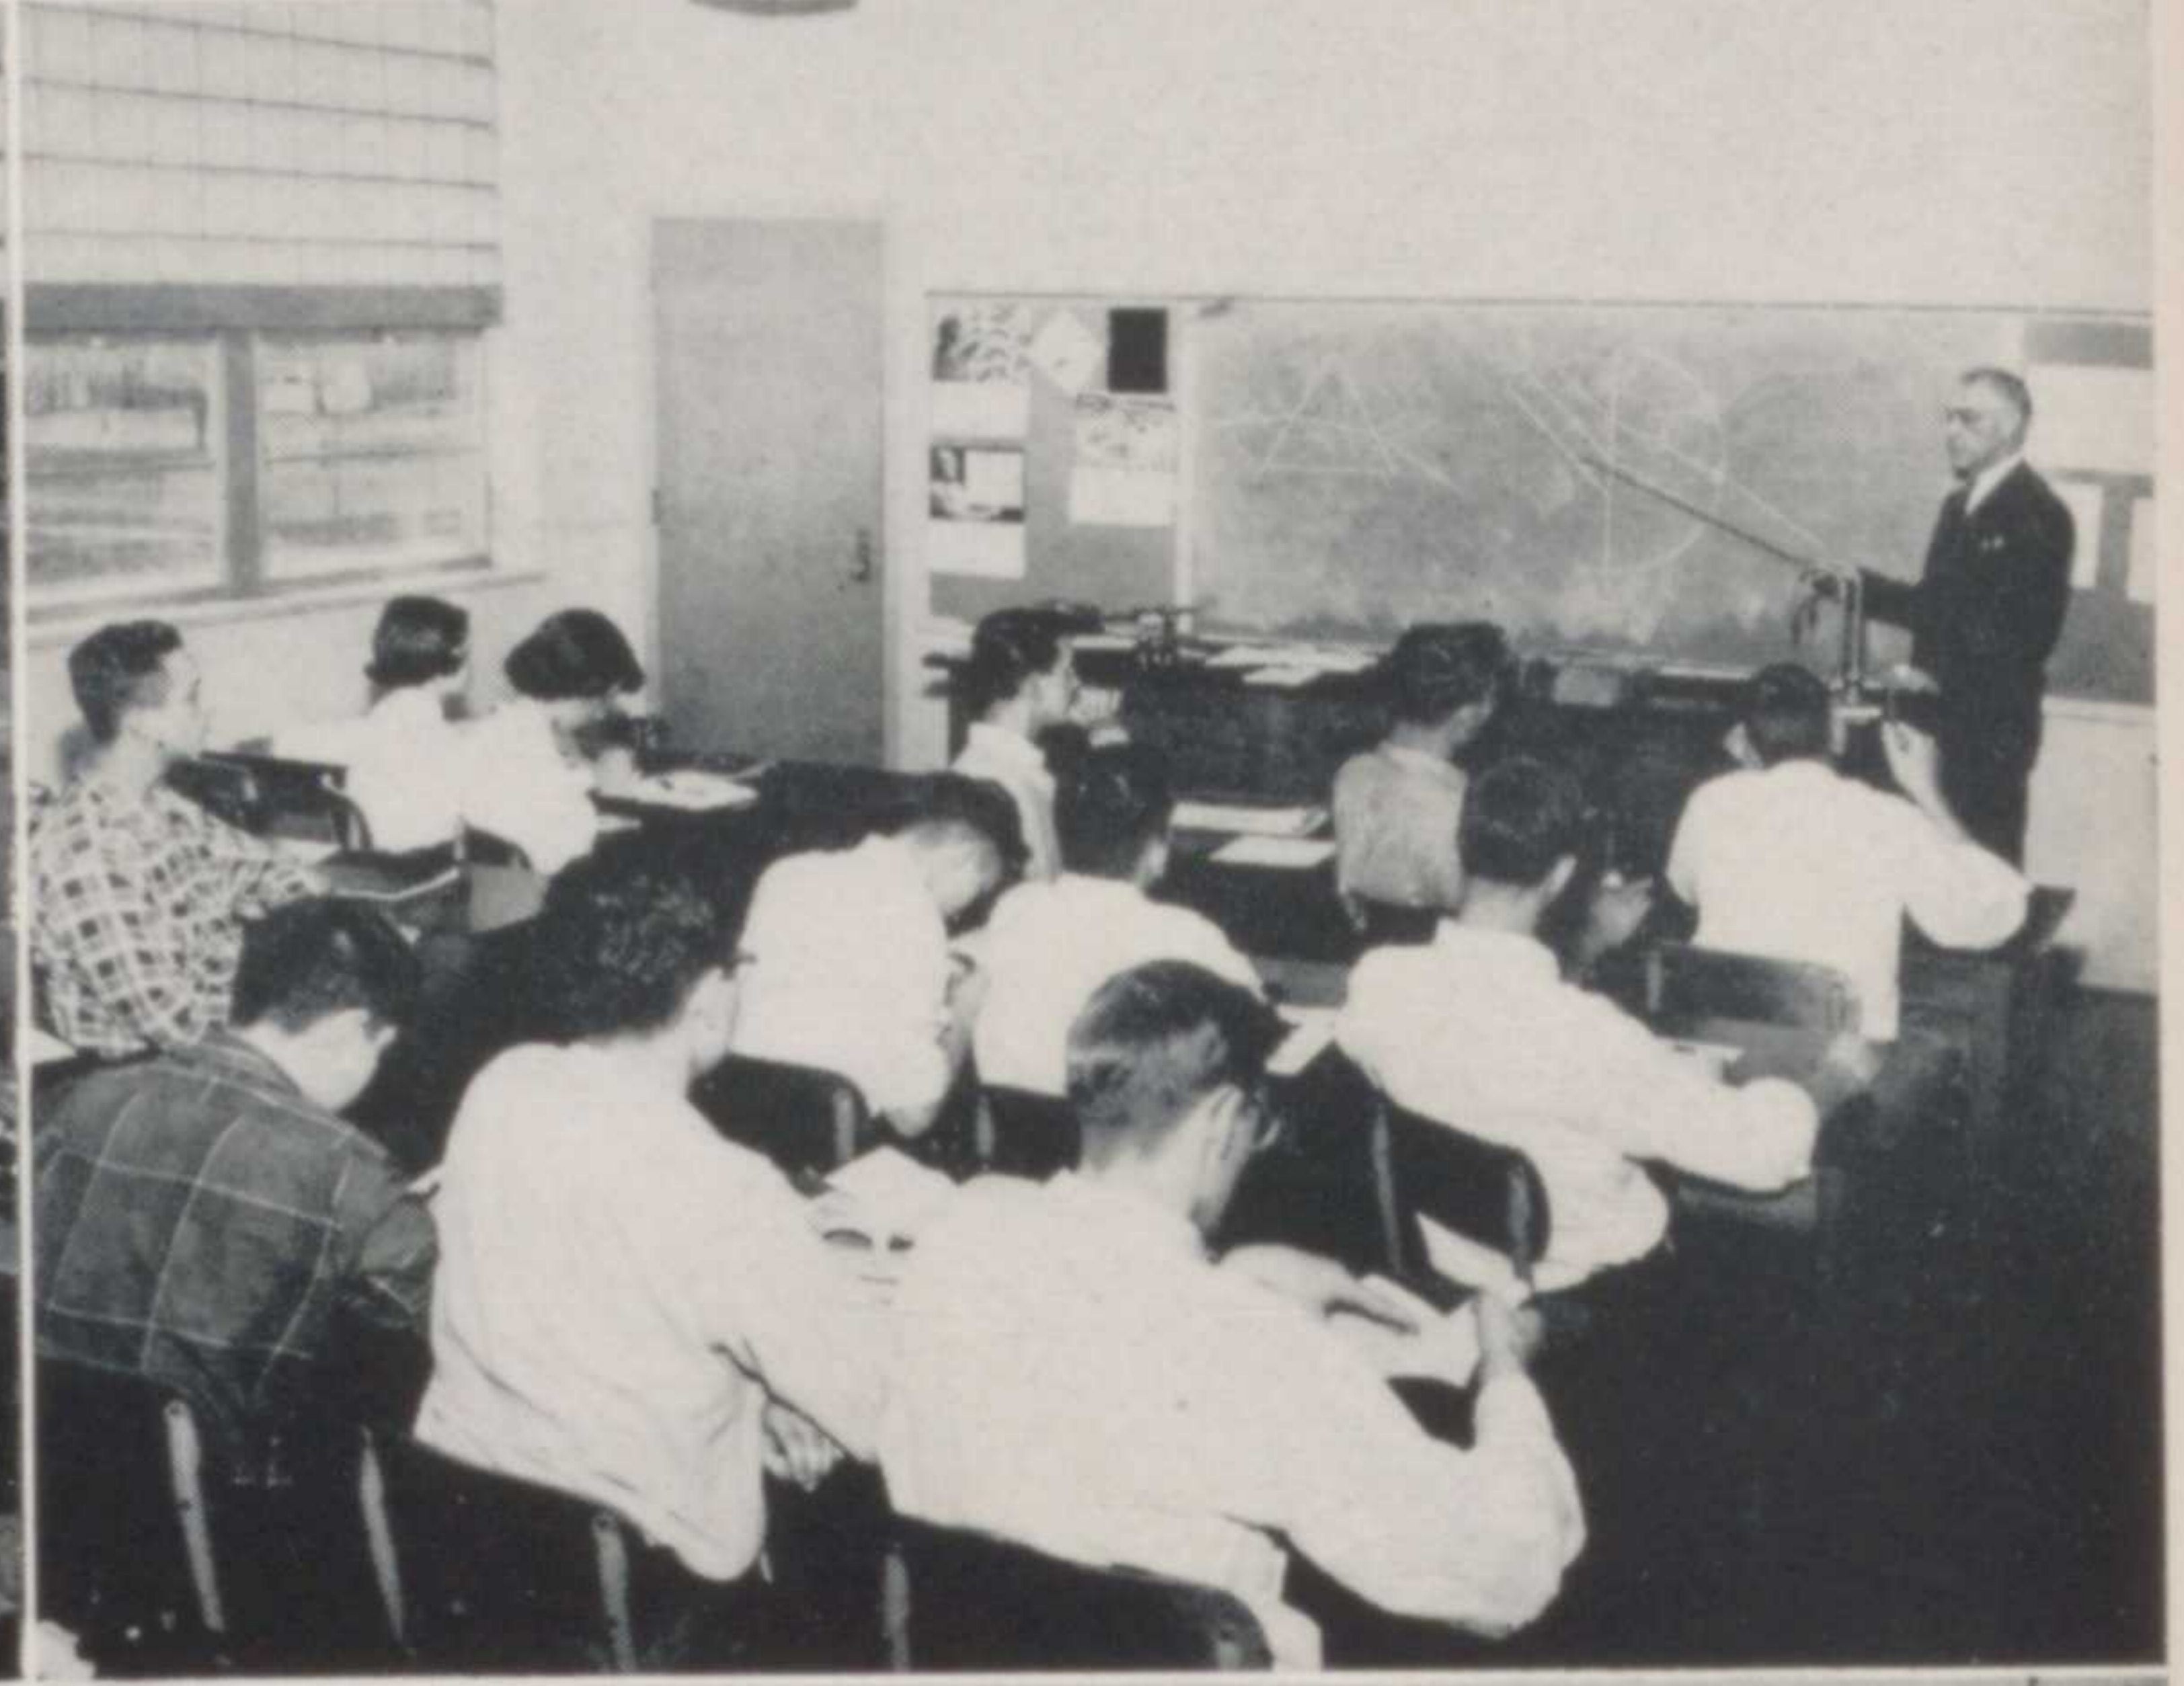

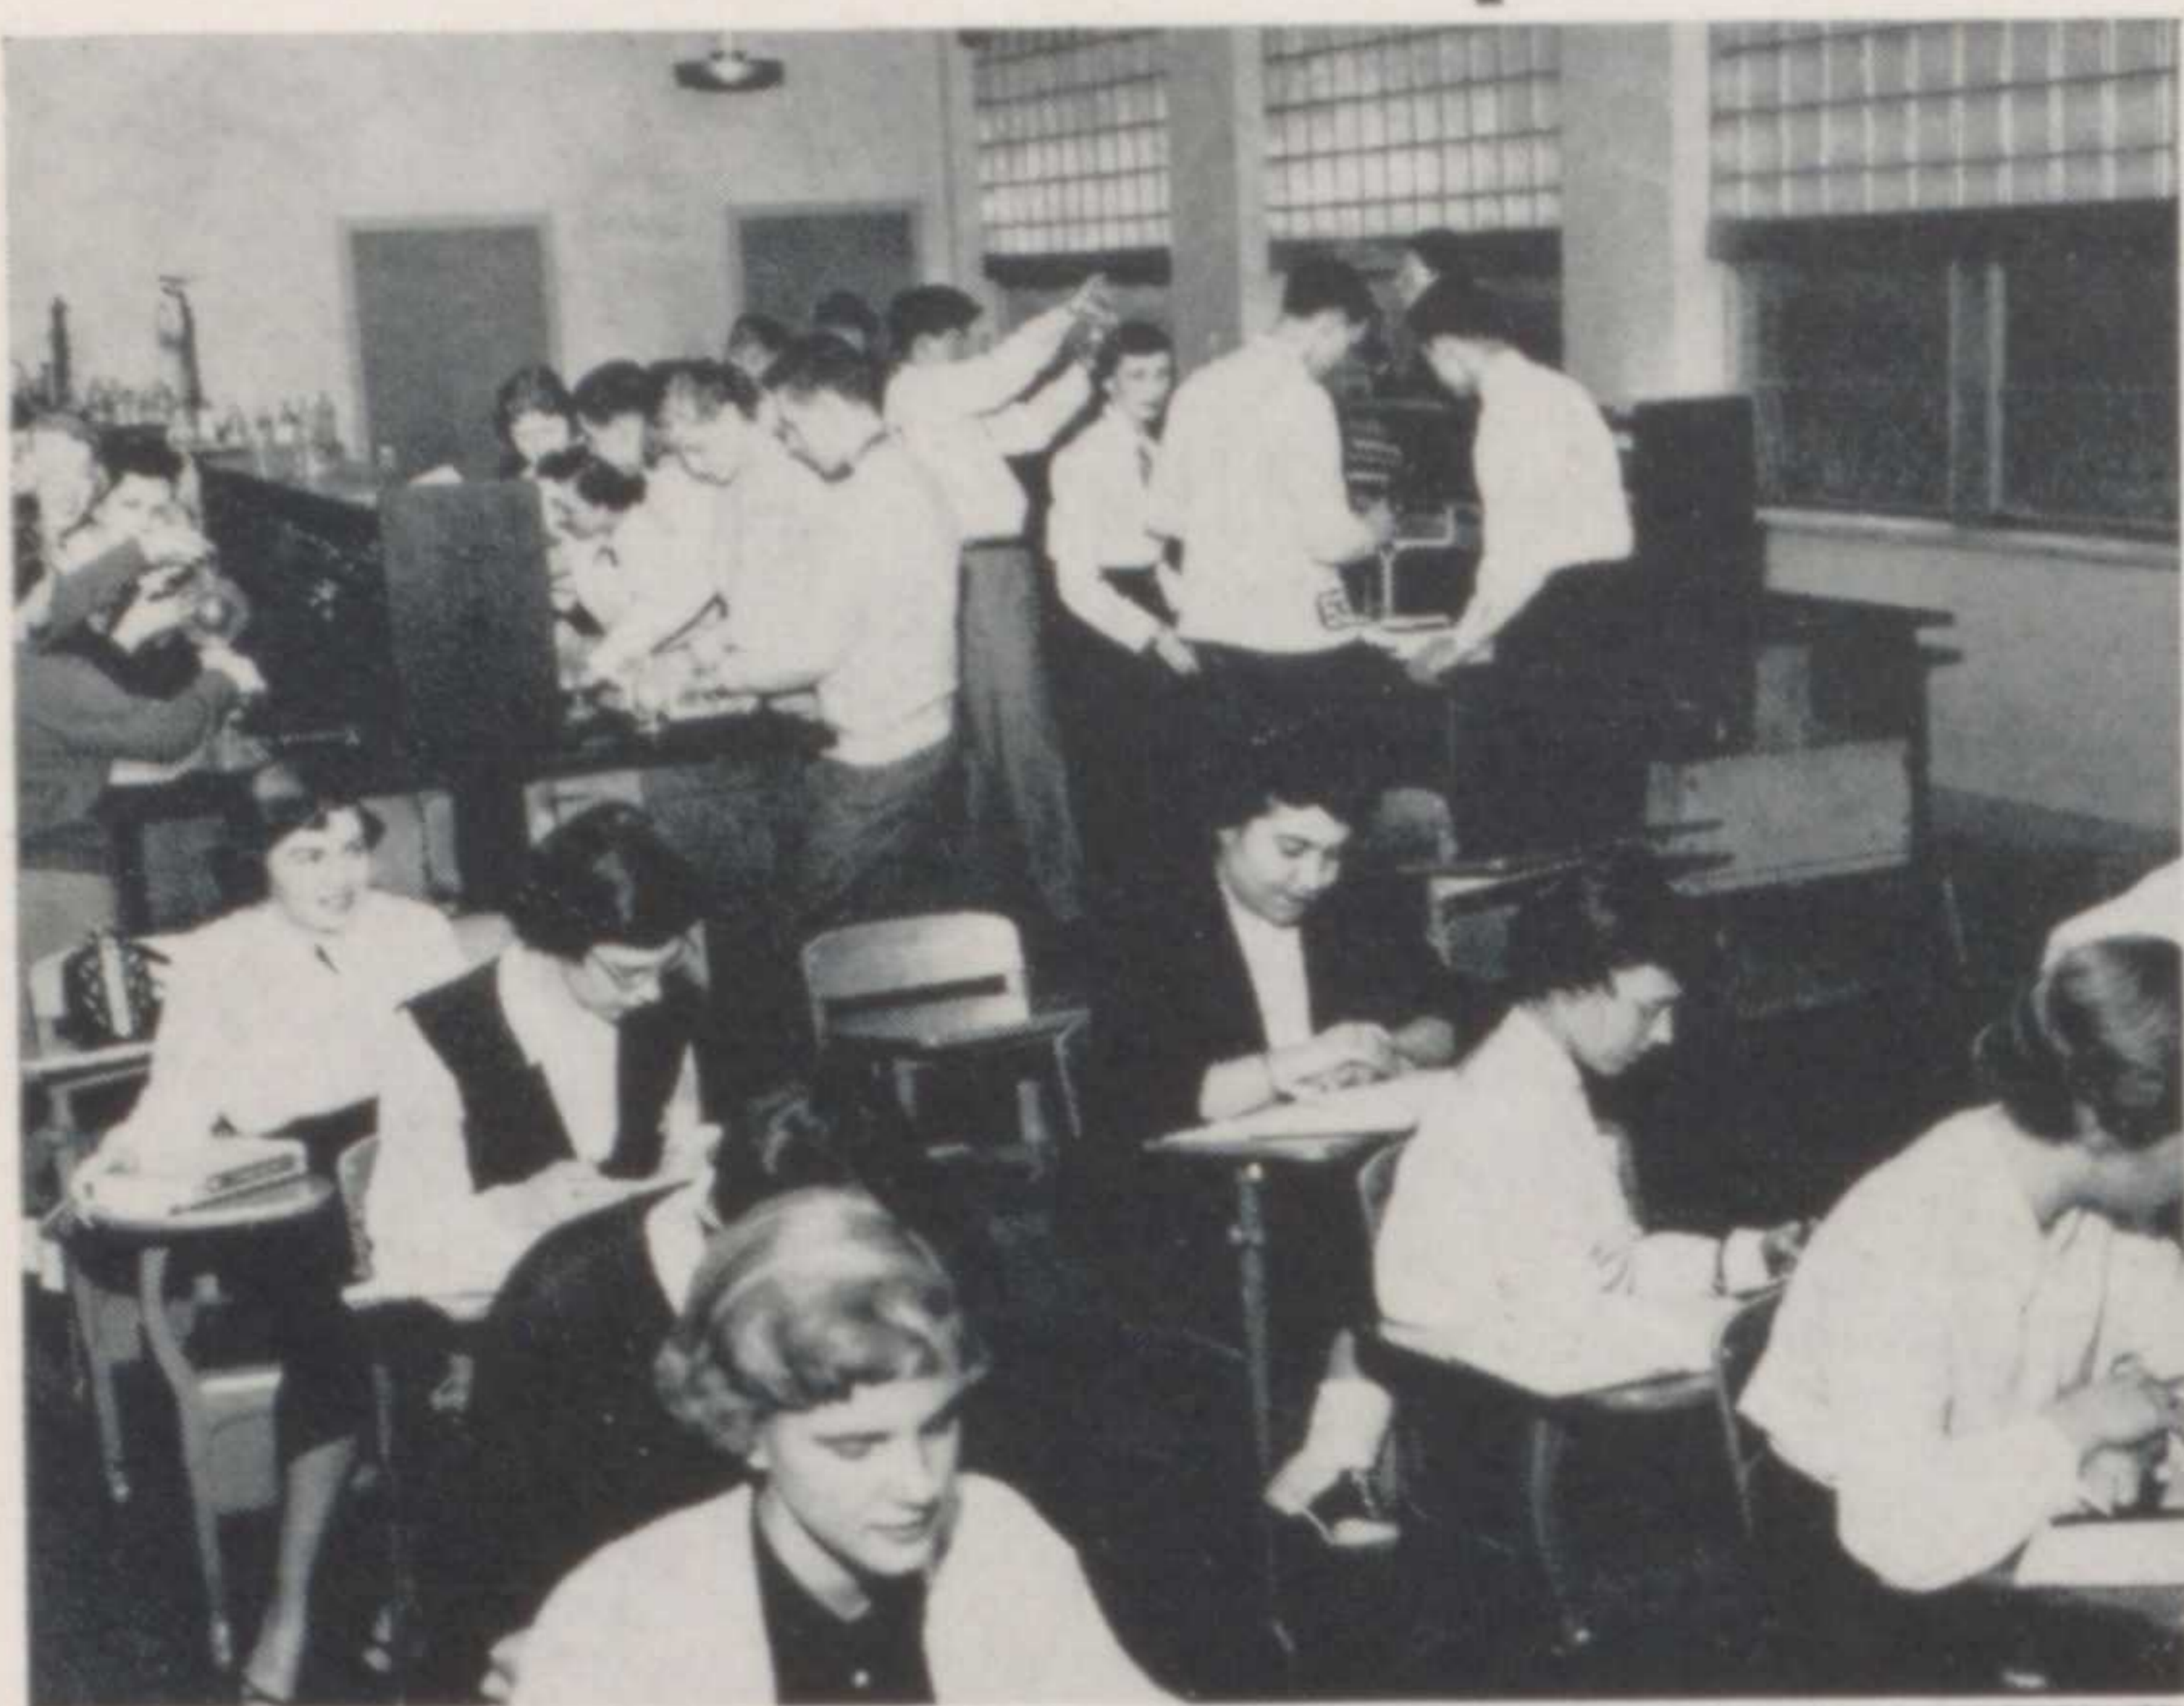

Let's see, what is on the front page? RUTH GARN, Ambassador to Russia, to have tea with Vouskylittzy, Russia's prime minister. KIM BEACH is panning for gold in Alaska. PETE ROEHL is still fighting state courts to pass a law for the protection of the lakefront. JIM WEYMARK has just published his first edition dictionary entitled, "WEYMARK'S WITTY WORDS." LARRY MARSH is now returning from his second successful trip to the moon. BONNIE WINTON has recently returned from swimming three times around the world. Her manager, GERSHOM BARBER, followed her at the oars of a row boat.

DICK GROFF breaks record of flag pole sitting and refuses to come down. Governor MARY ANN BALZERSEN proclaims holiday for Texans only. JACK KARCHER, well known oil man, is

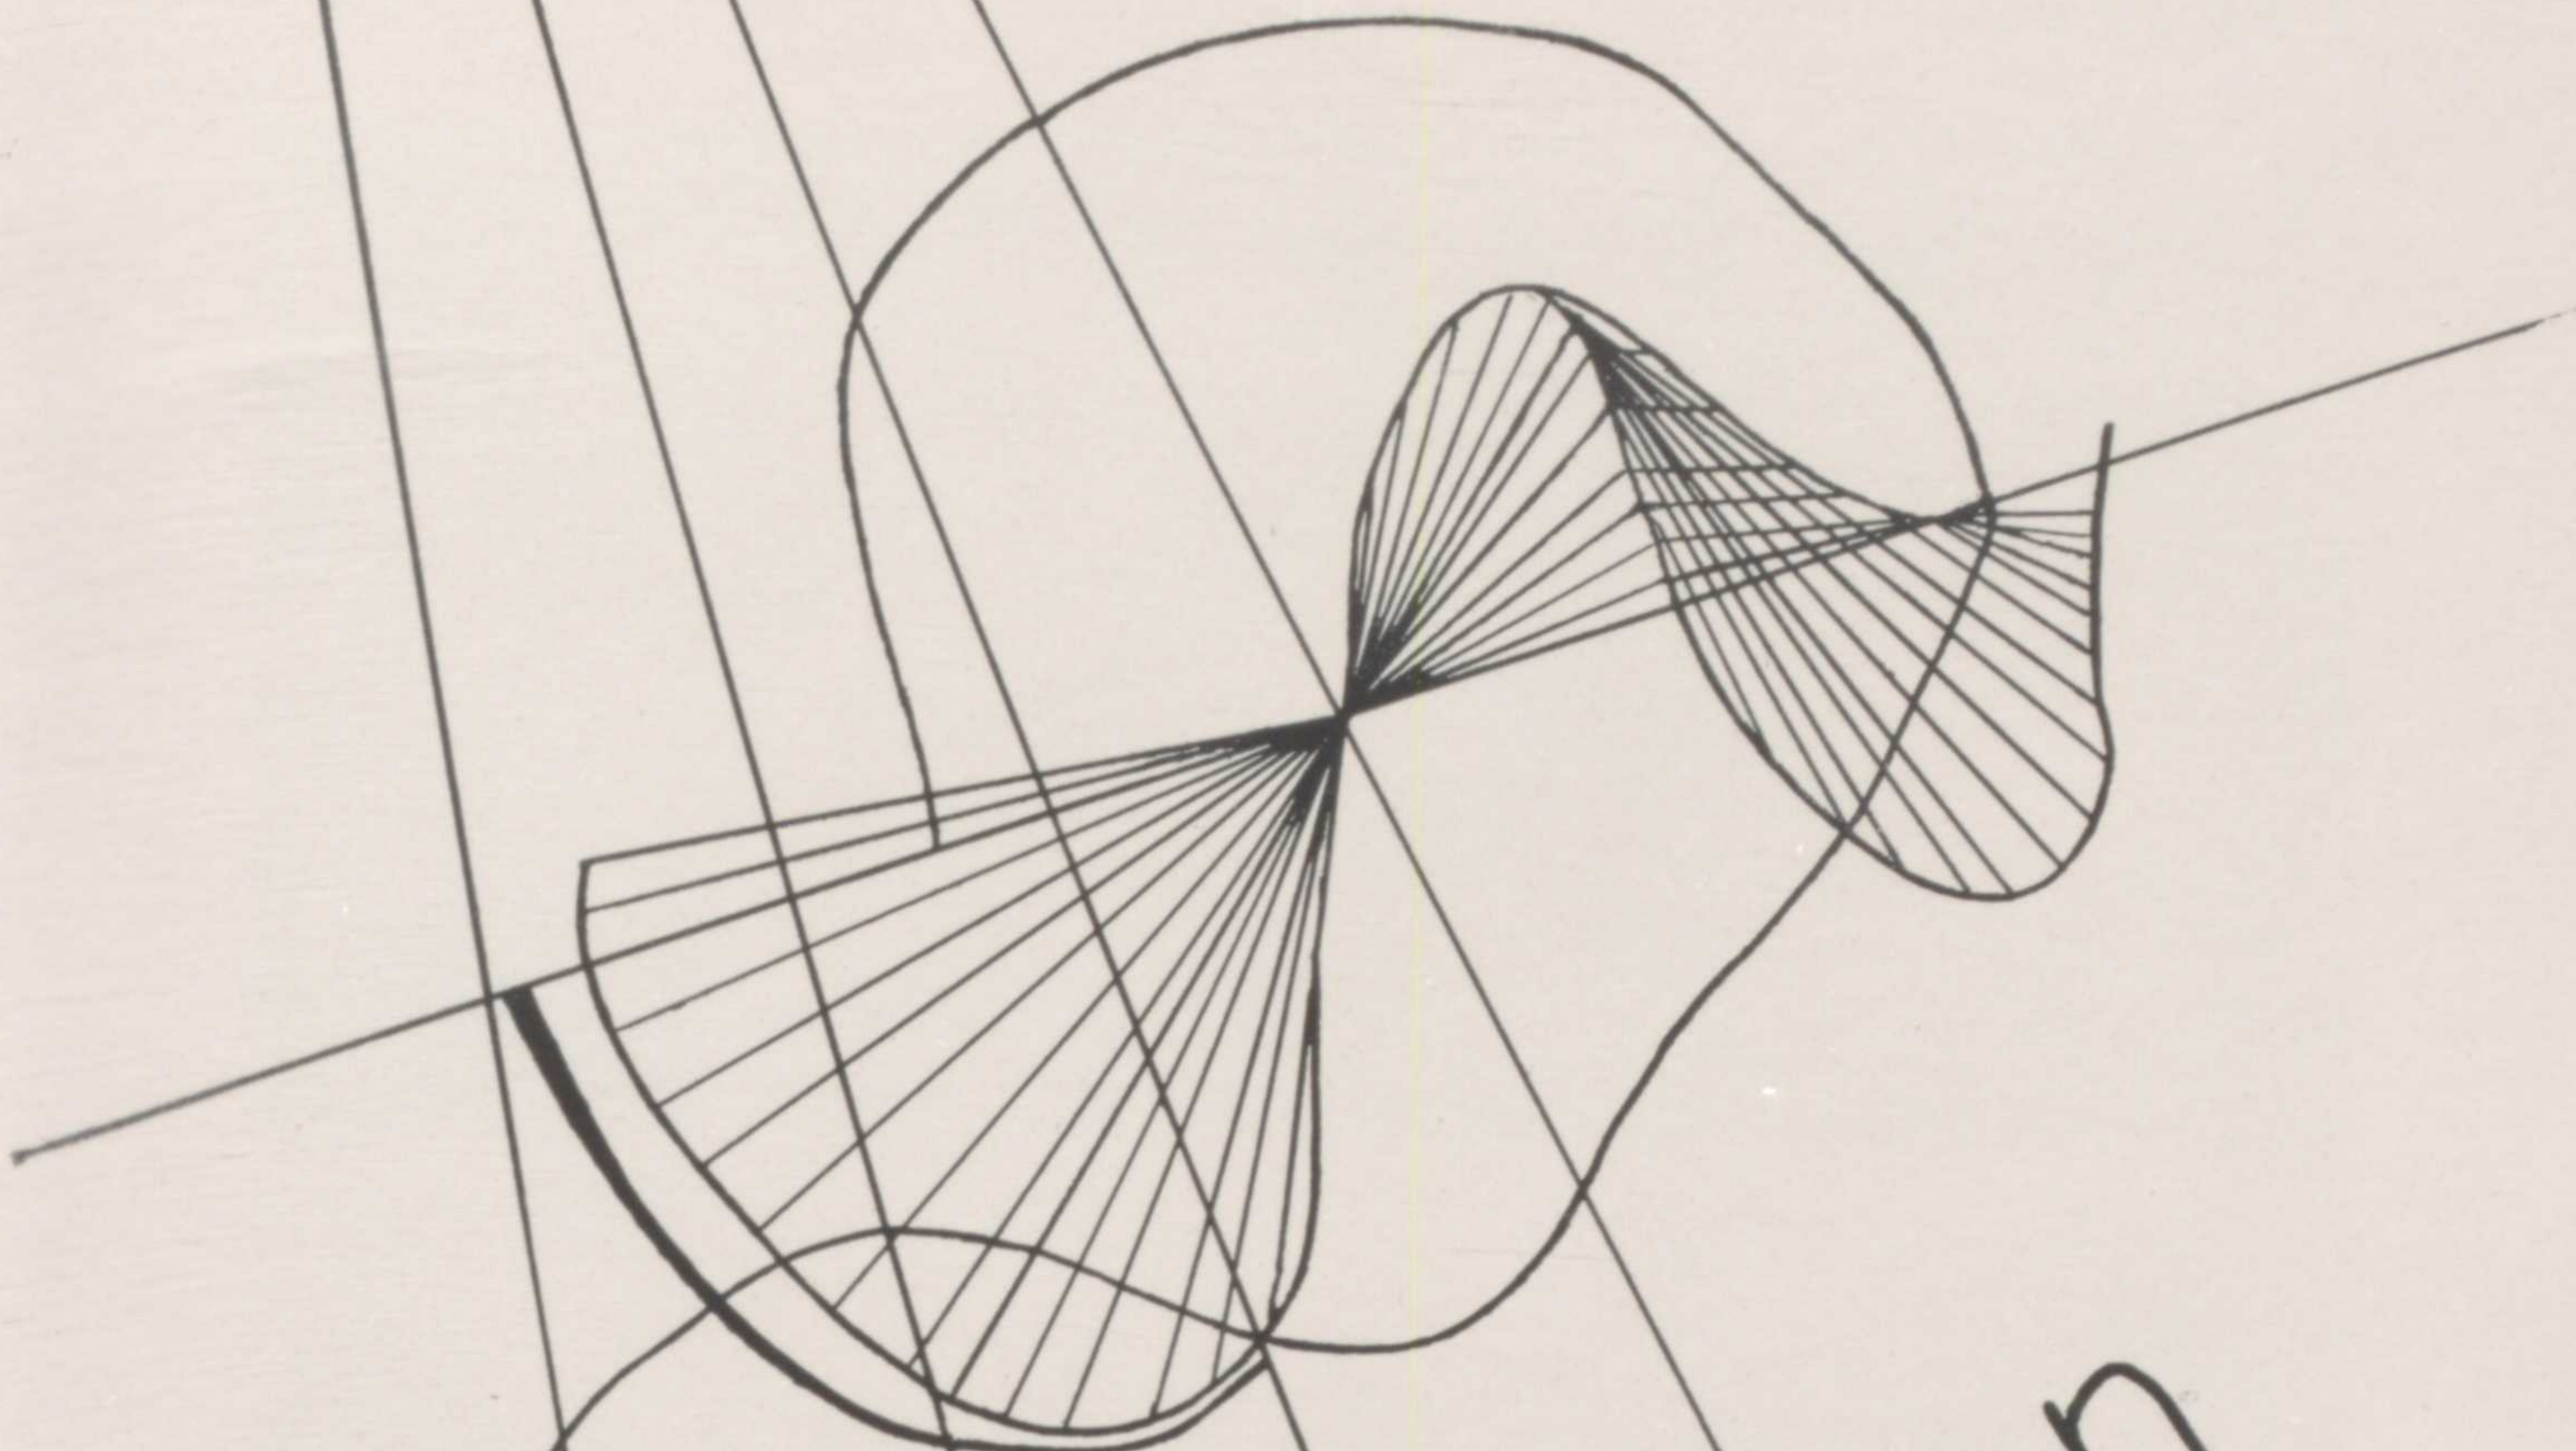

planning a street dance. Assisting him are DICK REESE, wealthy cattle rancher, and DON SCHULLER, mayor of Houston, Texas. PATSY WAHL is running on the democratic ticket for presidency of the United States. Her opponent on the Republican ticket is AL JONES. His campaign manager, Mrs. Jones, the former MARY GALAMBOS, is anxiously awaiting to become first lady. BILL WENDT raises first twelve foot orchid.

JEAN ALLEN is found as a stowaway on board a Navy battleship. GARY ANCHUETZ, car dealer, sells his new jet propelled rocket car to DAVE LAVERTY. Mr. Laverty has finally consented to sell his Model A to GEORGIANNA BULLOCK'S Ancient Relic Museum which is located opposite the art museum owned by JEANNE HOAGLAND and JUDY STARK. SANDY CHICHESTER, well-known chemist, blows up JACK KEEVER'S chemical center in California. Mr. Keever is now recovering in ST. NICK IACOBUCCI'S hospital in San Diego. MARY ANN BOREN opens rest home for retired actresses and actors. Her first resident is RONALD JONAS, well known actor of stage and screen. DON ALLEN wins kissing marathon, but all the credit goes to his trainer, BARBARA AGY.

The Senior Hi-Y, a club affiliated with the Y.M.C.A., is designed to promote good Christian living, thoughts, and ideas among Christian boys in the tenth through twelfth grades in high school. It is a club organized to help the community and school.

Under the leadership of its officers and the guidance of its advisors, many worthwhile projects were completed by Senior Hi-Y members. On the national election date, members "baby-sat" and drove cars to the polls in order to increase the number of people voting. Some members made flower boxes for the school teachers. At Christmas time a basket of food was presented to a deserving family. Representatives were sponsored by the club at Hi-Y meets and youth rallies. Sponsored representatives were sent to Columbus, Ohio, to take part in state government and legislation during the state youth week. Potlucks provided group get-togethers and an induction ceremony was held for new members.

In order to finance these various projects, the club sold peanuts on the National Kid's Day and held the Hi-Y Formal.

Every other Wednesday, fifty Christian boys of the eighth and ninth grades, gathered in the high school auditorium during the activity period. They were the members of the Junior Hi-Y, a group associated with the Y.M.C.A. Among their many projects have been the following: the formation of a code, carrying cheer to Berry Fox (a shut-in of their age), reconditioning the baseball diamonds, a picnic and a party, chess and other game tournaments with the Lakewood Junior Hi-Y members, basketball with the Lakewood group, taking part in and sponsoring an assembly, and obtaining speakers and movies for group meetings. These boys have tried to exhibit Christian living in whatever they have done.

The "Bay Window" staff has accomplished various jobs this year. All have been motivated by the desire to present a good monthly newspaper. This goal was reached. Credit should be given to Mr. Shelton, the advisor; Kim Beach, the editor; and the rest of the cooperative staff of seventh through twelfth graders. Those staff members who have contributed the most to the paper may earn enough points to qualify school journalists, Quill and Scroll.

The following procedure was used in planning a typical issue: planning of articles, the writing, the proof reading, and the laying out themselves as members of the international honorary society of high of these articles, the transporting of the dummy to the lithographer, and the distribution of the finished product. Through these various steps, staff members have gained valuable experience in the field of journalism.

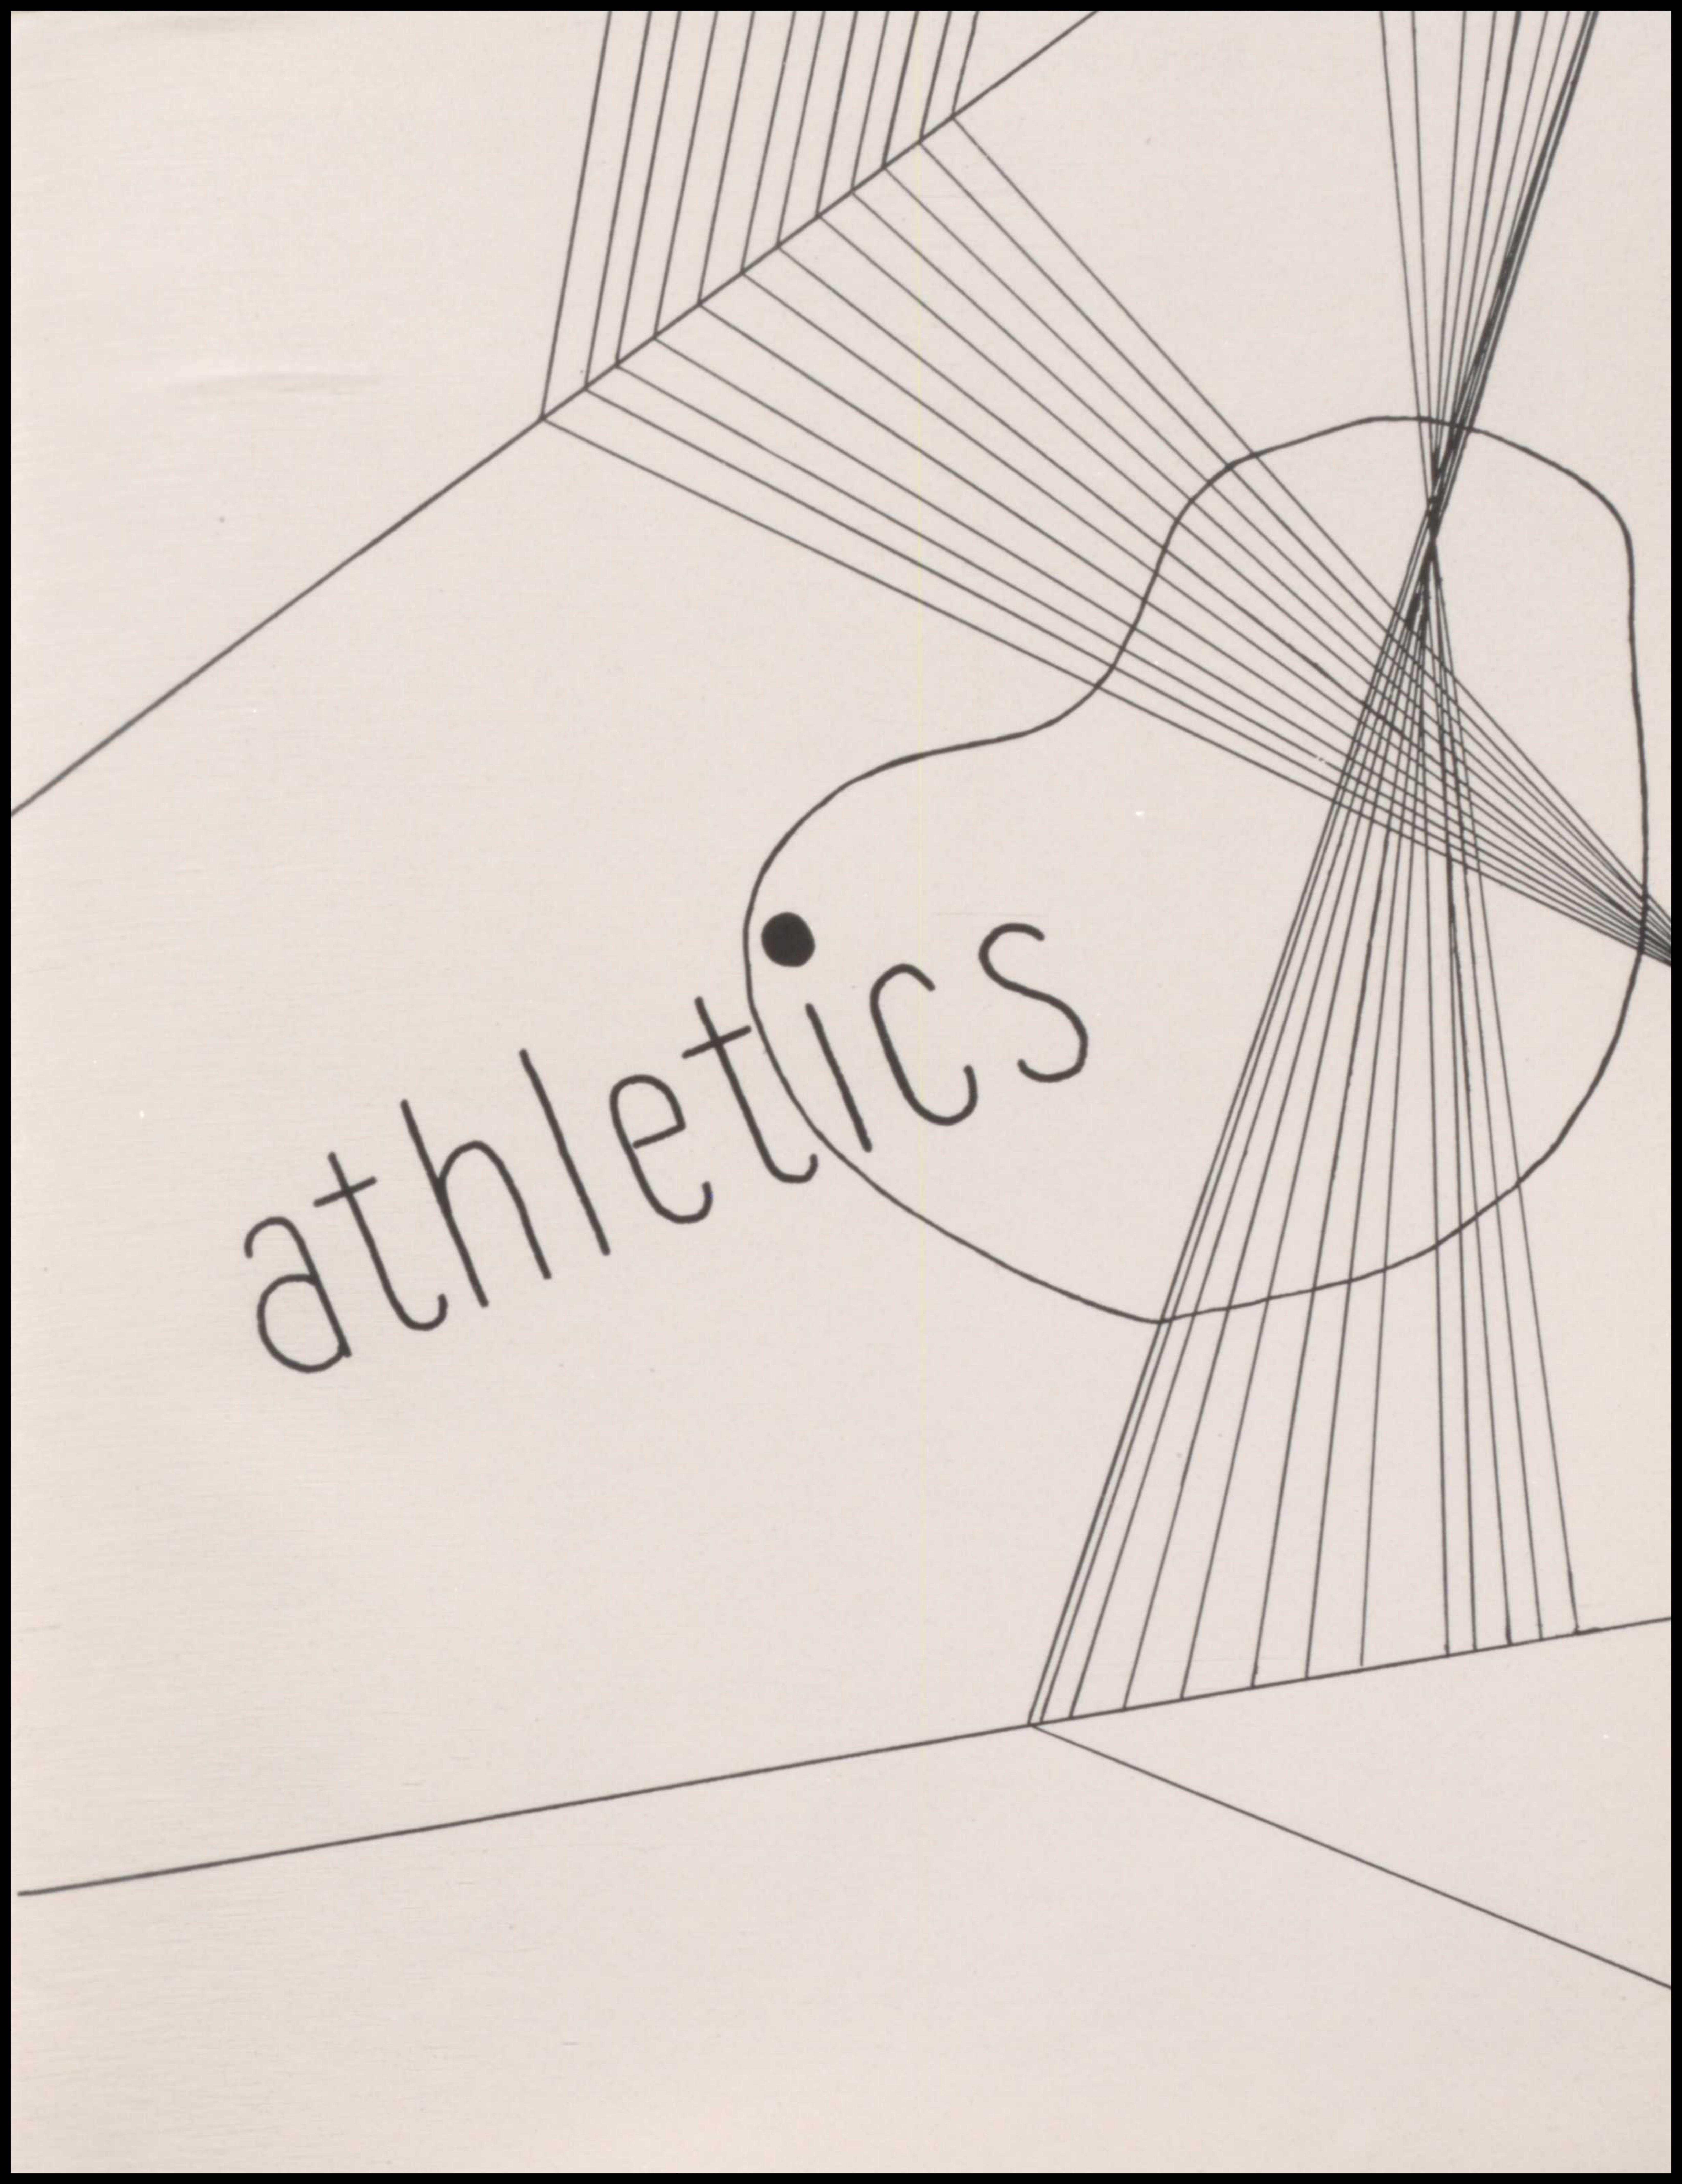

King and Queen

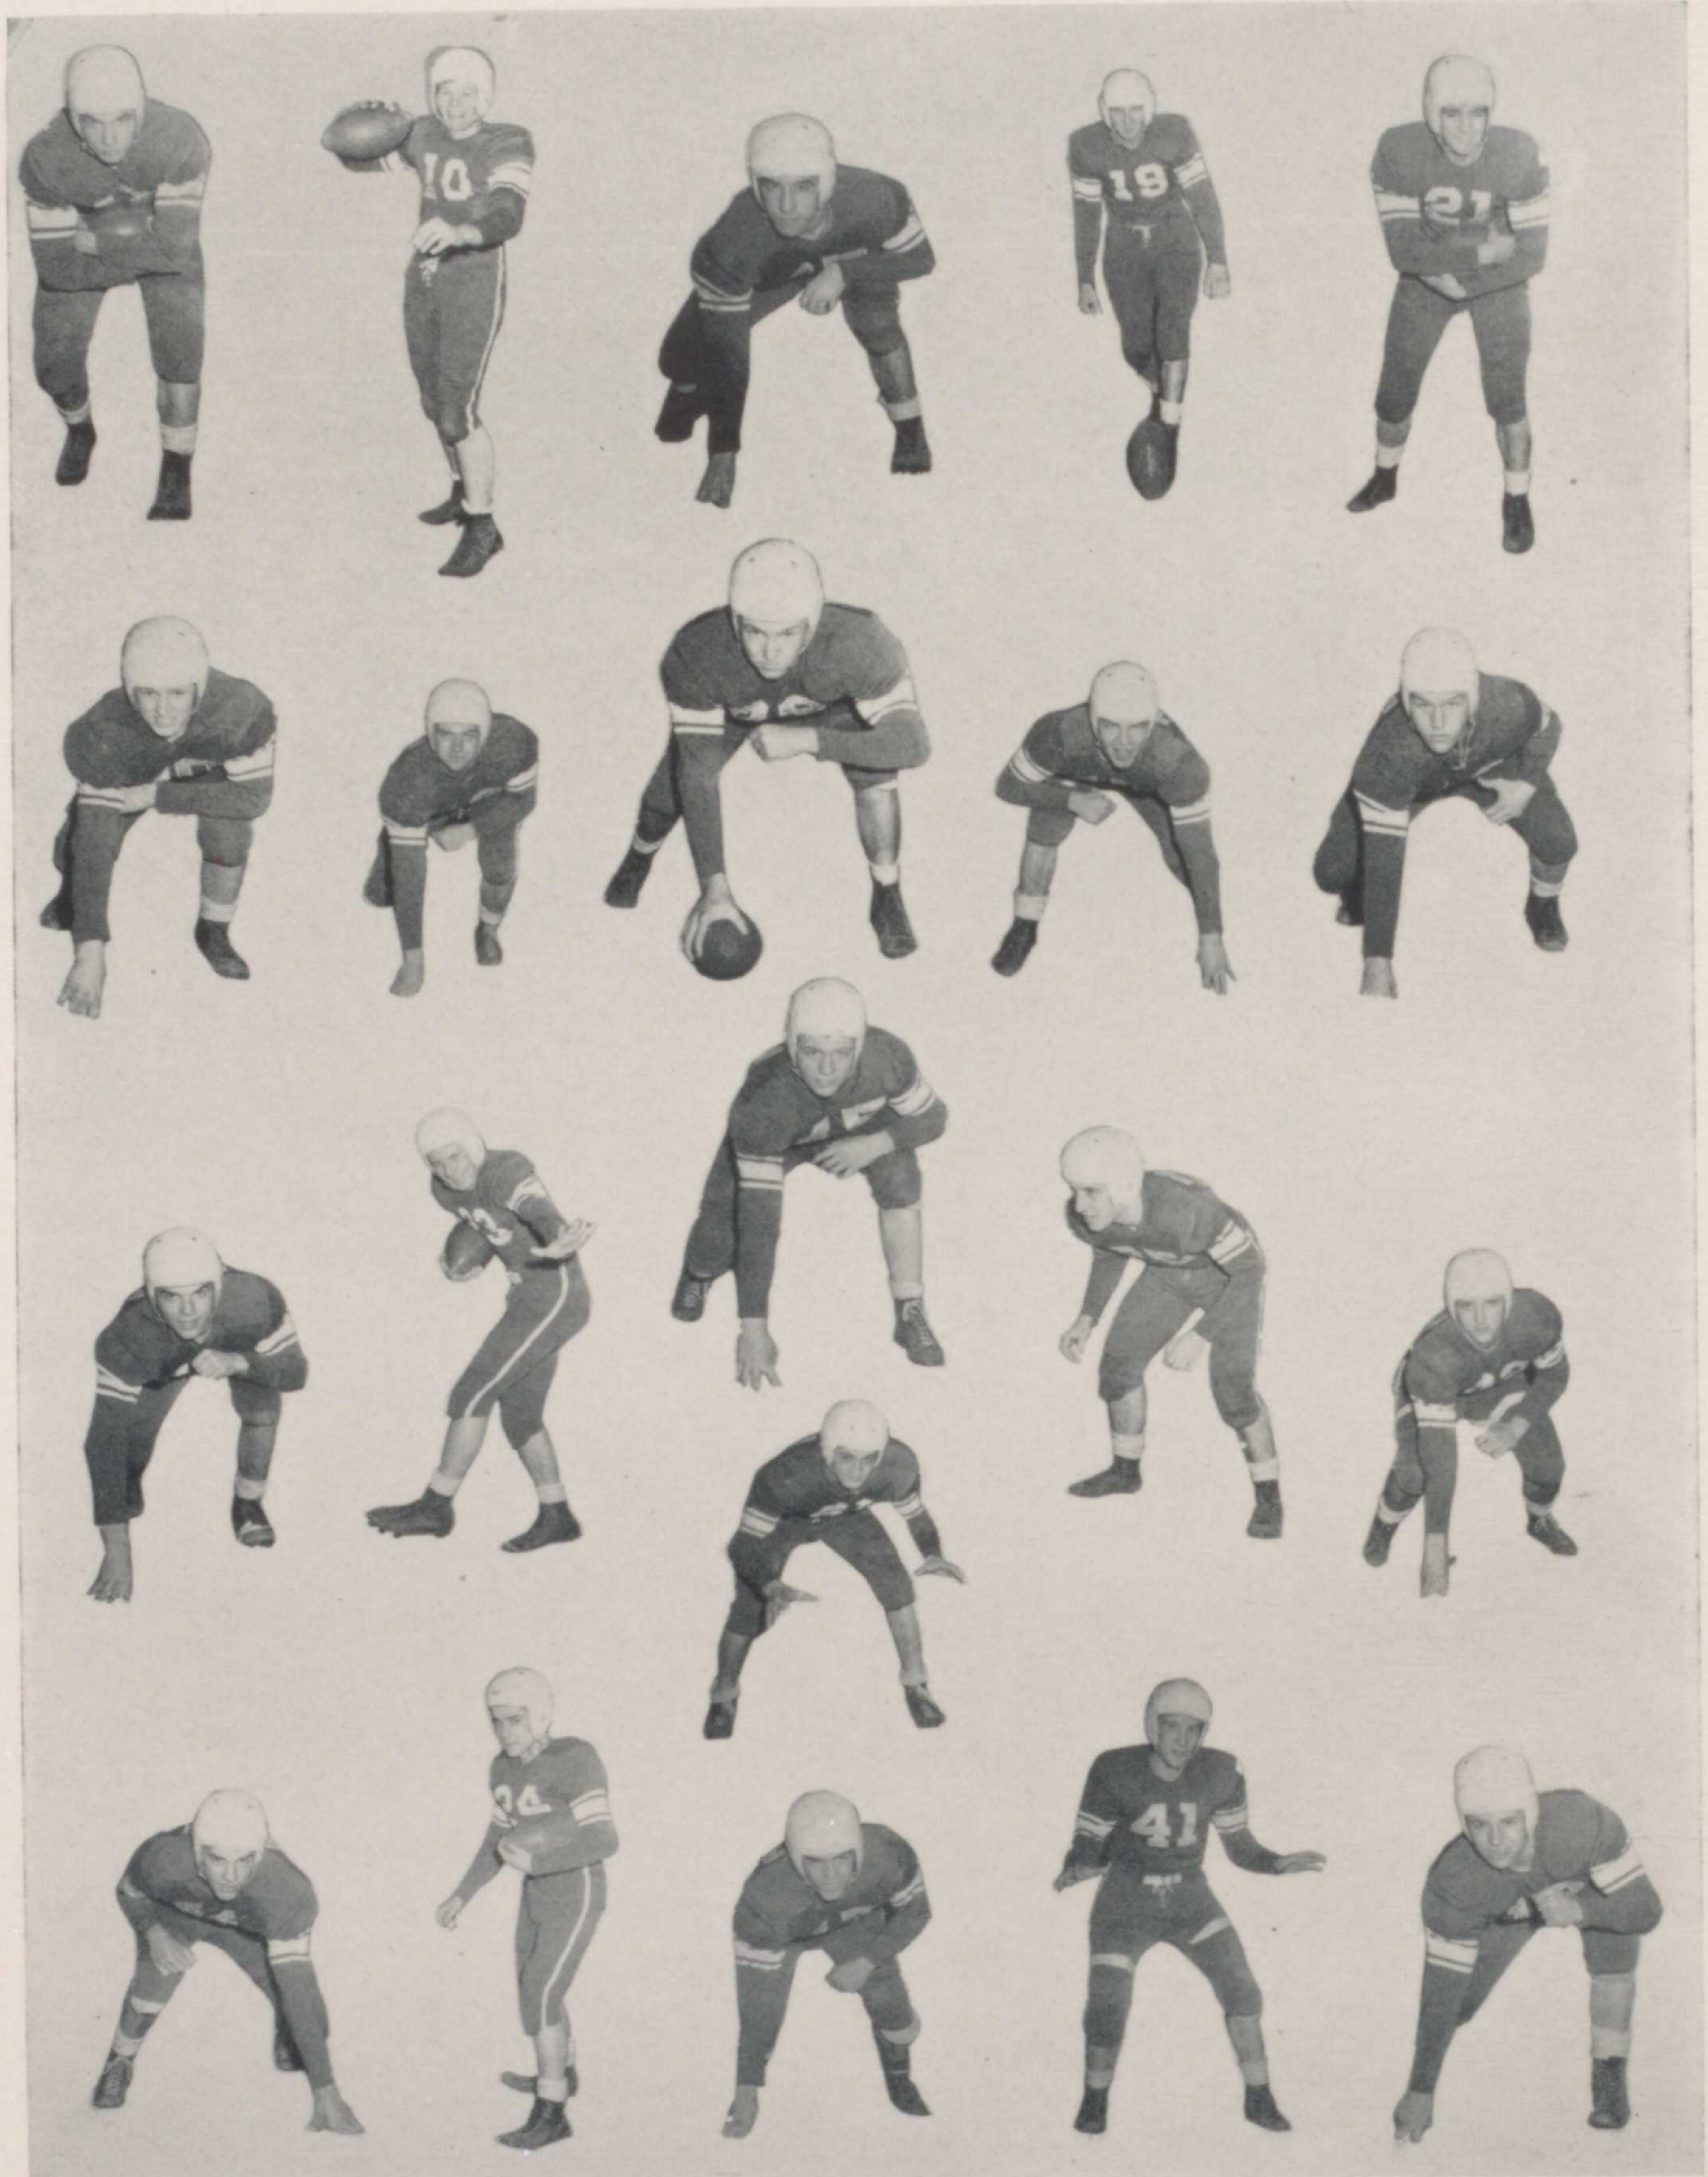

Bay High can well be proud of its King, Gary Anchuetz, and Queen, Gwen Middleton. Gary and Gwen were elected by the student body from candidates of the Senior Class. The couple reigned at the Brooklyn football game and were crowned by Pete Roehl, President of Student Council.

The other candidates were Mary Galambos, Norma Frederick, Dave Hinckley, and Dan Krukemeyer.
