1962 BAY BLUE BOOK

BAY HIGH SCHOOL
BAY VILLAGE 40, OHIO
THIRTY-THIRD EDITION

FOREWORD

A school is a place to learn and build for the future. Bay High is this and more. It is the embodiment of our hopes and dreams for the future. It signifies the expectant confidence of youth. Within a high school we may obtain those building-blocks upon which will be based our later endeavors into the great process of life. Navigated by the subtle hands of teachers, this foundation is gradually accumulated and anchored in place as firmly as is a ship's bulwark. Our friends and activities provide the outer shell which protects us from the dark, rushing waters of the miseries of life. The final decorative details are applied in the waning years of our high school life, and they are acquired through maturity and a more thorough understanding of ourselves. Hence, in the culmination of our high school years, each of us stands ready and confident, as a vessel about to embark upon her maiden voyage. Yes, Bay High is more to us than knowledge; it is the instrument of our future. And thus, Bay High becomes . . .

THE SHIP WE SAIL ON.

A PLACE OF MEMORIES

This year's homecoming proved to be one of the highlights of the year. The excitement began as the senior girls received their traditional mums. It was a dream come true for Betsy as she was

crowned. Despite the rainy weather, a large crowd was on hand to cheer the Rockets to victory. After the game, a heavenly dance was held, and a good time was enjoyed by all.

Our wrestling team boards the bus with hopes of bringing another victory home to Bay.

"POET'S PLEA"

Members of the Bay Village Senior
Class

Who graduate in nineteen-sixty two,
Don't become a mere member of the mass,
The whole horizon can remain your view.

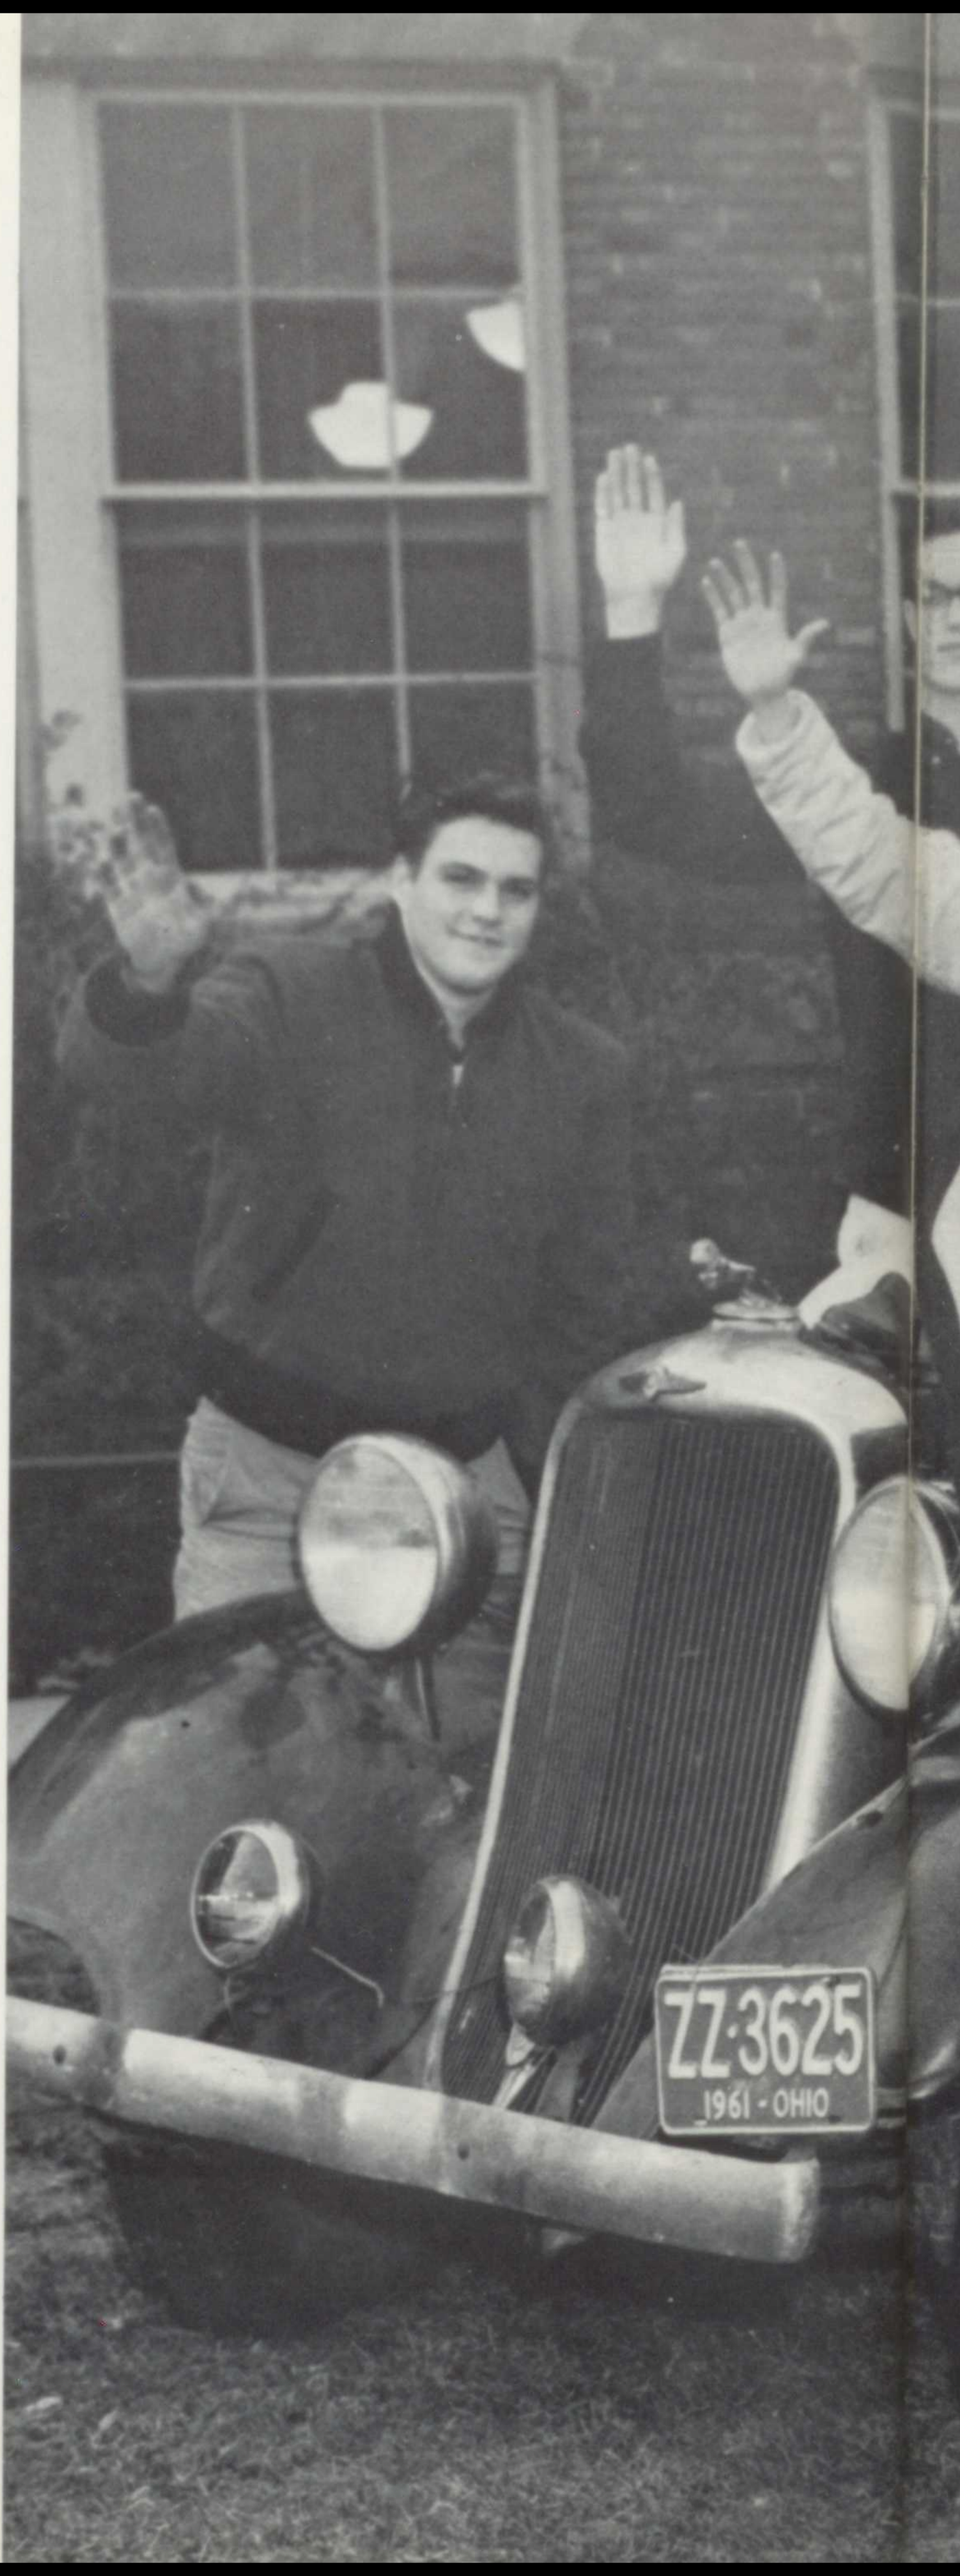

With caps, and gowns, and Eden-
seeking eyes,
And your diplomas firmly clutched in
hand,
You venture forth to meet the world's
surprise;
"I can," you think, "ev'ry torment,
withstand."

With boldness and a self-reliant air
You seek to reach your elevated goals,
But somehow in a place, I know not
where,
Your hopes, your dreams are lost
within your souls.

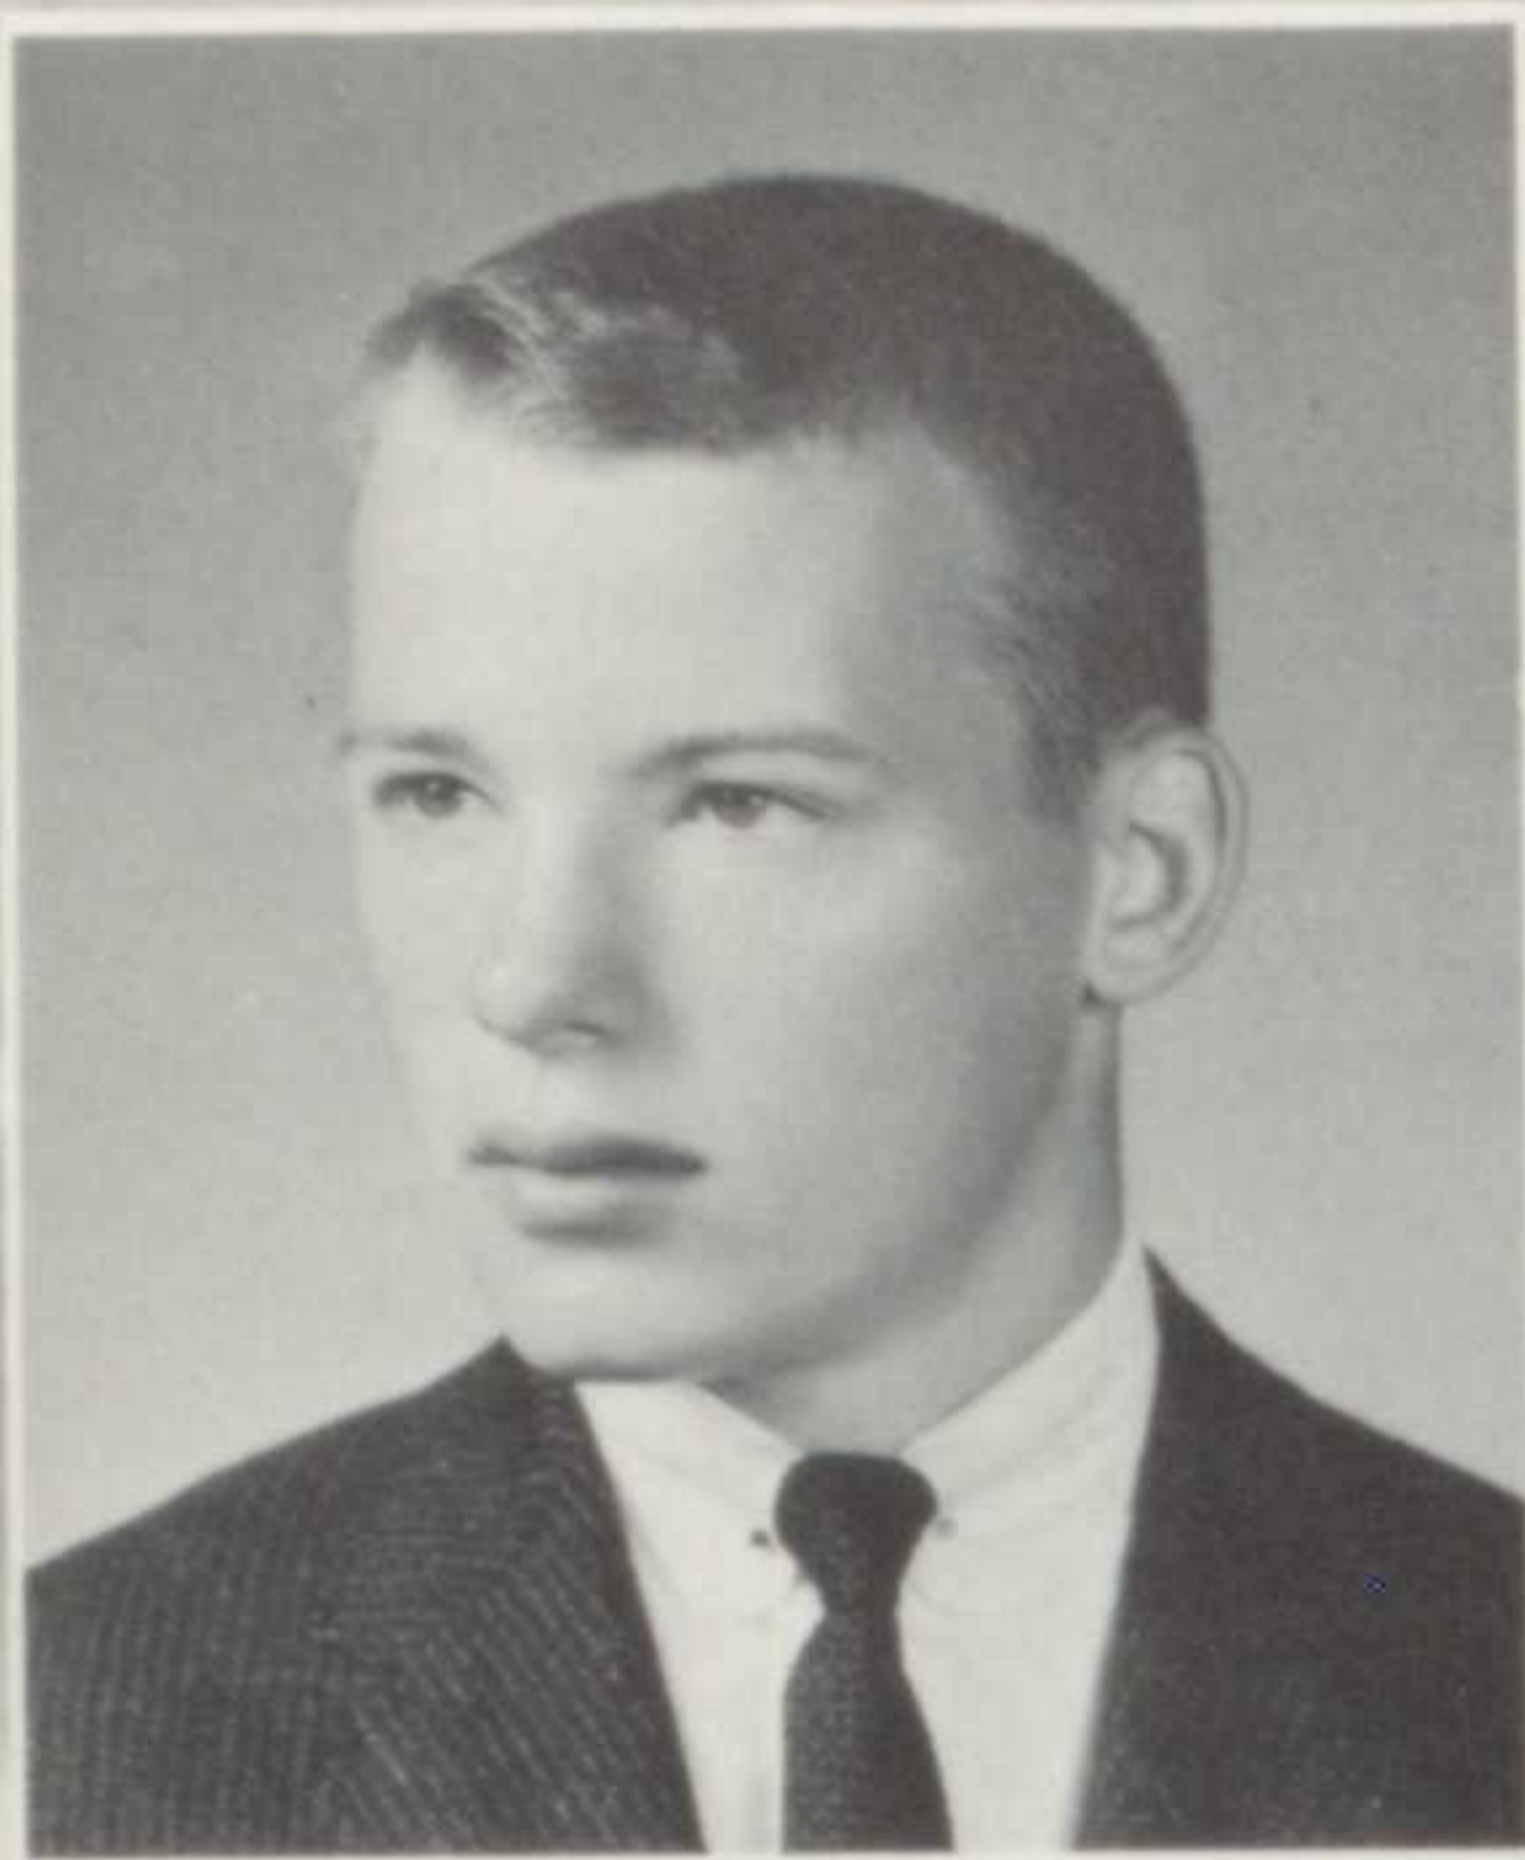

How big a mark you make upon this
world
Is resolved by how long a period
You keep your glorious banner
unfurled;
How long you give your sweat, toil,
tears, and blood.

Don't stop when you attain a smaller
goal;
Complacency forms sedentary lives.
The one who fights with all that's in
his soul
Is who, in our society, survives.

Judy proved to be a good salesman this year when she brought in many an ad for our annual. With her enthusiasm for accomplishment, she will surely succeed.

BONNIE JEANNE PRESCHER

Bonnie's reserved manner and conscientious studying brought her many honors, both scholastically and musically.

CHARLES W. RITT

Chuck's trademark as a neat dresser will be well hidden beneath his dentist's smock. His perseverance was rewarded in his senior year when he made the football team.

JILL ROCKENBACH

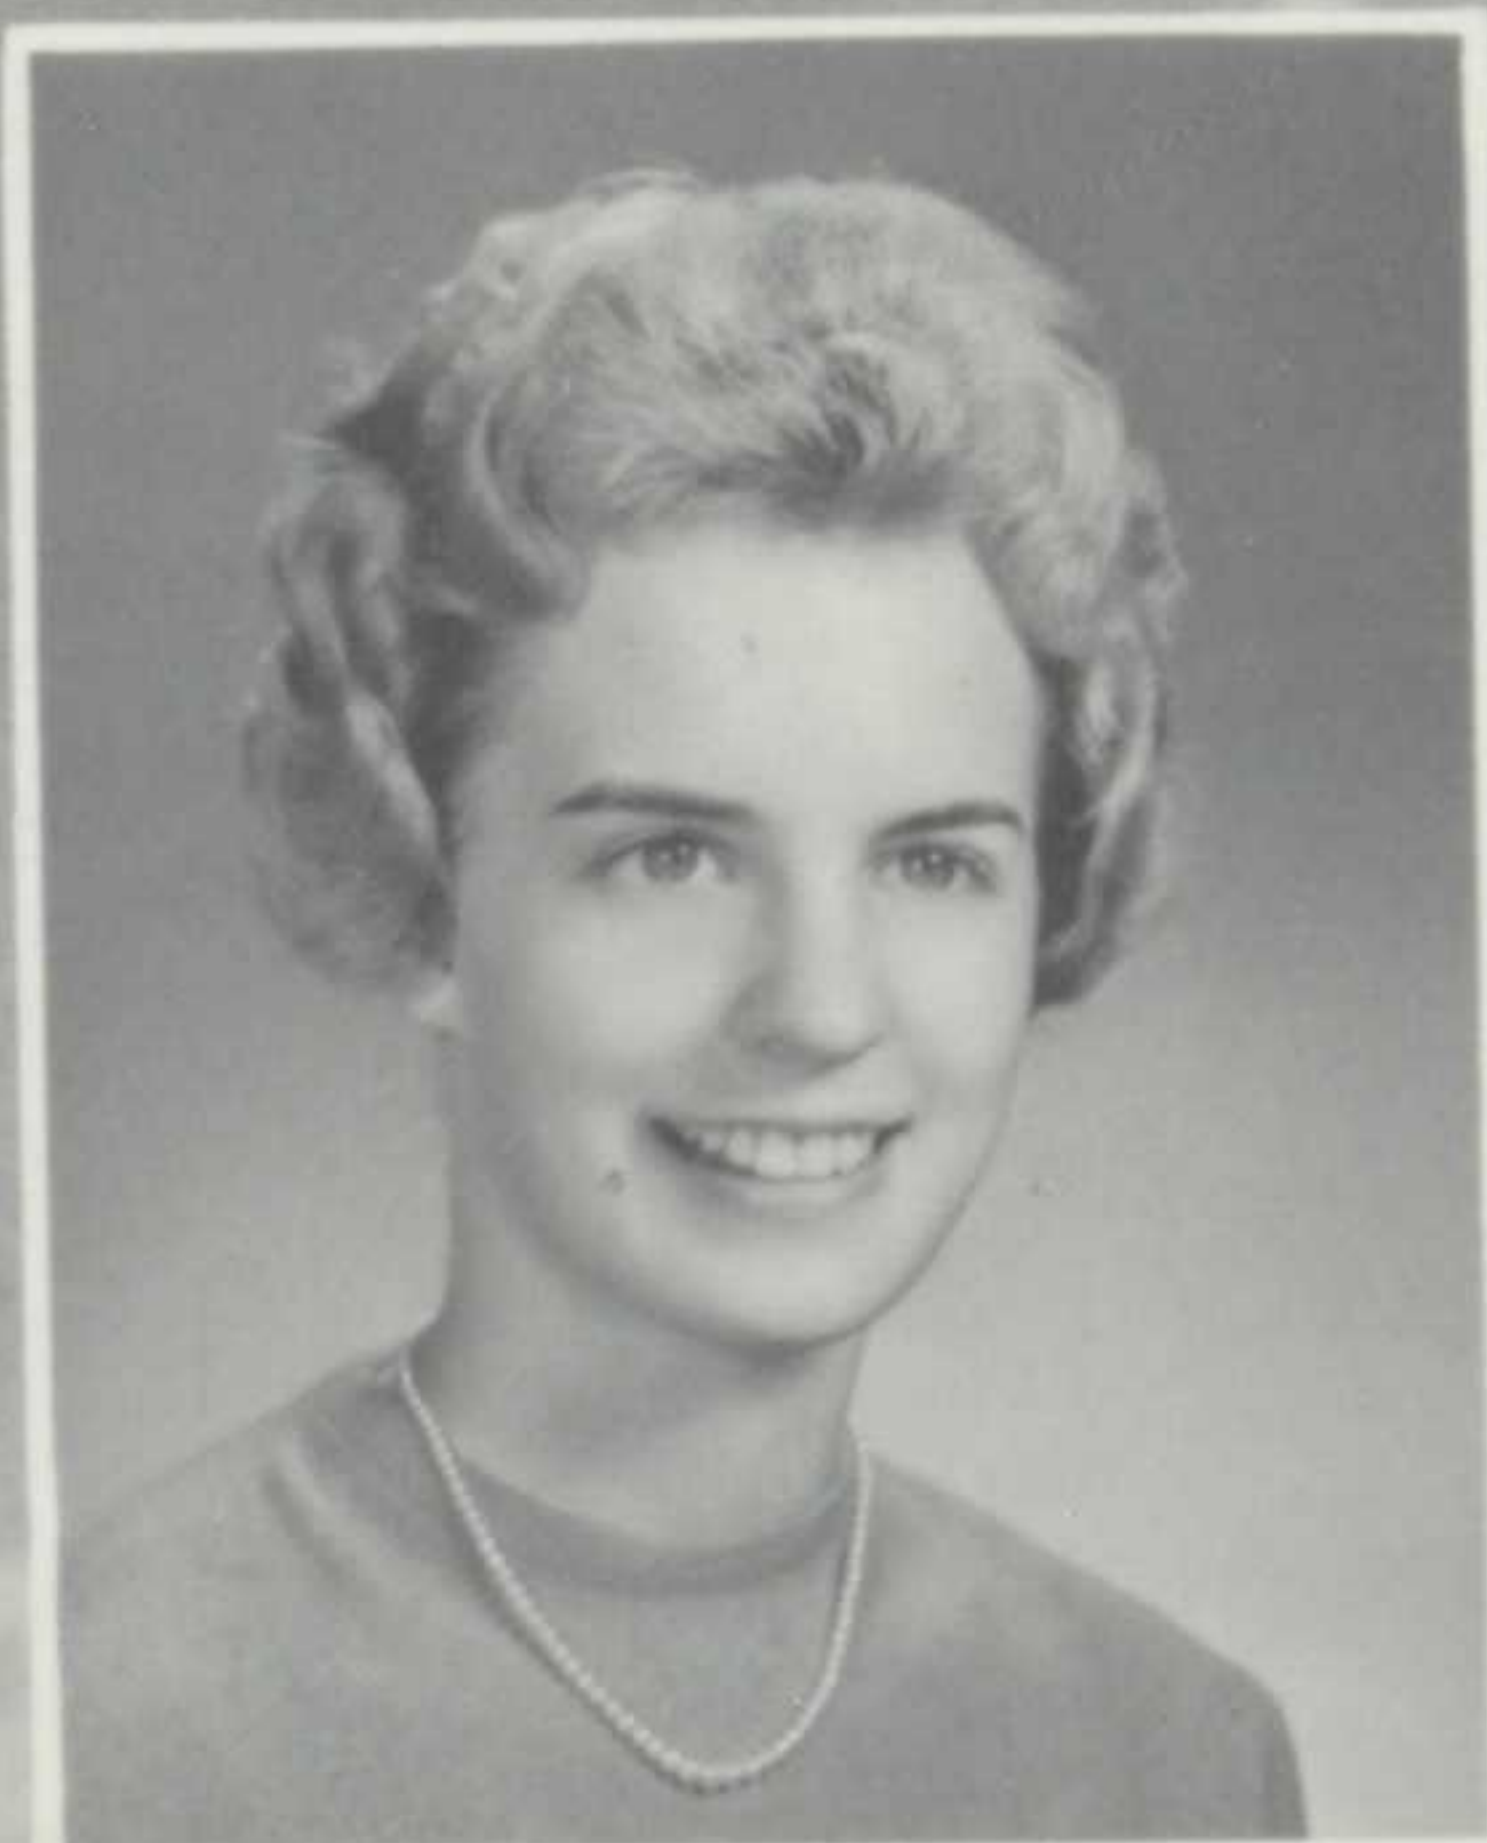

Jill didn't let a mid-term move from Pittsburg in her junior year bother her. Always ready for a good time, or to lend a helping hand, Jill was well-liked at Bay.

EVELYN HANNA ROEHL

We are sorry to see the last of the Roehl's leave Bay. As tradition will have it, Hanna was a hard worker, natural leader, and everybody's friend. B.H.S. won't seem the same.

KATHERINE JUNE ROSENBERRY

June's exuberance often shines through her quiet exterior. When necessary this petite miss can be serious.

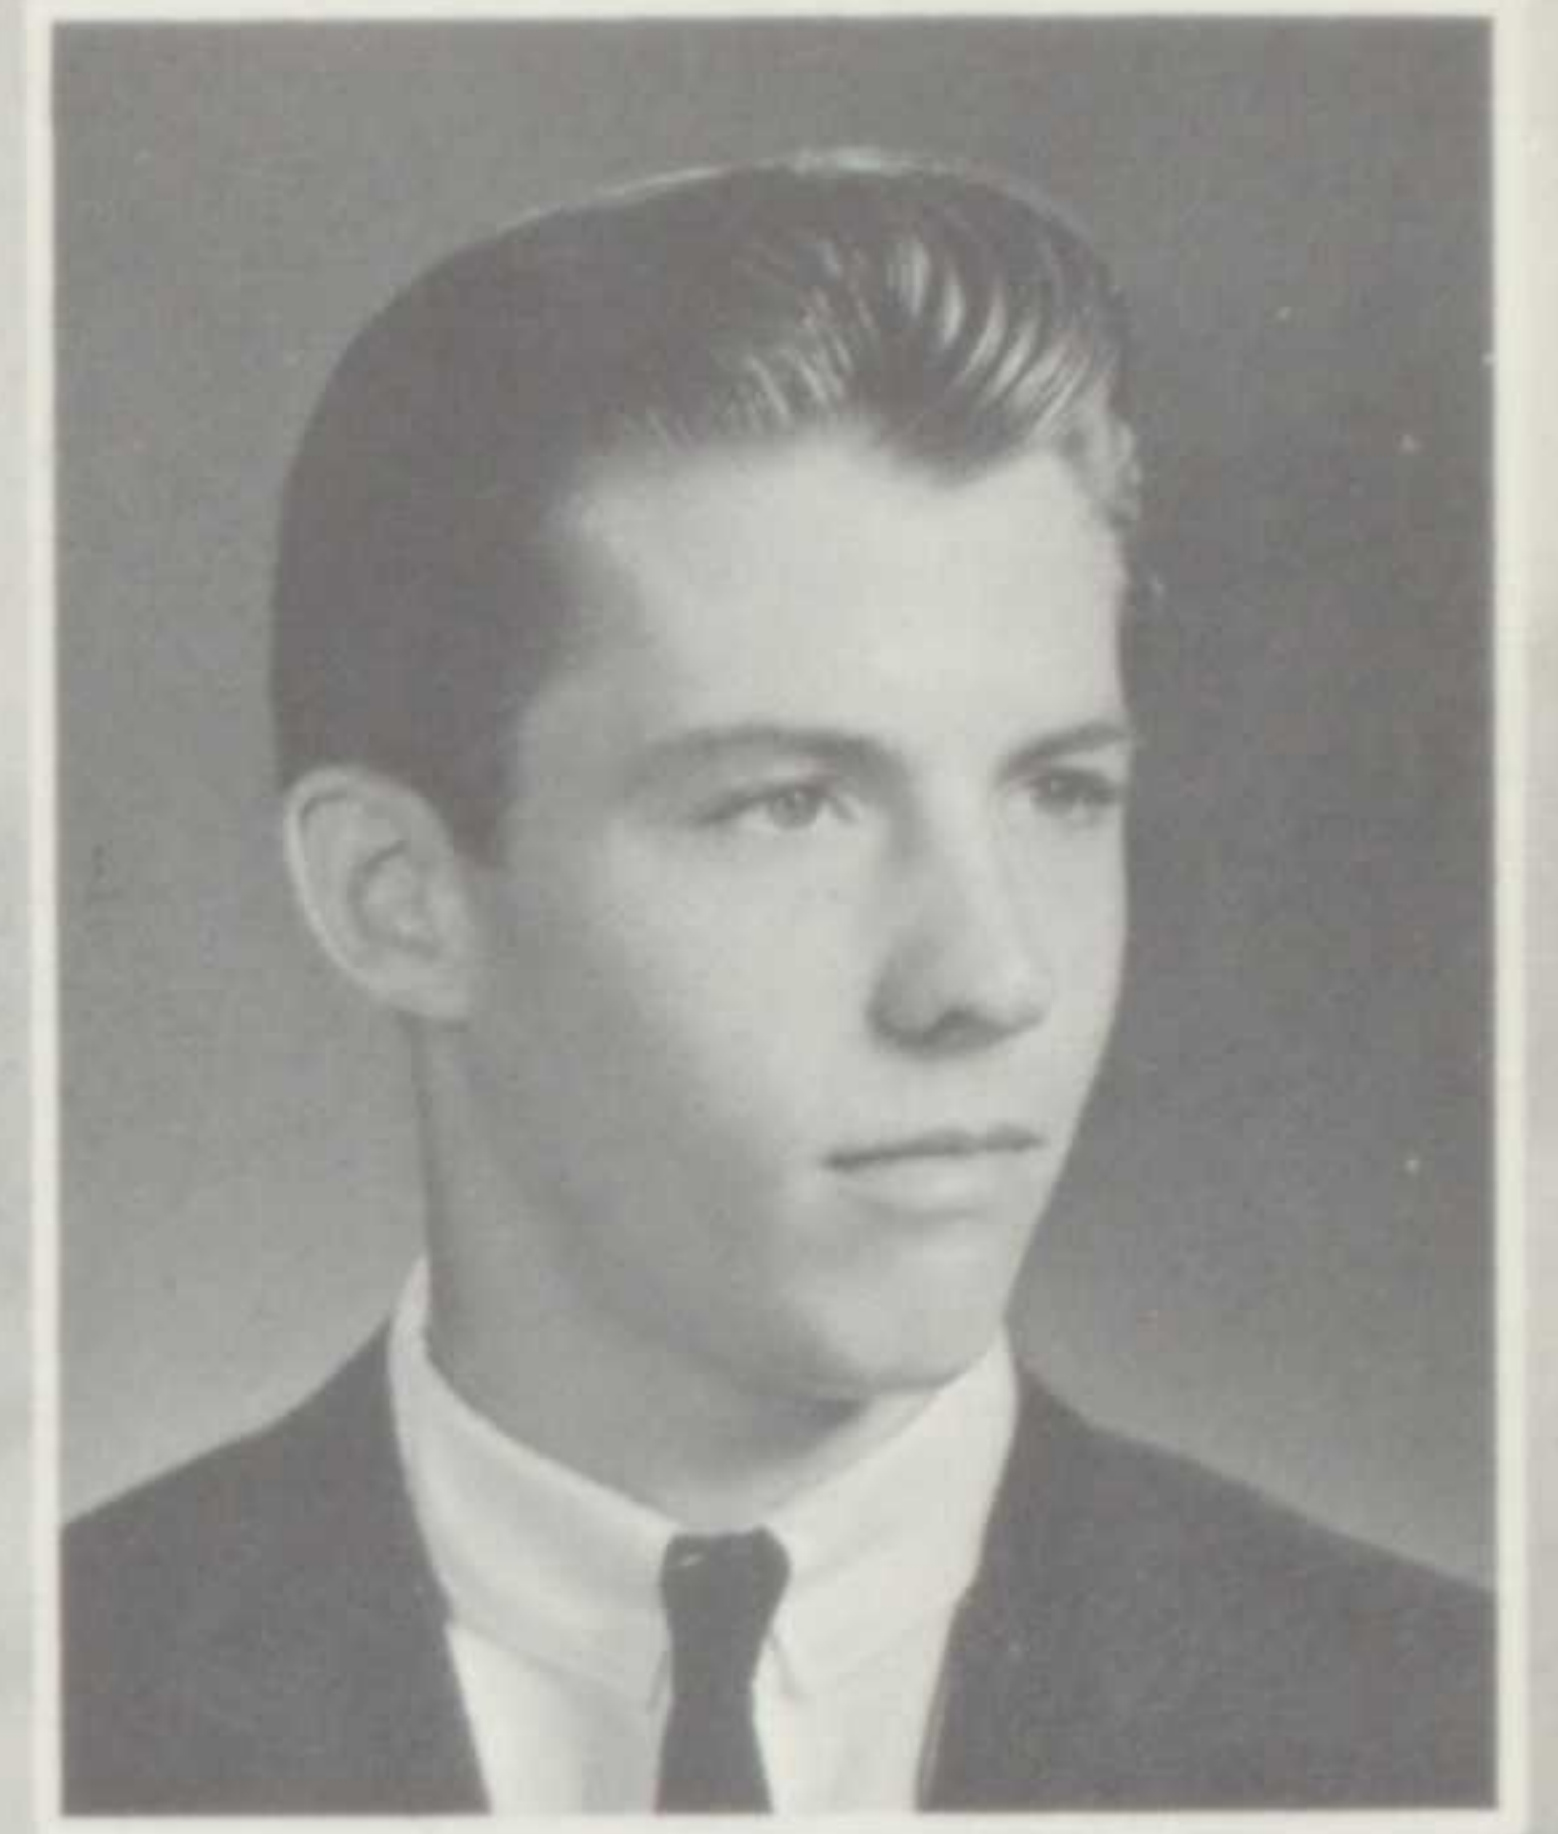

EMERY R. PUSKAS

THOMAS ALAN RANDT

"Turk" and cars! When you didn't see him driving one, he was working on one. Both Turk and his "Little Red Wagon" were trademarks at B.H.S.

DAVID GREIG RATTRAY

Dave has a gift for subtle humor which he used frequently to the delight of fellow classmates. He is often seen in his "Al Capone" car.

SALLY VIRGINIA ROBINSON

Sally is one of Bay's famous modern jazz dancers. She looks forward to furthering her dancing career after graduation.

RUTH EMOGENE ROWELL

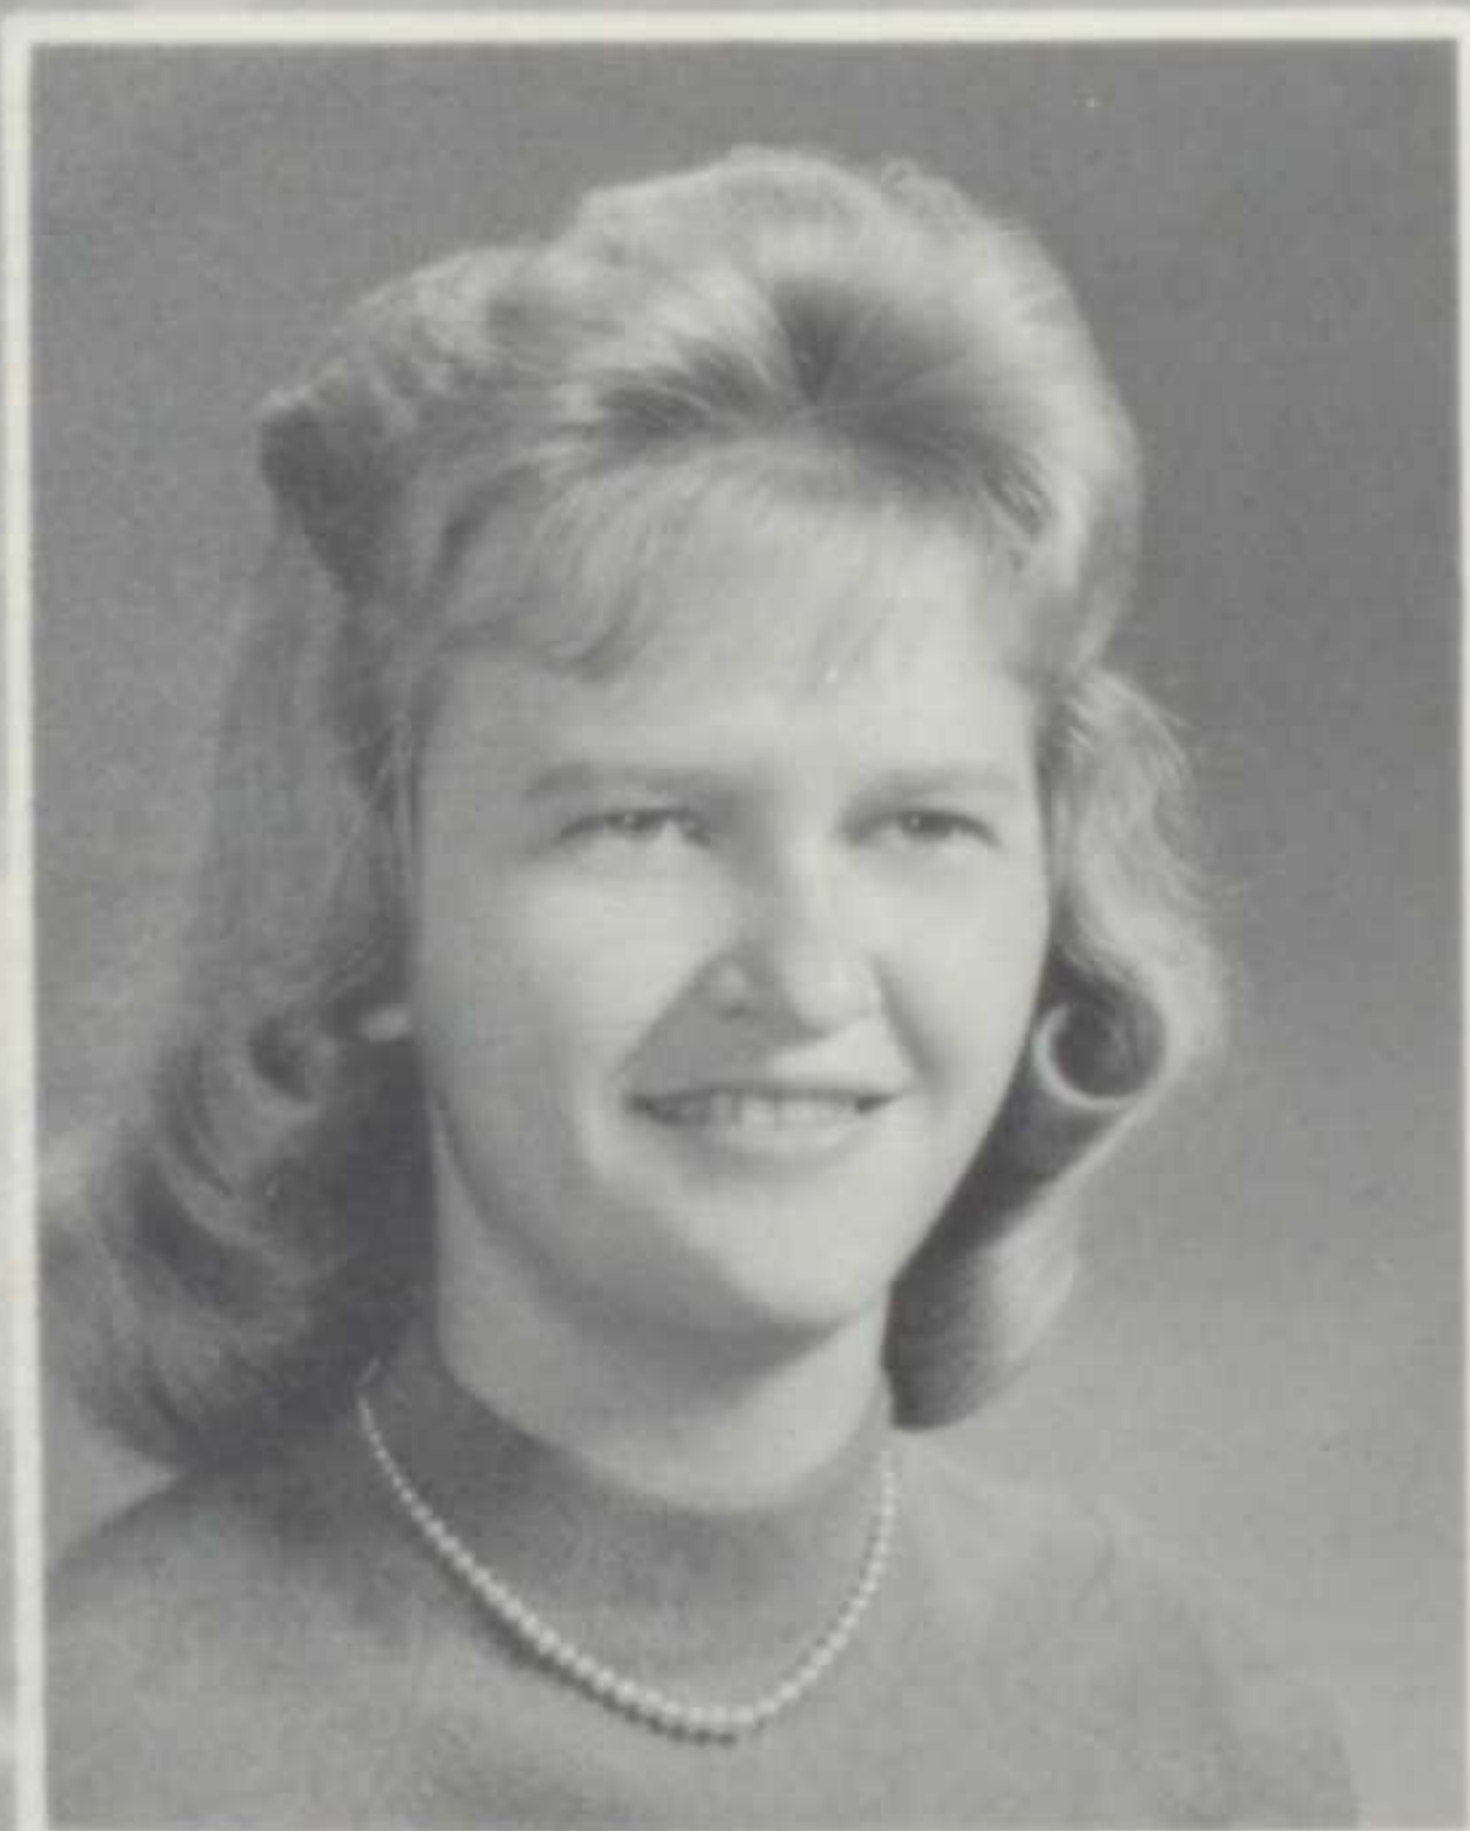

Although somewhat shy, Ruth's intelligence and ability are evident in all her work. She is a person who keeps people on their toes and busy.

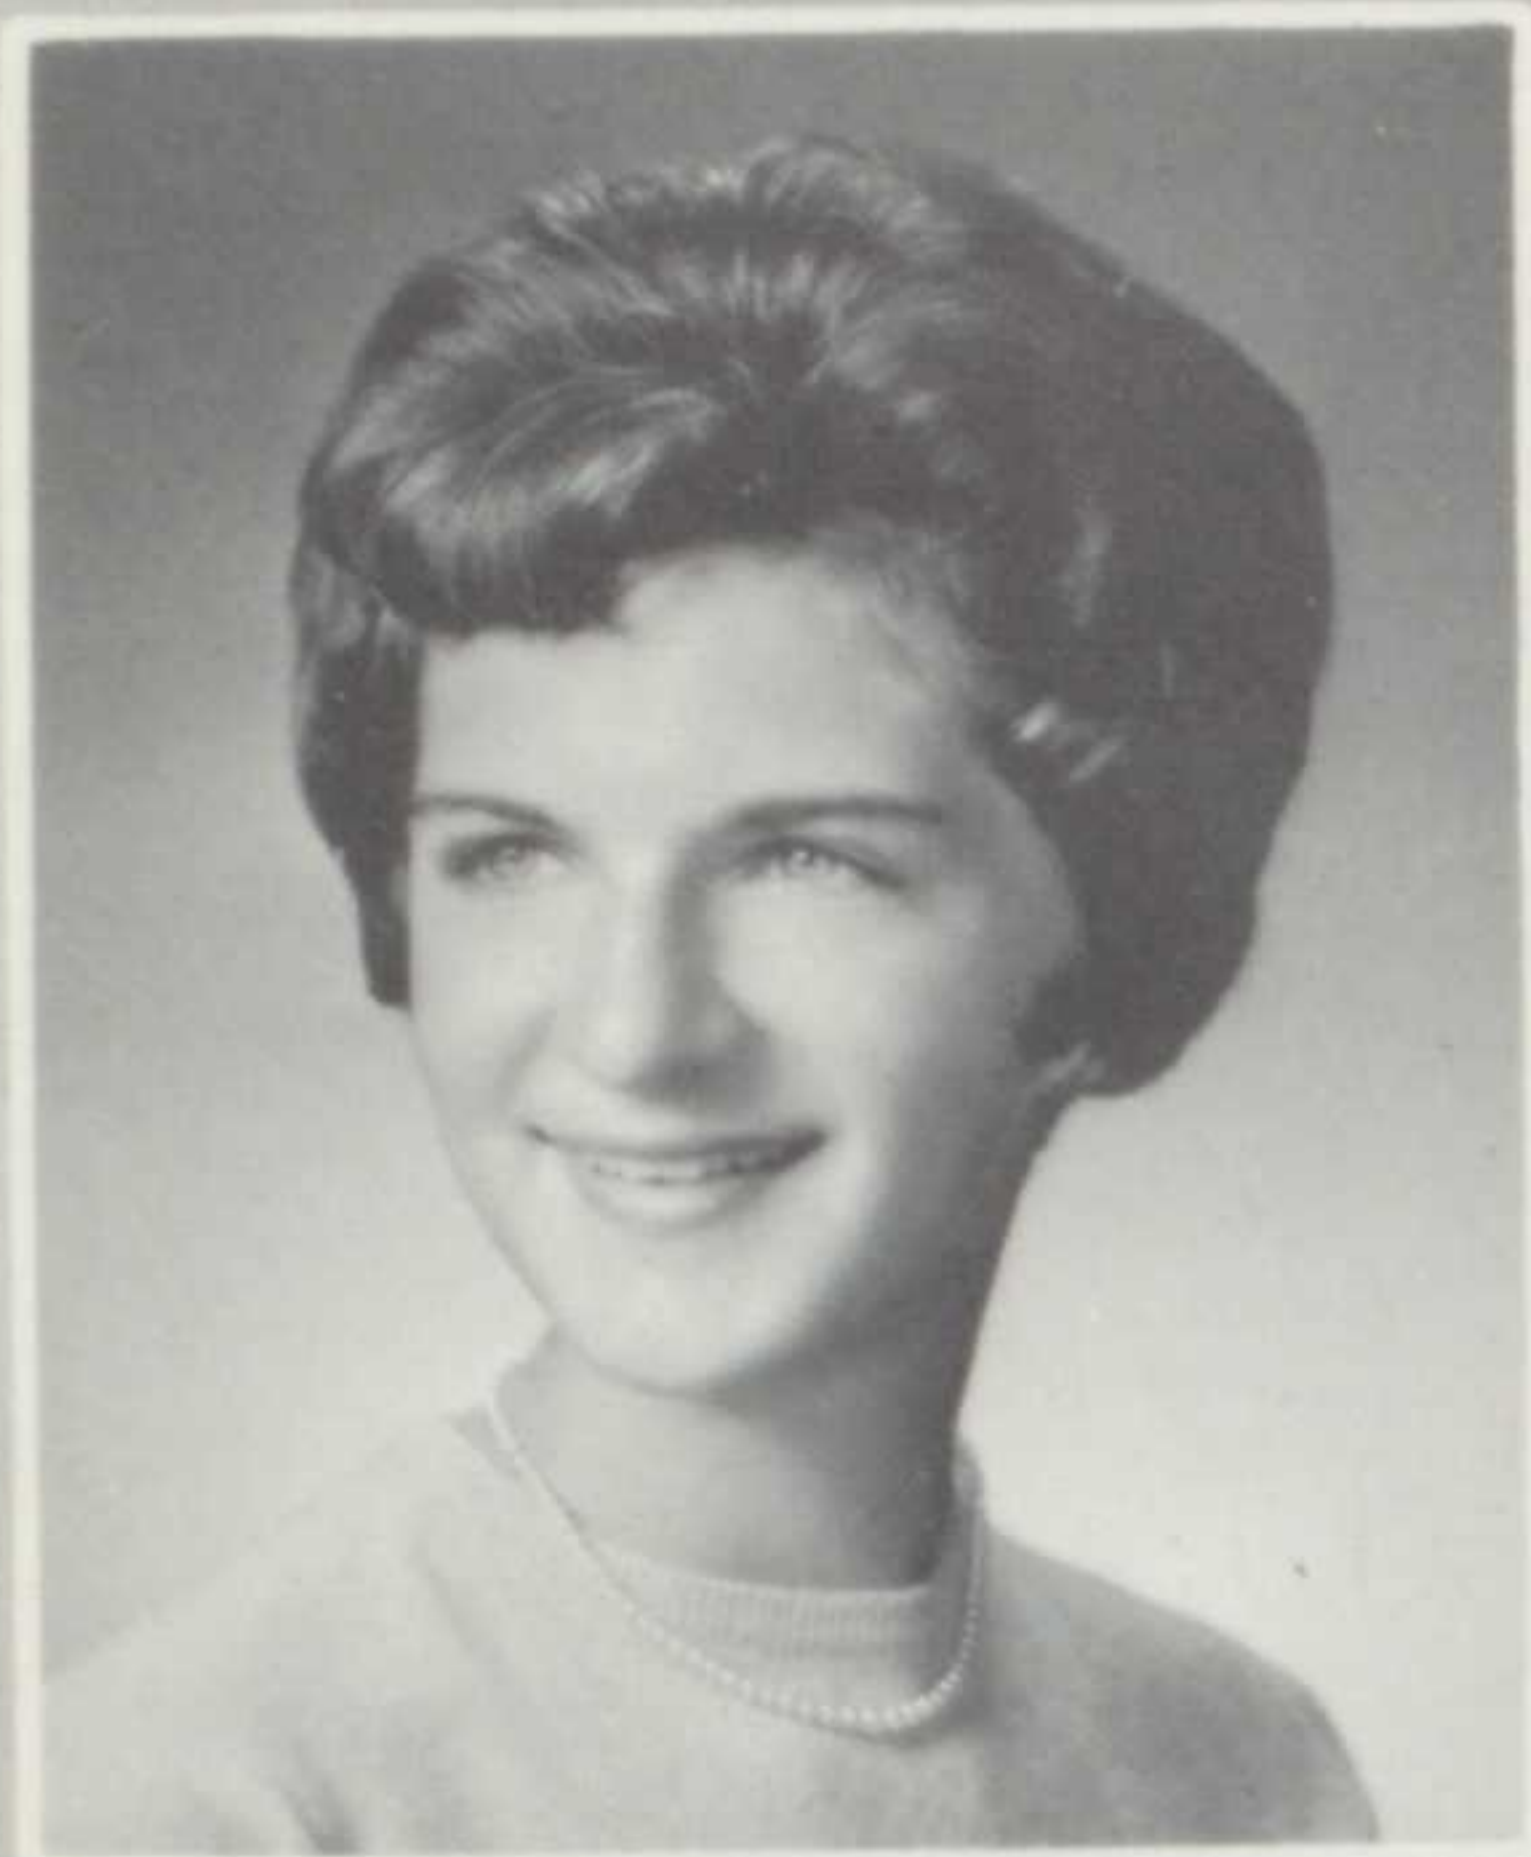

PHILIP CHARLES ROWELL

Phil's quiet mannerisms give way to enthusiasm and spirit in all athletic activities. He is an asset to any team.

VALERIE GAY RUTHENBERG

Val helped to disprove the "dumb blond" theory. Her sweet ways brought her many high honors this year.

DONNA JOAN SCHEY

Donna's amiability and amazing capability to get things done quickly and efficiently will certainly be "right-hand men" as she enters the field of nursing.

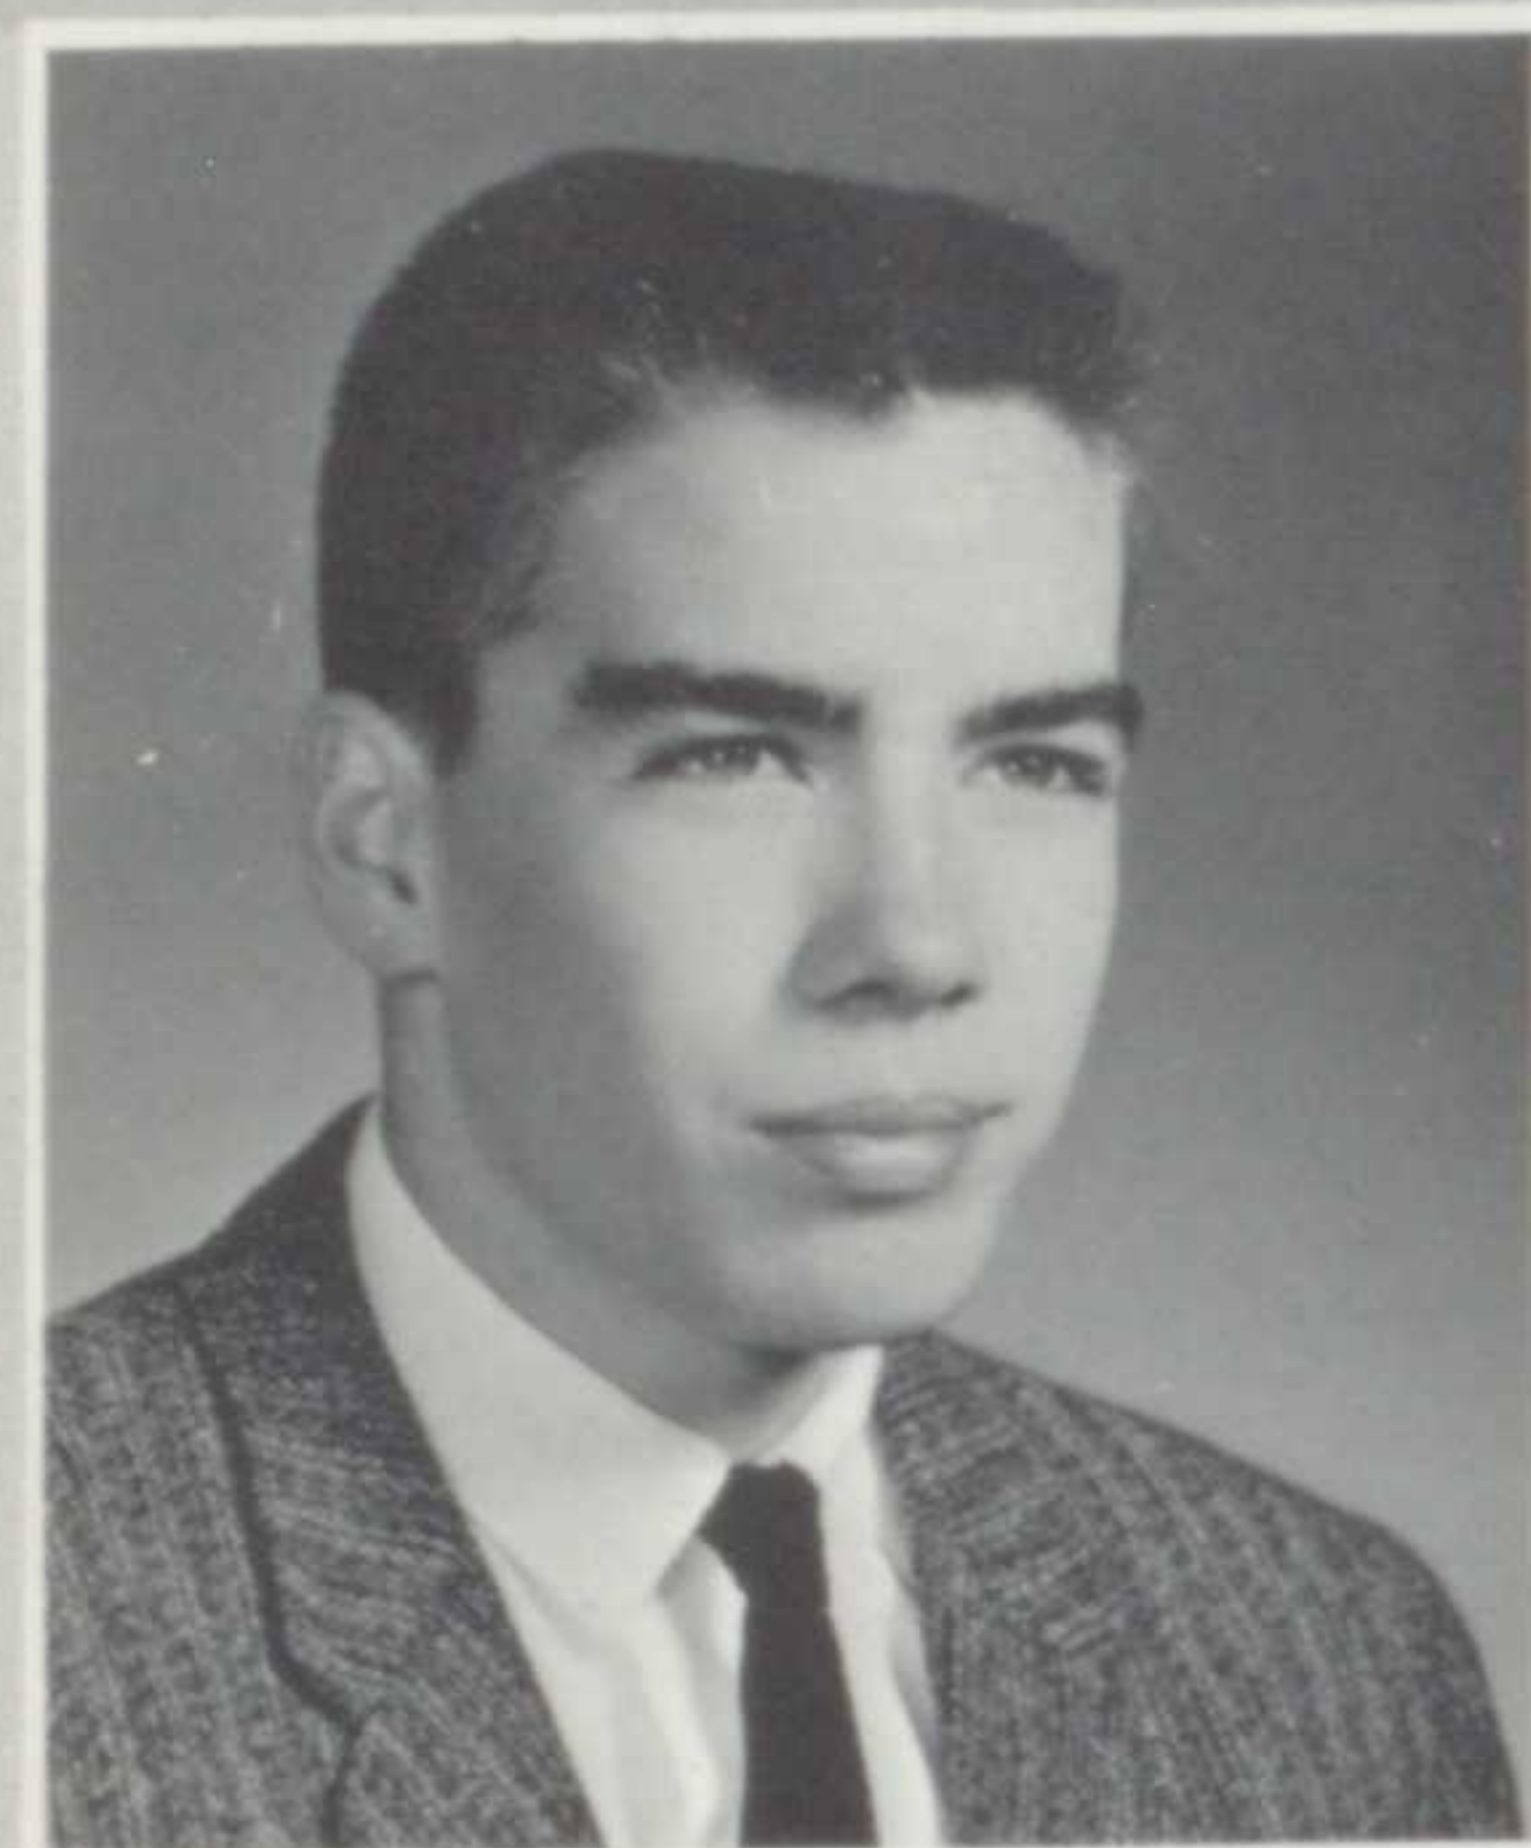

JEAN ALICE SCHROEDER

Jean is someone who is willing to perform with accuracy and dependability any service you ask of her. These qualities will be assets to her as she enters the field of dietetics.

BARBARA JEAN SEAMAN

Barb always lent a kind ear to other's problems and seemed to have a successful solution, turning even the biggest mountains into molehills.

BARRY DANIEL SHEA

Barry was Bay High's car expert. No matter what the situation, Barry's subtle humor brought forth a chuckle.

MARY VIRGINIA SHEETS

Mary has a gift for giving herself to others. Her outstanding assistance in the office, as well as in the professional clubs, made her an asset to Bay High.

JEAN MARIE SHEPPARD

Jean, famous for her chaffeurage service, supported Bay High with great exuberance. Her mellowness of voice was one of her well-known traits.

VICKI SHEPPL

Vicki's passive resistance to conflict helped her win and retain many friends. I will soon become an important factor in her career as a nurse when she will attempt to pacify nervous patients.

MARY ELIZABETH SECKLER

As editor of the Bay Blue Book, Mary was always there to help "burn the midnight oil." Her friendliness to all will be an asset in the future.

ROBERT JAMES SERB

Pedroe has a quiet manner that seems to go with his "quiet" car. He works diligently at the family store.

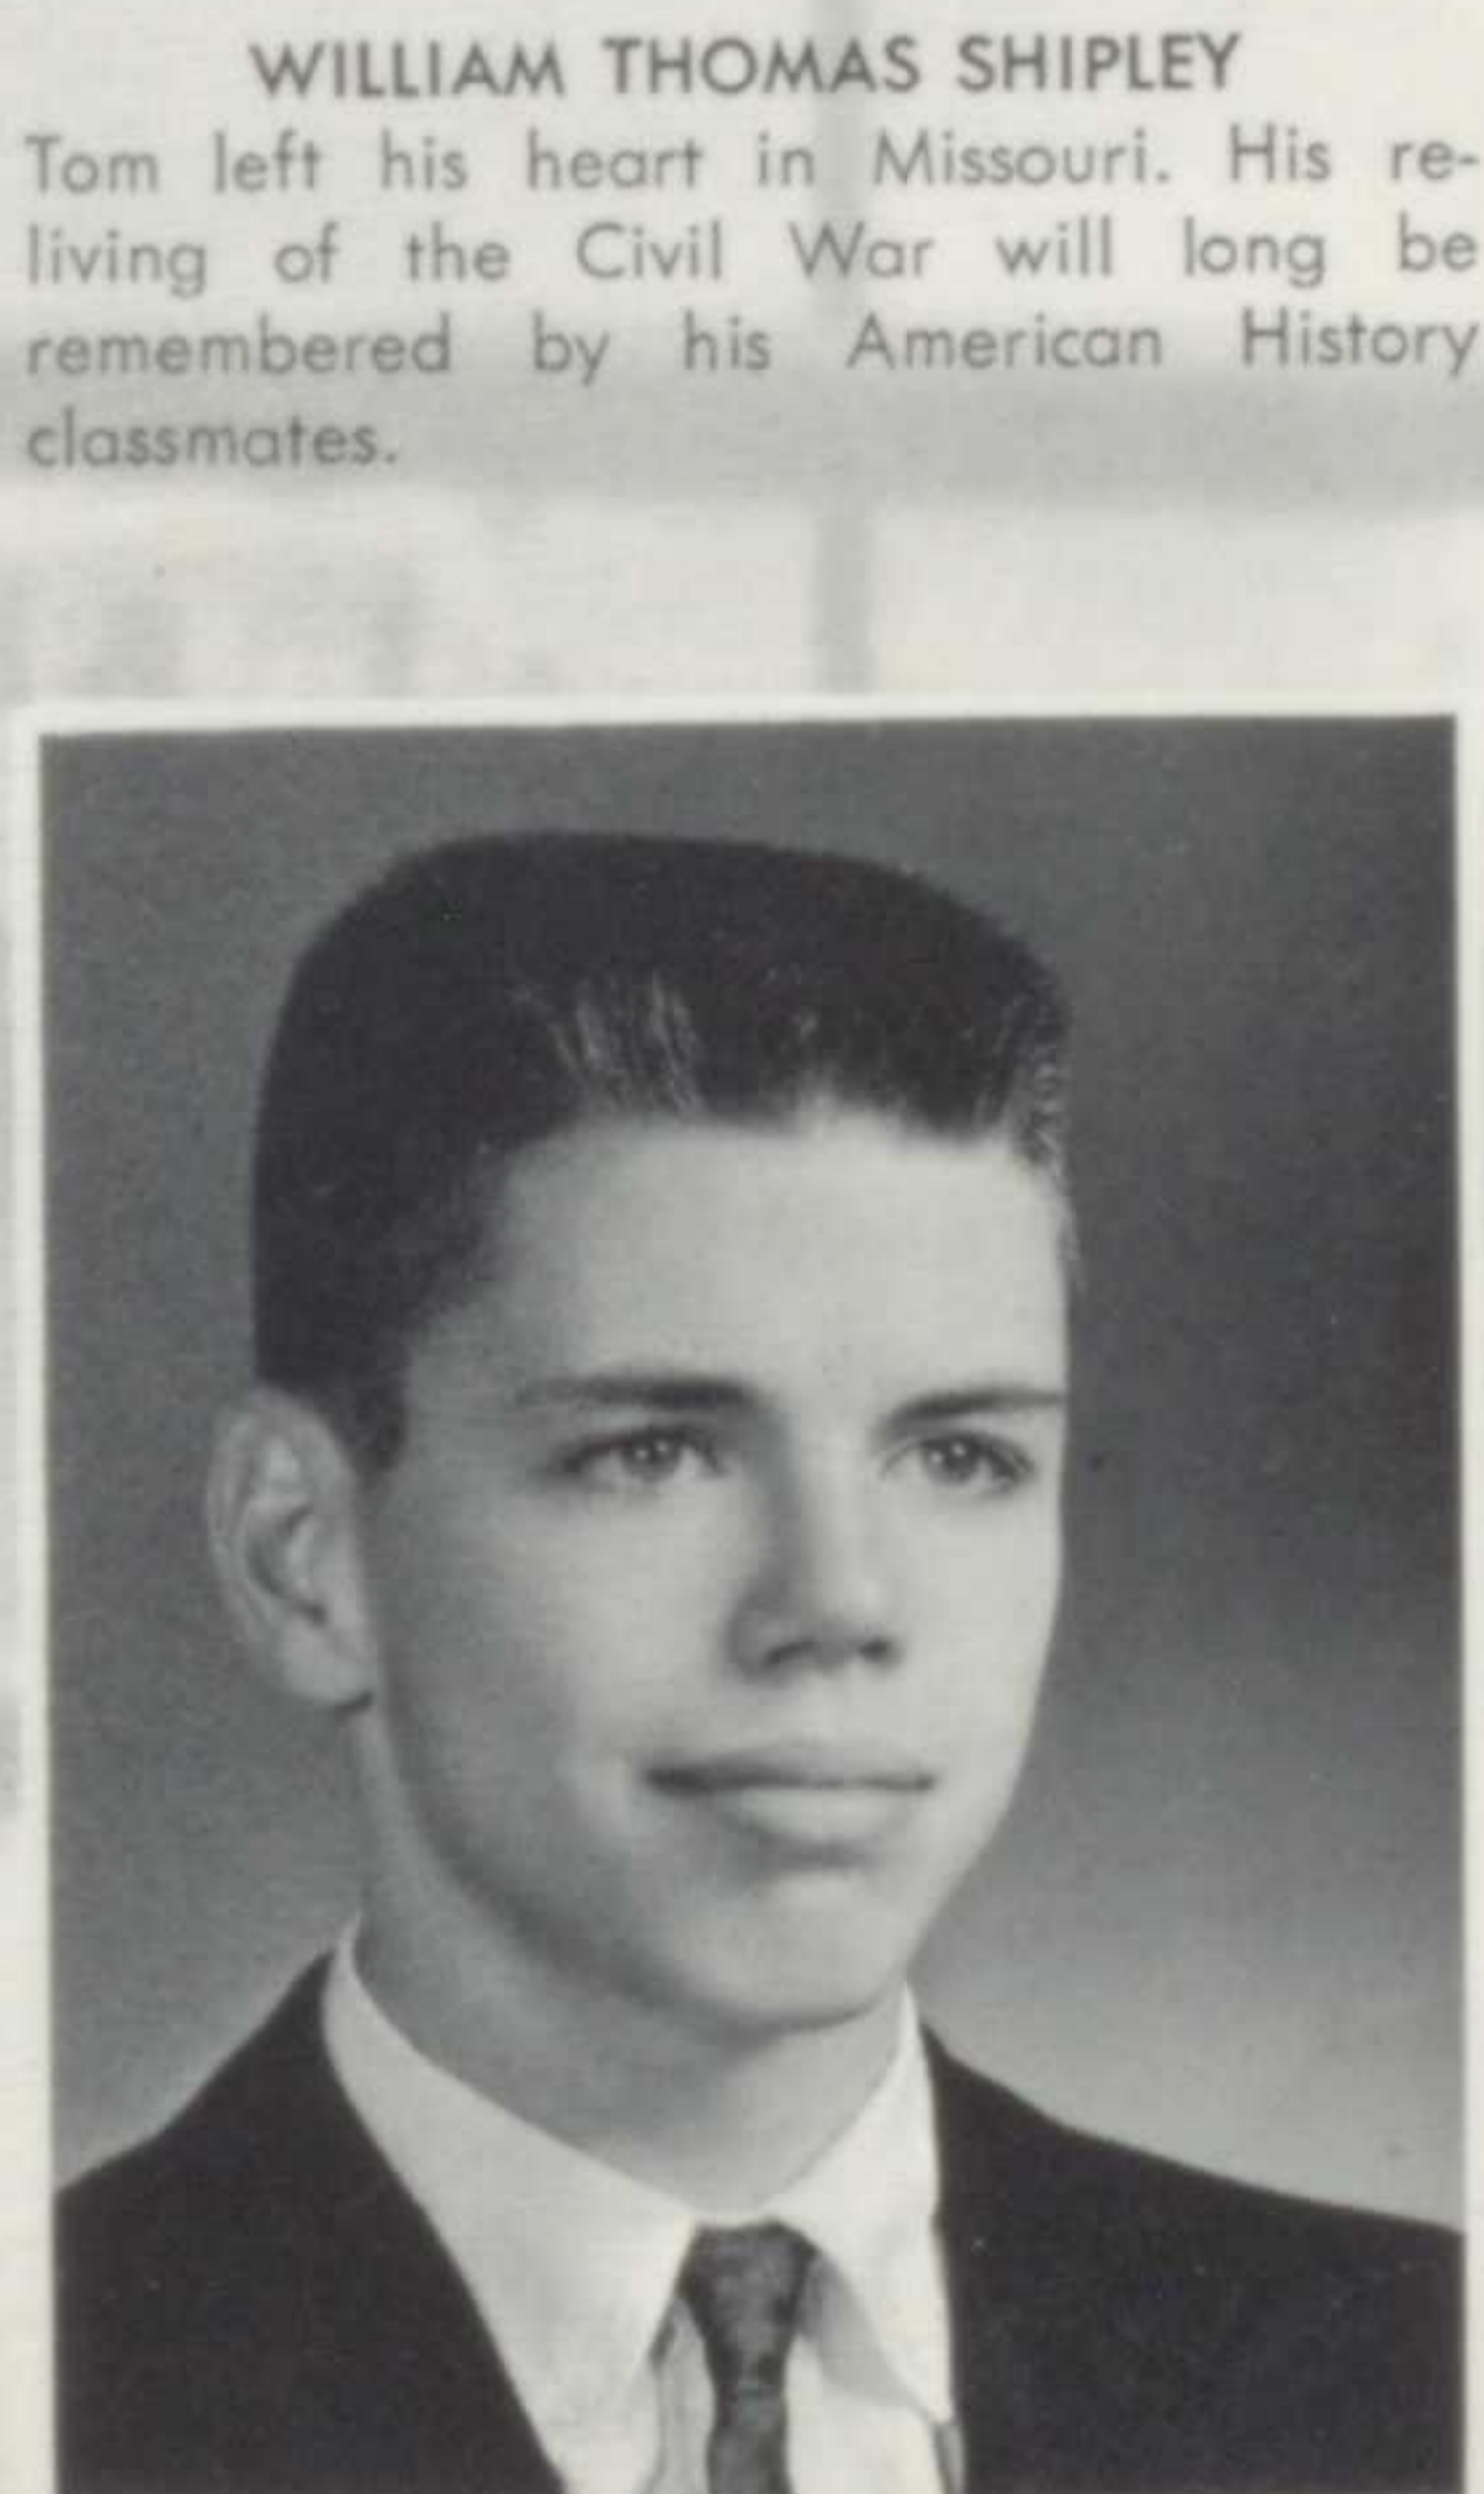

JACQUELINE CAROL SEXTON

For most people, moving in their senior year is rough, but not for Jackie. With a smile and a will to work behind her, Jackie participated avidly in all senior activities.

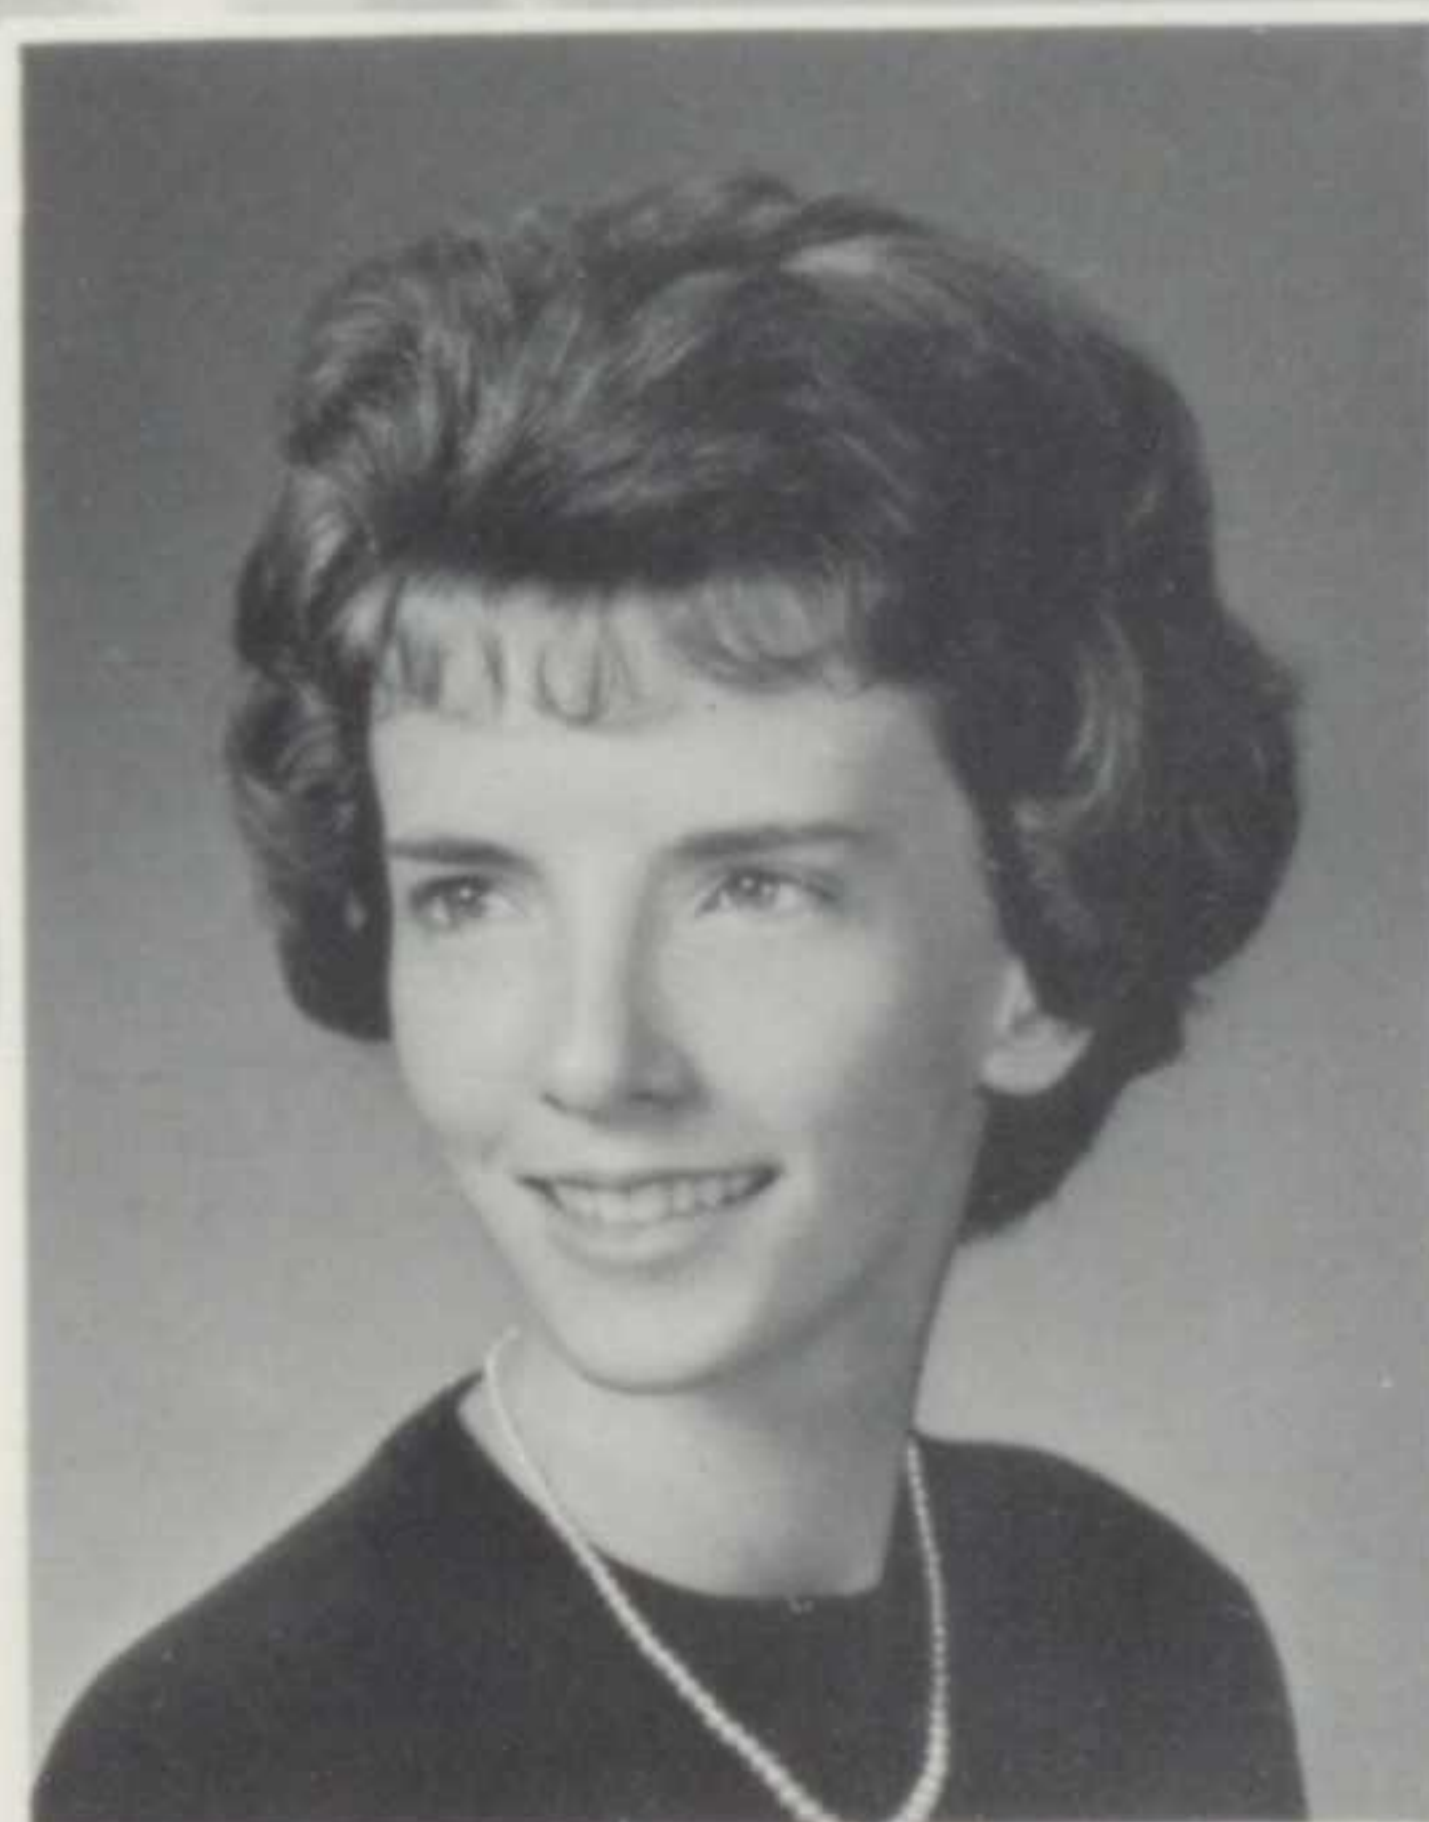

DARYL SHEETS

When Daryl entered the hockey rink he shed his school reserve. His conscientious work on many class council committees contributed to the success of our prom.

WILLIAM THOMAS SHIPLEY

Tom left his heart in Missouri. His reliving of the Civil War will long be remembered by his American History classmates.

CAROL ANN SLEEMAN

Carol began the year as a shy flower, but her qualities were quick to blossom into fullness. She soon succeeded in establishing her dependability and sincerity at Bay.

CLEWELL W. SMITH

Clewell is another of the ardent hockey players and another "Smith." Blond hair, blue eyes, and a friendly personality make him "Mr. Sociable" around Bay High.

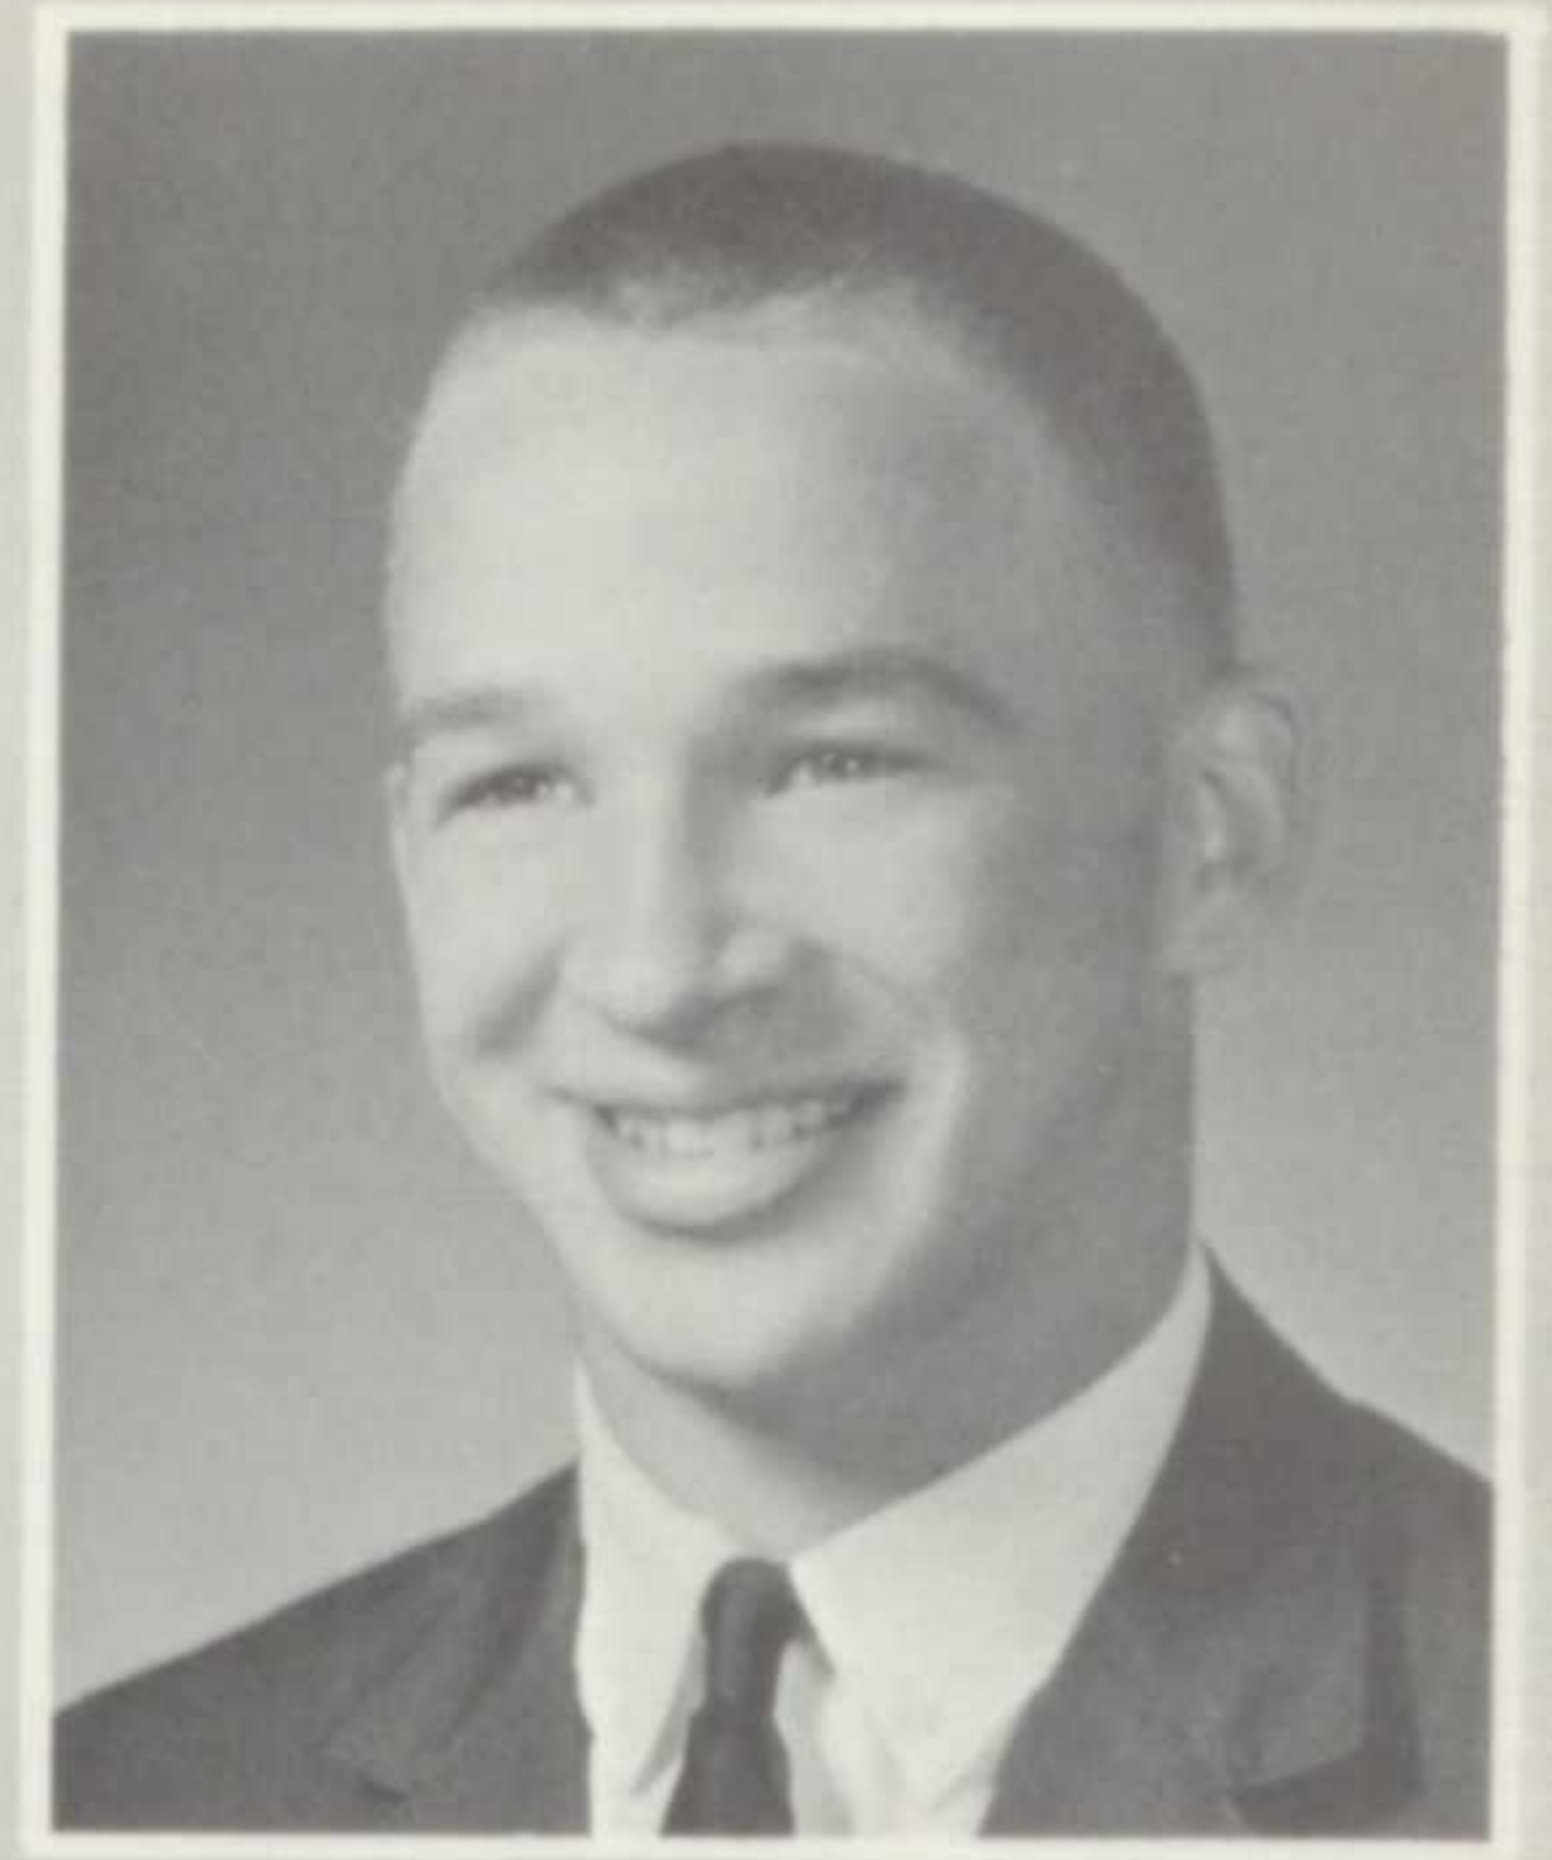

SIDONIE ANN SMITH

Talented, poised, and intelligent — three words perfectly describe Sid. As Annual's Business Manager, her hard work was appreciated by all.

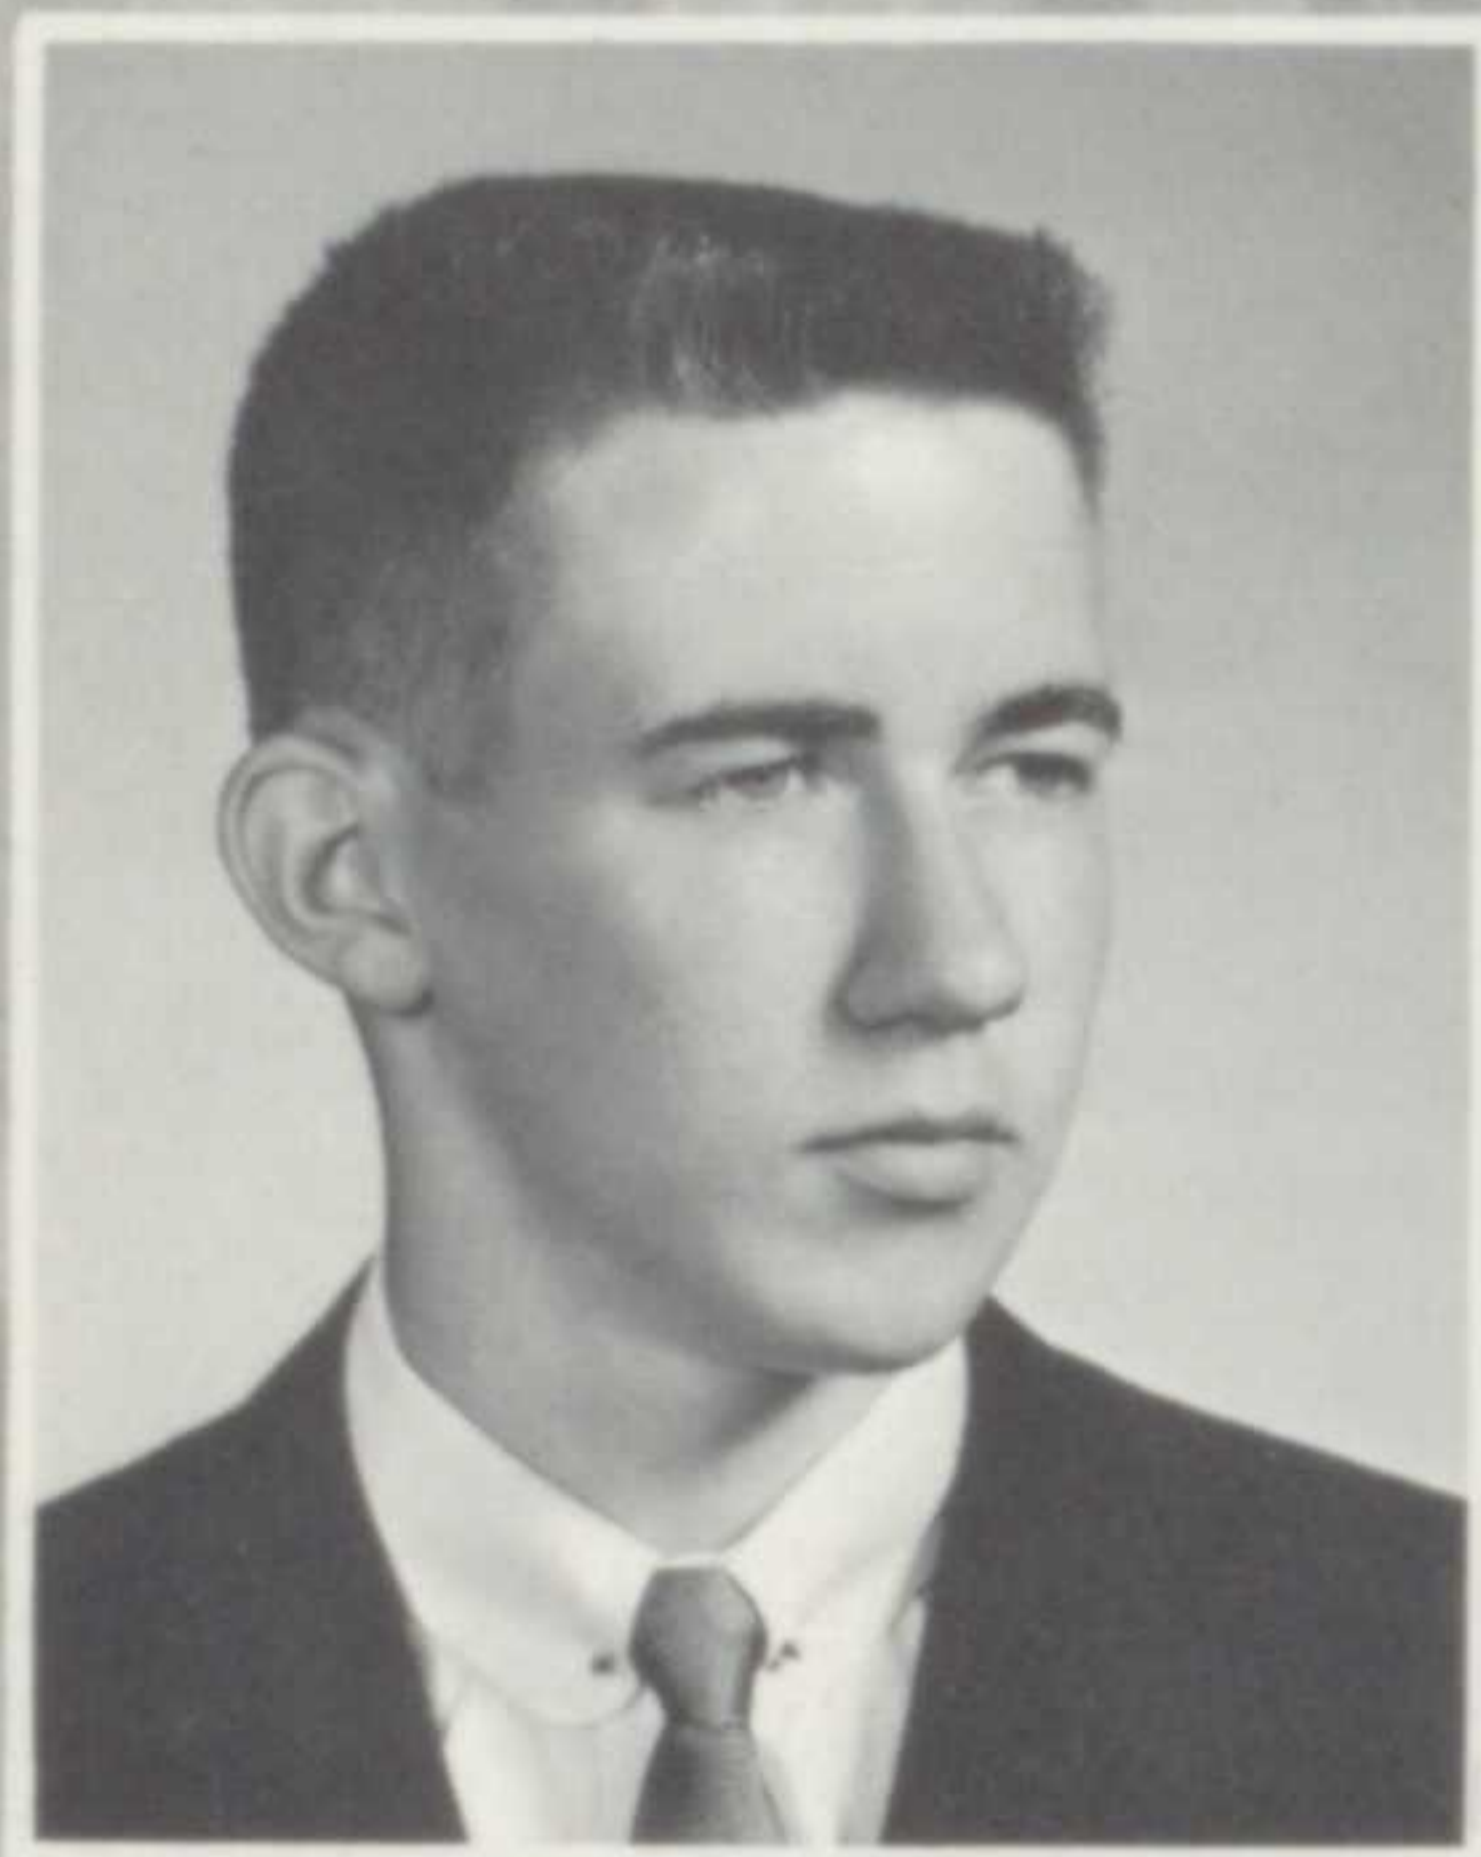

DONALD EDWARD SNIDER

Skin diving in the Bahama's was one of Duffy's favorite hobbies. Full of fun, laughs, and mischievous adventures, he will enliven many dull hours in his physics lab.

MONROE FRANK SNIDER III

Fritz, a football hero and "our king," was admired by all his classmates for his friendly attitude and veiled intelligence.

DOUGLAS THOMPSON

Harvey has engraved himself upon the hearts of many Bay teachers with his timely remarks and puzzling questions during class.

TIMOTHY J. VAN SYCKLE

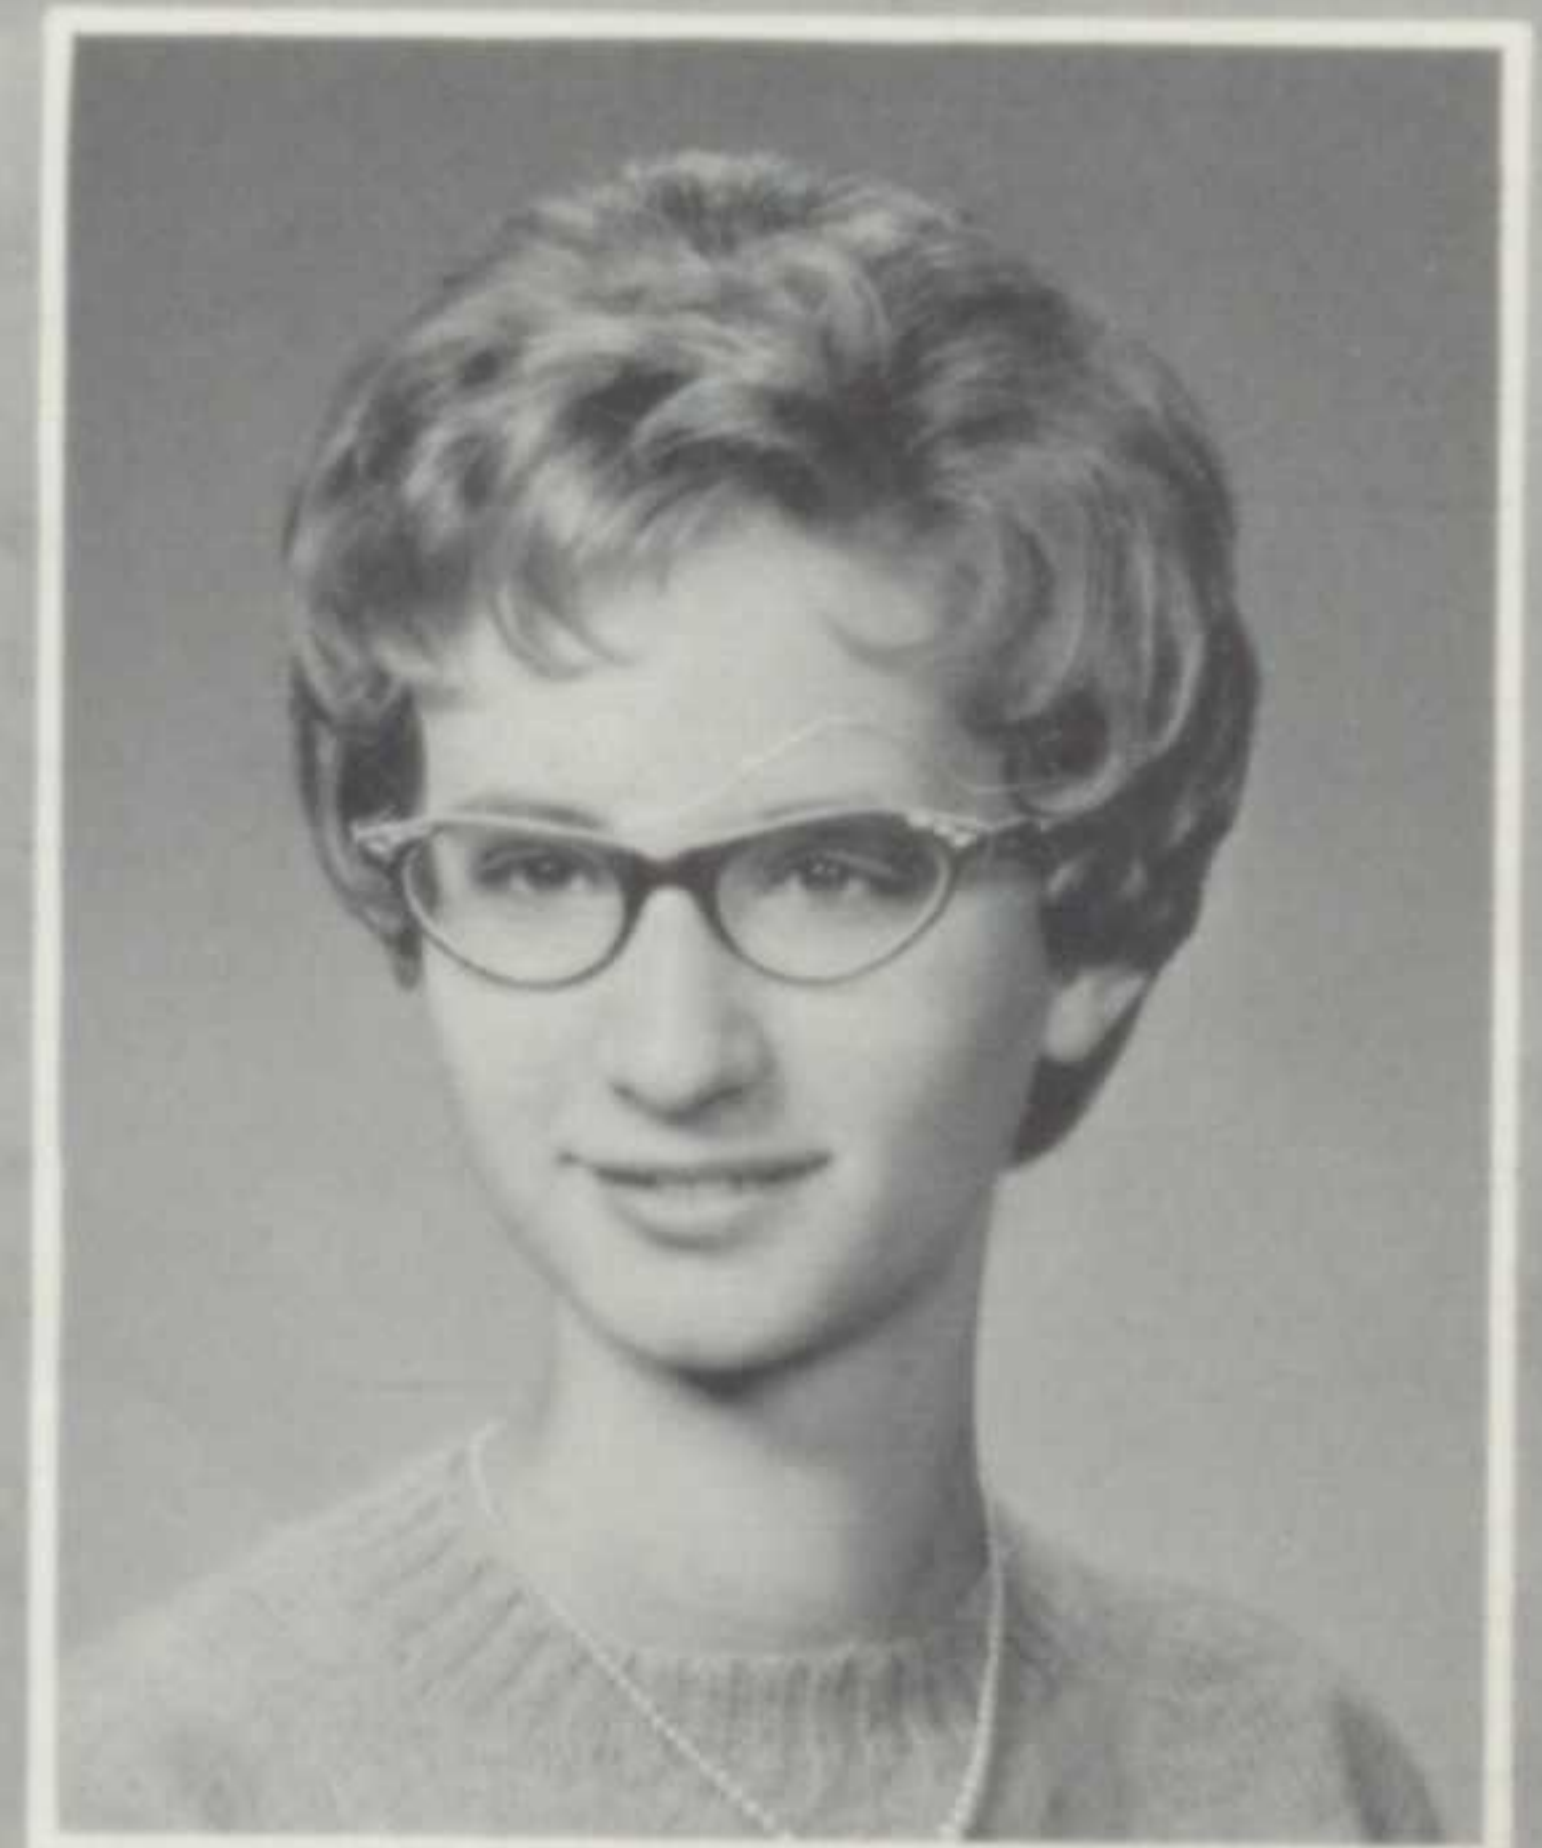

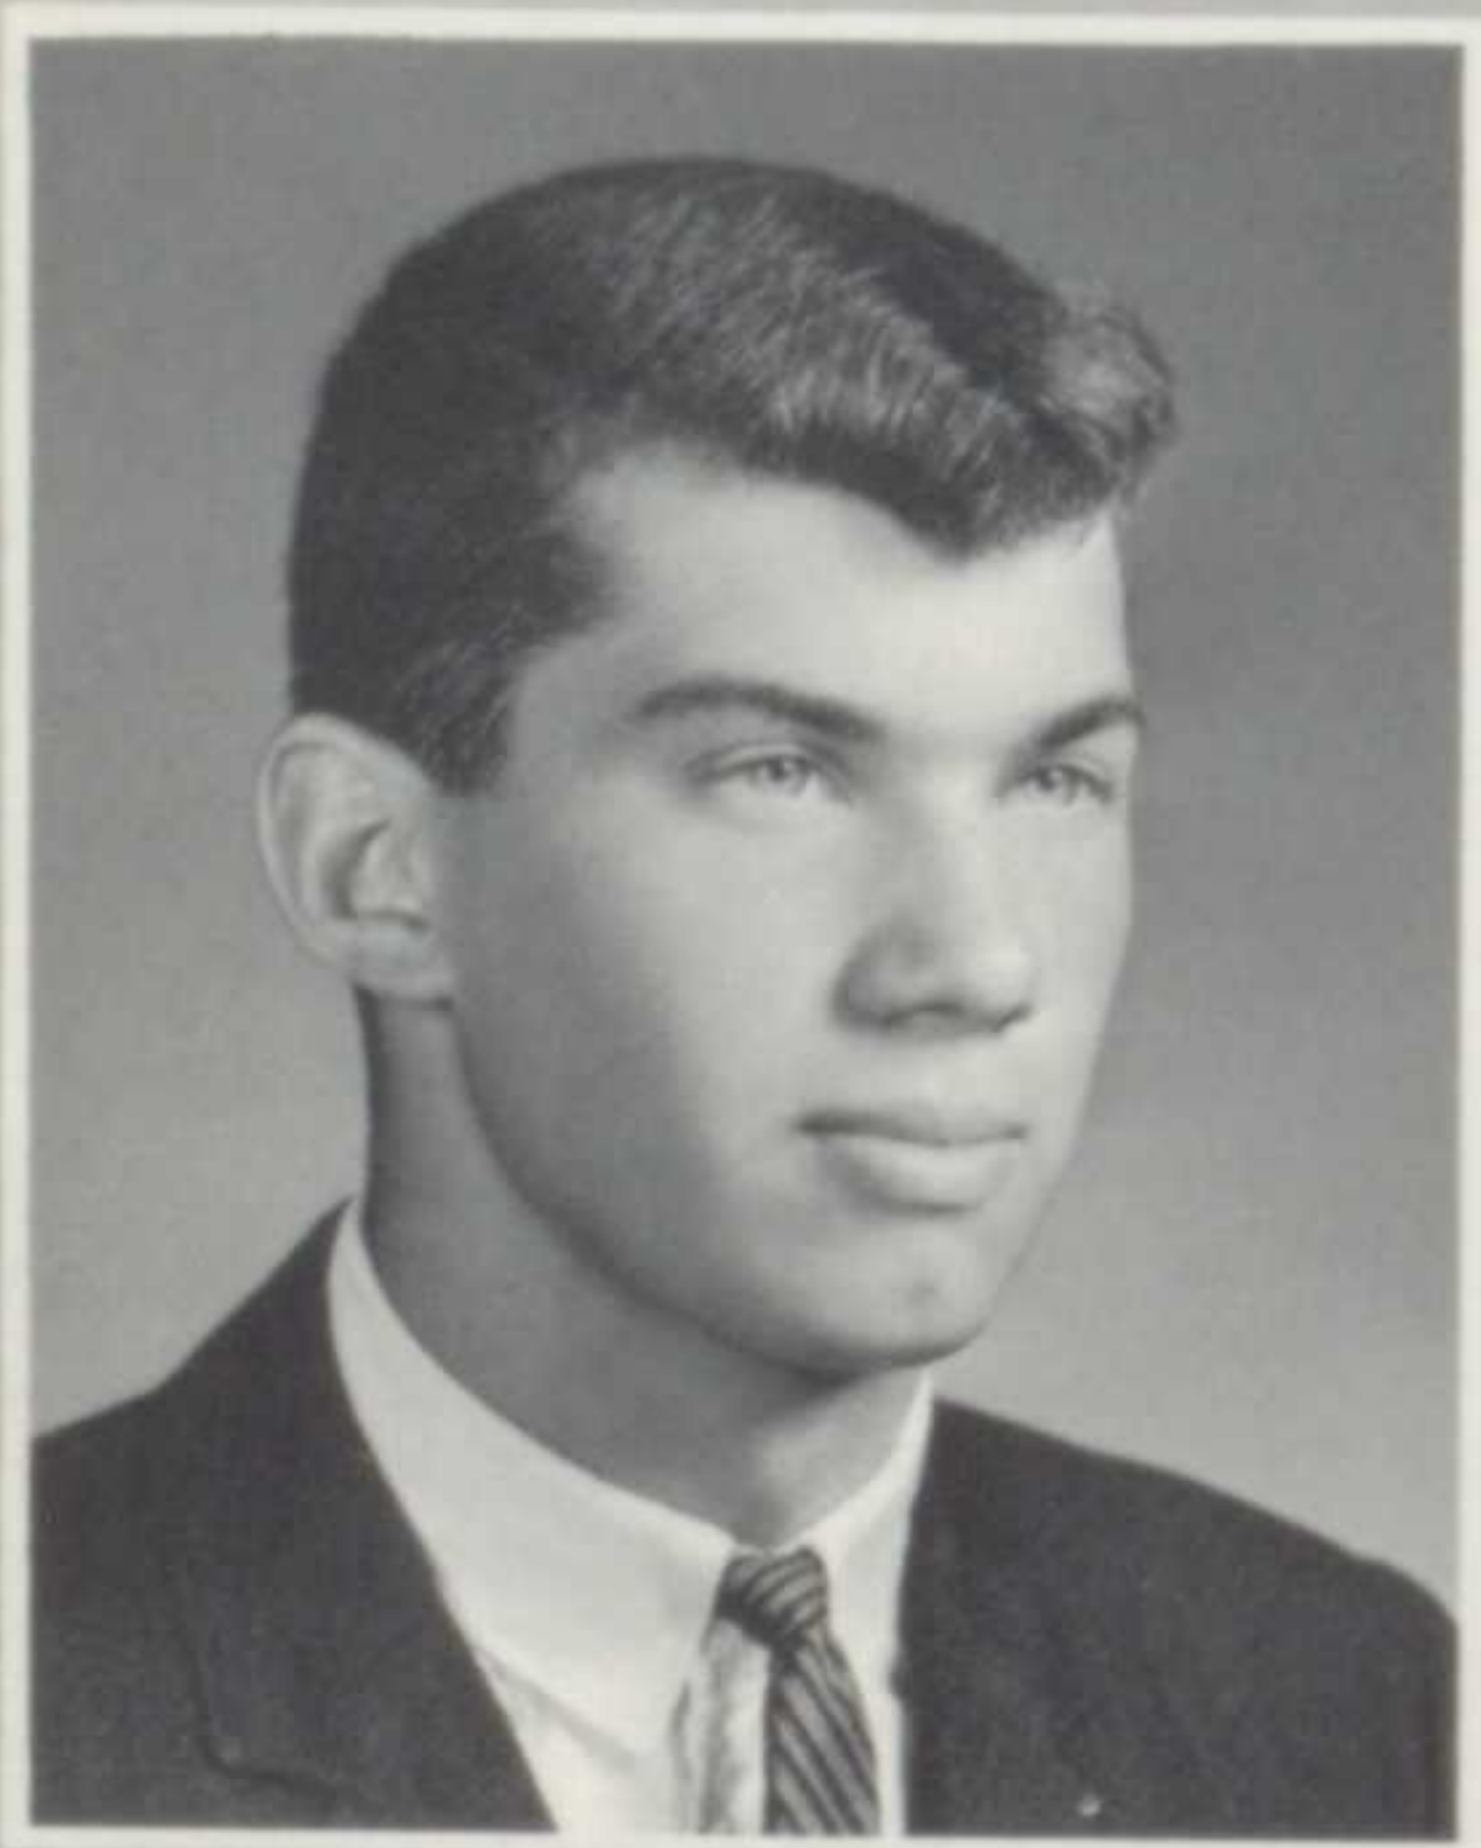

Tim, the male Ann Landers of Bay High, was born with a basketball in both hands. His ability to say the wrong thing at the wrong time is a favorite pastime of his.

ROBERT DWIGHT VERNE

Bob has the undying ability to "give his all" to his work, whether it be carrying groceries for Bay Food, leading a Bay Youth Council meeting, or supporting his classmates and Alma Mater.

KATHERINE ANN WALZER

A fair lass, Kay's quiet manner is very becoming. Her kindness has brought her many friends, and will certainly continue to do so.

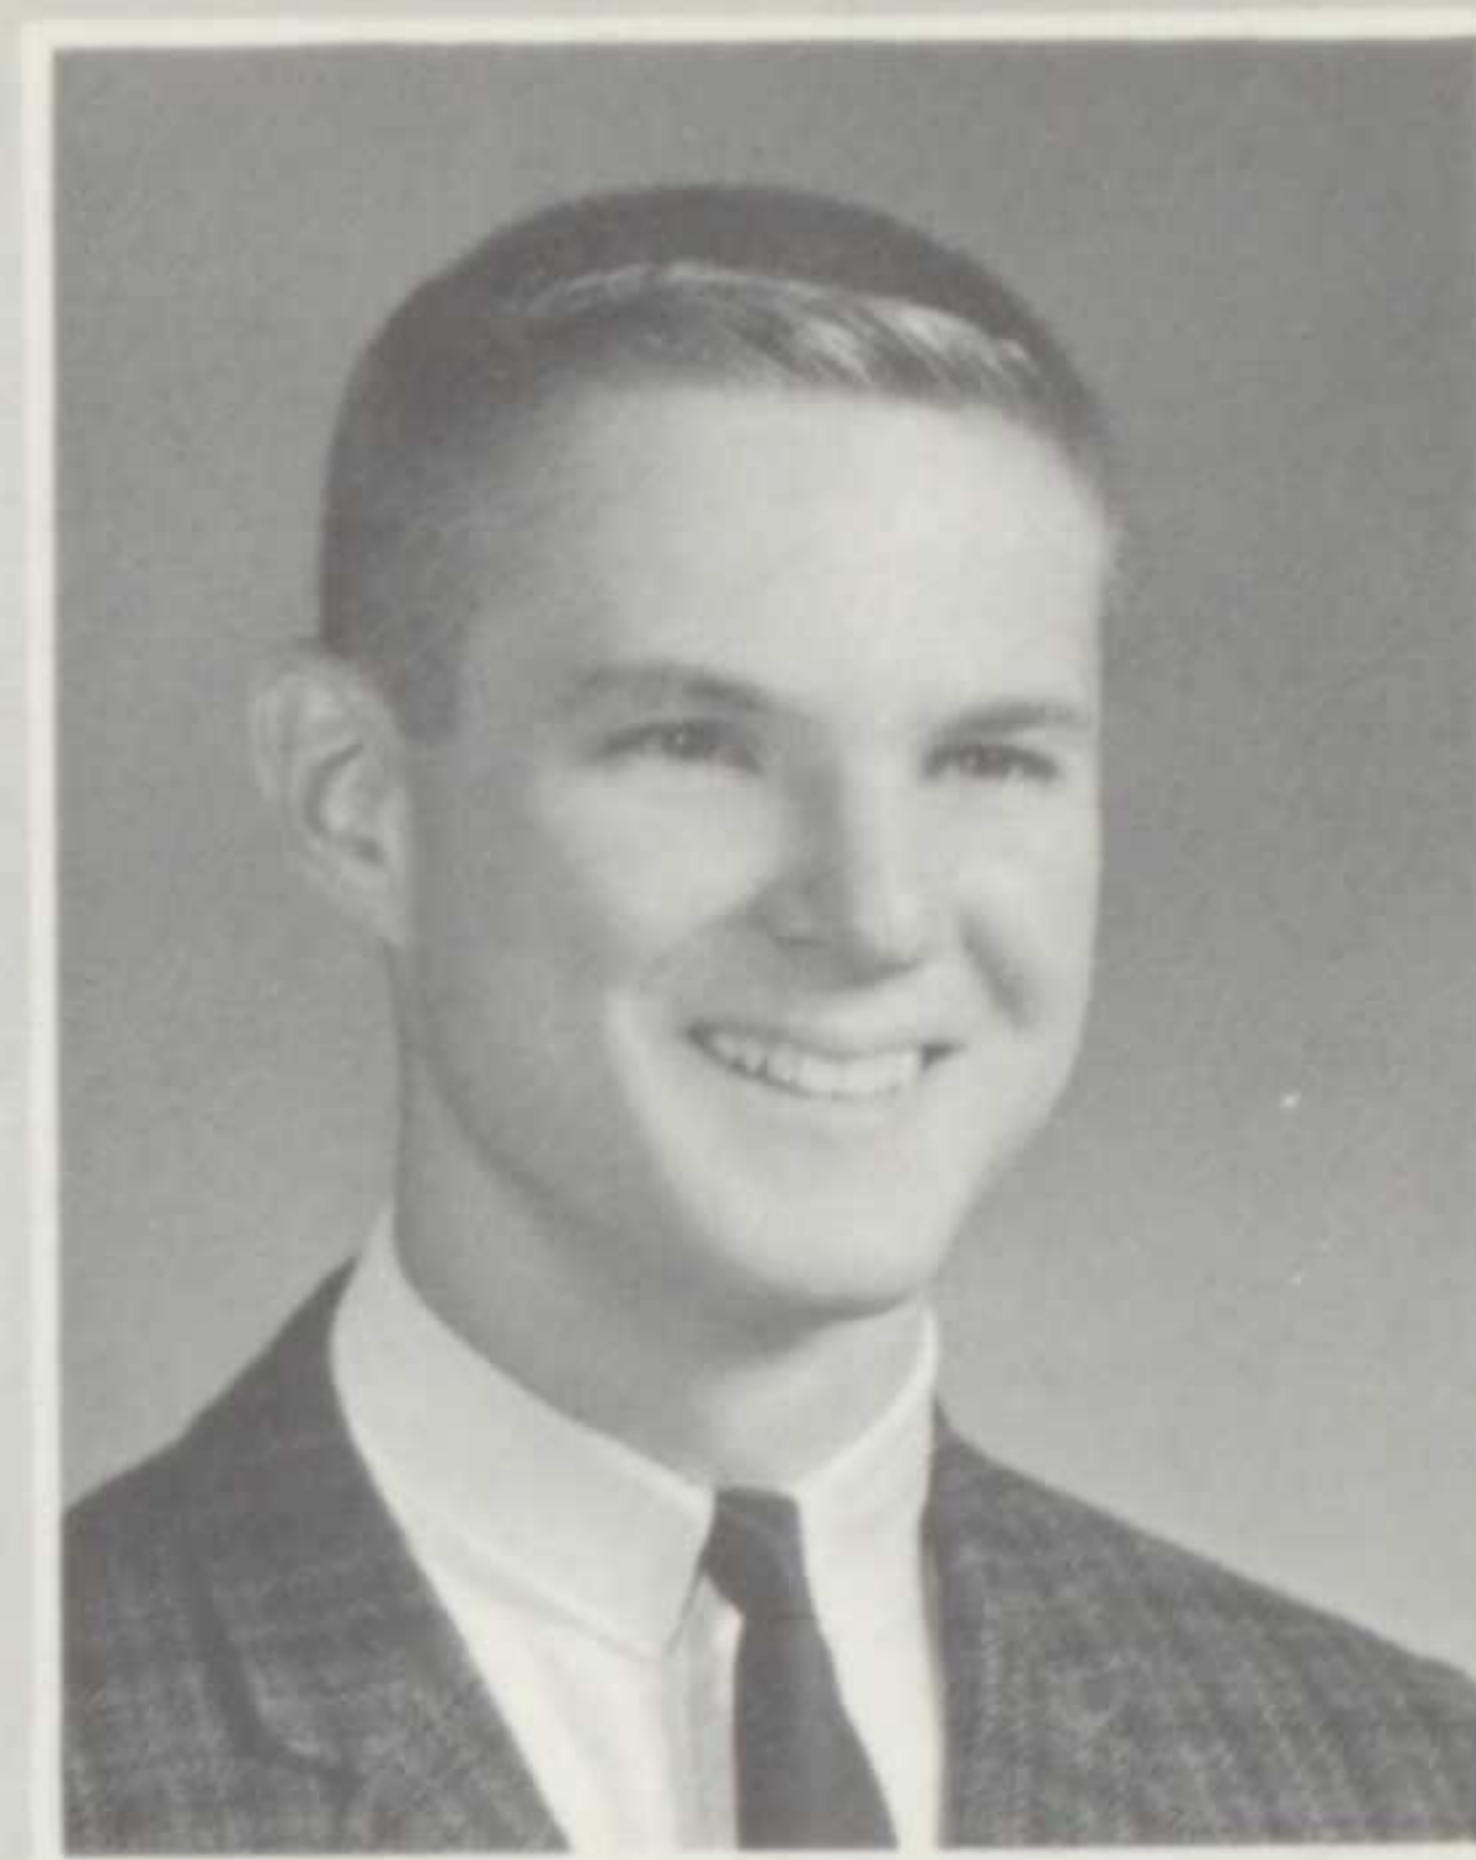

CHERYL STECK

Cheryl, one of the "cheerful"-est members of the senior class, was a talented participant in the Senior play, gaining the praise of her classmates by her performance.

JAMES WILFRED SWANKER

Without Jim's mechanical mind and artistic touch, the Projection Club, as well as the Stage Crafters, wouldn't have been the same.

JAMES L. TEMPLEMAN

Jim's never-ending hard work netted him the class presidency for two consecutive years, and a place in the homecoming court.

MARTHA ANN TODD

Was that Tarzan I heard? No — just Martie's imitation. This humor is but part of her personality. Through the years she has supported many clubs and marched as one of our fine majorettes.

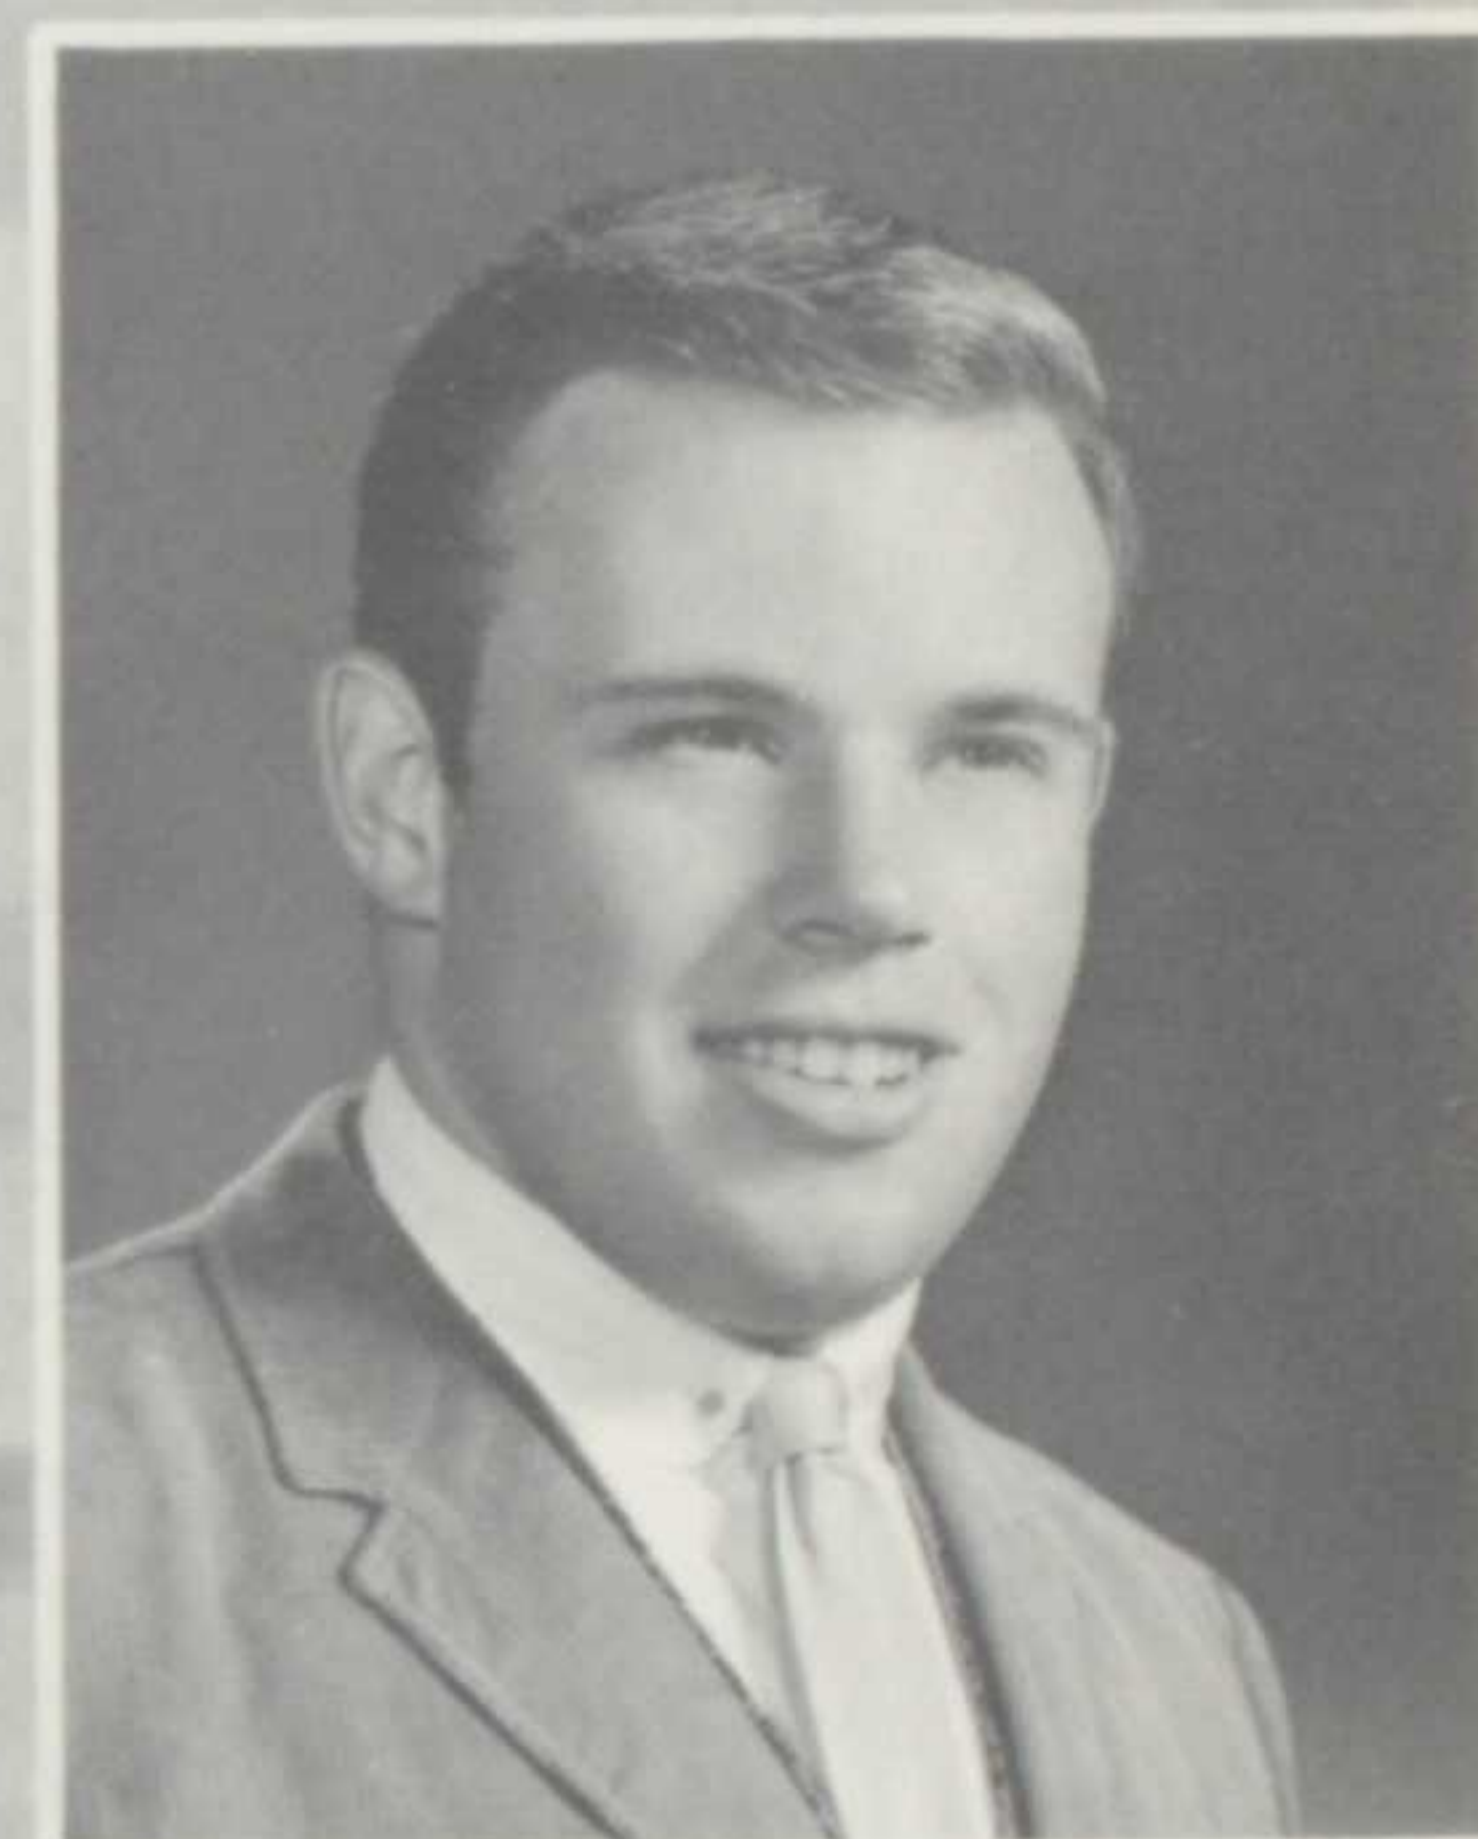

RICHARD RAY TOWNLEY

An anchor of the 1961 football squad, Dick played some memorable games. When he wasn't a team member, he was an avid rooter.

GAIL WILCH

As a co-head of the majorettes and as a first soprano in choir, Gail has contributed much to Bay's musical organizations.

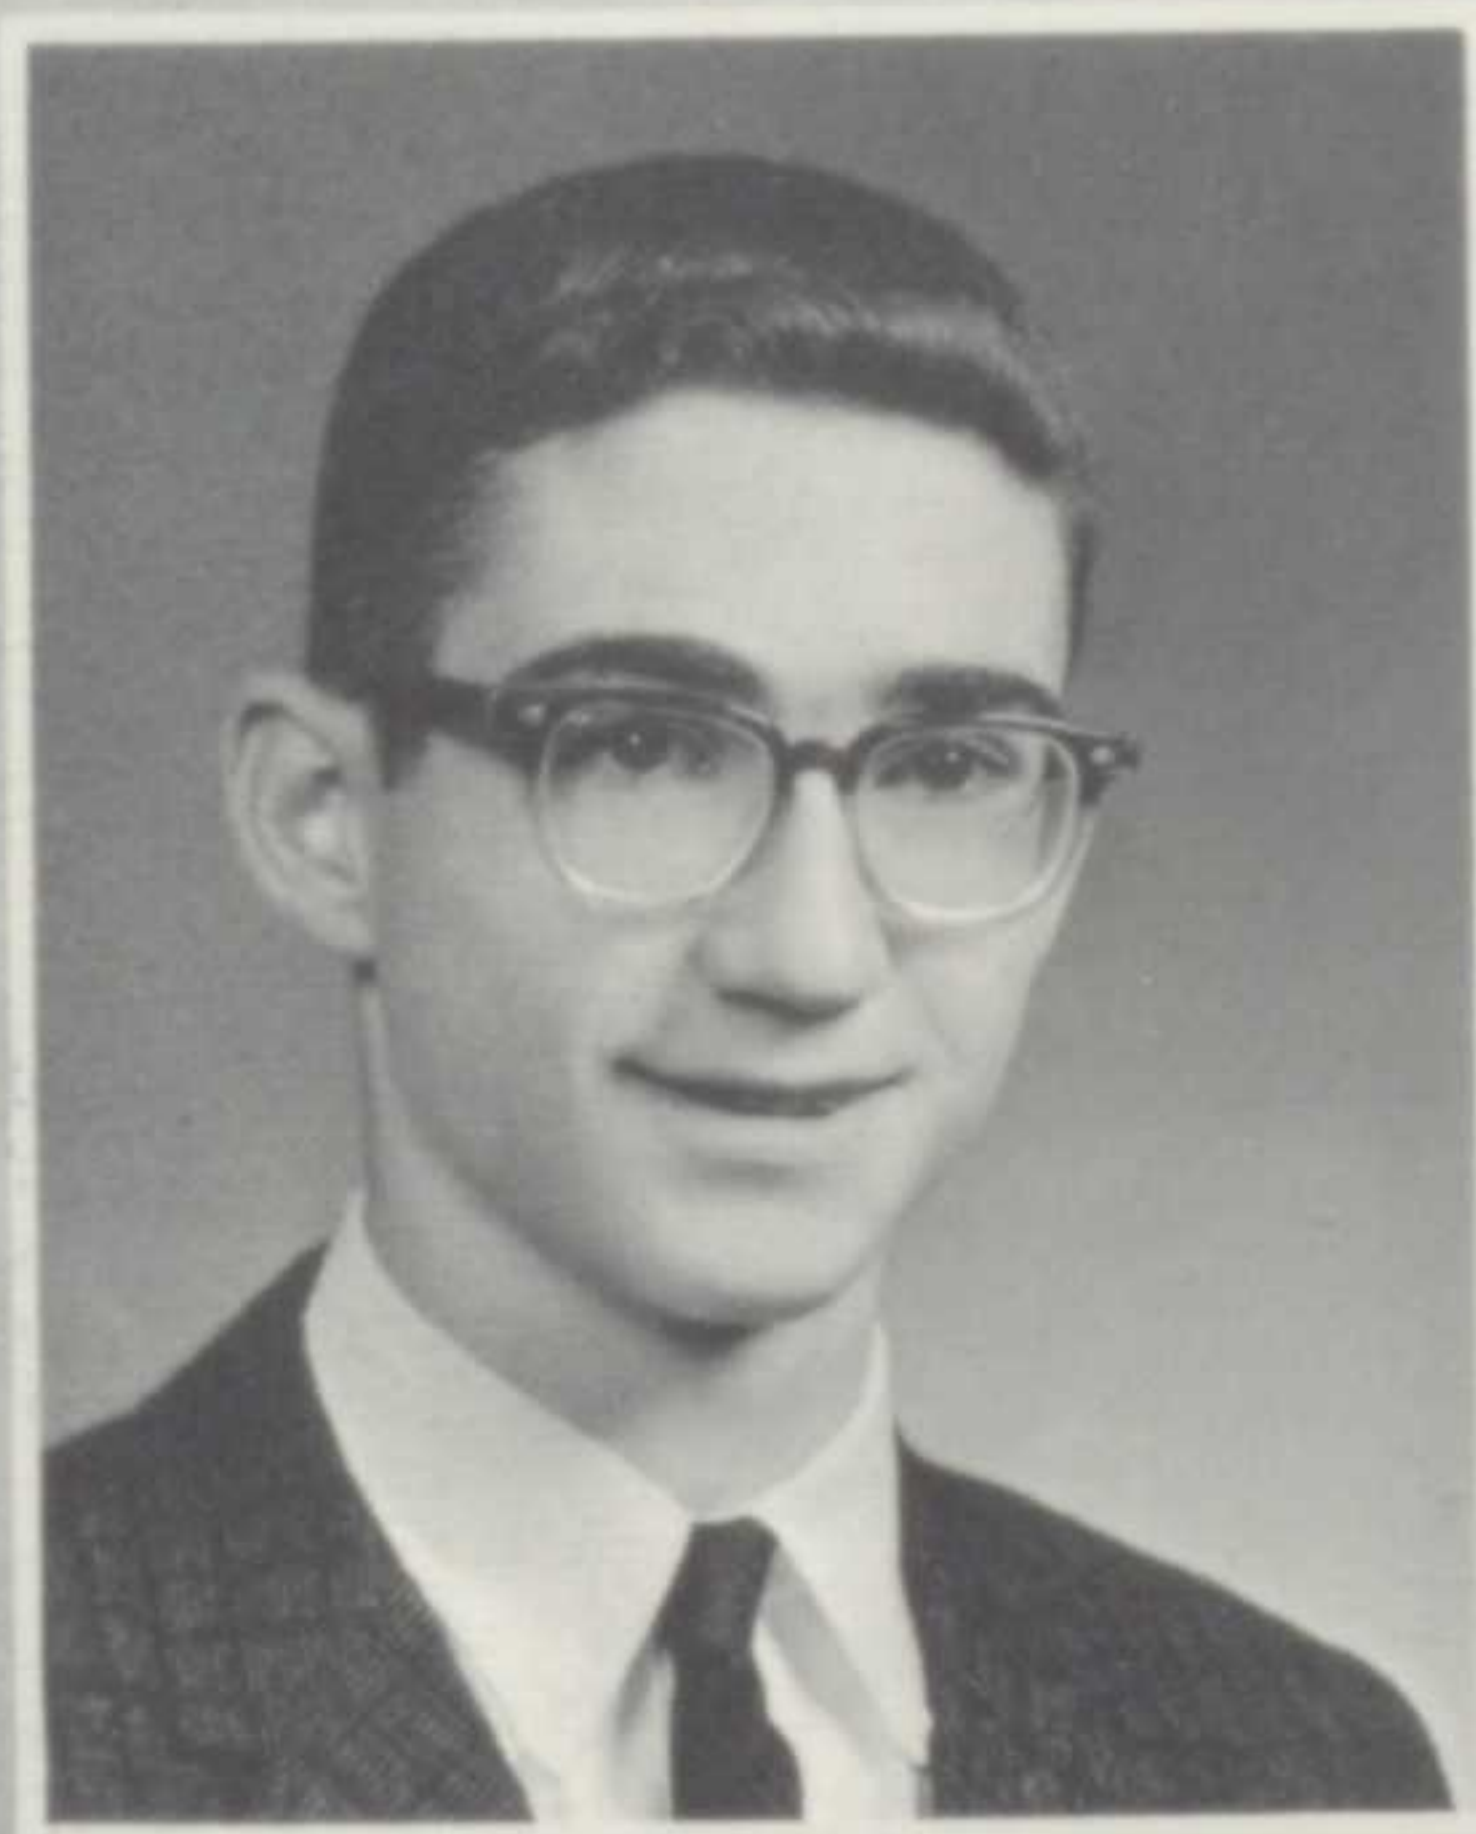

WILLIAM GUY WORKMAN

Bill, a member of the "Three Jolly Coachmen," enlivened many a party with the strumming of his guitar. Besides being a proficient musician, he is also a talented member of the baseball squad.

JAMES WELLS

Jim, an avid baseball fan, was also interested in hockey. He was well-known for his subtle sense of humor.

"Our Hearts Were Young and Gay"

"Our Hearts Were Young and Gay," a three act comedy by Cornelia Otis Skinner, was presented by the Class of 1962 on November 10th and 11th. This humorous re-enactment of the trip of two young girls to Paris starred Lynn Fischer as Cornelia Skinner, and Cheryl Steck as Emily Kimbrough. As the curtain rises, we find Cornelia and Emily preparing for their first voyage away from home. Cornelia has great hopes of becoming a famous actress under the watchful eye of Monsieur De La Croix of Paris, portrayed by Dave Batley. A touch of the measles and Emily's constant fear of shipwreck make the voyage to Paris anything but dull. A touch of romance, added by Jim Templeman as Leo McEvoy, and Dave Critzer as Dick Winters, save the day for Cornelia when Monsieur De La Croix tells her that she has no talent and shatters her dreams. But the play ends on a happy note when Leo invites Cornelia to the fall dance at Harvard.

STUDENT COUNCIL

Student Council is the backbone of Bay High. It is the embodiment of the democracy upon which it was established, and under the leadership of its able president, Betsy Bauscher, its accomplishments were abundant and outstanding. Evidence was first offered to this fact with the publication of the new, improved Student Handbook. Homecoming was perfect in all respects, excluding one — the rain. But, of course, what can one do about the weather? Throughout the year the Student Council bulletin board was kept up to date and offered daily interest in its displays. The perfect end to an effective year was realized in the annual Student Council picnic. All in all, the year was successful and productive.

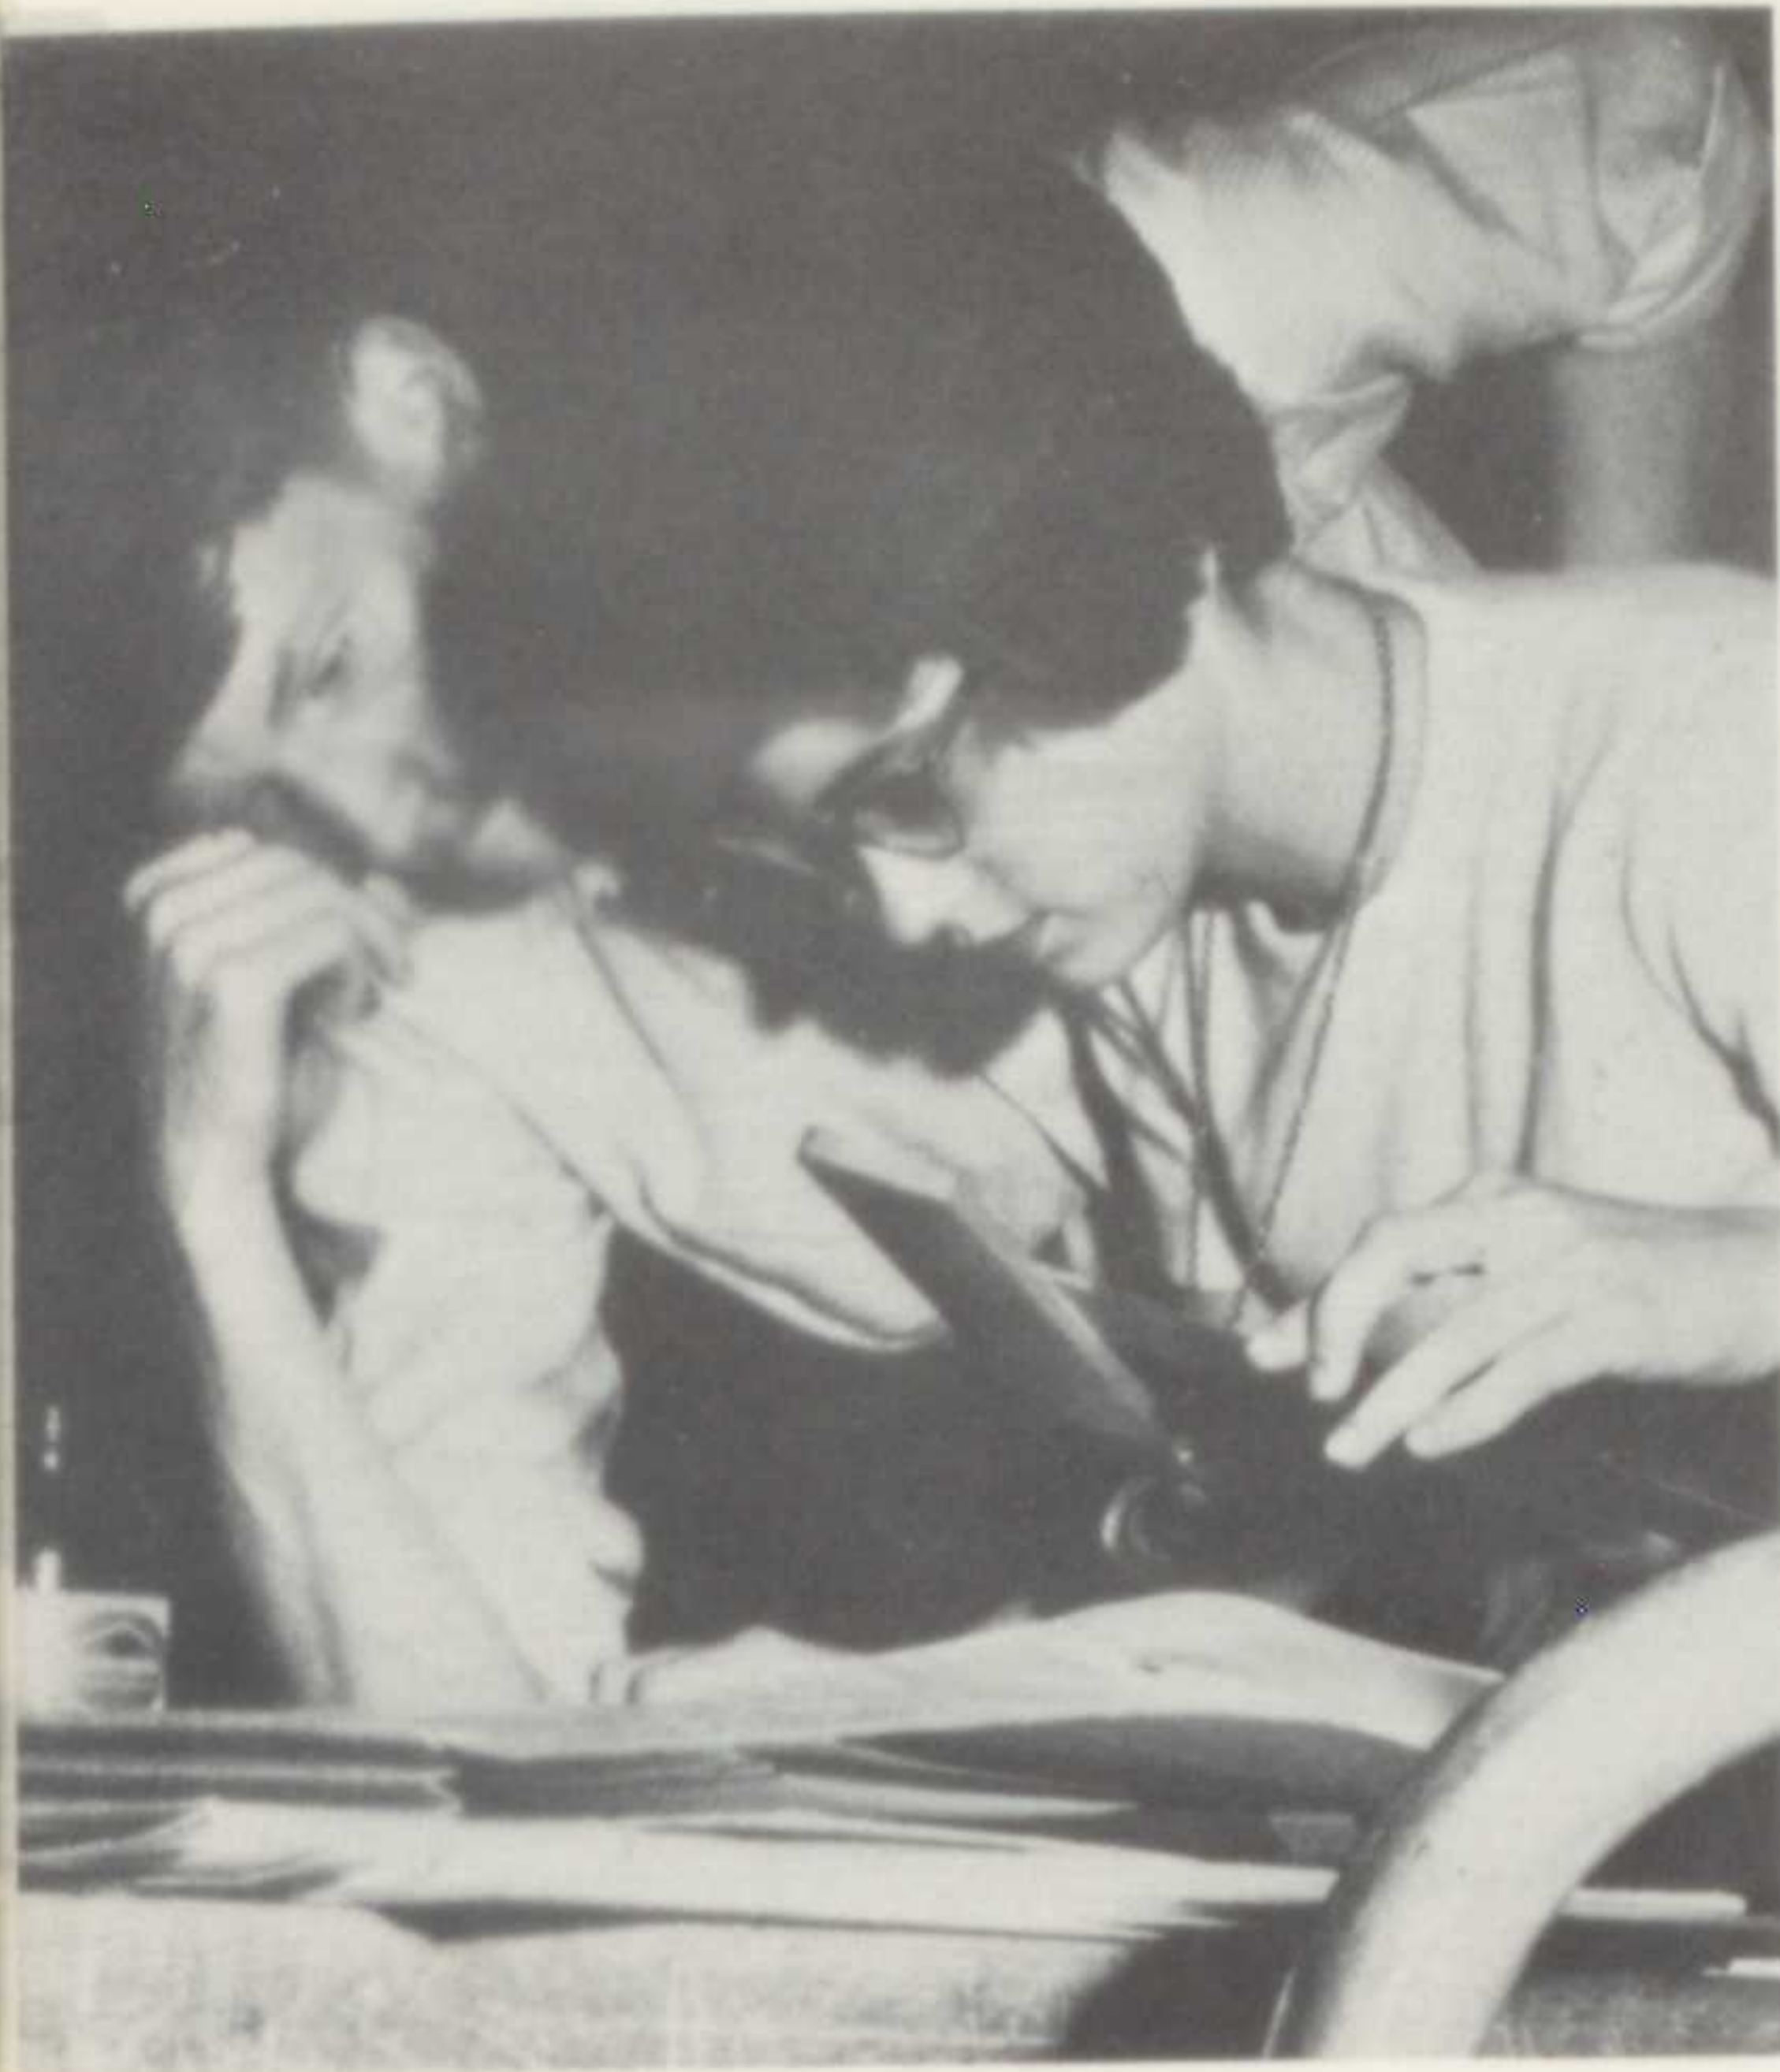

The Bay Window is an organization of hard workers who have spent many hours preparing their newspaper for publication. Often the light in Mrs. Kellam's room burned until early evening as the staff slaved to meet their printing deadline. However, hurried as this production seemed to be, the result was always organized (although the staff wasn't), and it became a welcome sight on Friday mornings. This year several improvements were made in order to stimulate its success. It became a weekly publication in order to encompass more recent news. Also, several new and entertaining columns were added. Highlighting the year were several spotlight stories announcing previously concealed information. At the end of the year each issue had been successfully published, and the staff deserved the praise of all.

Another group of "stay-laters" was the annual staff. Many a late afternoon and evening was spent in the annual room trying and finally succeeding in meeting a deadline. After completing a full afternoon's work, these bleary-eyed workers would trudge home to work diligently (?) on their homework. But in the end, it was all worth it, and the sight of the completed yearbook was, indeed, sufficient in making up for their lost time.

"Bay Bits" is a comprehensive publication which seeks to include the "cream" of Bay High's literary crop. Its material ranges from poetry and flowing descriptions to essays and humorous short stories. The last edition was compiled in 1959, but this year saw Bay Bits destined to become an annual publication, so that in the future it can more adequately give representation to those who merit it. Also, for the first time, "Bay Bits" was printed and bound in an attractive cover. The staff members and their adviser worked many long hours after school and at home, producing as the final result a well-organized and coordinated publication.

The American Field Service in Bay has enjoyed a year of satisfaction, as they near their goal. They intend to raise enough money to bring a second foreign student to Bay next fall, and perhaps send a Bayite abroad. Throughout the year, several fund-raising projects were undertaken, including the sale of mixed nuts and Sportsmen show tickets, and a talent show. Aside from the efforts of the students, an active Adult Club helped them raise money also. During the year most of the club members got to know our first foreign exchange student, and she served as encouragement to them. Although this year was quite successful, the club still has hopes of bigger and better things to follow in the years to come.

NATIONAL HONOR SOCIETY

Twenty-six Bay High Students were honored this year by being selected as N.H.S. members. Five per cent of the junior class and ten per cent of the senior class is chosen each year. These students must possess the qualities of good character, service, leadership and scholarship. Although these qualities are difficult to define, they are easily noticed in the N.H.S. members. A good moral foundation represents character; willingness to serve school and community represents service; responsibility to duties shows leadership; and a three point average decides scholarship. Under national rules the faculty of B.H.S. chooses the pupils they consider best qualified.

THESPIANS

Outstanding students of dramatics are honored in the Thespians, a national honor organization. Excellent dramatic ability is shown by members of this club. The new members are elected each year on a point basis. A certain number of points in different areas of theatrical production decides the membership.

The nineteen new members of Quill and Scroll were chosen for outstanding literary achievements in their particular publications. To qualify for membership a student must be in the upper third of his class and have contributed outstanding work to the Blue Book, Bay Window, or Bay Bits. The Publication Council votes on the nominees who are selected by the publication adviser. This membership is regarded as an honor by these young journalists.

Y-Teens is mainly a service organization. This year the individual clubs helped brighten several families' Thanksgivings and performed various other service projects at Christmas and Easter. The cooperation among the clubs was admirable as indicated by the several joint programs which were presented. The highlight of the year was the annual Christmas dance, "Wonderland by Night," held in mid-December.

Leaders is an organization whose purpose is to aid in teaching the girls' physical education classes. Members are chosen on the basis of both mental and physical prowess. The first step toward admission is a written rules examination. Those girls who receive a sufficiently high score on this test then compete in skill tests. Those who pass the skill test are admitted, and they are usually recognized at an initiation breakfast.

This organization was formed for all those boys who had earned athletic letters. Its membership increases throughout the year as more boys earn their first letters. One of the services rendered by this club is the handling of admission to home basketball games. It is also responsible for keeping the trophy cases in order. Varsity "B" is an organization to which many boys aspire, and rightly so, for it helps strengthen our school spirit and promotes sportsmanship.

This year G.A.A. reached a comparable size as its activities attracted many new members. Their projects included the sale of delicious Christmas candy, followed by a very successful smorgasbord held in February. The members attribute much of their success to their energetic adviser, Mrs. Caldwell, who, with her new ideas, has helped to further develop the club.

SAFETY COUNCIL

This organization is founded on the principle of promoting safe driving. They engaged in several projects to advance their goal. Several times they washed the windshields of all the cars at the Bay Shopping Center, and once a year they conduct a safety check of the students' cars.

ATHLETIC COUNCIL

Organized to coordinate the school's athletic functions, the athletic council has been successful in its duties. The coaches, athletic directors and two students elected by the student body each spring constitute its membership, and under their guidance, Bay High athletics thrived and prospered.

Left to Right: Mrs. Caldwell, Mr. Lipaj, Mr. Polk, Mr. Llewellyn, Mr. Judd, Mr. Clark, Mr. Voiers, M. Hinzman, F. Snider.

PUBLICATIONS COUNCIL

The purpose of this council is to coordinate the operations of the school publications, and the members did a very effective job in achieving their goal. A new member this year was "Bay Bits" joining the "old hands," Annual and "Bay Window." Success was evident in the excellence of the final product of each member. Also included on its roster are the faculty advisers to each publication and the principal. Another of its duties was to elect members into Quill and Scroll and to supervise the selection of new staff members in the various publications for the coming year.

UNITED APPEAL

In mid-October another United Appeal drive was conducted. A goal of \$600 was set, and vigorous campaigning pervaded the school for a week. The annual kick-off assembly was held, providing both humorous and serious entertainment. The goal was surpassed, and another successful year was chalked up at Bay High.

MARCH OF COINS

The March of Coins was held in early March and was conducted by the tenth grade Y-Teens. A moderate goal was set, and an efficient campaign put into action. The drive ended in success a week later, much to the merit of Bay High.

Bay Players

One of the most active organizations in Bay High, Bay Players has been a beneficial and efficient organization. Its Christmas presentation of "Snow White and Rose Red" for the elementary students in the school was a treat, and it added to the season's festivity. The next project for the club was the annual Sweetheart Ball held on February 17. The final event of the year was the spring play, much effort went into its successful presentation.

CHOIR

This year the choir enjoyed ample success and made fine appearances wherever it went. The year was highlighted by the long-awaited purchase of choir robes following an extensive fund-raising campaign. The bottle drive spearheaded this drive, followed by a benefit magic show and a share in the profits of the annual beef roast. During the Christmas season, the choir sang for the Cleveland Kiwanis Club and later appeared on the Mike Douglas television show. The Christmas concert was a genuine success, climaxed by the third annual presentation of the "Singing Christmas Tree." In March, the choir journeyed about the state to compete with some of the outstanding choral groups in Ohio in the annual State-wide contest. The spring program proved a fitting conclusion to a wonderfully prosperous year.

Closely in coordination with the Choir are the Choraleers and the Chickalettes. The Choraleers are a group of sixteen choir members of outstanding ability, and the Chickalettes are a group of nine senior girls in the Choir. Both of these groups added entertaining highlights to performances throughout the year.

Another group of Bay High singers is the Glee Club. It is comprised of both girls and boys who are interested in singing. It, too, was a delightful addition to Bay High's choral groups.

BAY HIGH SENIOR BAND

The band, this year, as in those past, achieved a record of excellence. Its clever half-time shows added much to the excitement of the football season, and it helped to offset the recurring bad weather on game nights. In February, the band presented a mid-winter concert on a Sunday afternoon. Several guest conductors and soloists were present, much enhancing the program.

In March the band took part in the state-wide competition for band, and was honored in many ways. Concluding its musical year with the annual spring concert, the band seemed to truly exemplify excellence and perfection associated with the organization. The final event of the year was the Band Awards Dinner at which many faithful members were honored for their diligence and service.

OUR ADVISERS

Outside of class a teacher has many extra duties, one of which is being a club adviser. These willing individuals give freely of their time and talent, and it must be noted that this task is rather peculiar. It entails various activities which are, to say the least, unusual. Often after a club function, the adviser is seen avidly (?) pushing a broom in

Although the J.V. football team did not attain a perfect record this year, its players gained much valuable experience. Playing a total of five games, the team won three games and lost the remaining two. Despite the losses, the team spirit remained high, and each game was exciting.

ATHLETIC AWARDS

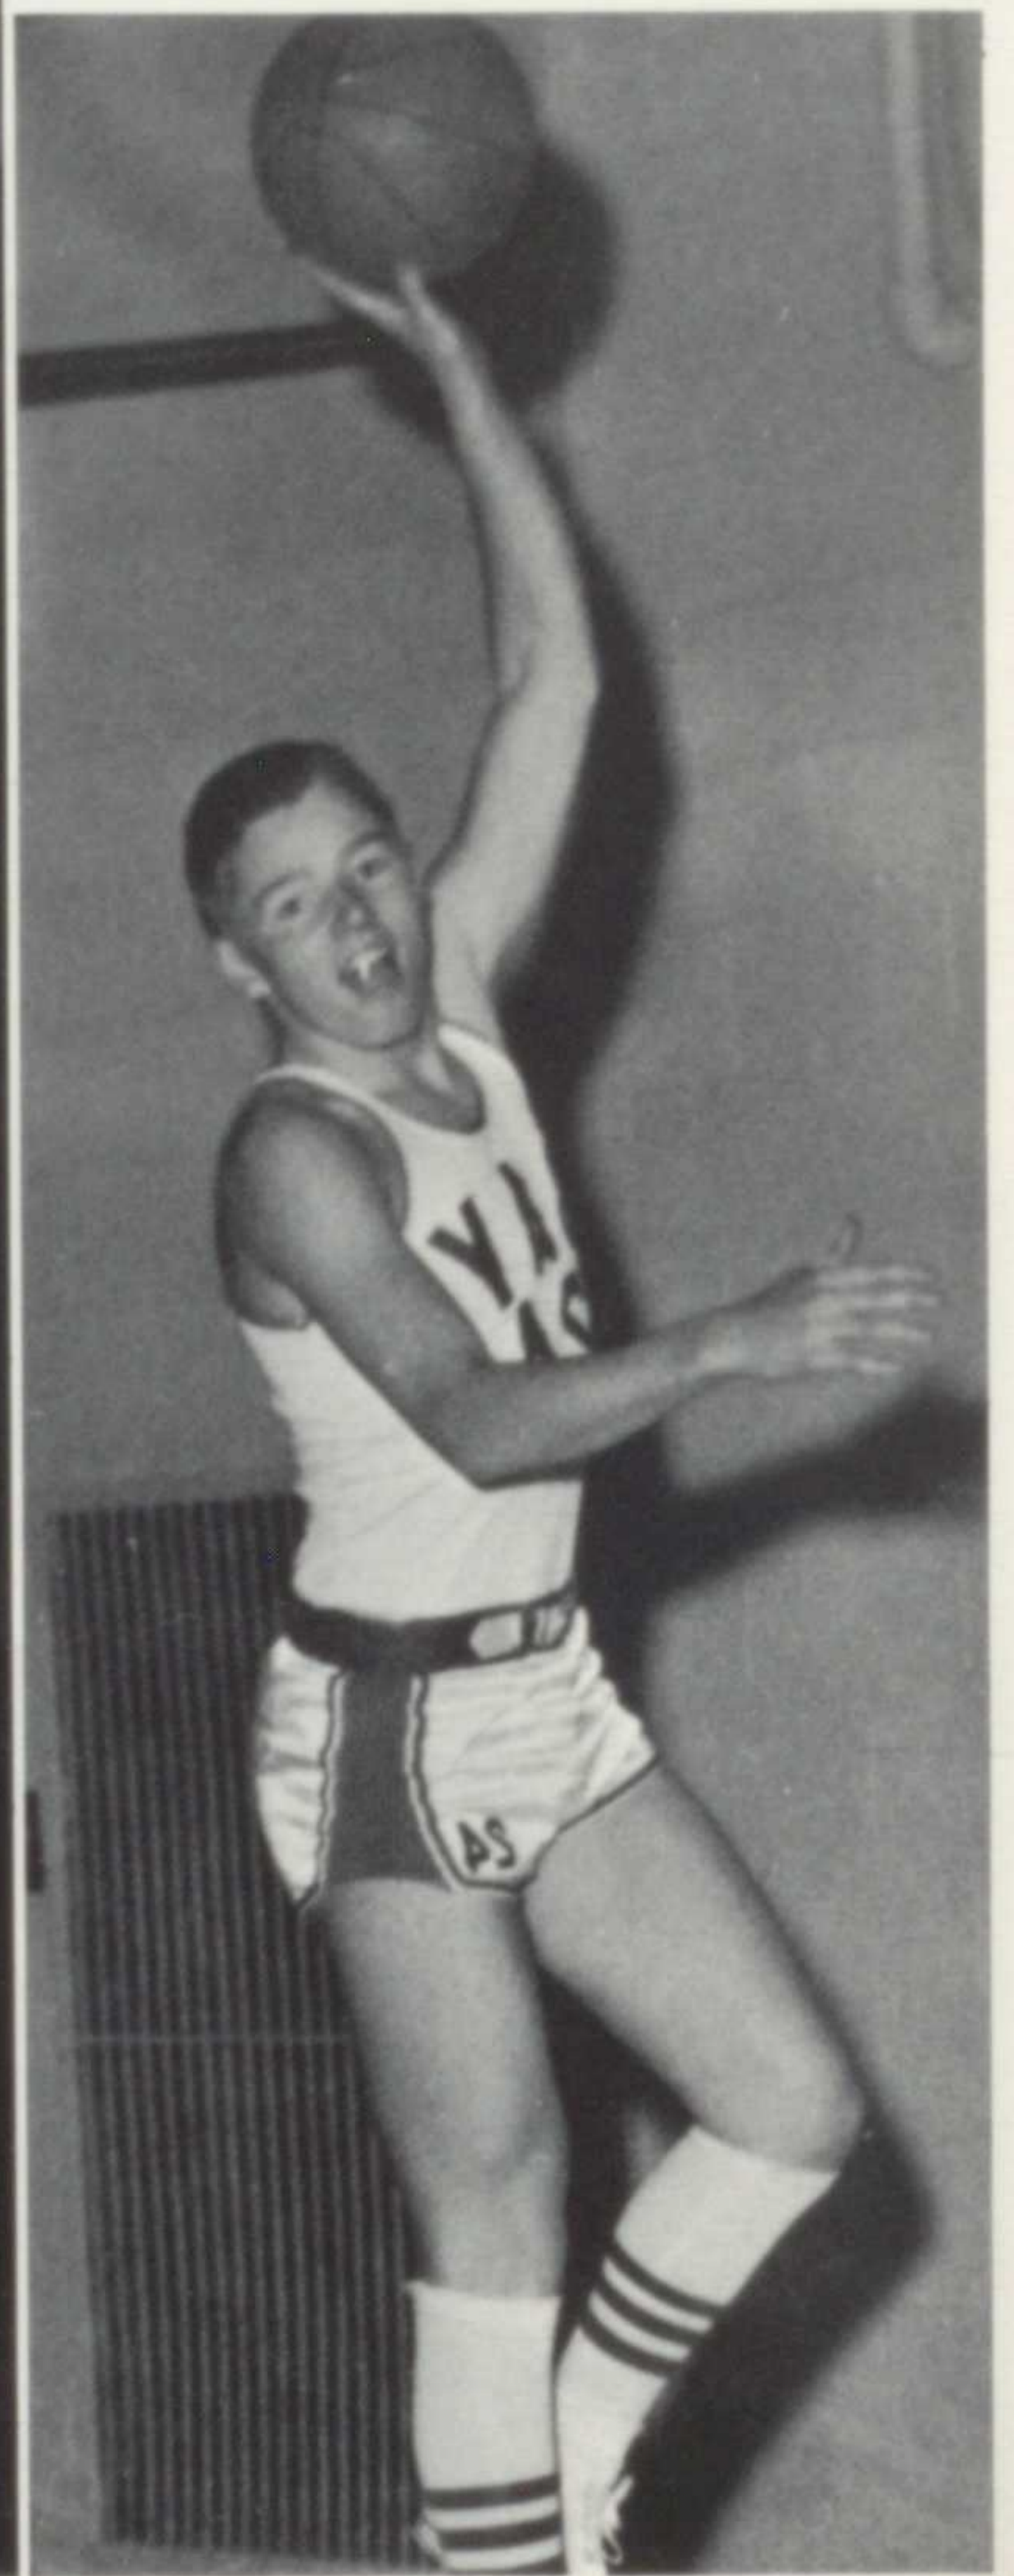

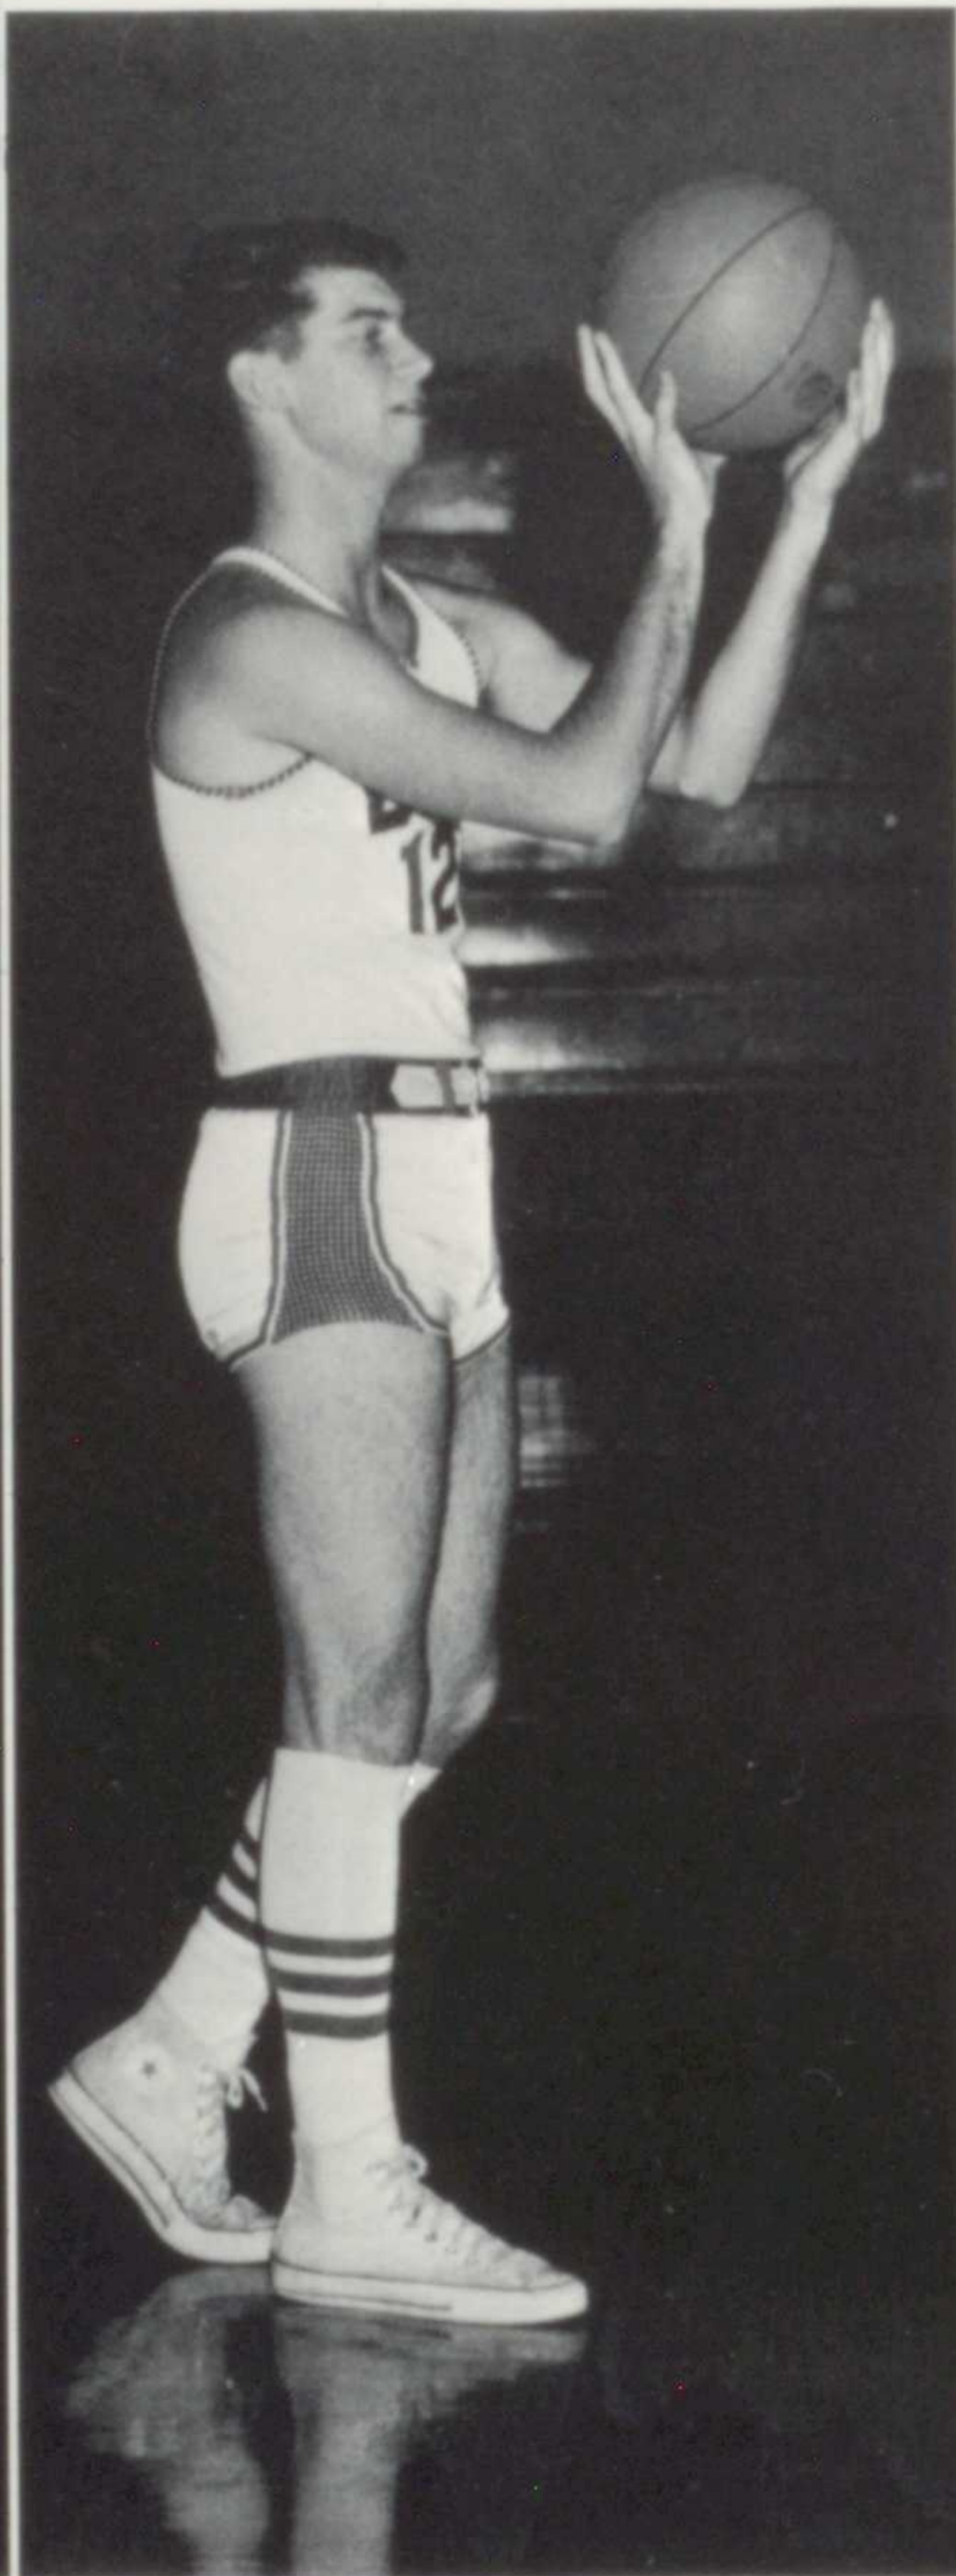

Throughout the year, at various assemblies boys who excel in athletics are recognized. There are three major football awards. The first is given to the outstanding senior back, and this year Alex Bruscano received it. Another is awarded to the outstanding senior lineman, who this year, was Tom Pecoraro. Geof Greenleaf received the award for having been the senior player with the highest scholastic average.

Several years ago Ray Klein initiated a basketball award which goes to the outstanding senior player. In track the Bob Berger award goes to the best track man. The final award of the year honors the best all-around senior athlete. It is in honor of Nelson Narks, a Bay athlete who exemplified these qualities.

VARSITY BASKETBALL

This year the Rocket basketball team distinguished itself in many ways. At mid-season the record stood at five wins and four losses, but improved ball-handling and team work enabled the Rockets to finish in a tie for second place in the Southwestern Conference. In the final conference game the Rockets came back to crush Fairview, breaking the Indians' thirteen game winning streak. A week later Bay again bested Fairview in a thrilling sectional tournament game. Following that victory the Rockets eliminated both Strongsville and John Marshall in sectional play. These consecutive victories gained for Bay its second sectional title in three years. However, the Rockets then lost to Elyria in a thrilling district tournament game. Most of the games were marked by enthusiastic cheering sections and enlivened school spirit. The team well deserves a vote of gratitude from the students for its efforts throughout the year.

The J.V. basketball team had a fairly successful season this year. Besides being satisfying, the season was quite exciting. Most of the games were quite close, and often the winner was not decided until the final seconds. Several games went into overtime, heightening the suspense. Some of the J.V. team members promise to be welcome additions to a future varsity squad.

VARSITY

In its second year at Bay High, wrestling proved to be an exciting and interesting activity. Initiated by Coach Polk last year, the team was enhanced by the return of six lettermen. Wrestling provided much interest to the spectator, as evidenced by the increased crowds throughout the year.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses and income. The document also highlights the need for regular reconciliation of accounts to identify any discrepancies early on.

In addition, the document provides a detailed breakdown of the accounting cycle, which consists of eight steps: identifying the accounting cycle, journalizing, posting, determining debits and credits, preparing a trial balance, adjusting entries, preparing financial statements, and closing the books. Each step is explained in detail, with examples provided to illustrate the process.

The document also covers the preparation of financial statements, including the balance sheet, income statement, and statement of cash flows. It explains how these statements are derived from the accounting records and how they provide a comprehensive view of the company's financial performance.

Finally, the document discusses the importance of internal controls and the role of the auditor. It explains how internal controls help to prevent errors and fraud, and how an auditor's role is to provide an independent opinion on the accuracy of the financial statements.
