SCHOOL LIFE

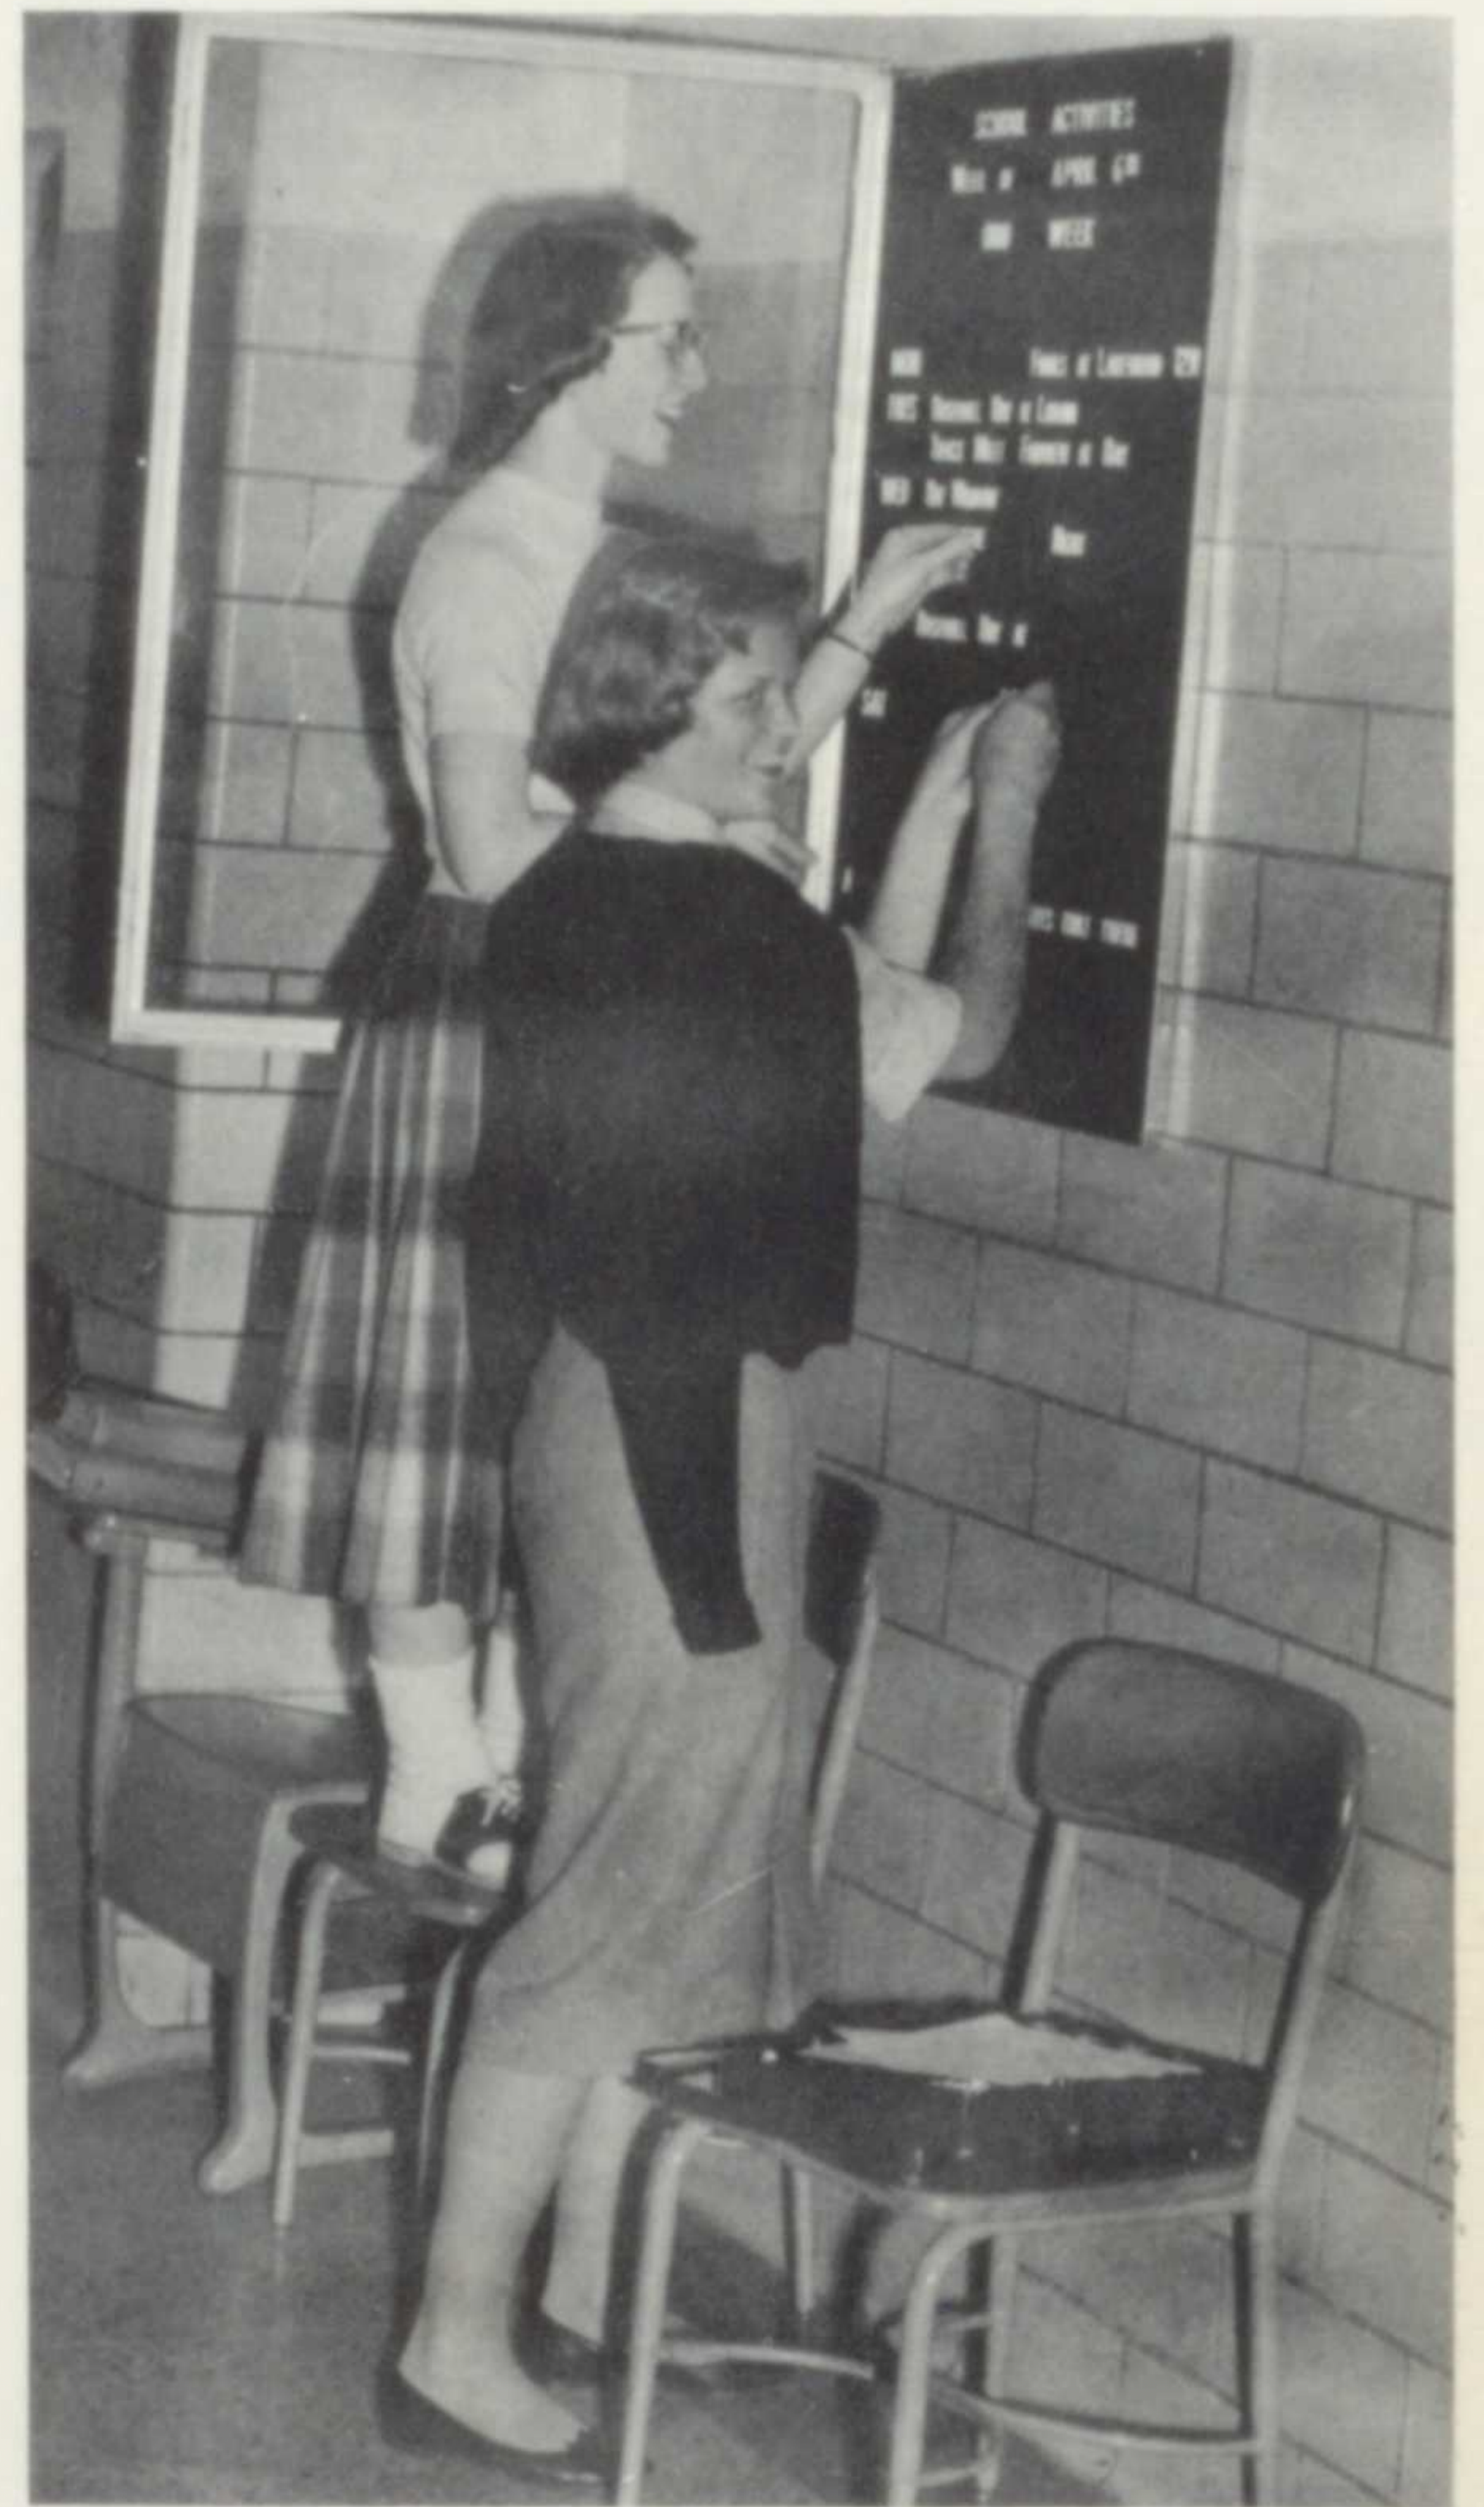

On February twentieth, juniors and seniors were chosen for NHS. Here, Gayle Cain gets her role.

Bonnie Bartlett and Jane Ashbrook enjoy refreshments after paying tribute to the new Bayway with the band.

Two bits, four bits, six bits, a dollar. All for Bay High stand up and holler!

Jan Seckler and Gay Hoffman work (?) at putting up the week's events on the school bulletin board.

Gay Halvorsen announces Bay High's new football squad.

A worried moment for the Class of '59.

Only six hours to go!

Bill Workman, Dwight Szabo, and Bruce Michael serenade the audience at the annual Spring Choir Concert.

Pictured here are a few of the office monitors who give up their study halls to run errands.

The Green Mountain Boys make a visit to a pep assembly.

Coach speaks at the assembly before the Brown Jug game.

JoAnne Humble, Bill Twining, and Tim Van Syckle won the Personal Development Awards. Bill was absent when the picture was taken.

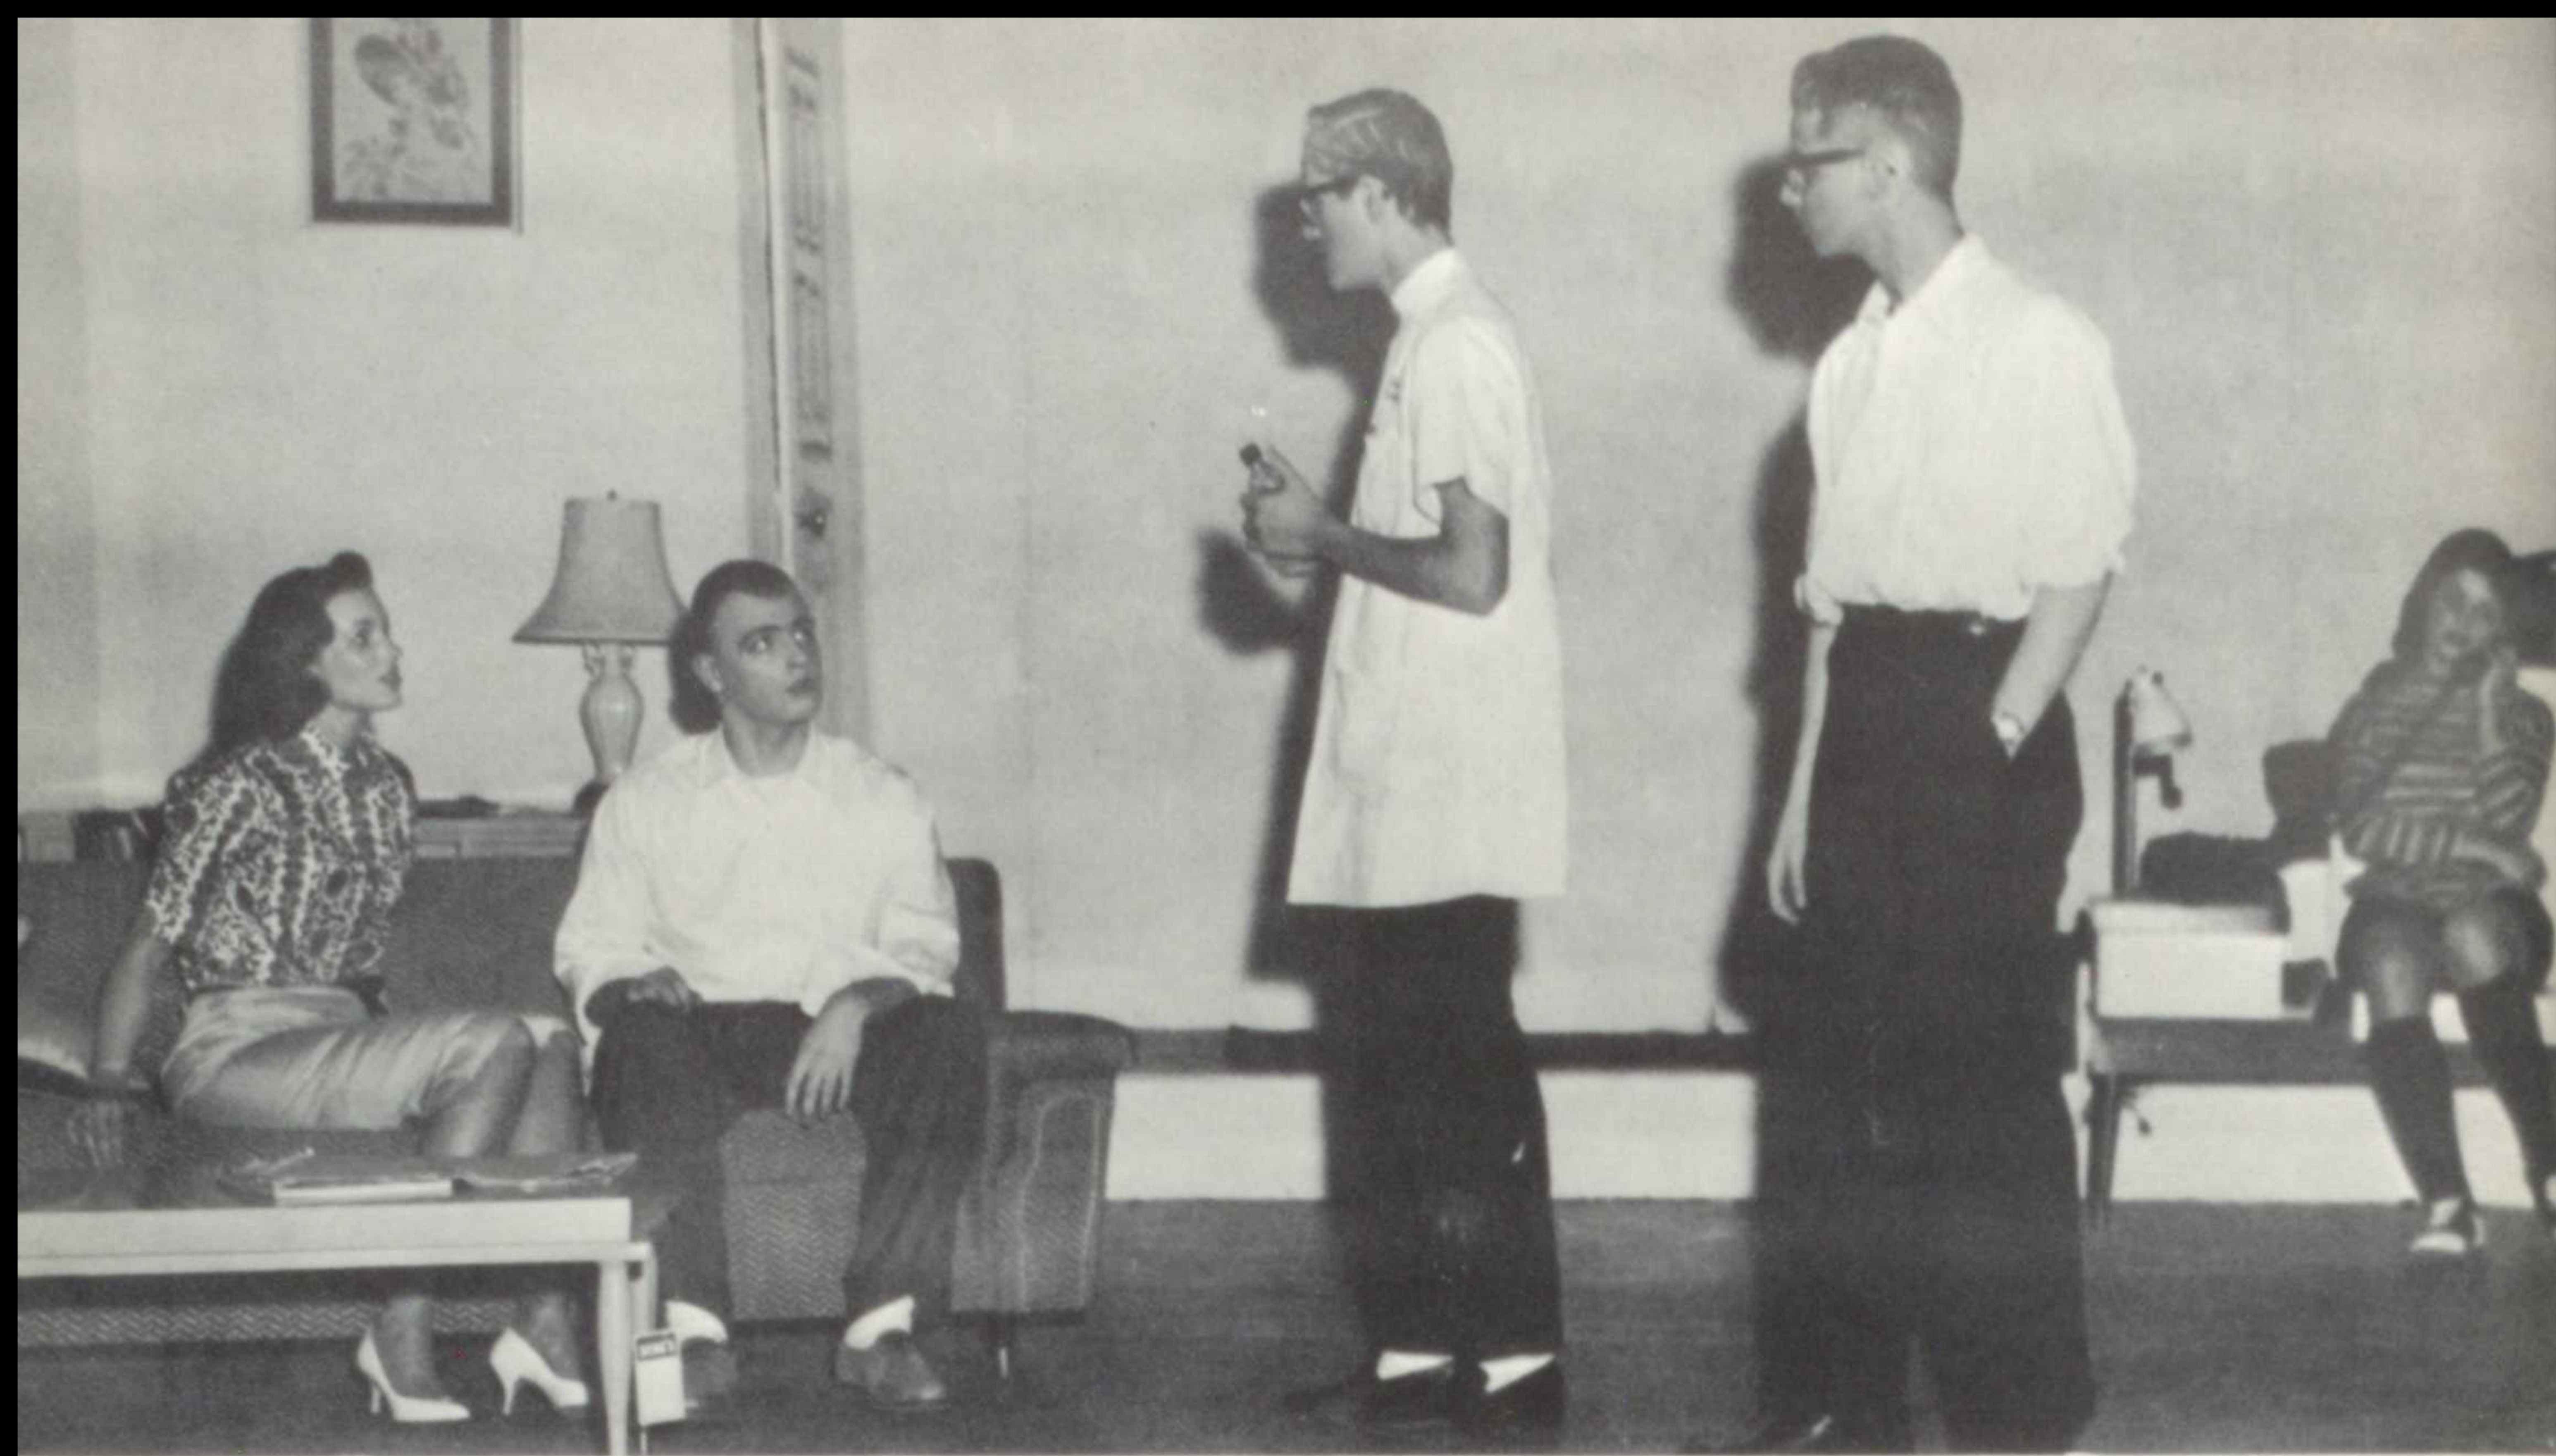

Gayle Cain, representing Bay in the Rotary speeches was awarded second place.

Jitterbug?

The annual Quiz Bee Assembly tests students' knowledge of world and local affairs.

In the spring play, *Tomboy Wonder*, an absent-minded pharmacist accidentally mixes the wrong prescription for one of his customers, a shy tomboy. The resultant medicine not only cures her cold but develops her strength to the point of abnormality. Meanwhile, the victim's mother has ordered her to "get out of those blue jeans and into a dress." Reluctantly obeying, she becomes so attractive that

she finds herself in the arms of her sister's boyfriend. However, he disapproves of strength in women and quarrels with her after she beats him in a hand wrestling match. Fortunately, the effects of the medicine soon wear off, and May is no longer a tomboy, but a charming young lady.

Buy your Bay Blue Book — Did you?

Bottles, bottles everywhere and not a drop to drink.

"Gosh, You're Beautiful!"

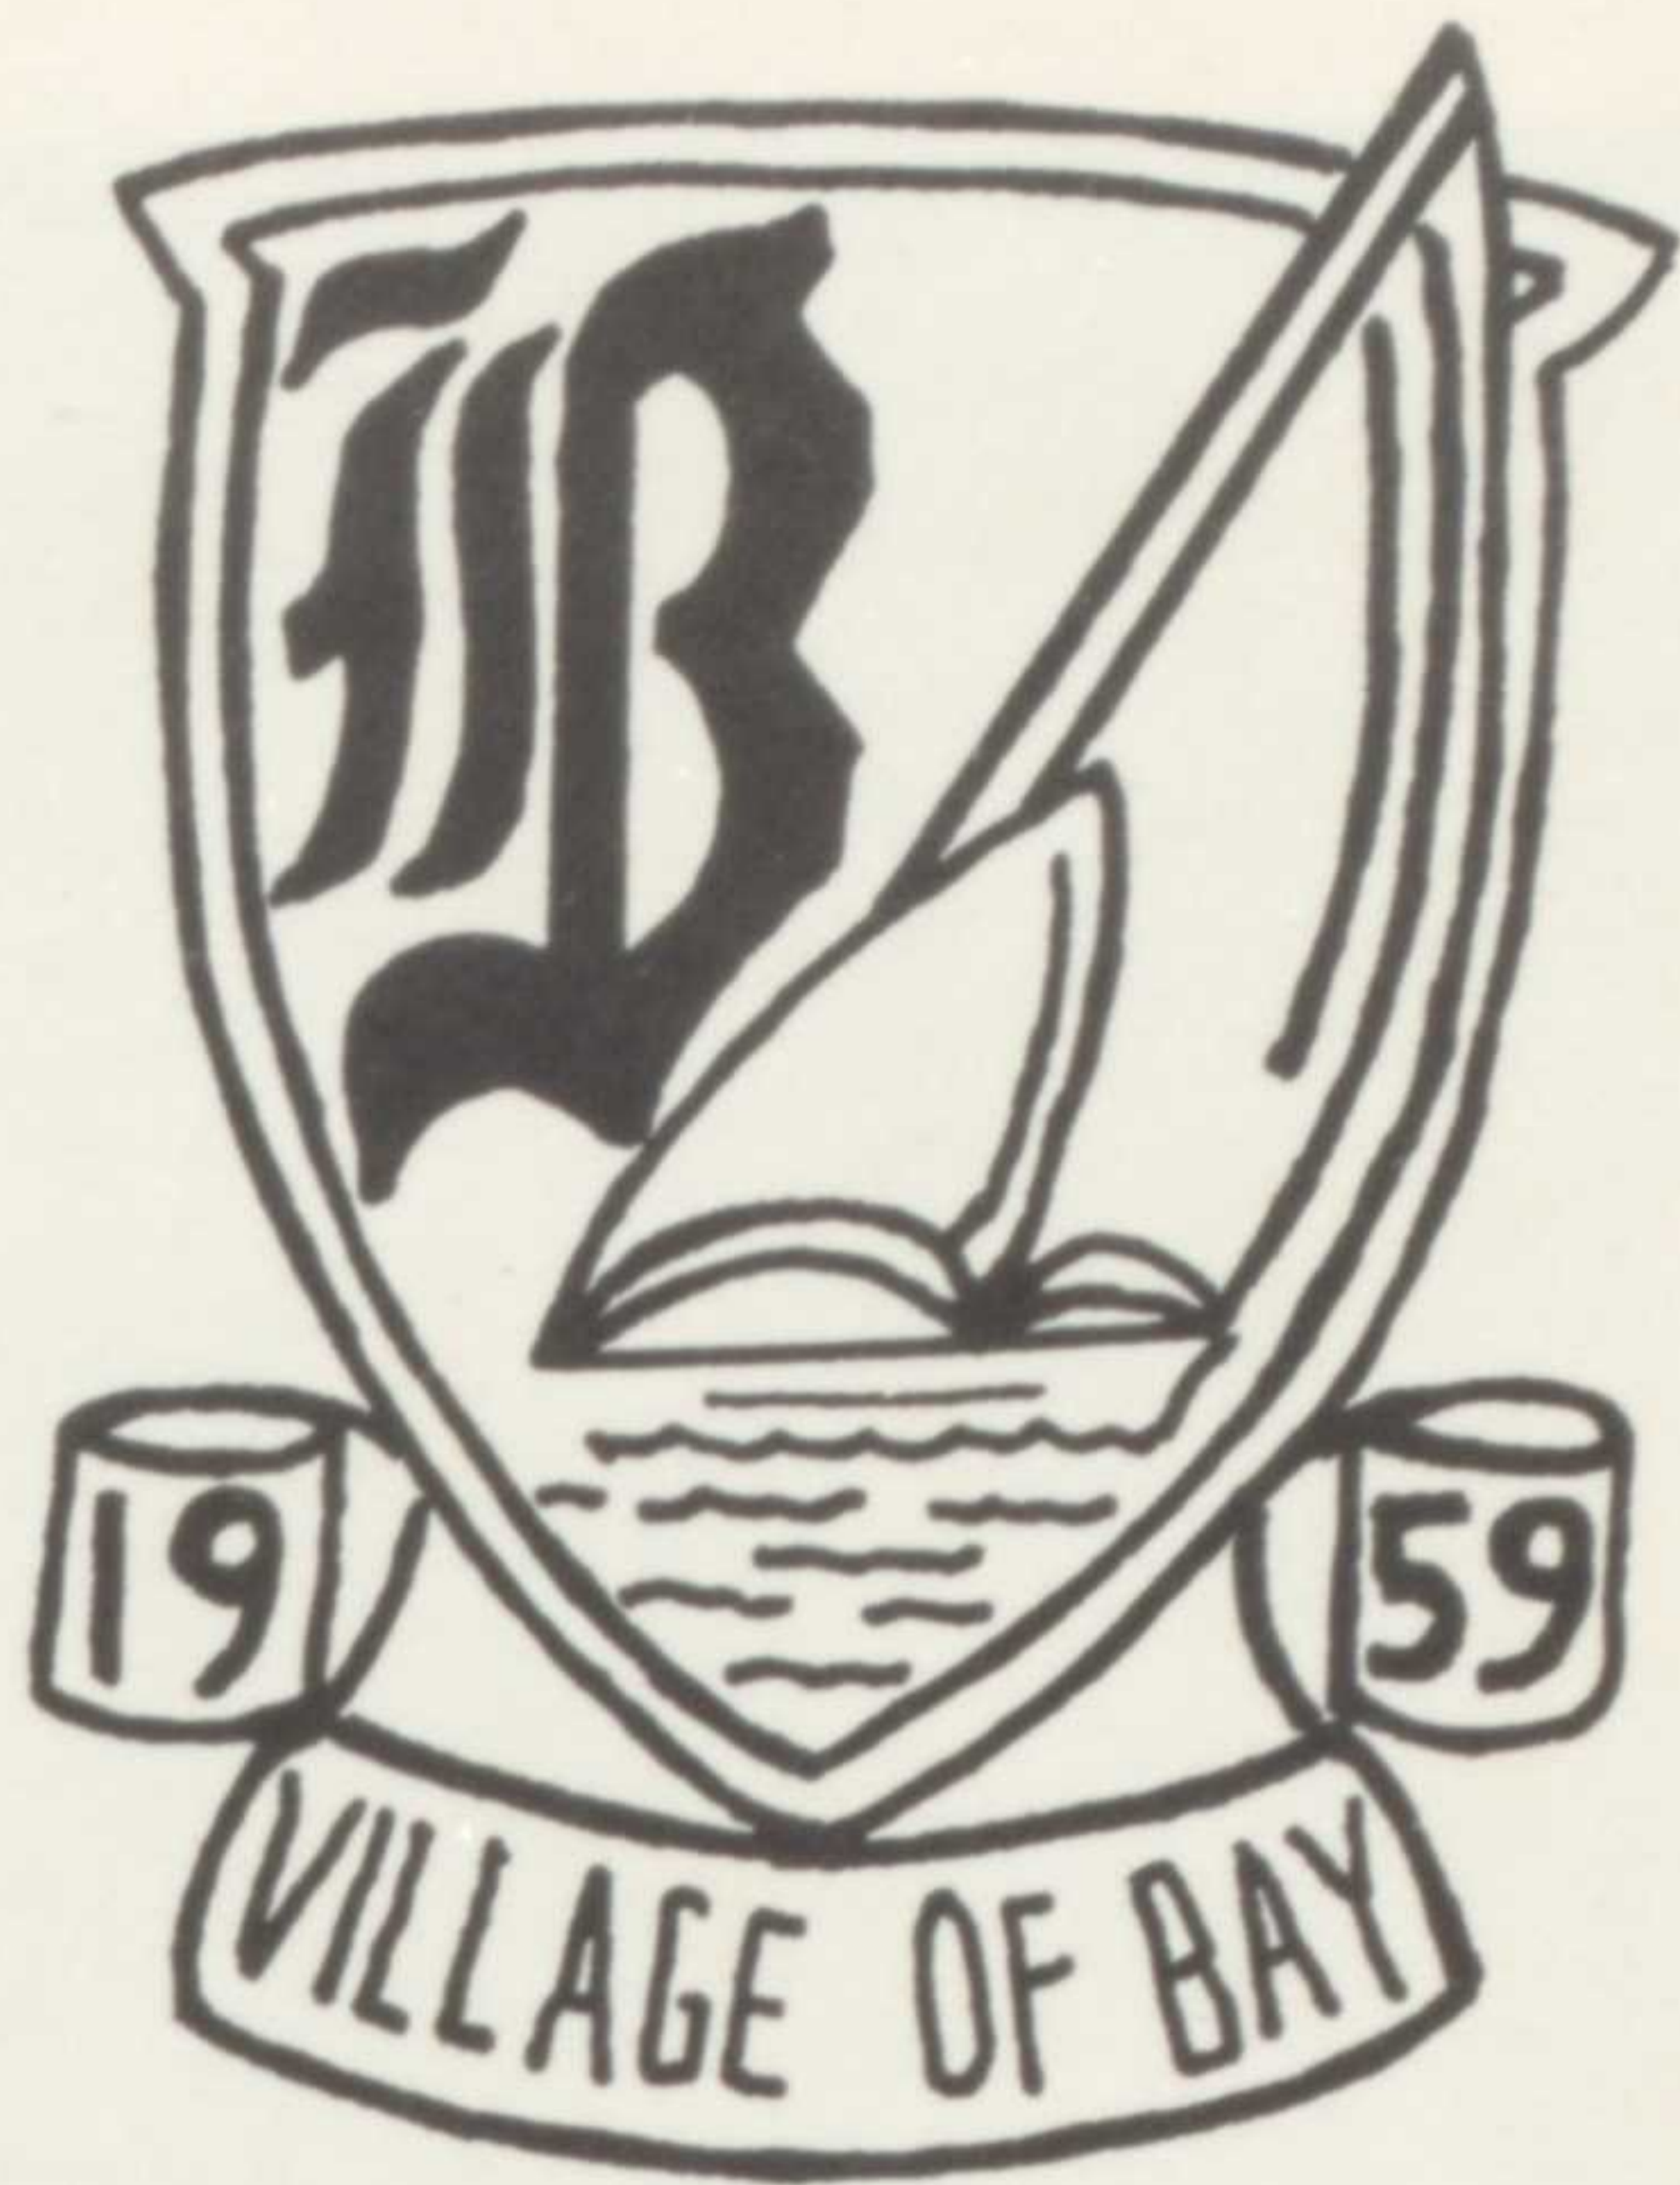

Bob Sherman sets the school filibuster record of 3 hours and 13 minutes.

"You might tell her own aunt!"

THE NELSON MARKS MEMORIAL AWARD

This trophy was given to the school in memory of Nelson Marks, member of the Class of 1959, who passed away December 22, 1957. Nelson Marks was a well-liked leader among his classmates and members of the student body. In seventh grade he was class president, and in the ninth and eleventh grades, he was the class treasurer. As active member of Hi-Y, he was secretary-treasurer in the eighth grade and vice-president in the eleventh. In athletics, he was always striving for improvement to help the team. In ninth grade he was a member of the junior varsity football team, and in tenth and eleventh grades, he made the varsity. J.V. basketball led to varsity play in the eleventh grade. When spring came, he went out for track. Nelson Marks was known for more than his activities. The spirit and drive with which he participated were known and admired. For these intangible qualities, as well as the more material ones, this trophy is presented each year to the senior boy who best exemplifies them in his athletics.

GOLD DIGGER'S BALL

It is in Bay High tradition for the senior girls to give a party and dance for the senior boys. It does not end here, for the girl not only gives the party, but she picks up her date, pays for his evening, and takes him out for a midnight snack.

LADIES IN RETIREMENT

After seven weeks of strenuous rehearsal, the annual senior play was finally launched on November 13 and 14.

The play, a psychological drama called "Ladies in Retirement," revolved around an old English manor owned by a former actress. Her housekeeper, who wanted possession of the house for her two eccentric sisters, strangled her. When her nephew and the maid threatened to reveal her secret, she realized that she must confess her guilt.

This was more-or-less the action on stage. Behind the scenes the "plot" was somewhat different. Because of the nature of the play, the director, Miss Barbara Jones, attempted to achieve an air of dignity and seriousness among the cast so they might "live" their roles. This was, the players discovered, a very difficult play to produce because of the mood that had to be created.

The play progresses well until performance-time. There were many tricky entrances and exits; because of the construction of the set, one of the cast members was forced to crawl behind the scene to get to the other side. In the process of this endeavor, her dress became caught on a nail, and she was unable to move in either direction. After being aided by a prompter, she breathed a sigh of relief and hurried on stage. Meanwhile, another cast member practiced her birdlike cackle not only in the privacy of rehearsal, but in the halls and classrooms of Bay High. Her practicing paid off though, for it turned out to be one of the high points of the play.

The play was not only well-acted and ably directed, but the set was one of the most striking and professional-appearing built at our school. All the above ingredients combined to form one of the most effective senior plays the school had ever seen and gave many fond, amusing, and sometimes sad memories to all who made people and places on paper come alive on stage.

BACCALAUREATE

Baccalaureate for the graduating class was held at the Bay Methodist Church on Sunday, May 31, at three o'clock in the afternoon. The sermon, "Going Somewhere?", given by the Reverend Burnell J. Peterson of Bethesda-on-the-Bay Evangelical Lutheran Church, encouraged the seniors to set high one's goal in life, that attainments in life should have meaning. Parents and friends of the graduates attended the service, and members of the Class of 1960 ushered.

On Thursday evening, May 28, a separate, baccalaureate service was held at St. Raphaels.

"Now all we have to do is graduate."

SENIOR AWARD WINNERS

Bruce Juergens and Sherry Leslie received the American Legion Citizenship Award in the awards' assembly in May. Dick Korsgaard and Lee Weider were awarded the Student Council Citizenship Cups, as award which has long been a tradition at Bay High. The Danforth Award for Leadership went to Suzy Wright and Russel Knight.

Earlier in the spring, Gay Halvorsen became the first recipient of the Jean Faubel award for the outstanding senior girl in girls' activities.

Dick Hall received the much admired Bausch and Lomb award for the outstanding senior science student.

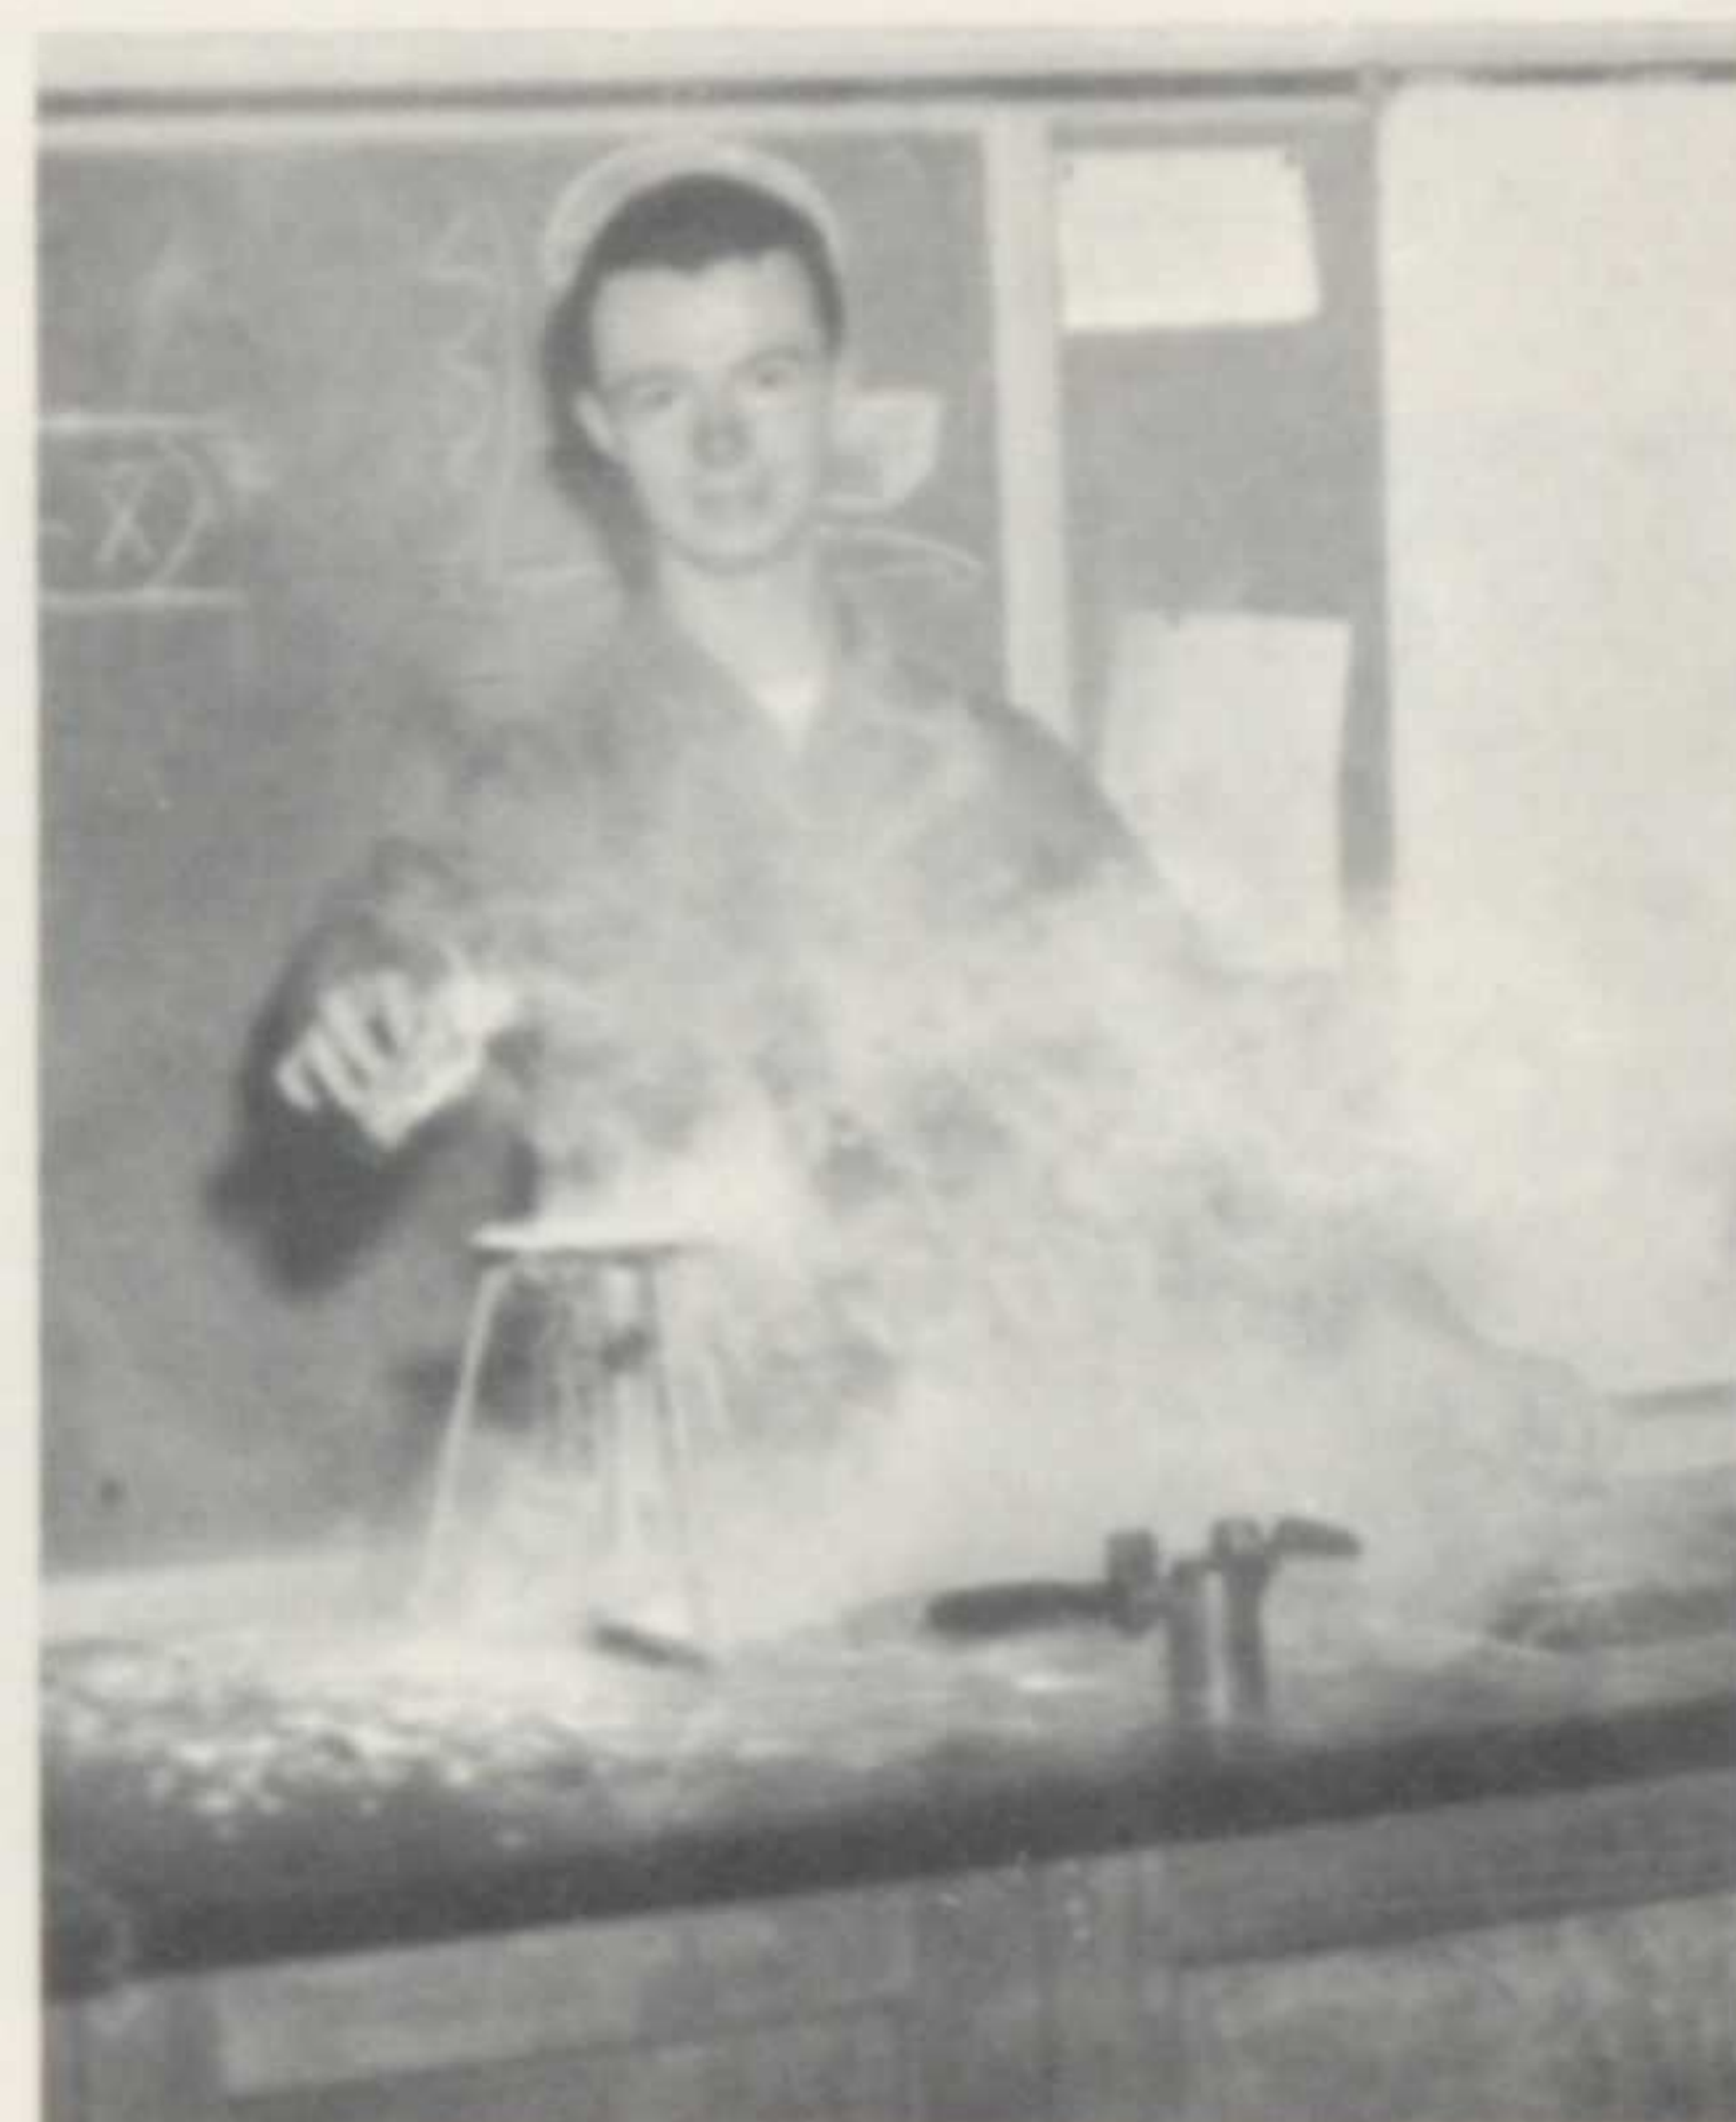

Lynne Friedrich became the class valedictorian, and Pat Taylor became the only senior to become a merit scholarship winner. Shelia Kaswell won the award for being the best student in commercial subjects, Carolyn Workman received the P.T.A. scholarship, and Annette Gerity won the Baycrafters' art scholarship.

Commencement exercises for the 112 members of the Class of 1959 were held on Thursday, June 4, in the high school gymnasium. A committee, consisting of class officers, Principal Edward S. Wells, and senior class adviser, Miss Marvel Sebert, chose a patriotic theme, centering around the Lincoln Sesqui-centennial. Giving speeches on this theme were Dave Griffel, Gretchen Rusch, Jeff Geffine, and Lee Weider. Class valedictorian and salutatorian were Lynne Friedrich, Margaret Groth, respectively. The

musical program included a vocal solo by Jane Beach and a number entitled "Be Glad, Then, America" by the senior ensemble.

After receiving their diplomas, Bay High School's thirty-third graduating class recessed to the tune of "America the Beautiful." For most, there was a realization that their high school days were over, and for all there was the future of college and the business world to challenge them.

UNDERCLASSMEN

JUNIORS

Besides winning the float contest at Homecoming, the junior class has the distinction of having "gone over the top" on the magazine drive. On May ninth they presented the seniors with one of the most successful proms ever. Scholastically, they never expected to spend so much time in Andersonville.

SOPHOMORES

For the sophomore class this was a year of "firsts." In the spring of their freshman year quite a number of them made the choir as a result of their successful operetta "The Mikado." For some of the boys it was their first year on the Varsity Football Squad where they gained valuable playing experience. For the girls it was the year of cheering tryouts and the halls echoed with their cheers throughout the winter months. The sophomores all had a fantabulous time at their class party which was held at Normandy on March 13.

The sophs honor the past with their Homecoming Float.

The successful presentation of their operetta, "The H.M.S. Pinafore," in February highlighted the year for the Class of '62. For members of this class, the operetta was an unforgettable experience. The hours of rehearsal were rewarding to all in the end. In school work, the frosh found themselves learning algebra and Latin. A freshman Latin student could be easily identified as he walked through the halls chanting "hic, haec, hoc!"

The Saturday night dance class was popular.

The eighth graders, in their second year at Bay High, discovered that they now had more opportunities to get into trouble than previously as they had a wider choice of clubs to join. Highlighting the year was their successful class party.

SEVENTH GRADE

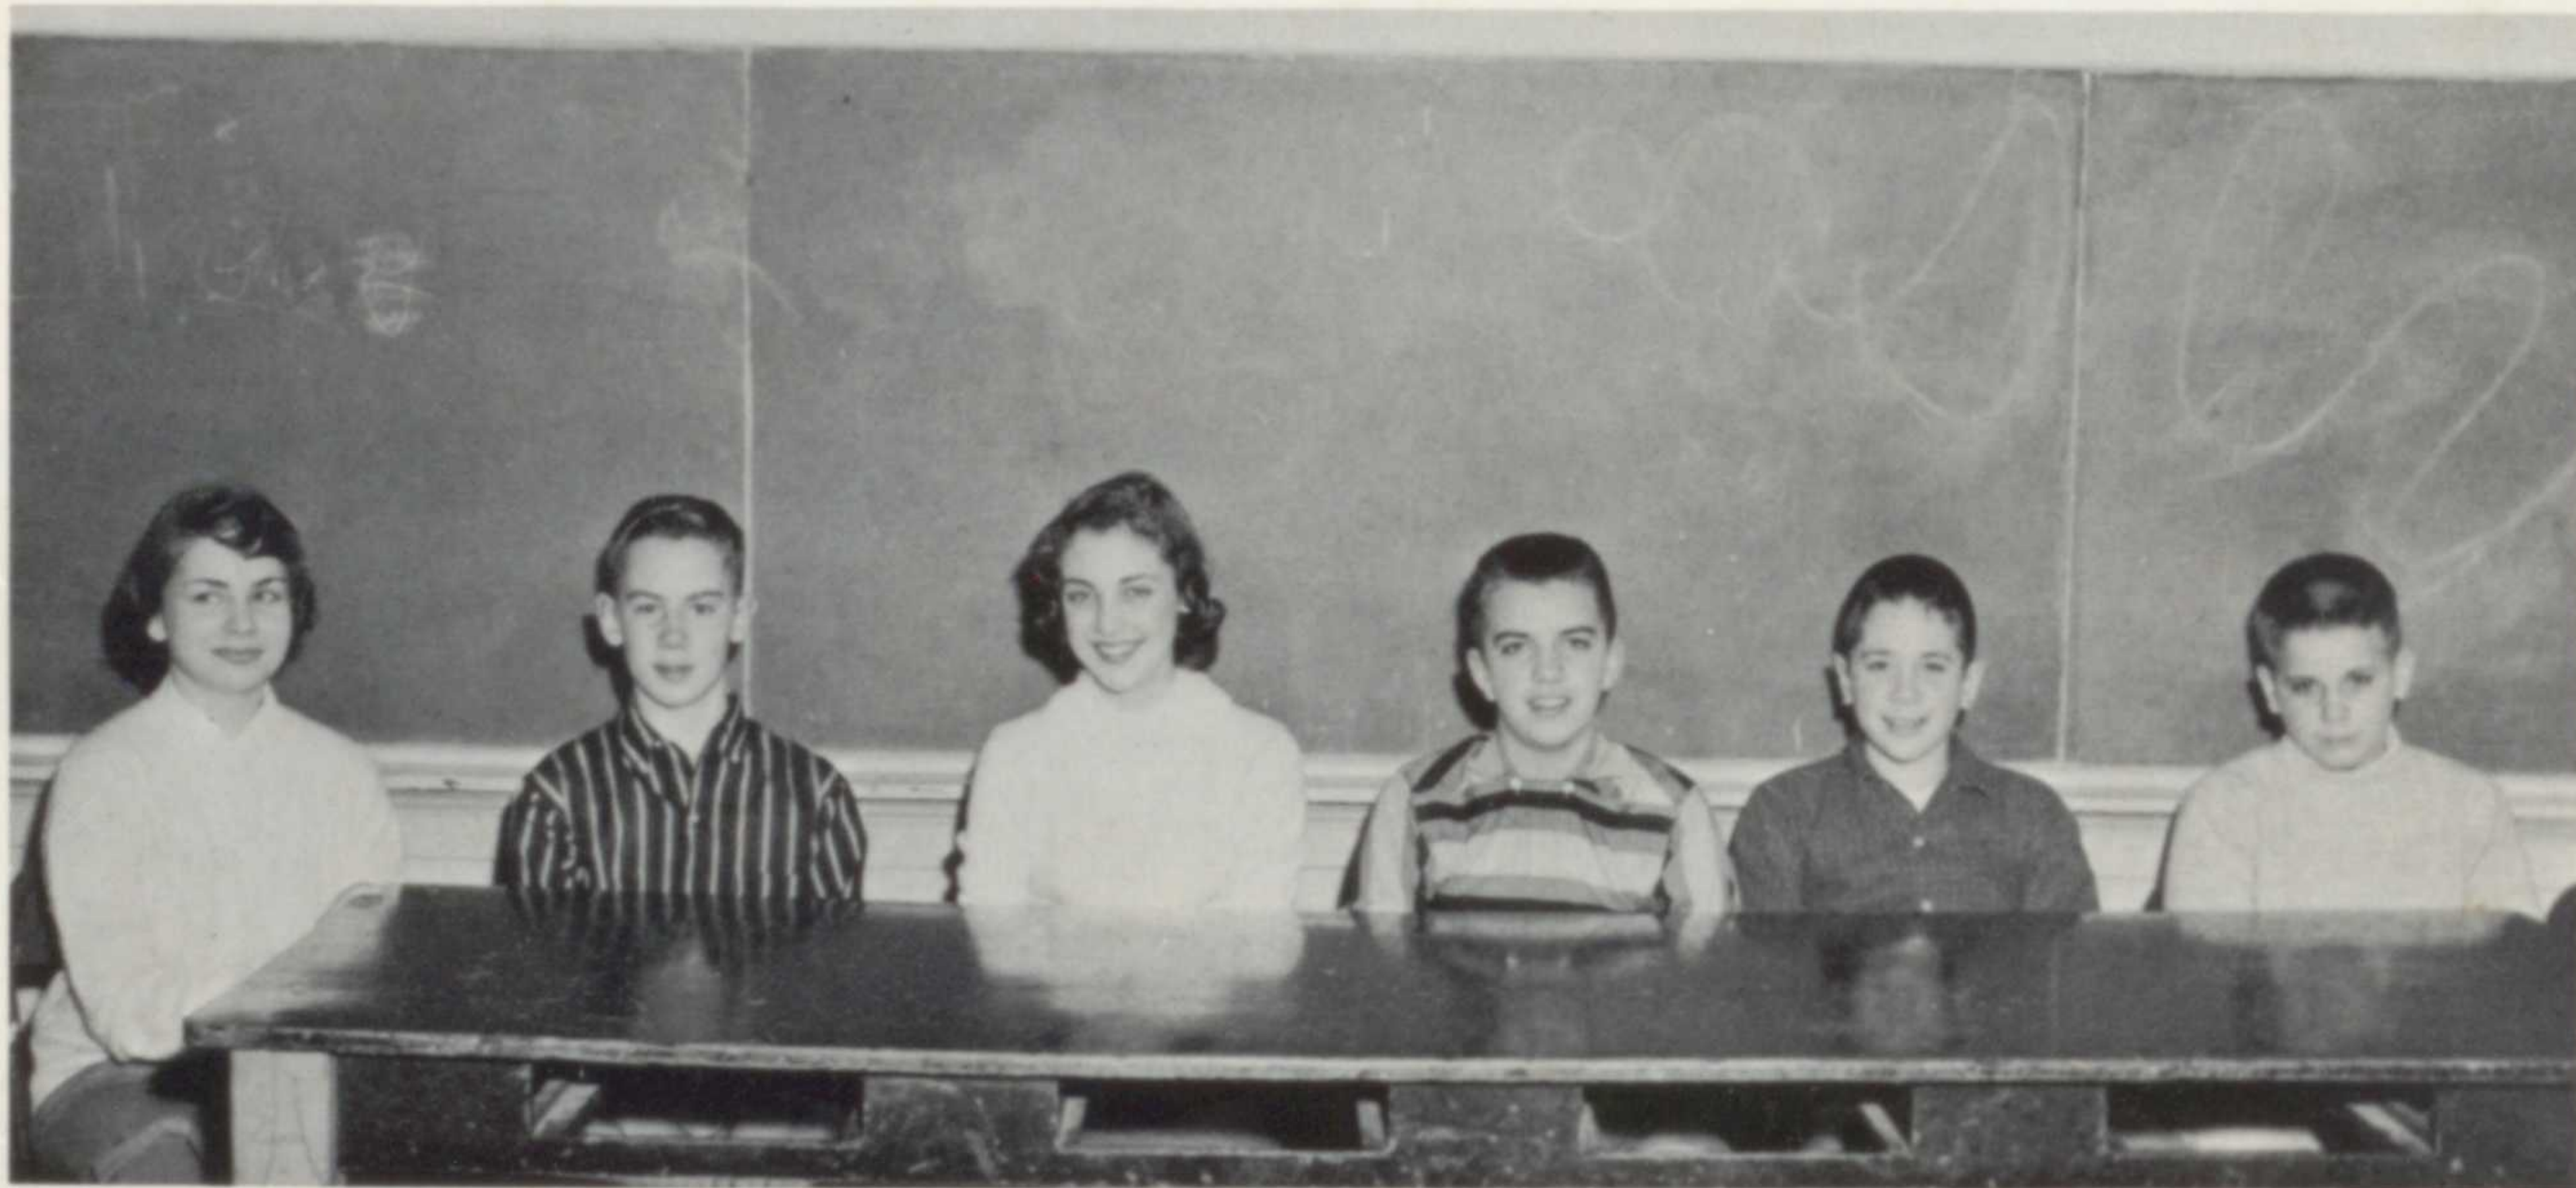

The class of '64 found high school new and exciting after grade school. In the fall they had a get-acquainted party, a "must" in such a large class. That was just a hint of the good times to follow.

The Student Council is to be congratulated on its very successful year. Enthusiasm, foresight, and hard work on the part of the council have done a great deal to help lessen the growing pains of Bay High.

This year's Homecoming was one of the highlights of the year. A committee of council members and school leaders under the chairmanship of Jeff Geffine made Bay's Homecoming the best in the Southwestern Conference. Featured were an especially beautiful coronation ceremony, a giant parade, past queens, class floats, a new car preview, an alumni booth, and a coronation ball.

Bill Rackow's "brain child," the Grievance Board, was set up this year under Lou Ebersold. Thus the student body has an organization that can act on cases of complaint and grievance. This committee has already proven its worth for the future.

In respect to Bay's future junior high, the Student Council set up a separated junior council. Members of the 7th and 8th grade were taught the methods of running their own separate council. The committee in charge of this project was headed by Barb Bate.

Dick Korsgaard and later Bonnie Borges as heads of the monitor committee at last renovated and modernized our monitor system. Sherry Leslie as secretary and Craig Hallows as public relations chairman kept the student body well informed of the councils activities. Russ Broadwell headed the Parking committee. Lee Weider contributed \$200 to the council funds by winning 1st prize in an essay contest. Bruce Jurgens ably filled the office of treasurer. The council also undertook the following projects: the noon dances, the Christmas Assembly, a Clean Up Campaign, the straightening out of the stairway problem, landscaping certain areas on the school grounds, Leaders' night, and the football concession stand.

TRIBUNAL

Bay's student court is composed of five judges, two of whom are elected by the student body. One is appointed by the Council and the others are the Student Council President and Vice-president. When a case is brought before Tribunal by a monitor, the offender must plead

innocent or guilty. His case is discussed and a judgment is made in accordance with school law. This year's Tribunal is composed of Bruce Juergens, Craig Hallows, Bill Rackow, Bonnie Borges, and Dick Korsgaard.

BOARD OF GRIEVANCES

This committee, formed this year by Student Council, investigates all legitimate 'gripes' held by the students on some aspect of school life. The petition must be signed by twenty-five students before being submitted to the Board. A complete investigation is then underway. Recommendations are made in a written report and returned to the Board for discussion.

This year's Board of Grievances is composed of your Student Council members. They are Lou Ebersold, Jim Sherman, Linda James, and Jane Clark.

ELECTION BOARD

The Student Election Board is in charge of the voting procedures for all school elections. Their duties include the endorsement of candidates and the tabulation of the votes which are cast by secret ballot. Presided over by Bill Rackow, the members of the Board are Ivy Ash, Jane Ashbrook, and Barb Bate.

"Now Together" was the theme of the 1958 United Appeal Drive. It was the first year the Red Cross had joined in on the campaign. Combining the former 128 agencies under one name, this was Greater Cleveland's first united appeal for funds. The Bay High campaign ran from October 20-24. Although there was no formal assembly because of this year's omission of homeroom period, a film was shown during the lunch periods and homeroom representatives who had taken the tour recounted their observations to their classmates.

MARCH OF COINS

"Have Coins, Will March" was the theme of the 1959 March of Coins drive held during the week beginning on February 23. This year's goal was six hundred dollars, or sixty cents a student. Led by the Sophomore Y-Teens, students collected contributions daily during the morning homeroom and sponsored an assembly. Totals were posted on charts in the halls by the girls. The money collected was distributed among six organizations. They were: American Heart Association, Cleveland Safety Council, Society for Crippled Children, Anti-tuberculosis League, National Foundation for Infantile Paralysis and the American Cancer Society.

NATIONAL HONOR SOCIETY

On Friday, February 20, 1959, twenty-one members of the junior and senior classes were inducted into this society in the traditional assembly. In accordance with national rules, ten percent of these were juniors; five percent seniors. The initiates were elected on the basis of the qualities of scholarship, leadership, character, and service which were defined in speeches by Russell Knight, Jeff Geffine, Margaret Groth, and Lynne Friedrich respectively. The scholarship requirement is a three point average or better and was defined as being able to effectively apply knowledge as well as acquire it. "Leadership is a quality not an office." Although leadership is fulfilled mainly through activities, it has a direct relationship to personality. Character means the possession of high morals and a good reputation, and service is determined by a person's willingness to serve others at school and in the community.

The Bay High chapter of N.H.S. was started in 1940 by Mrs. Hannah K. Bortz. With the 1959 initiates the membership totals 223. New and old members alike enjoyed the informal initiation on March 3 when the new members presented skits for everyone's entertainment.

THESPIANS

If old Thespis could return from the dim past of 600 B.C., he would be proud to see his name given to the national honorary dramatic society, Thespians.

Membership into this society is earned by outstanding service in Senior Bay Players or various other dramatic enterprises including the Senior Play.

Highlights of the club's year were a Thespian play and the attending of several professional productions.

QUILL AND SCROLL

Quill and Scroll is the international honor society for high school journalists who meet certain basic requirements. These students must be in the upper third of their junior or senior class and must have done outstanding work on one of the school publications; the Blue Book, the Bay Window, or Bay Bits.

BAY WINDOW

Work on this year's paper began in July, shortly after six staff members and the faculty adviser had returned from a one-week Journalism Workshop held annually at Ohio University in Athens, Ohio. This early start enabled the staff to publish the first free, eight-page issue ever to be distributed to Bay High students.

No longer a club that anyone may join, the smaller, more qualified staff has brought a six-page, biweekly paper to the Bay High School students. Staff elections

were made by the faculty adviser in conference with the editor of the Bay Window. These selections were then ratified by the Publications' Council. It is interesting to note that eleven of the twenty-seven members of the Bay Window staff are members of the Quill and Scroll.

Next year's staff was announced in April. The new staff was welcomed by a buffet dinner given in their honor by the old staff, thus introducing a new Bay Window tradition.

BAY BLUE BOOK

Look at the birdy.

Dark secrets of the dark room.

For the first time in its history, the Bay Blue Book is complete, and the credit goes to this year's staff. The experienced staffheads "modernized" this edition after several members attended the publications workshop at Ohio University. They discovered that many so-called traditionals were considered trite and out of date by yearbook advisers of Ohio and surrounding states.

The production of this edition began in the summer months of 1958. In the year that followed countless hours were spent in making page layouts, writing copy, typing, taking candid pictures, and raising money. In connection with the latter, the annual sponsored the alumni dance on December 30 after the alumni game.

Readers will notice that staff organization is also different this year. The new idea of having section editors has greatly increased the efficiency of working on the yearbook.

In February, seven members of the staff were elected to Quill and Scroll, the international honorary society for high school journalists.

We've had it!

Meeting of the minds.

PUBLICATIONS COUNCIL

Believing an organization was needed to promote a closer working group among the three school publications, a Publications Council was formed this year.

Sally Smith, editor of the Bay Window, Lee Weider, editor of the Bay Blue Book, and Lynne Friedrich and Nancy Clouser, co-editors of the Bay Bits, meet twice a month with their advisors, Principal Edward S. Wells, Miss Marvel Sebert, Mrs. Eleanor Kellam, Robert Walter, and Philip Safford.

The Council elects members to Quill and Scroll and supervises the choosing of the three publications' staffs.

BAY BITS

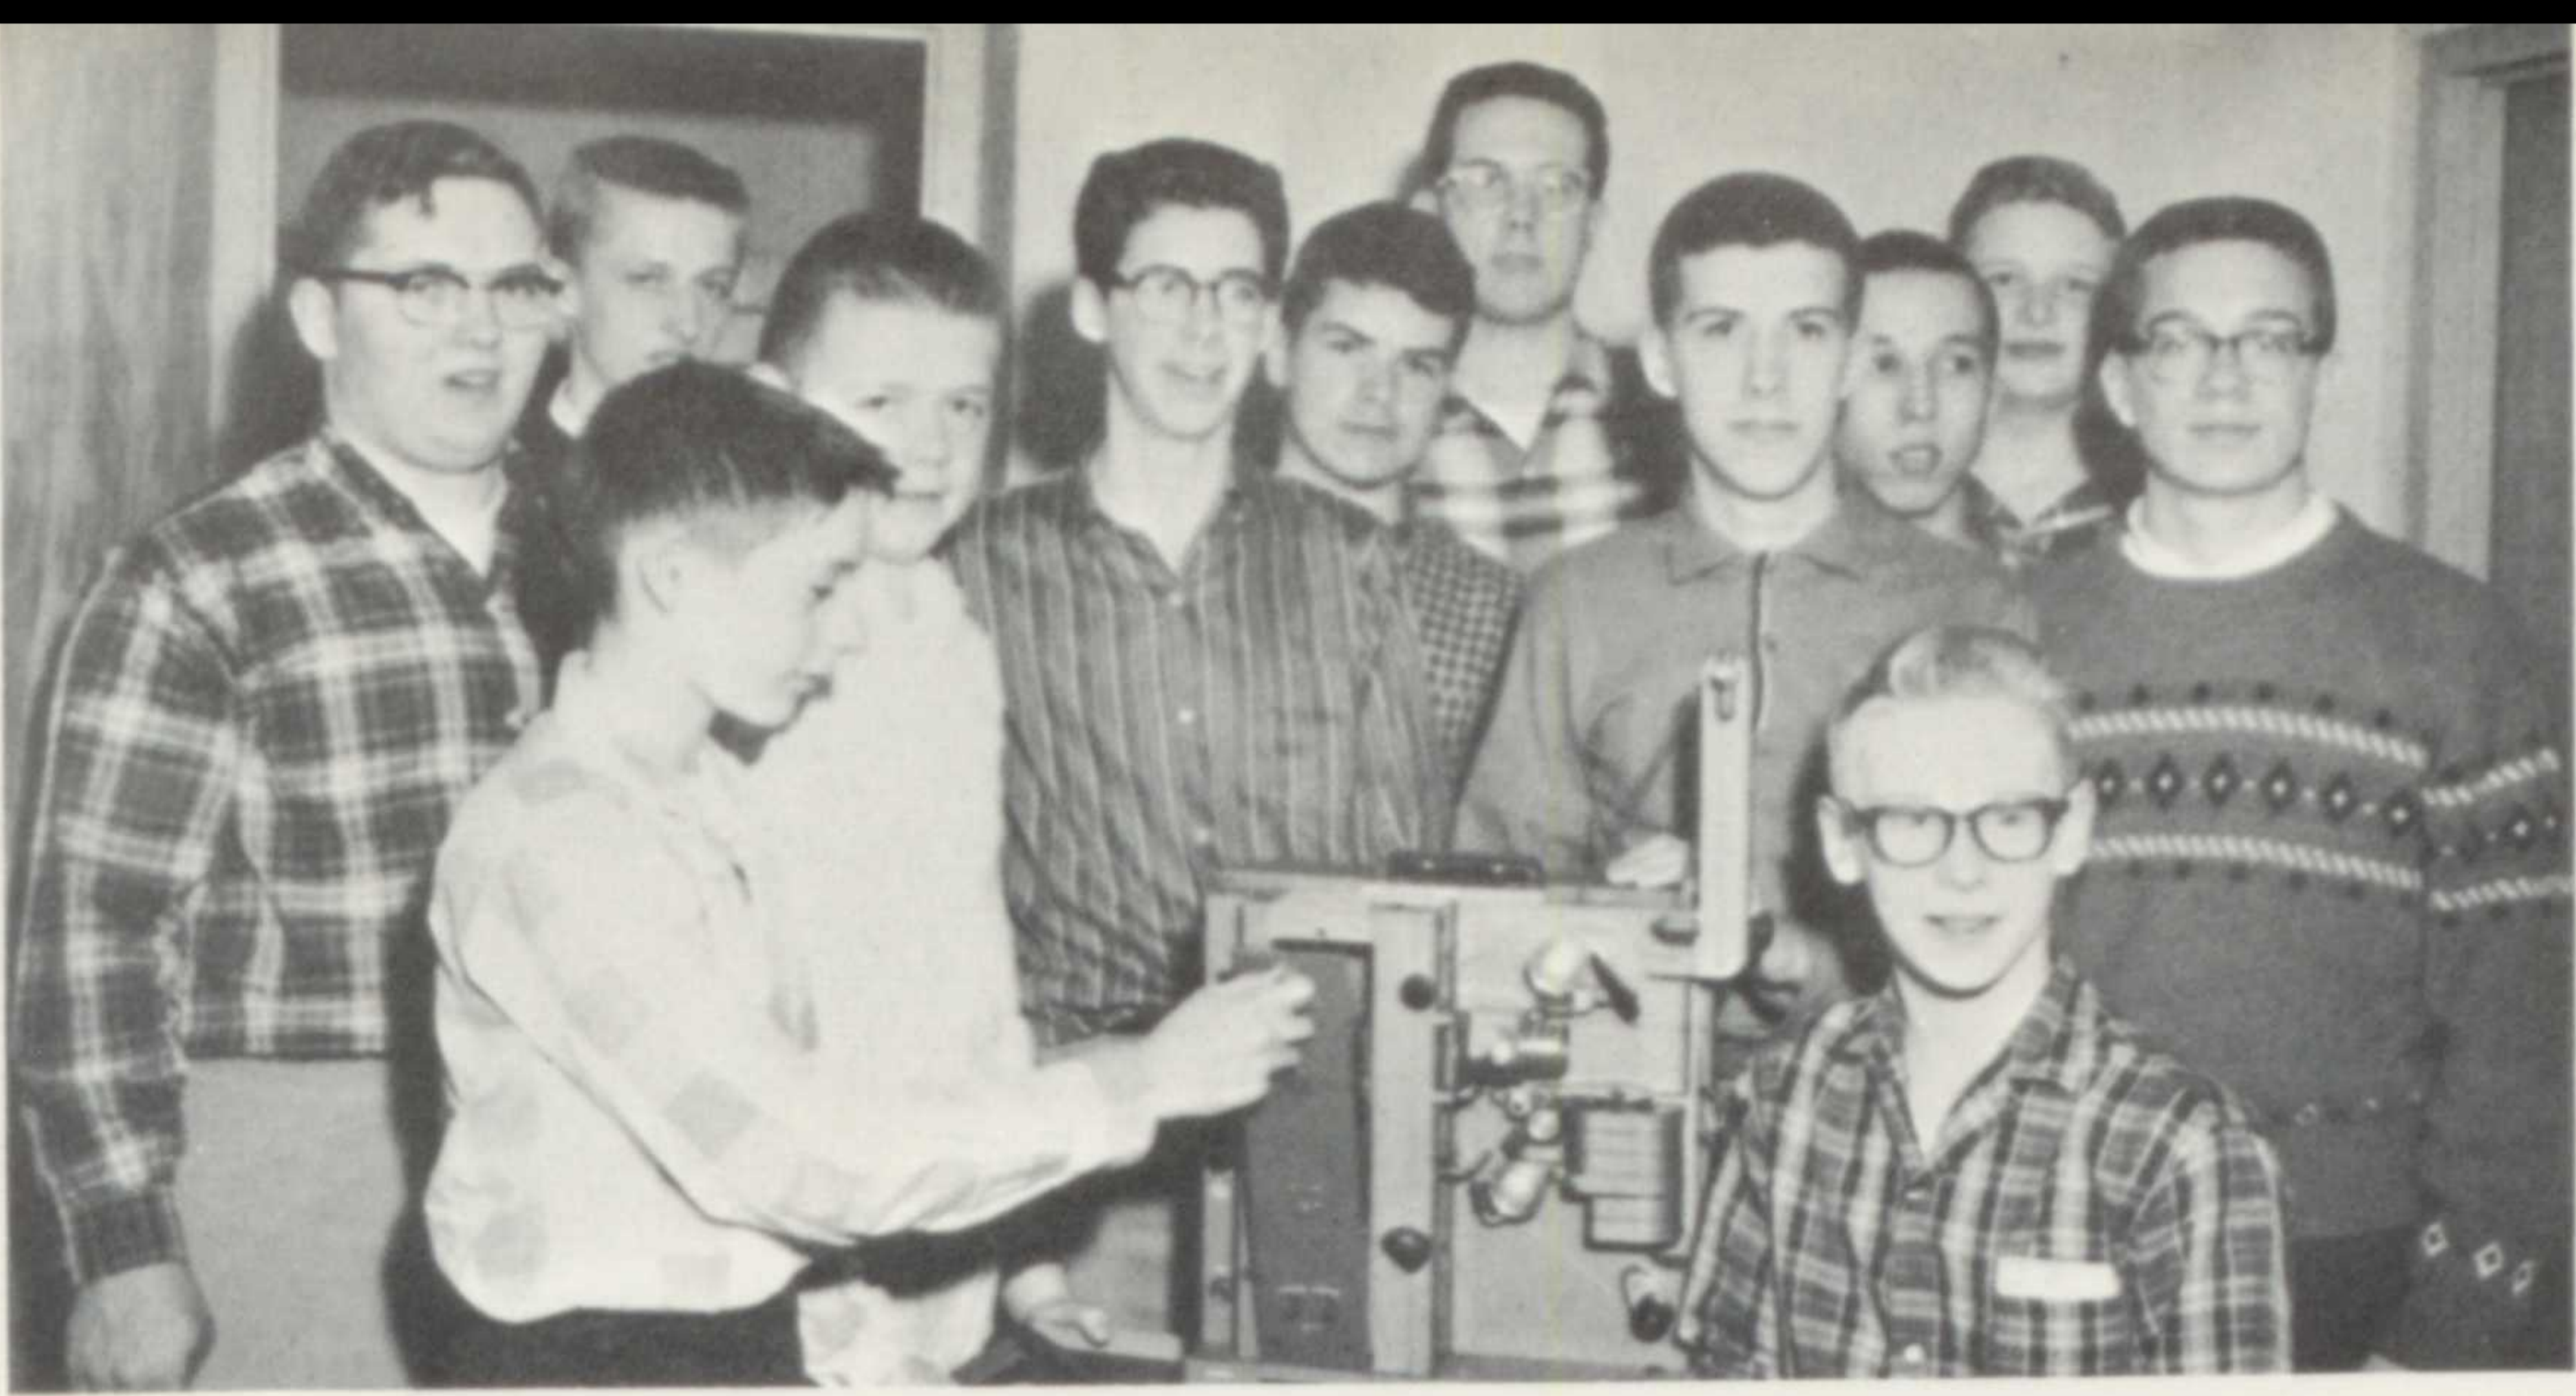

Bay Bits is a publication that contains the outstanding literary achievements of Bay High students. Included in the book are many types of poetry and brief prosaic work, all of which must be submitted to the staff by the English teachers. The last edition was compiled in 1956, but it is the hope of this year's staff that Bay Bits will soon be published annually. The rapid growth of the school makes it increasingly difficult to give representation to all those who merit it.

P. A. COMMITTEE

This year's members are A. Fleming, J. Swanker, D. Paine, D. Bennett, G. Geil, R. Snelvel. The P. A. committee works on the morning announcements, broadcasting at special events, and lend their services to school functions.

SCIENCE CLUB

"Finding out how the world lives and reproduces itself interests me. I want to find out all I can."

Thus the Science Club was formed. To further their knowledge, the members have taken special projects and presented the material to the club. Topics chosen concerned the quantum theory, the theory of numbers, psychology, and numerous other fields.

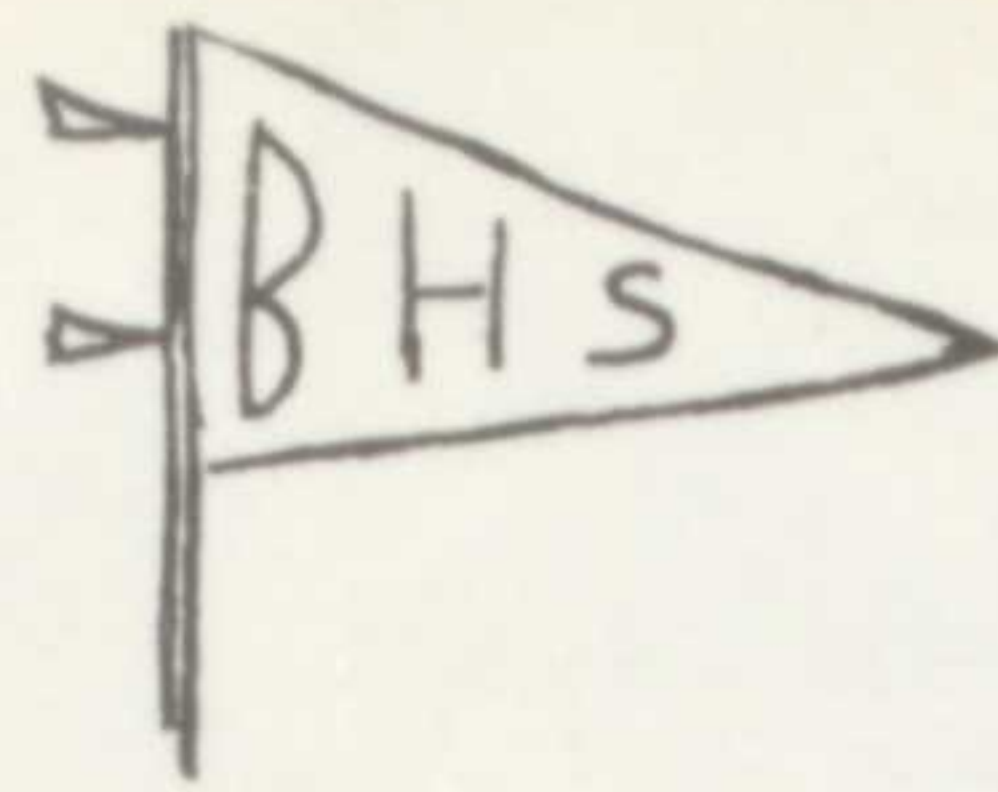

This year's members are D. Corrington, T. Wilson, B. Campbell, A. Fleming, H. Walker, V. Rahan, J. Ventura, H. Shay.

PEP CLUB

Bay High has always been able to be proud of its school spirit. The innovation of the Pep Club three years ago has produced organized and well directed school spirit for Bay High. The Pep Club has thus become the spirit behind the spirit. One of the Pep Club's major projects was assisting the Student Council in the Homecoming celebration. The giant sign of welcome and the alumni booth were the resultant of the Pep Club efforts. Throughout Bay's long and victorious basketball season the Pep Club was the driving force of enthusiasm. The day of every game found Bay High's halls hung in victory signs and all Bay High students wearing victory pins — all handiwork of Pep Club members. Other Pep Club projects were the Victory Dance, the bumper stickers, selling blue and white teddy bears, and special pep assemblies. By coordinating the ideas of the cheerleaders, the coaches, the Athletic Council, and the student body, the Pep Club has done a tremendous job in making this a memorable athletic season.

BAY PLAYERS

OFFICERS

President	Nancy Ritchie
Vice President	Judy Mercer
Secretary	Gretchen Rusch
Treasurer	Kathy Mally
Prog. Chm.	Sandy McNeal

First to use the new Bay Way, were the Senior Bay High Players. The annual Sweetheart Ball, sponsored annually by this group of theatrically inclined students, was held on Feb. 14 this year.

To further their interest in and knowledge of the theater, the members heard lectures on make-up, stage terms, lighting, and so forth. They then saw a series of movies on the history of the theater.

SWEETHEART BALL

STAGE CRAFTERS

OFFICERS

President Doug Paine
 Treasurer Dave Bennett
 Secretary Tom Jones

Under the direction of Mr. Ralph Larson the stagecrafters have come far since they became an independent club in 1953. In this group there are many talented students. Hours of work go on behind the scenes of every production and many of these hours are often spent after everyone else has gone home. However, all of this work does not go unrewarded. The boys and girls who have worked 150 hours receive a gold pin.

This year in addition to their work the club held a closed party and attended several professional productions in Cleveland.

Row one — V. Rahan, D. Paine, J. Swanker. Row two — B. Nissley, B. Wilch, L. Richards, C. Cooke, C. Leahy, L. Weider. Row three — B. Twinning, G. Rusch, Mr. Larson, P. Slattery, J. Kellam, G. Geil, J. Keene. Row four — M. Whiteman, W. Katzenmeyer, D. Moore.

JUNIOR LIBRARY CLUB

OFFICERS

President	Jack Richard
Vice President	John Muske
Secretary	Susan Sedlak
Treasurer	Birney Walker

The Junior Library Club is composed of seventh and eighth graders who are interested in library apprentice work. Under the guidance of their advisor, Mrs. Jordan, the members shelve books, arrange book displays, and work in the magazine room. Eighth graders also work at the check-out desk. Book reports and library work are discussed at the meetings.

ART CLUB

OFFICERS

President	Tom Jones
Secretary	Barb Ball
Treasurer	Dave Moore

The purpose of this organization is to further acquaint the members with a broader understanding and enjoyment of art. Several sketching trips are taken each year.

Among the club's services to the school are their many publicity posters. In addition to this they sponsor one dance a year.

This year the junior and senior clubs were combined, making membership open to all interested students in grades eight to twelve.

Row one — C. Saladouis, S. McMahon, S. Fahrer, R. Shattuck. Row two — T. Robinson, J. Tennant, W. Katzmeyer, A. Walker, M. Kessler, J. Wills, C. Nobes.

OPEN BOOK CLUB

OFFICERS

President Jerilyn Collins
 Secretary John Wills
 Treasurer & Program Chairman Chuck Nobes

The Open Book Club under the supervision of Mrs. Kessler is primarily a service club and a discussion group. The major functions performed by the members are checking out books, writing over-due notices, and working with the card file. Points are awarded on the basis of time spent on library work by each member. When a total of 800 points is attained, a letter is awarded; 1200 points entitles a hard-working member to receive a pin for his efforts. Book discussion groups prevail at the regular meetings. Because of the comparatively small size of the club this year more field trips and "extras" were possible. A visit to the Cleveland Press building, a book panel discussion over WGAR, and attendance at the annual Ohio Student Librarians' Association were highlights of this year's activities.

Row one — J. Oswald, L. Conn, A. Warfel. Row two — J. Polcock, T. Webb, W. Katzmeyer, D. Moore, G. McBain, T. Jones. Row three — K. Rudin, Mr. Larson, B. Twining, S. Sedlack.

FUTURE NURSES OF AMERICA

OFFICERS

President Frances Cavron
 Vice president Donita Ruch
 Secretary Lorna Robinson
 Treasurer Gerry Collins

Nursing is the common denominator of interest with these girls. This club was established during the 1957-58 school year for girls interested in this profession. Aside from trips to nearby hospitals, the meetings have included guest speakers and movies on the various aspects of nursing. Programs for this year were arranged by Pat Taylor, Sue McMahon, and Beth Wilch.

Row one — F. Gavron, D. Ruck, J. Collins, D. Dettra. Row two — J. Bryant, P. Emling, S. Cooke, K. Mally, Miss John. Row three — B. Bloom, P. Taylor, J. McMahon, B. Welch, L. Robinson.

SOCIAL SCIENCE CLUB OFFICERS

President Bill Garnett
 Vice president Lynne Friedrich
 Secretary Judy Mercer
 Treasurer Paul Slattery

The purpose of the Social Science Club is to discuss world affairs for a better understanding of them. Meetings are spent in viewing movies and having informal debates. The clubs' highlight of the year is its participation in the model U. N. Assembly in Lakewood along with forty-three other high school delegations. This year the members represented Iceland. After a morning of committee meetings in which majority and minority resolutions were drawn up, a general assembly was held. At this time the entire assembly debated the Algerian situation.

Row one — P. Slattery, L. Friedrich, B. Garnett, J. Mercer, S. Storrie.
 Row two — R. Shattuck, B. Kagelmacher, P. Mally, J. Armstrong, P. Grayson, D. Heist, D. Whittington, Mrs. Shannon.
 Row three — S. Smith, F. Wilson, I. Adamson, K. Stark, C. Semmons, K. Hurdlebrink, J. Novy, R. Rankin.
 Row four — P. Taylor, C. Morris, K. Smith, R. Hall, P. Walsh, G. Rusch.

COMMERCIAL CLUB OFFICERS

President Karlen Bennett
 Program chairman Karen Gosnick
 Secretary Holly Nyerges
 Treasurer Jane Pierce

Commercial subjects of the business world are the main interests of the girls in the Commercial Club. All girls who have completed at least one year of a business course are eligible for membership in the club. Some of the special events this past year included a speaker from Burrows who demonstrated office equipment and the yearly picnic.

 Secretary Penny Keeling
 Treasurer Holly Nyerges
 Program Chairman Suzy Wright

President Sandy Salisbury
 Vice-president Linda Clymer
 Secretary Kathy Eppley
 Treasurer Karen Counts
 Program Chairman .. Barb Jenkins

The purpose of the senior and junior Y-Teens, which are affiliated with the West Shore Branch of the Y.W.C.A., is to build a fellowship of women and girls devoted to the task of building a better world through peace, unity, freedom, and brotherhood.

Service projects are a large part of their yearly activities. One that was very popular with all was the party held for the underprivileged children at Easter time by the junior group. The seniors colored Easter eggs for their project.

The big event of the year is the Snowball, put on immediately following Christmas with the combined efforts of the tenth, eleventh, and twelfth grade Y-Teens.

Most of the social affairs are those which will bring the teenager and her parents together, such as the Pa Ma Me, the Father-Daughter Pie Feed, and the Mother-Daughter Tea. These activities help the girl to grow in Christian love and fellowship.

The Hi-Y organizations at Bay High School are for those boys who want to further their Christian principles and give aid to worthwhile causes. Meetings were held in the evening this year as after school athletics interfered with membership in the club for many boys. The Hi-Y formal, held on January 24, was sponsored by the sophomore, junior, and senior groups with the latter in charge. The theme was "Harbor Lights." Helping to support the annual Kiwanis Kid's Day, the seniors held a peanut sale. As a service to Bay High, members also swept the gym floor after every home basketball games.

Bay High can certainly be proud of these seven talented twirlers. VARSITY FOOTBALL

Statistically speaking, Bay's football season was one of the worst in years as the team finished in last place with a 1-6 record. The over-all season record was two wins against six defeats.

The boys certainly had potential as well as spirit, and they kept trying in all their games. The opener against the Lincoln Presidents will be long remembered as the underdog Rockets scored a 28-12 victory. Scoring touchdowns for Bay were Dave Brooks, Lu Smith, Dave Hughes, and Dave Statzer. Most outstanding victory of the year was a 16-14 upset over first place Rocky River. The confident Pirates and the Underdog Rockets are still talking of this season surprise. River scored twice in the first quarter but was unable to break through Bay's defense the remainder of the night. Coming from behind Bay scored in the second and third quarters and won by the margin supplied by their extra points. Two dark spots in the season were the loss of the Little Brown Jug to Westlake and the defeat by Fairview on Homecoming night.

Bob Sherman . . . active co-captain . . . member of the News "Dream Team" . . . tackle . . . winner of the Aveilone Trophy as the most valuable player.

Bill Lundin . . . able co-captain . . . suffered broken ankle on one yard line in Bay drive . . . scholastic trophy winner . . . cheers and encouragement from the bench.

Dick Harris . . . spirited end . . . newcomer to the game . . . sparked many of the Rocket's plays.

Dick Korsgaard . . . top-flight left guard . . . "Joe Athlete" . . . outstanding defense in River game providing winning margin.

Chuck Miller . . . strong man in the center position . . . maintained a good playing game throughout the season.

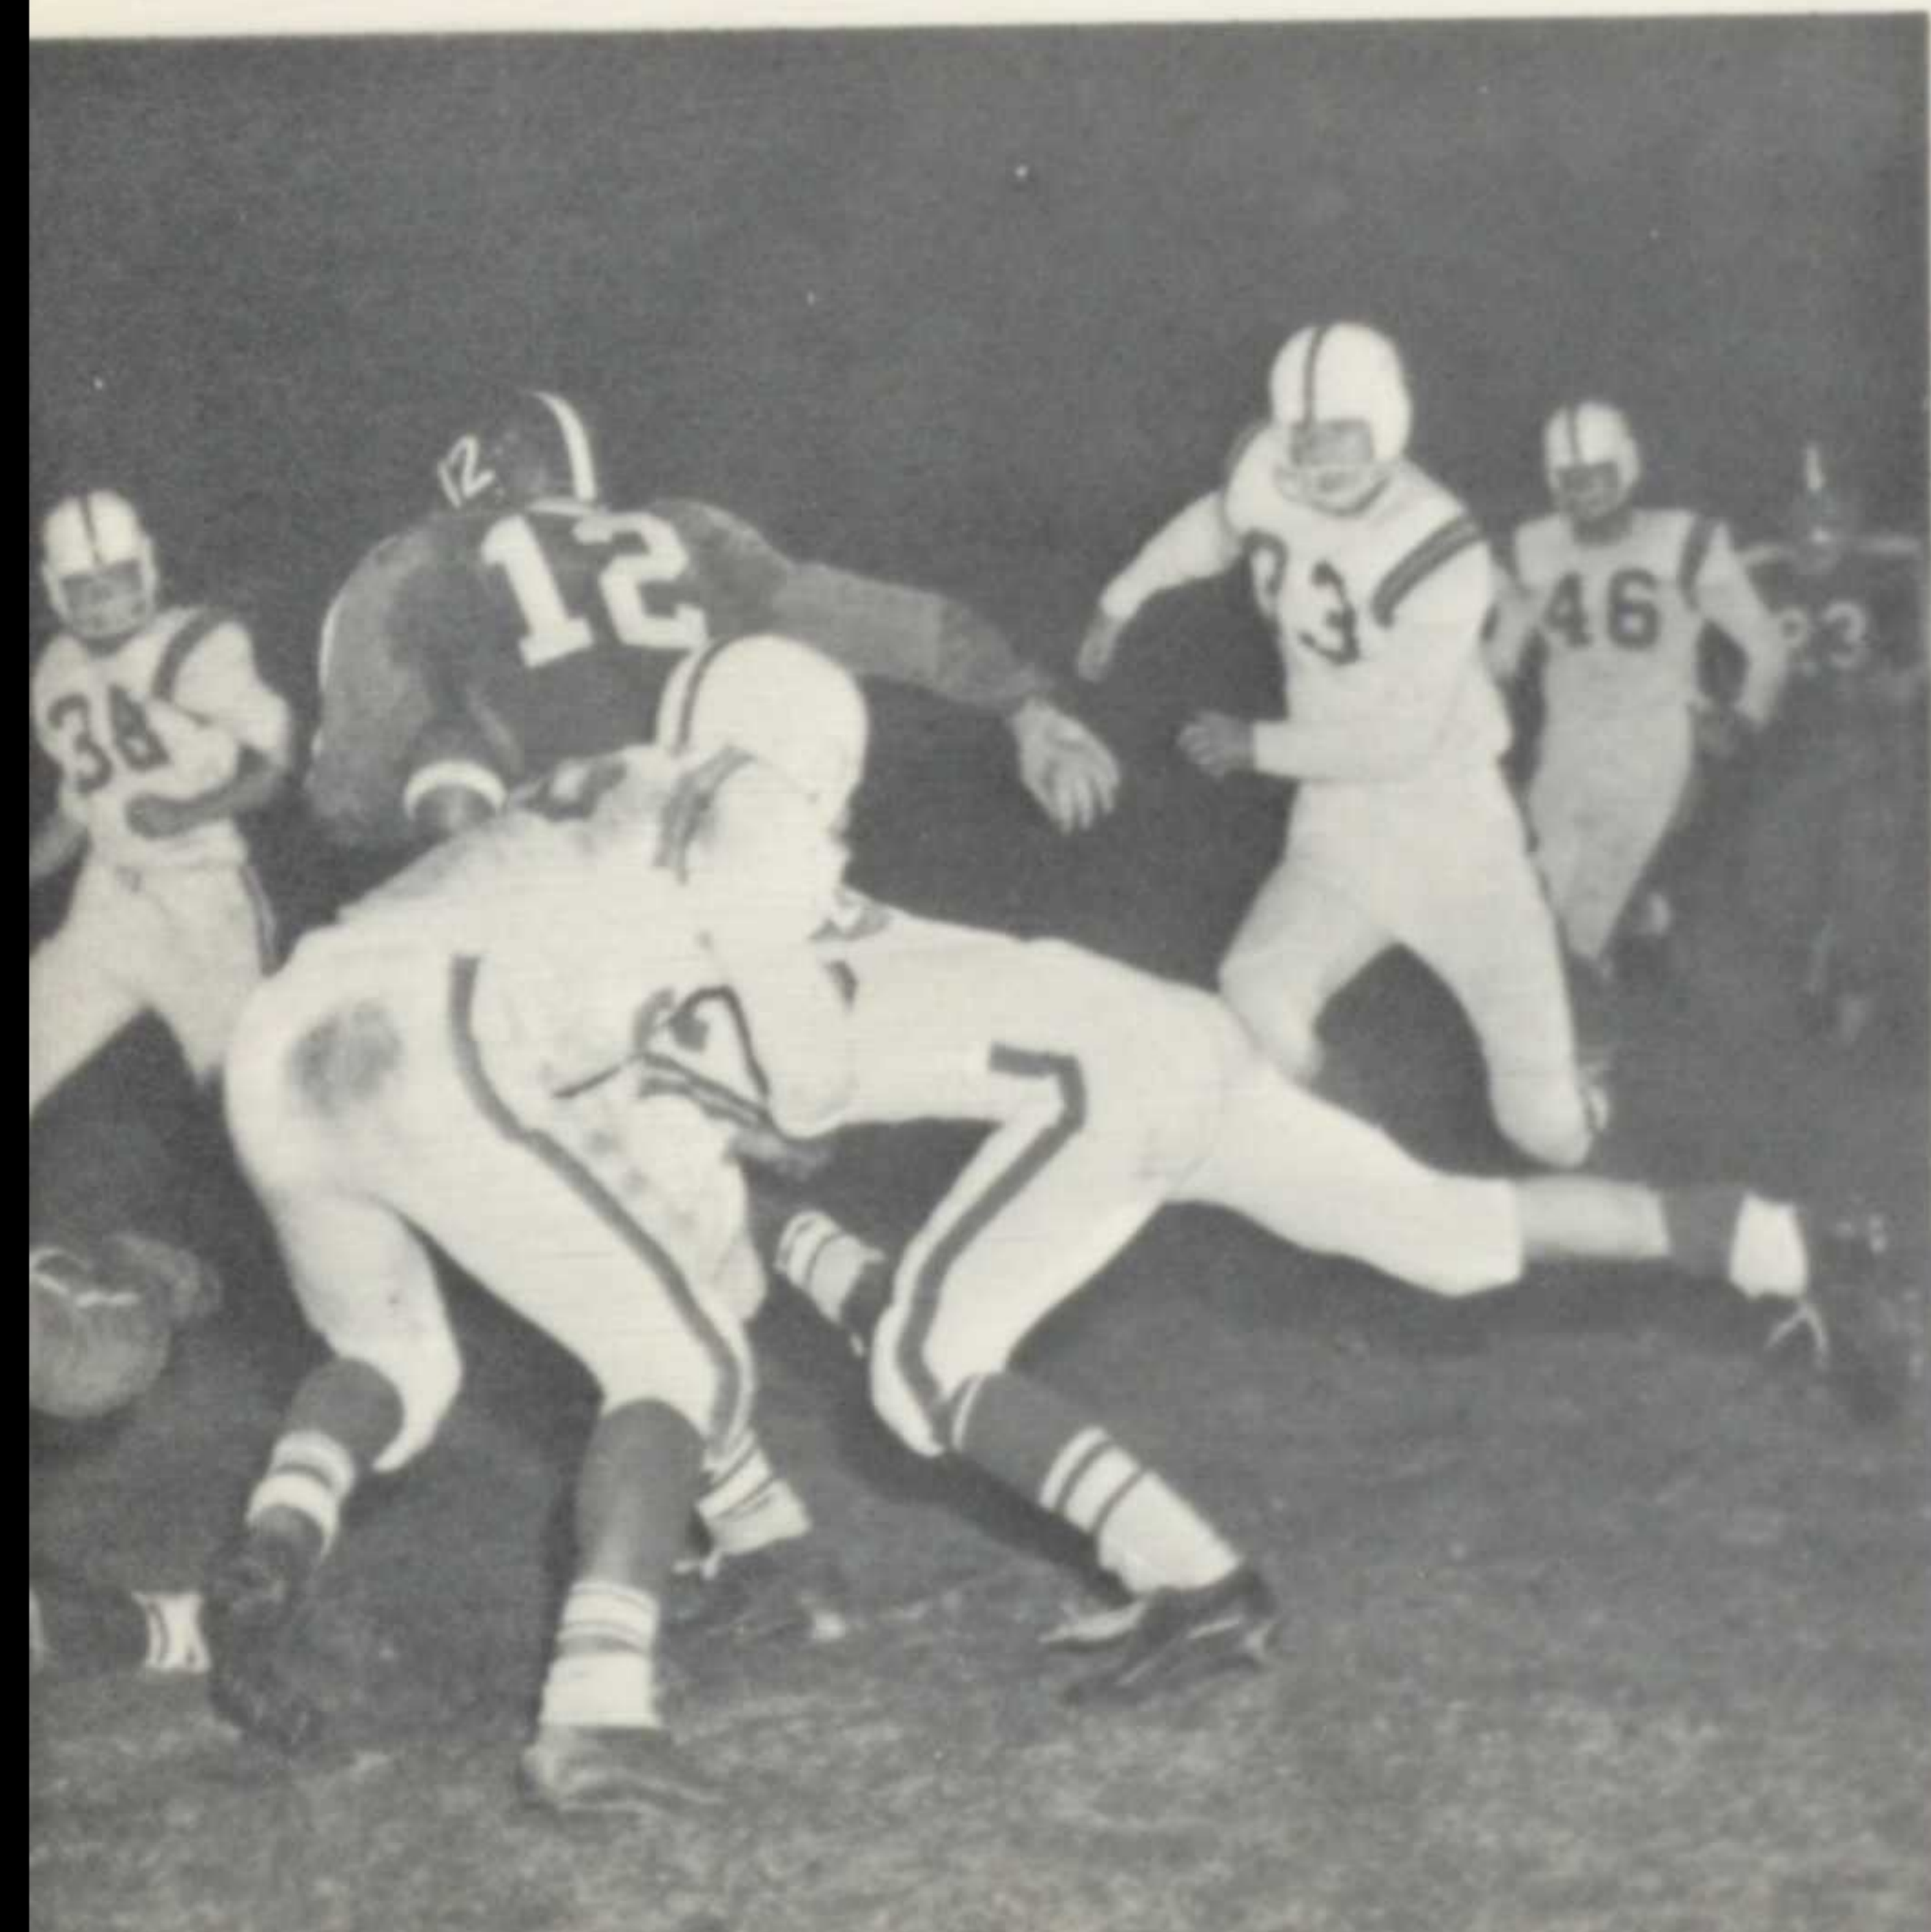

Carl Pecararo . . . hard-hitting left tackle . . . enthusiastic ball player . . . added weight to the line.

Lu Smith . . . excellent quarterback . . . turned in fine performance in every game . . . team's pilot . . . famous blue shoes.

Dave Statzer . . . fine half-back . . . known for spectacular T.D. runs . . . 103 yards against Fairview, 86 against Lincoln . . . most kickoff and punt returns.

Jim Zemek . . . good left tackle . . . somewhat hindered by a leg injury . . . clown . . . should have a good future in sports.

FRESHMAN FOOTBALL

Out of this squad of boys will come one of Bay High's varsity teams. As their opponents in most cases are the junior varsity and freshman squads of Southwestern Conference schools, these boys are getting the opportunity to play against their future opposition. Under the direction of Coach Rich Voiers this enthusiastic team of boys is undoubtedly gaining valuable playing experience.

J V FOOTBALL

The junior varsity boys under Coach Wayne Diederich played well this season although they didn't score any victories. After dropping their opener to Olmsted Falls, 6-12, the team battled Rocky River to a scoreless tie. In their final game of the season, they again had a tie game when they tallied one score to match Fairview's lone touchdown. Final score was 6-6. Undoubtedly these boys gained valuable experience in their short season.

For the first time since joining the Southwestern Conference in 1954 Bay captured the basketball championship with an undisputed possession of first place and a league record of thirteen wins and one loss. The over-all season record was an impressive eighteen wins, three losses. After losing the opener in a double overtime to Lutheran West, the mighty Rockets scored victories in their next thirteen games for the longest winning streak since 1941. Momentarily stopped by Medina, the Rockets regained their scoring pace to win the championship in a 63-57 victory over Fairview the following week.

Backed by a fine record and a spirited crowd, the Rockets entered tournament play at Baldwin-Wallace. In the first game, Bay scored a resounding 80-55 victory over Fairview. The following night they defeated West in a 54-53 thriller to become Berea AA Sectional Champions. The championship was Bay's first in history. Moving into district play, Bay met Lorain. Although the Rockets outshot the Steelers and led until the final minutes, they were on the losing end of a 57-51 heartbreaker.

The 1958-59 season saw seven school records set: (1) most victories in a season — 18; (2) best field goal average — 41%; (4) most points scored in a career — Cleland — 807; (5) most points scored in a single season — Cleland — 381; (6) most rebounds in a single season — Cleland — 254; (7) most assists in a single season — Statzer — 112.

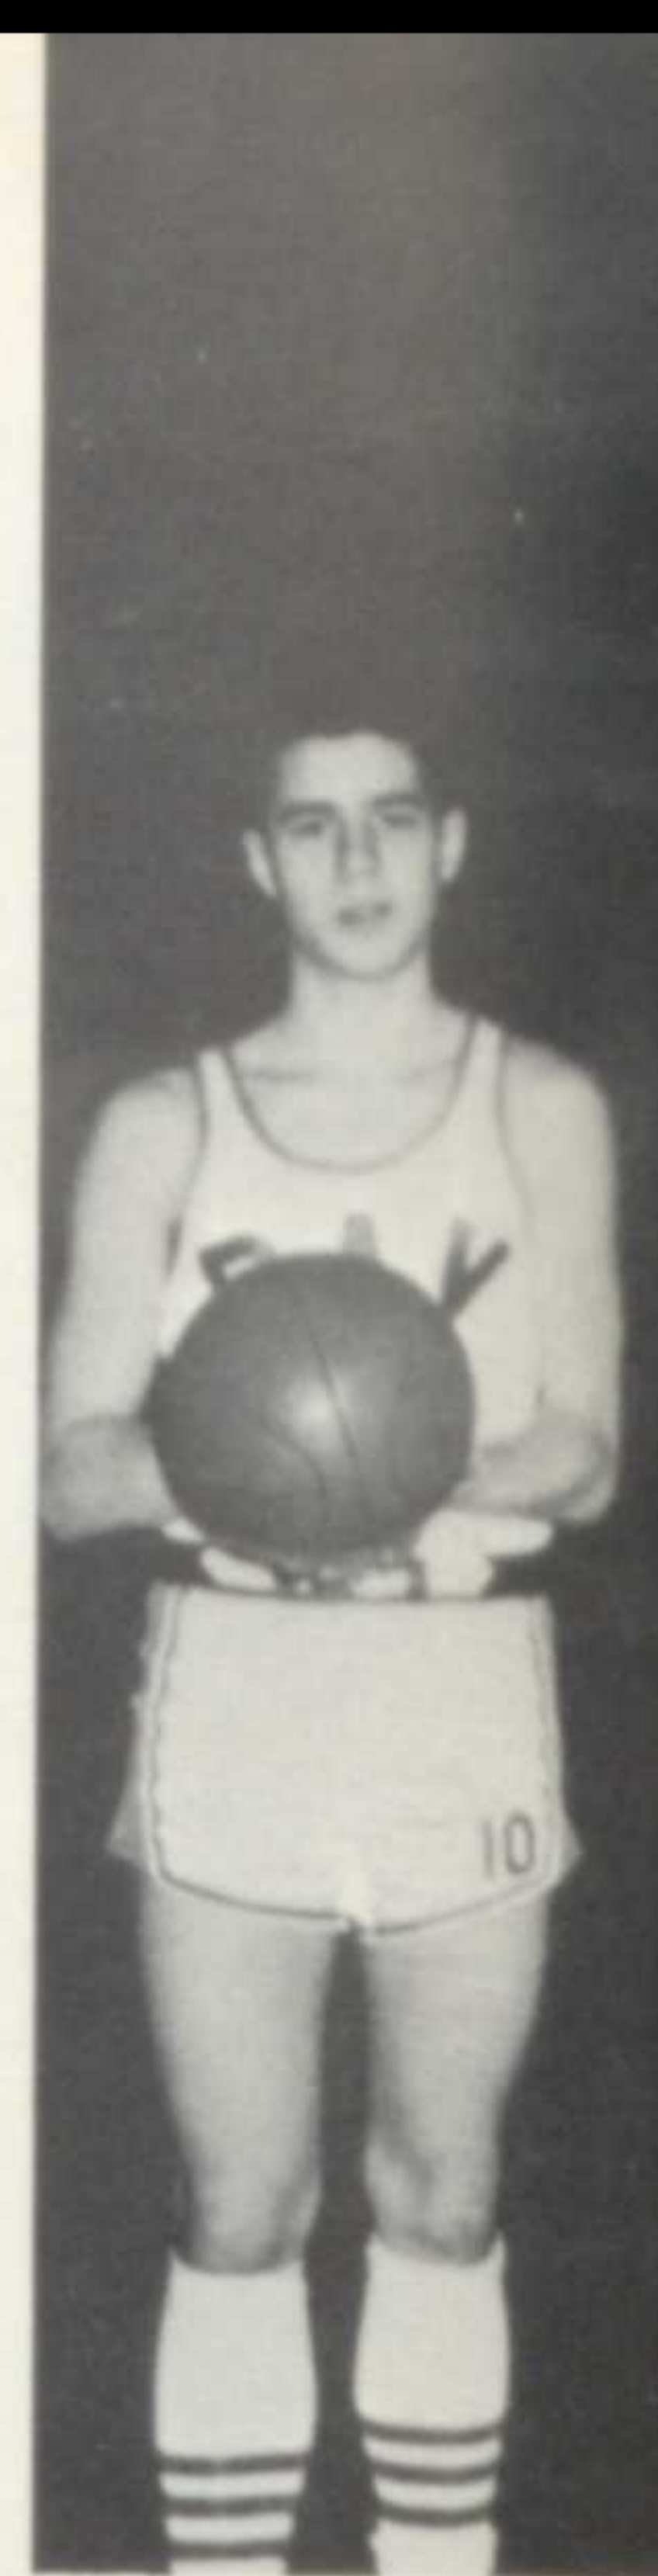

Bay's outstanding season could never have been accomplished without the able coaching of Bill Clark. To him, undoubtedly, goes an undeterminable amount of credit. Words and statistics could not adequately express Bay's appreciation of his fine job.

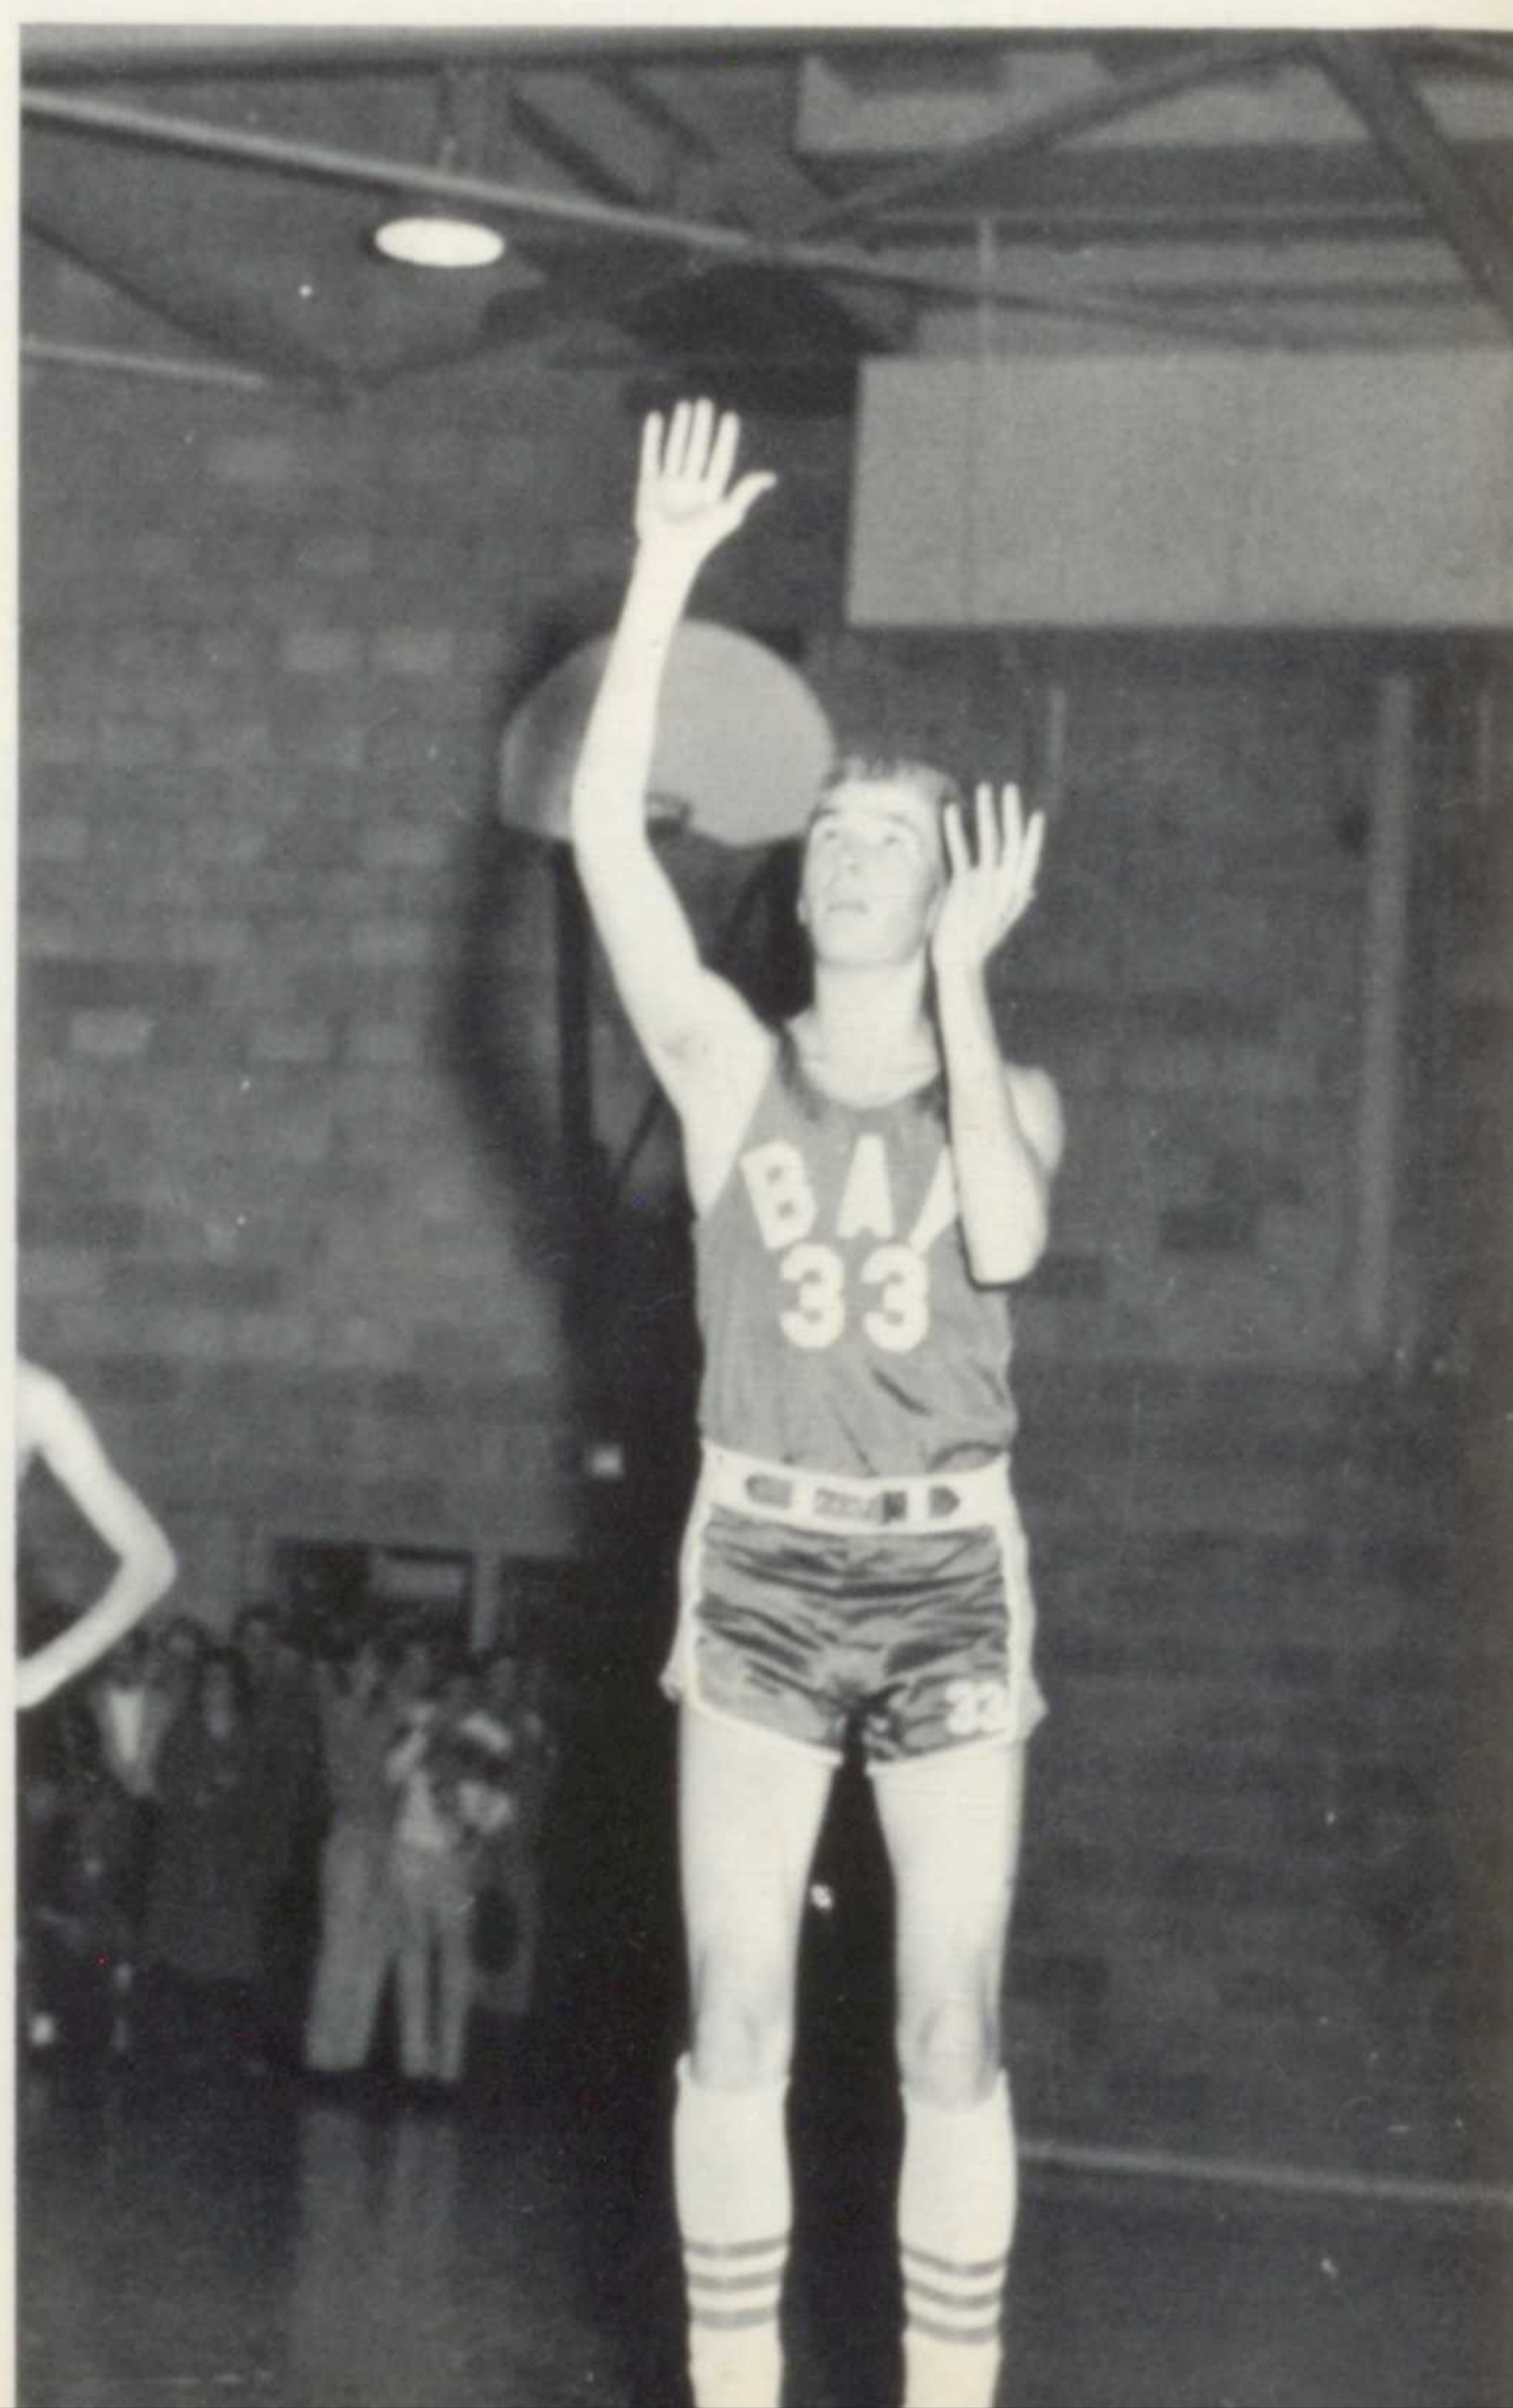

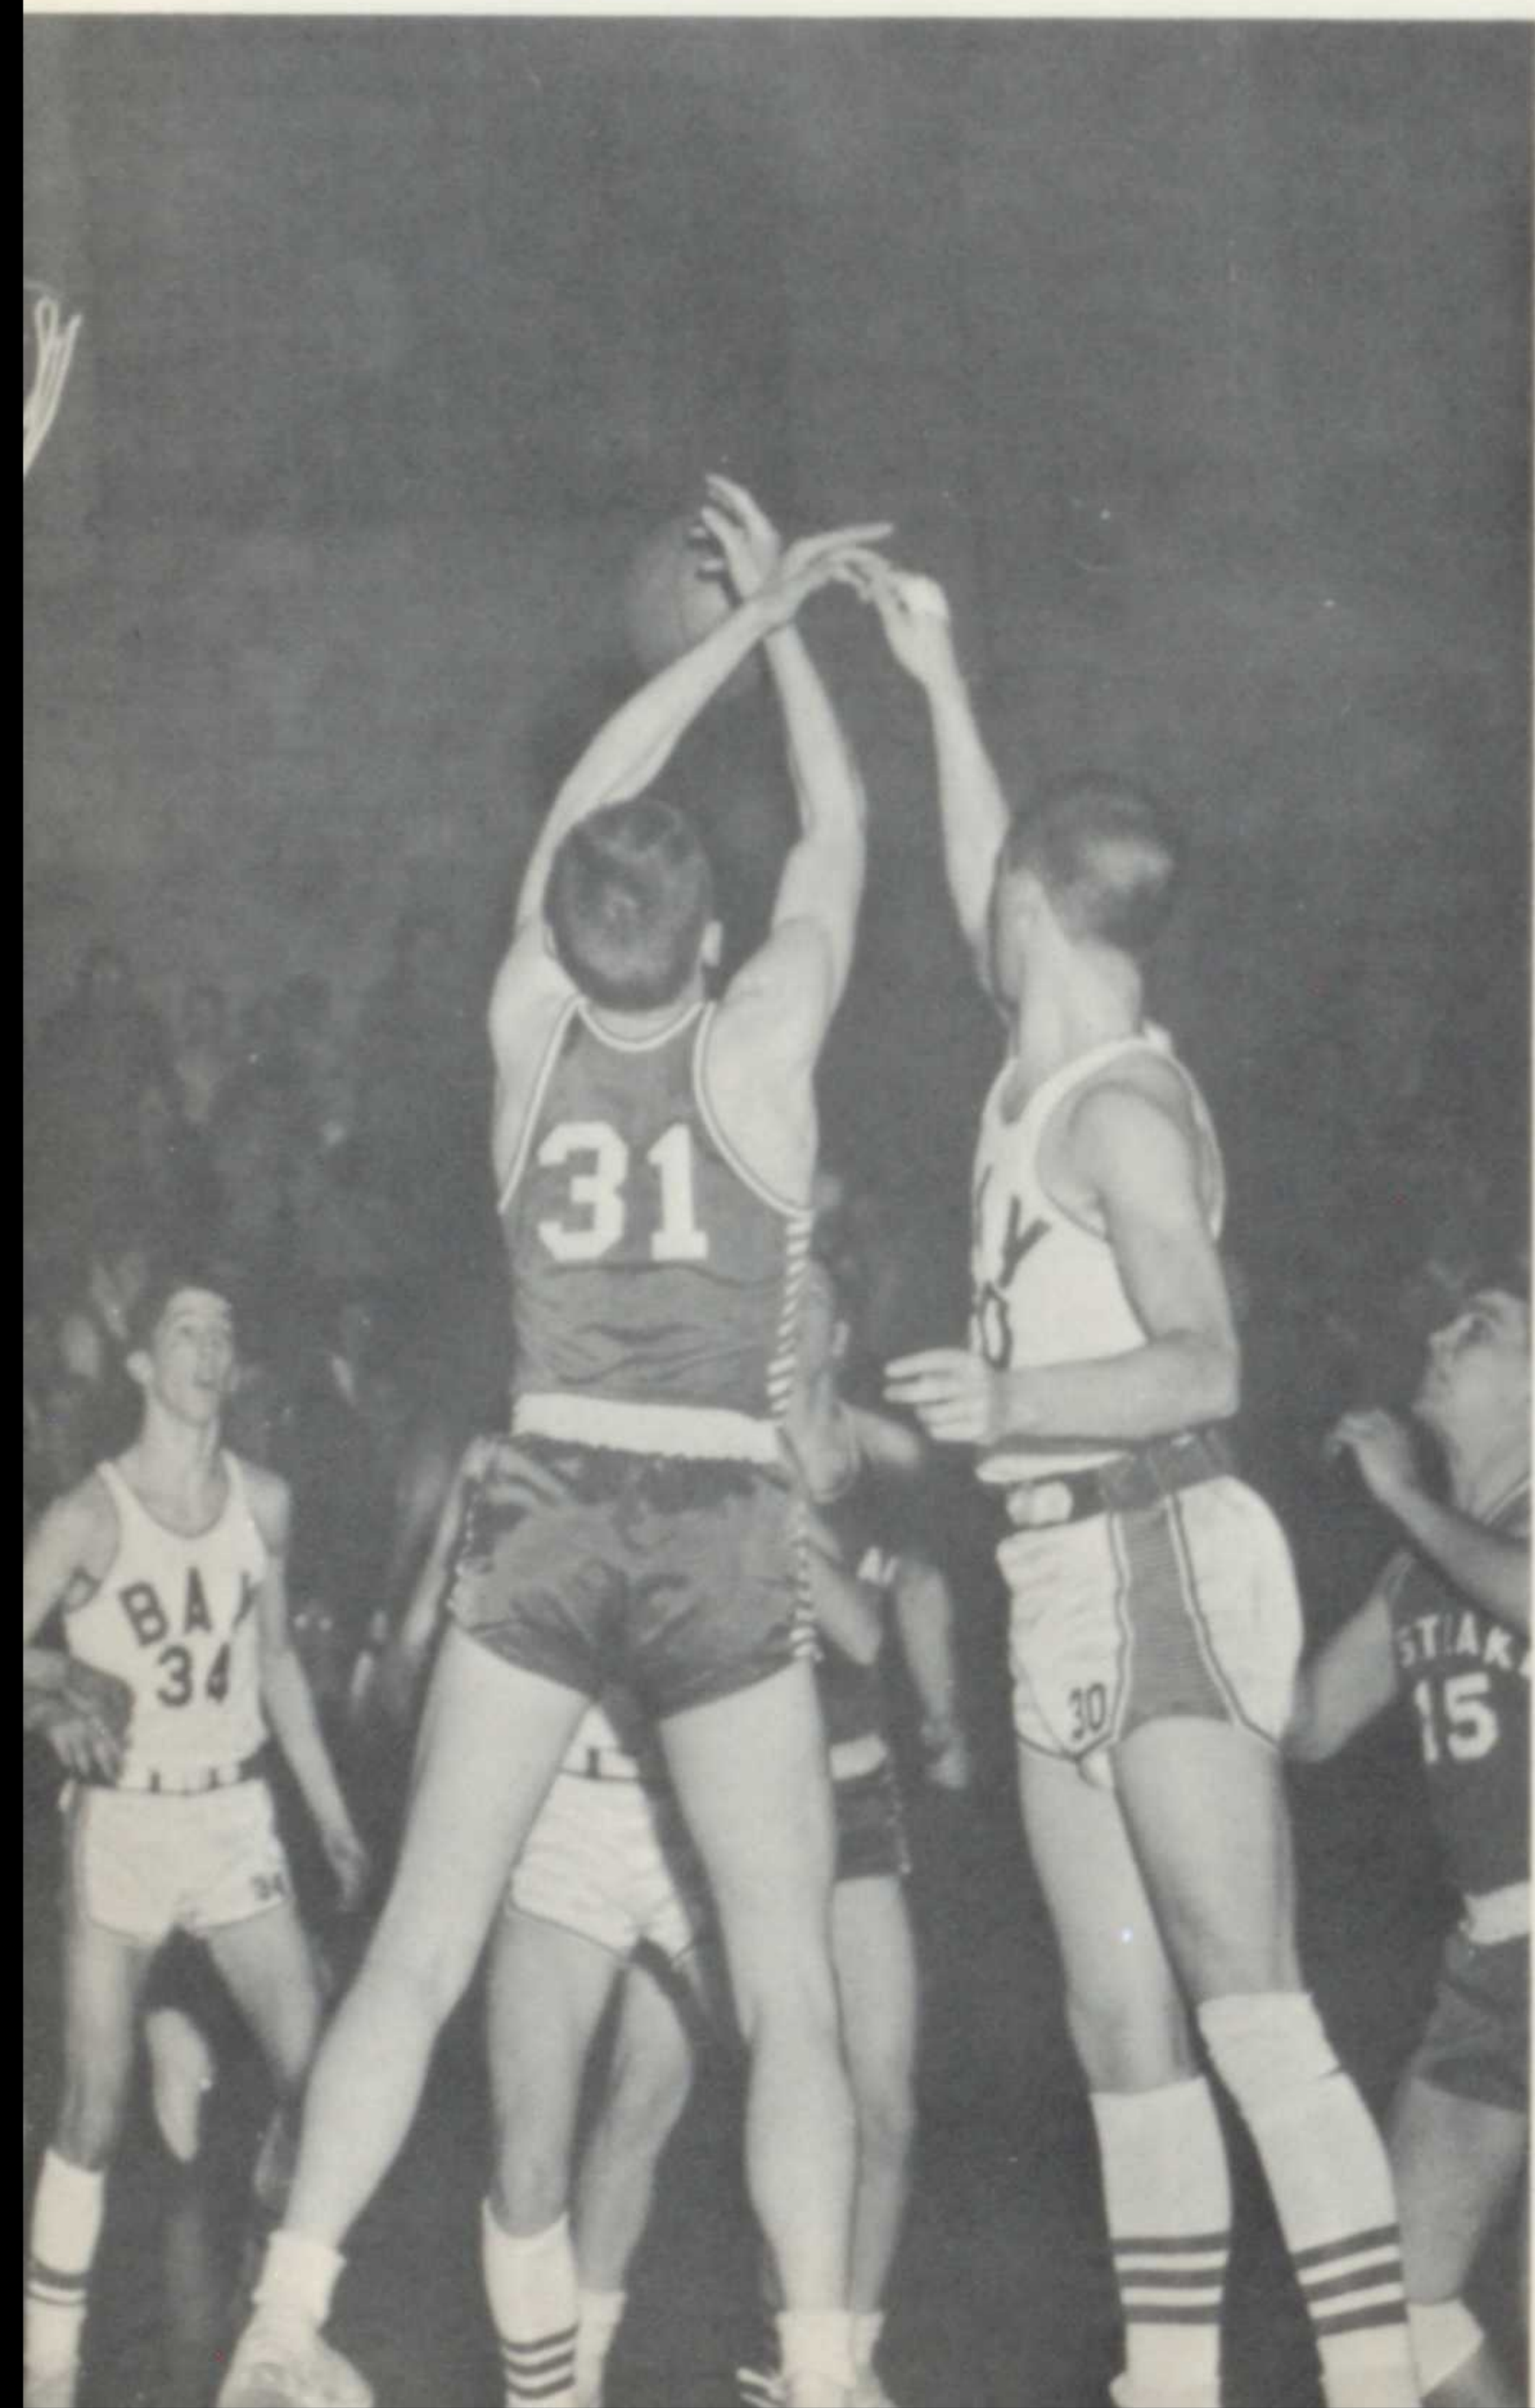

Jer's up for another.

Man of a thousand faces.

Bay High's track team made a creditable showing this year as they set eight new school records and did well in most of their dual and triangular meets. In the arena and District meets, Bay placed near the middle of the standings. The Southwestern Conference meet was a close one as sixth-place Bay with 18 points was only two points behind the fourth-place team. As a result of the District Meet, Tim Franck, Jeff Dopp, and Dick Harris participated in State Meet.

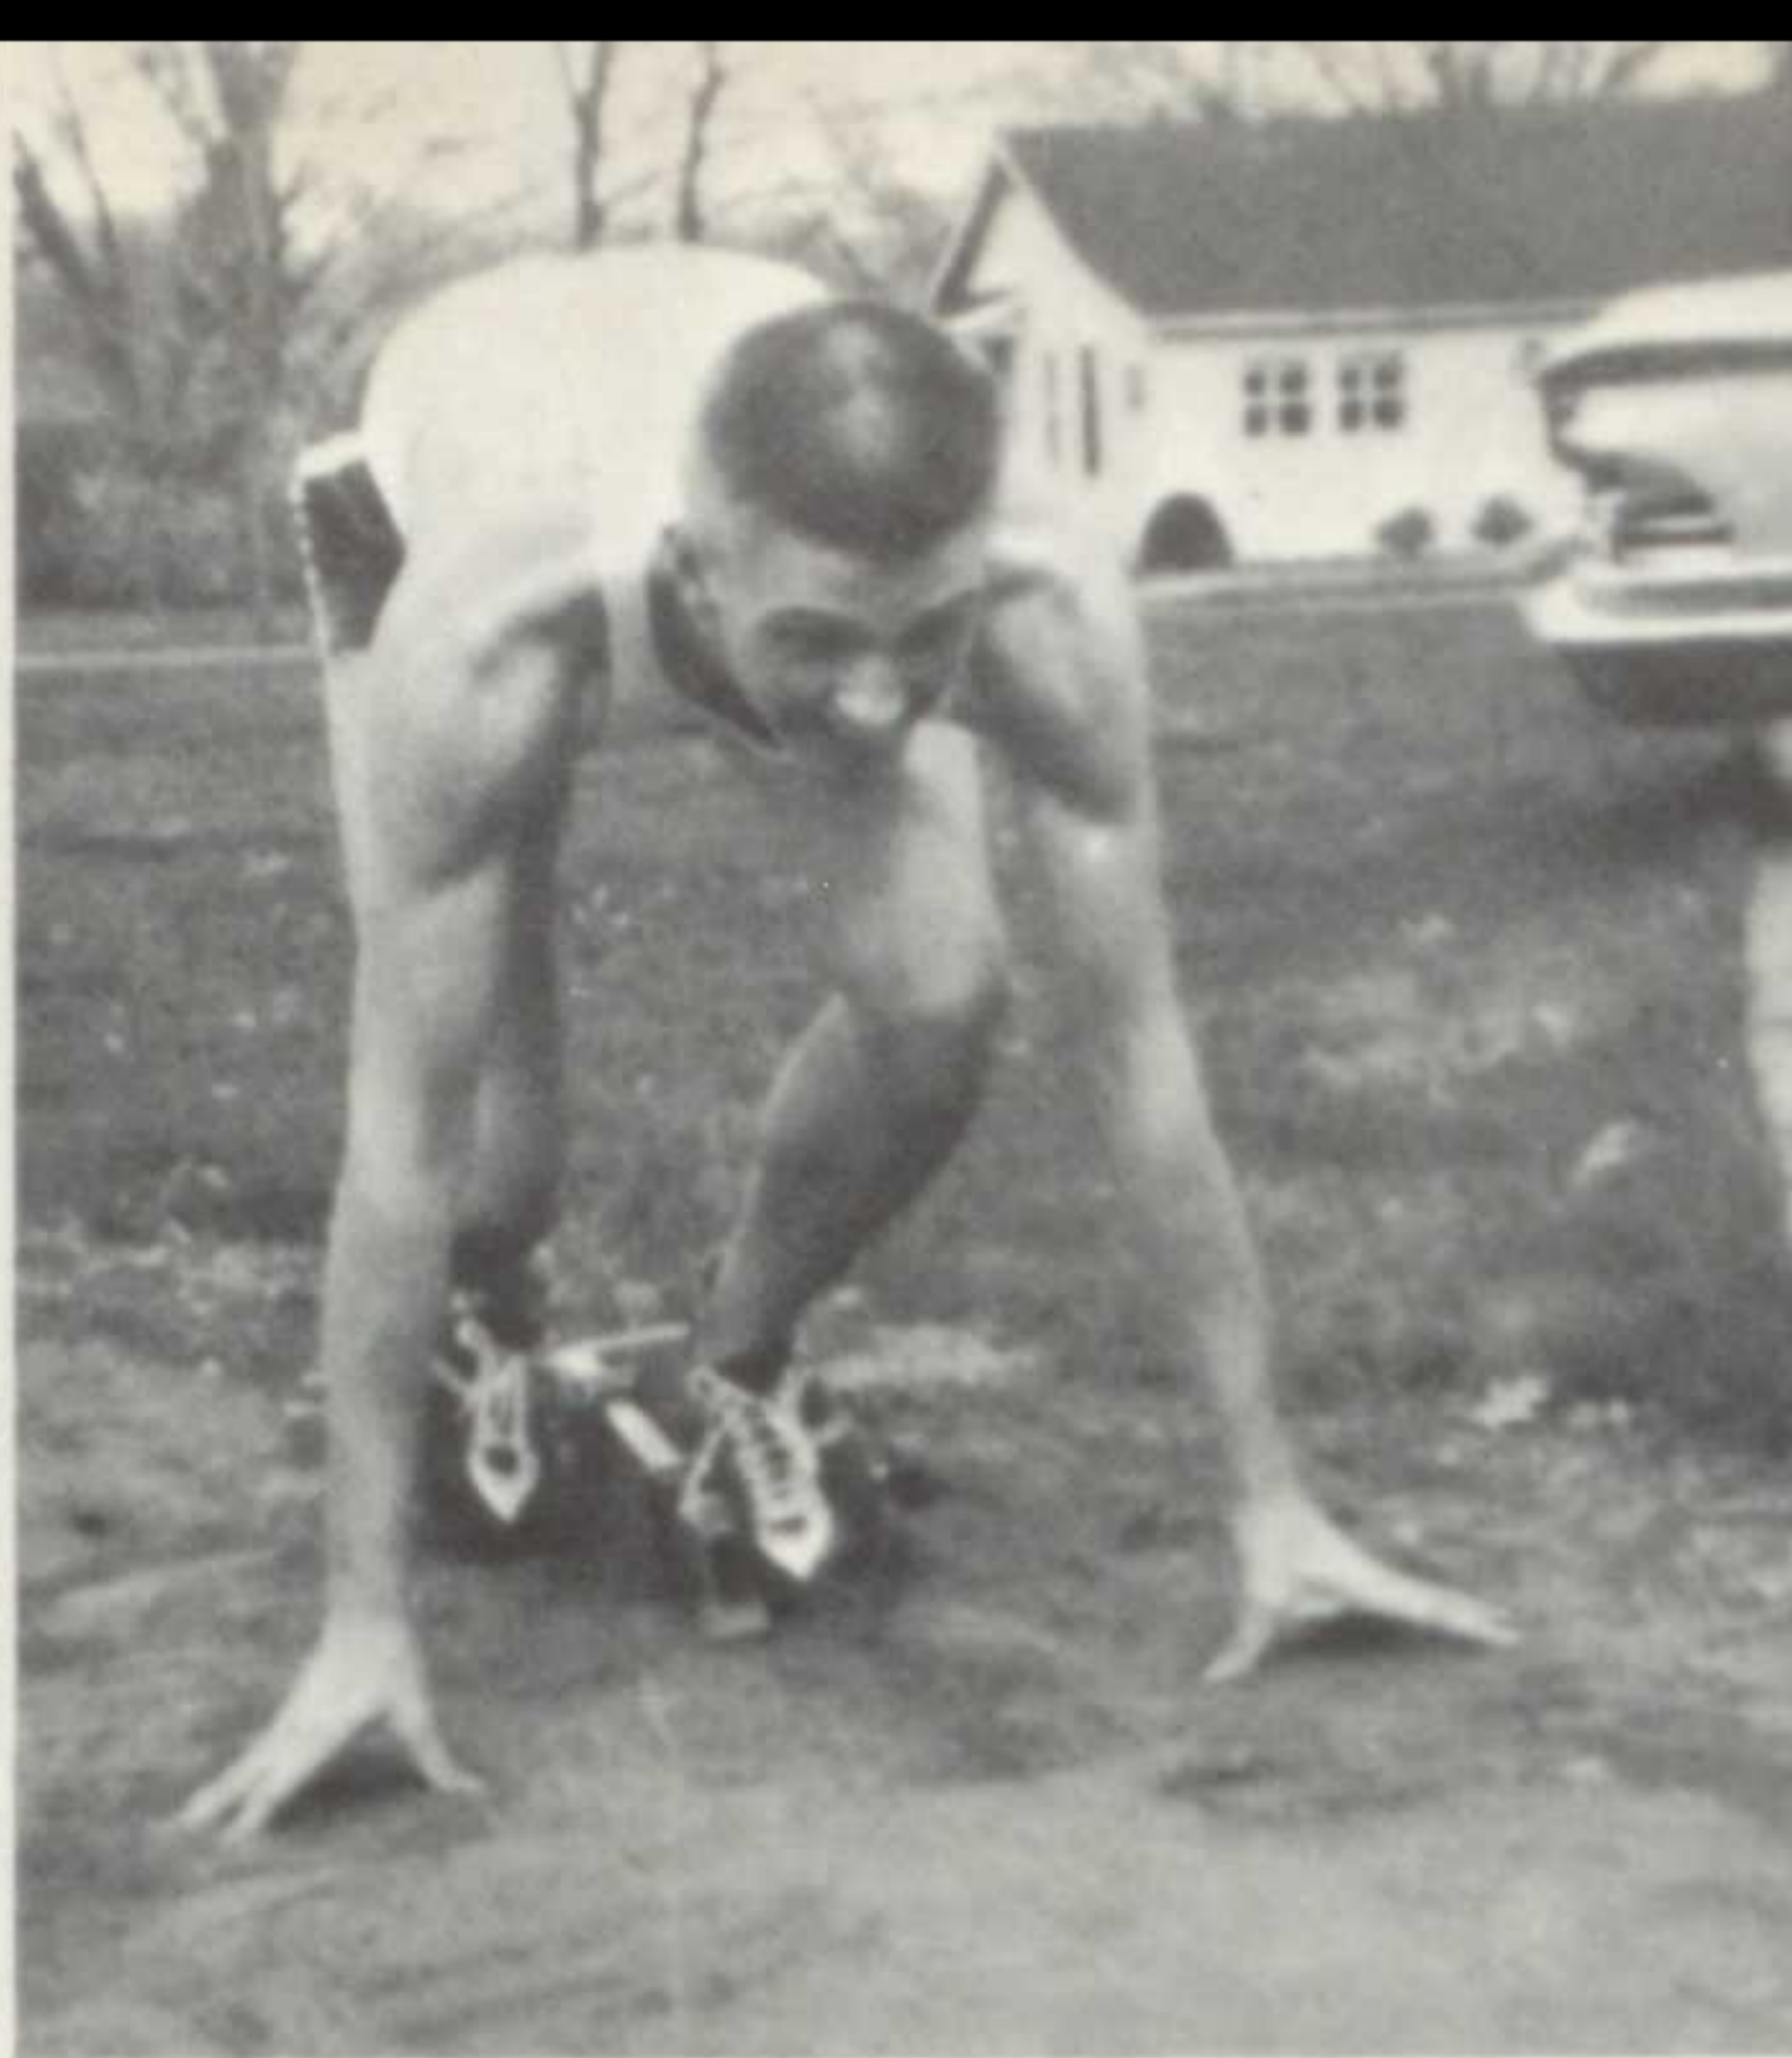

For the record book, Tim Franck ran the mile in

4:34.2; Dick Harris set the 440 record with a time of 0:51.2; Bruce Juergens copped the indoor high jump record with 5'9"; Jim Boothe put the shot 51.5"; Jeff Dopp in low hurdles turned in a time of 0:15.6; and Don Dolph in bettered the indoor quarter-mile record in 0:56.0 flat.

The two home meets were termed a "success" by Coach Voiers who expresses his hope for more in the 1960 season.

Tom Franck . . . distance man . . . indoor mile for a new school record . . . first at the Arena Meet . . . always in training.

Dick Harris . . . newcomer to the squad . . . ran quarter mile leg in relays . . . 52.9 at North Olmsted.

VARSITY BASEBALL

The baseball team recorded only two victories in the 1959 season. Jim Stewart, pitcher, led the Rockets to the first of these in a 1-0 win over the Lutheran Longhorns on April 17. Team effort was responsible for the other victory when Bay edged St. Edwards 4-3. For the most part, the boys took on some tough competition playing such schools as St. Ignatius, Euclid, and Lorain, and many of their losses were suffered in close games; for instance, the 1-0 defeat by Rocky River. The team's batting average explains in part the absence of victories as it was only .131. Lee Fording had the highest individual record with a .250 average. In fielding the Rockets did considerably better as they compiled an .881 record. The season was a success in that many potential players were found among the underclassmen. The experience they gained should help Bay's team in years to come.

WRESTLING

The Rocket wrestling squad is relatively new to Bay. Coached by Clyde Simson, a member of the B-W wrestling team, these boys held workouts every Monday and Wednesday evening during the school year. They also attended the Baldwin Wallace wrestling clinic and worked at weight lifting. The squad participated in several competitive matches. One of these was with Avon Lake on January 21 and another was with the Medina Bees on February 6.

J. Vern, A. Templeman, J. Sturman, J. Stewart, R. Harris.

BOWLING

Bay's bowling team accomplished a lot in this year's competition. Belonging to the News Inter-scholastic Bowling League which is mainly composed of Senate schools, they finished near the middle of the final standings. This was good for the keglers as they finished second to last for the past two years. The high point of the season came when they bowled a 1048 series against Collinwood which was the highest series in the League. They were awarded a trophy for this outstanding achievement.

ATHLETIC COUNCIL

The Athletic Council is in charge of all athletic dealings. They have many duties, some of them being to give final approval on the judges' choice of cheerleaders, the awarding of letters in sports, and the eligibility of all boys moving into Bay. They approve all games

with other schools, any new sports programs, and any special games that come up. They also handle all money spent for equipment, the gate receipts from games, and decide how money donated by booster organizations is to be spent.

FOOTBALL AWARDS

AVELLONE AWARD

When Otto Graham moved from Bay Village, his football award for the most valuable player was replaced by Mr. Avellone. This year's recipient was Bob Sherman, co-captain and tackle.

SCHOLASTIC AWARD

The Bay Men's Club is now presenting the scholastic award to the boy who maintains the highest grade average during the football season. Bill Lundin was the winner of this trophy.

NARKS AND BERGER AWARDS

BERGER AWARD

The Bob Berger Award for the best all-round trackman is given to the senior boy who best exemplifies the spirit and character of Bob Berger, who was killed during World War II. This year it was presented to Tim Franck, who ran the mile.

NARKS AWARD

The Nelson Narks Award is given to the best all-round senior athlete in several of the four major sports at Bay. Dave Griffel, who played end on the football team, guard on the basketball team, and ran the quarter mile in track, received the trophy this year.

CHEERLEADERS

To promote school spirit is the main function of our cheerleaders. Besides cheering our Rockets on to victory on the gridiron and basketball court, these six girls, in cooperation with Pep Club, plan many of our pep assemblies.

This year's cheerleaders, captained by Gay Halvorsen and advised by Mrs. Lucille Dettmer, practiced all summer long as have previous groups. The girls select their own uniforms and work out their own cheers. Much more work actually goes into being a cheerleader than meets the eye. The six Cheerleaders train the tryout cheerleaders each year, coaching them in hand motions and techniques of crowd leadership. In spring, the final tryouts are held in front of outside judges who submit the final choices to Athletic Council for approval.

Being a cheerleader is an honor accompanied by hard work and practice. They represent their school and this year's have done an excellent job in all phases of their work.

The Girls' Athletic Association strives to unite all the classes in intramural athletics. The club seeks to promote fellowship, sportsmanship, and interest in girls' sports.

This year the girls have spent many enjoyable hours playing such sports as speedball, volleyball, basketball, and baseball.

The members, after earning 500 points, are eligible for a letter; after 750 points, a pin. These awards were presented this year at the special girls' assembly on May 8.

Again this year, the Leaders have been kept very busy. These twenty-nine girls have assisted Mrs. Dettmer in all her classes, served as referees, and other officials for various girls' games, and given entrance tests to prospective leaders. The entrance requirements are based potentially on a written rules test. Those passing this exam are then eligible to take the skill test on which final selections are based. The tests include all the sports offered in the girls' gym classes. Selection is made from the top scoring sophomores and juniors.

ADMINISTRATION

SUPERINTENDENT

Furnishing the leadership to maintain our high school standards is Mr. C. M. Patterson, the chief administrator of the Bay Village school system. Mr. Patterson received his AB degree from James Milliken University and his MA from Ohio State. For nine years, he has ably managed the problems of the high school's expansion, such as the planning of the new junior high school and the hiring of new teachers. Mr. Patterson is usually present at the NHS assembly and the Awards Assembly at which time he addresses the school. At other times he can be seen in the halls and classrooms fulfilling his job as superintendent.

BOARD OF EDUCATION

The members of the Bay Village Board of Education are elected by voters to a four year term of service for which they receive no salaries. This efficient group of people provides us with teachers, handles finances, oversees the building and maintenance of all schools, and determines the educational policies to be followed. In short, these civic-minded citizens see that our school year is run smoothly.

At present, they are awaiting the opening of the new junior high school on Wolf Road, just west of Glenview.

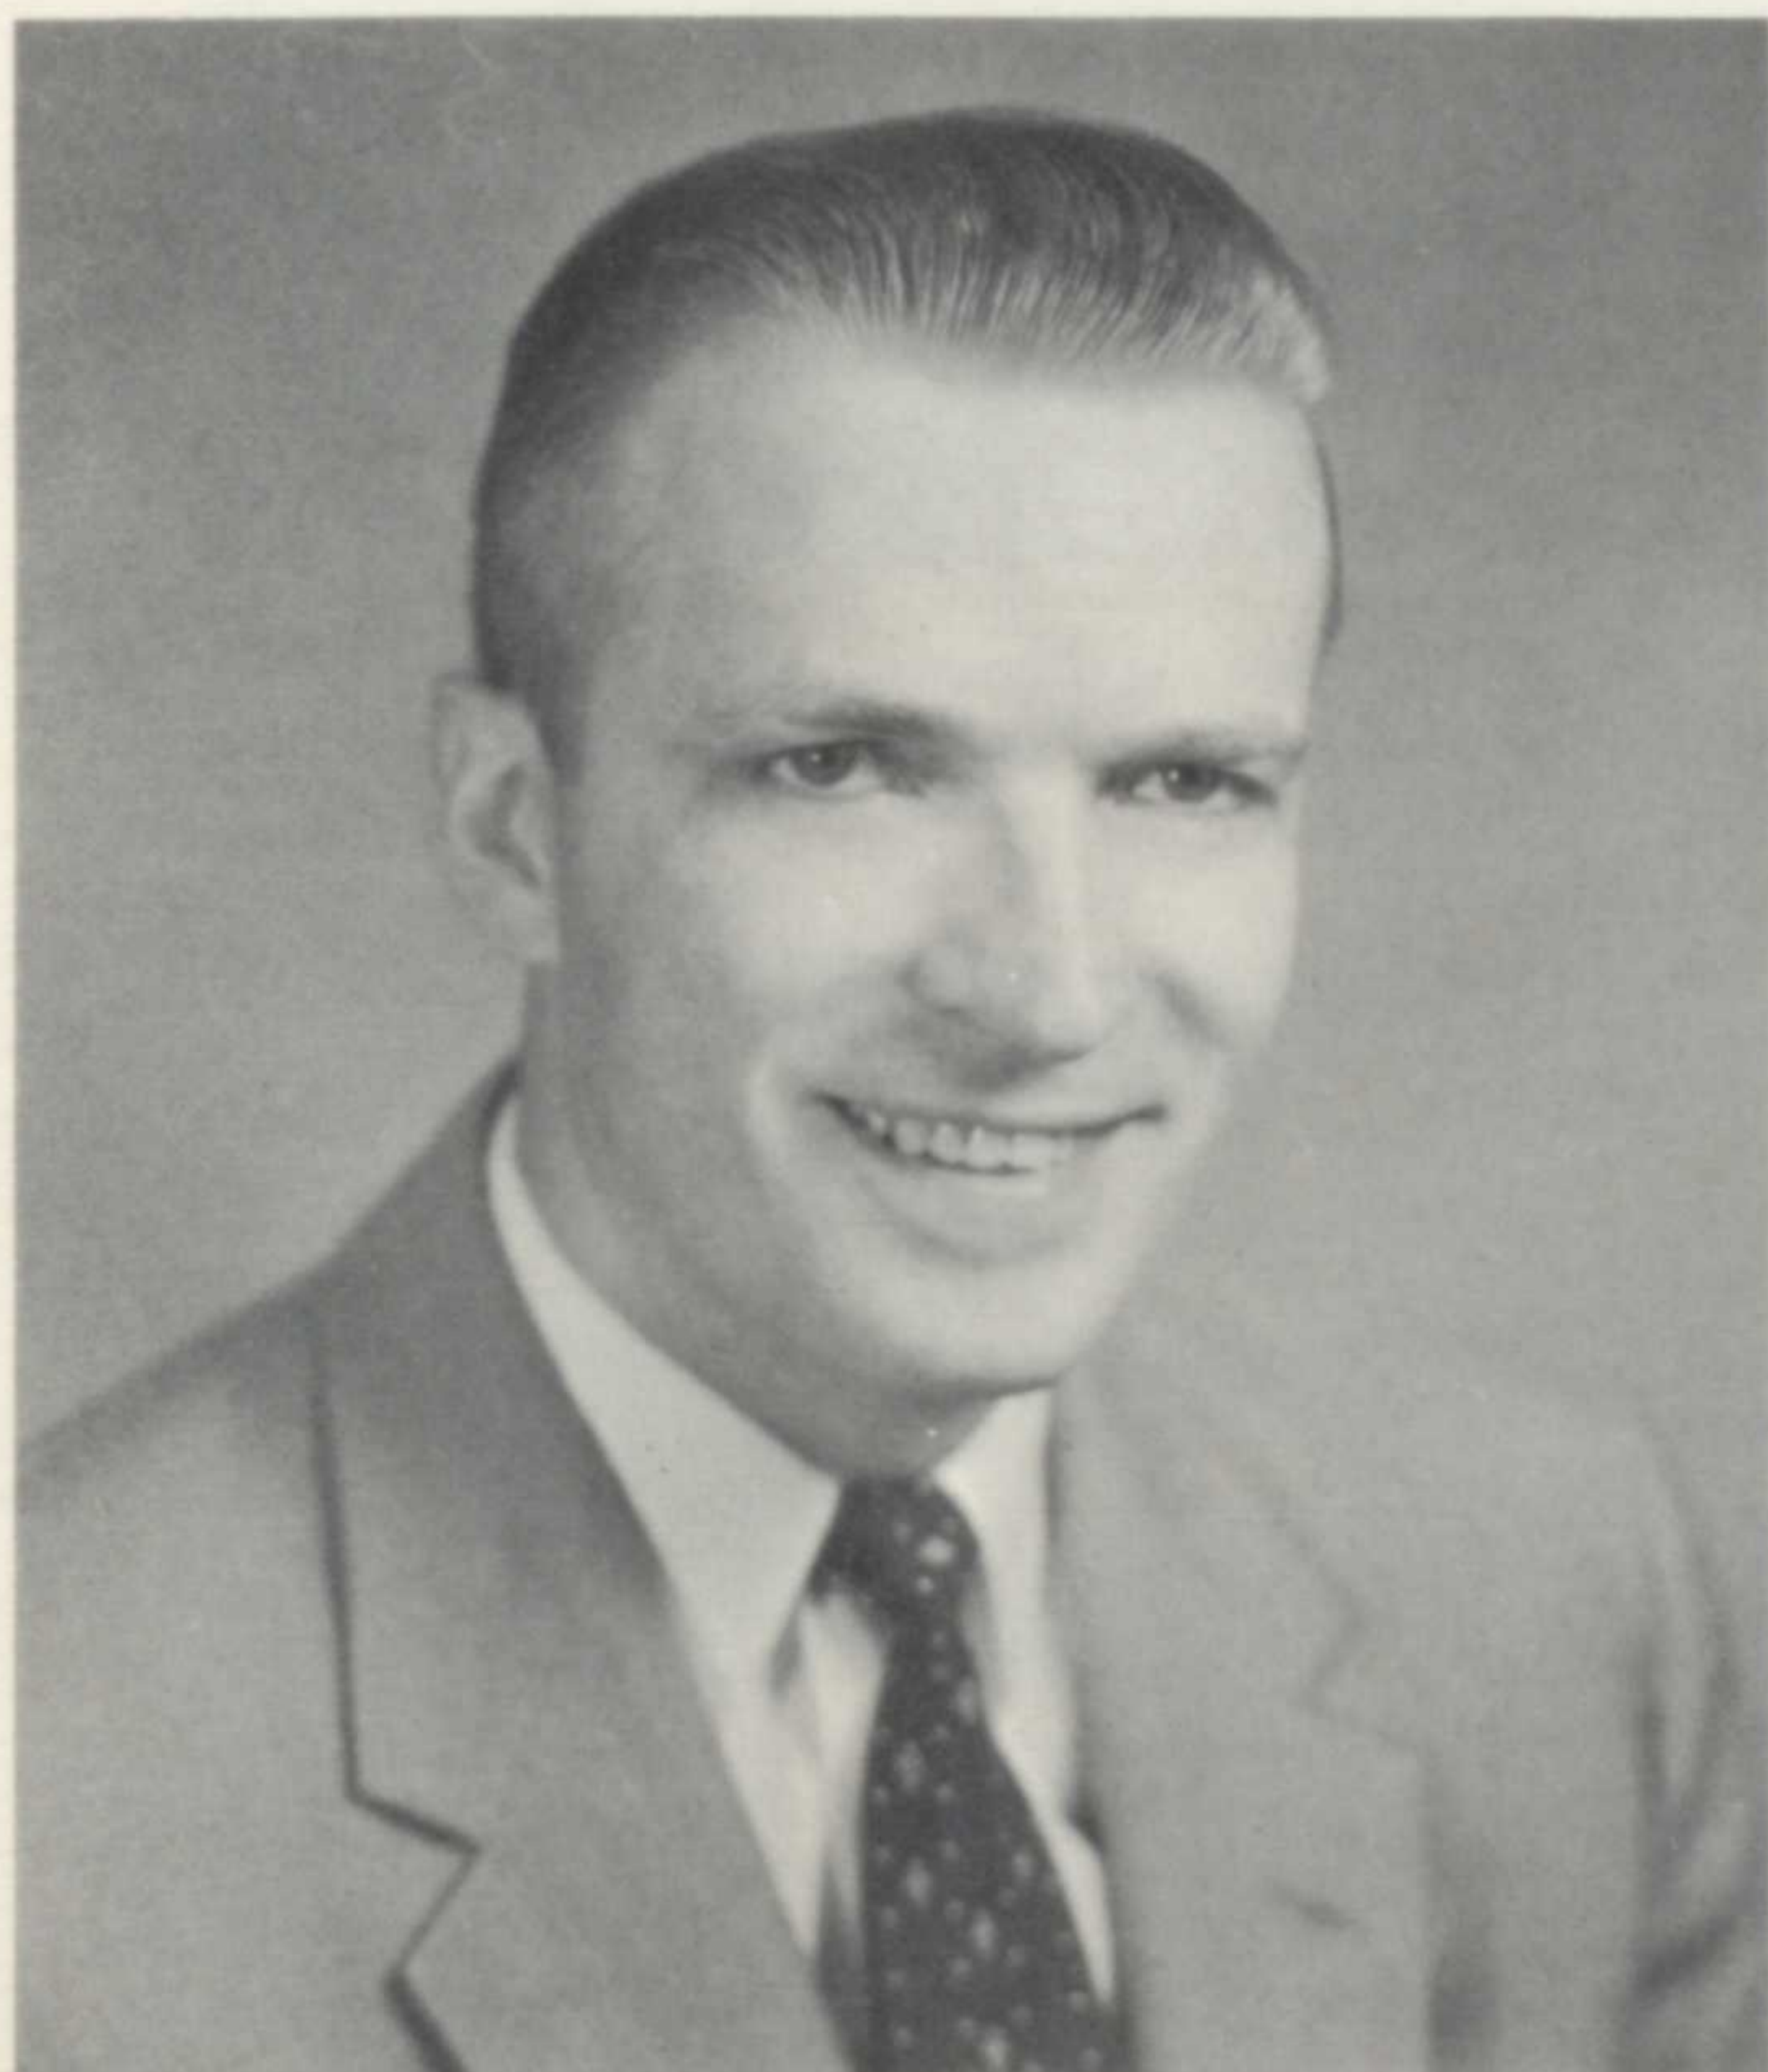

PRINCIPAL

Today the botanist can place a valued specimen flower in a block of plastic and preserve its beauty indefinitely. The Class of 1959 compiling this yearbook has done, in effect the same thing, with six important years of your lives. As you leaf through its pages in future years many memories will come back to you of days that cannot be relived, but are recalled by the stimulus of its pages.

Many things combined together constitute Bay High School. Physically there comes to mind the brick and mortar fabric of the building with glimpses of the lake from its windows. Not entirely forgotten is the hustle and bustle of an overcrowded building which like the fairy tale old woman's shoe did house all of you. Intangible heartwarming memories, too, will come into focus in your mind's eye. These include many close friendships, personal associations with favorite teachers, secretaries, custodians, and cafeteria helpers. Candid or glamorized pictures adroitly placed in this book will look quaint and amusing. They will provide glimpses of scenes when the sky warm and glowing was cloudless, and your life was in its early springtime.

The authors of this fine book have been skilled and diligent; the subject matter has been lively and pleasing; the critics will be hard put to find much if anything that has not been well done.

Edward S. Wells

ASSISTANT PRINCIPAL

While you, as underclassmen, leaf through the pages of this outstanding annual, you cannot help but be aware of the wholesome atmosphere of Bay High School that is reflected in its pages. Organization, cooperation, and diligence in our school activities produce excellent results. May you profit by the commendable achievements of the seniors of 1959 as you work toward and, if possible, even surpass the goals reached by them.

Mr. Prentner, American Yearbook
 Mr. Spiegel, Halle Studio
 Bay High Publication Council
 and all others who have
 made this yearbook possible

Summer symbolizes to the student
a time of beauty and wonder, freedom
and contemplation, query and eager-
ness to continue.
