My Year  
My Story

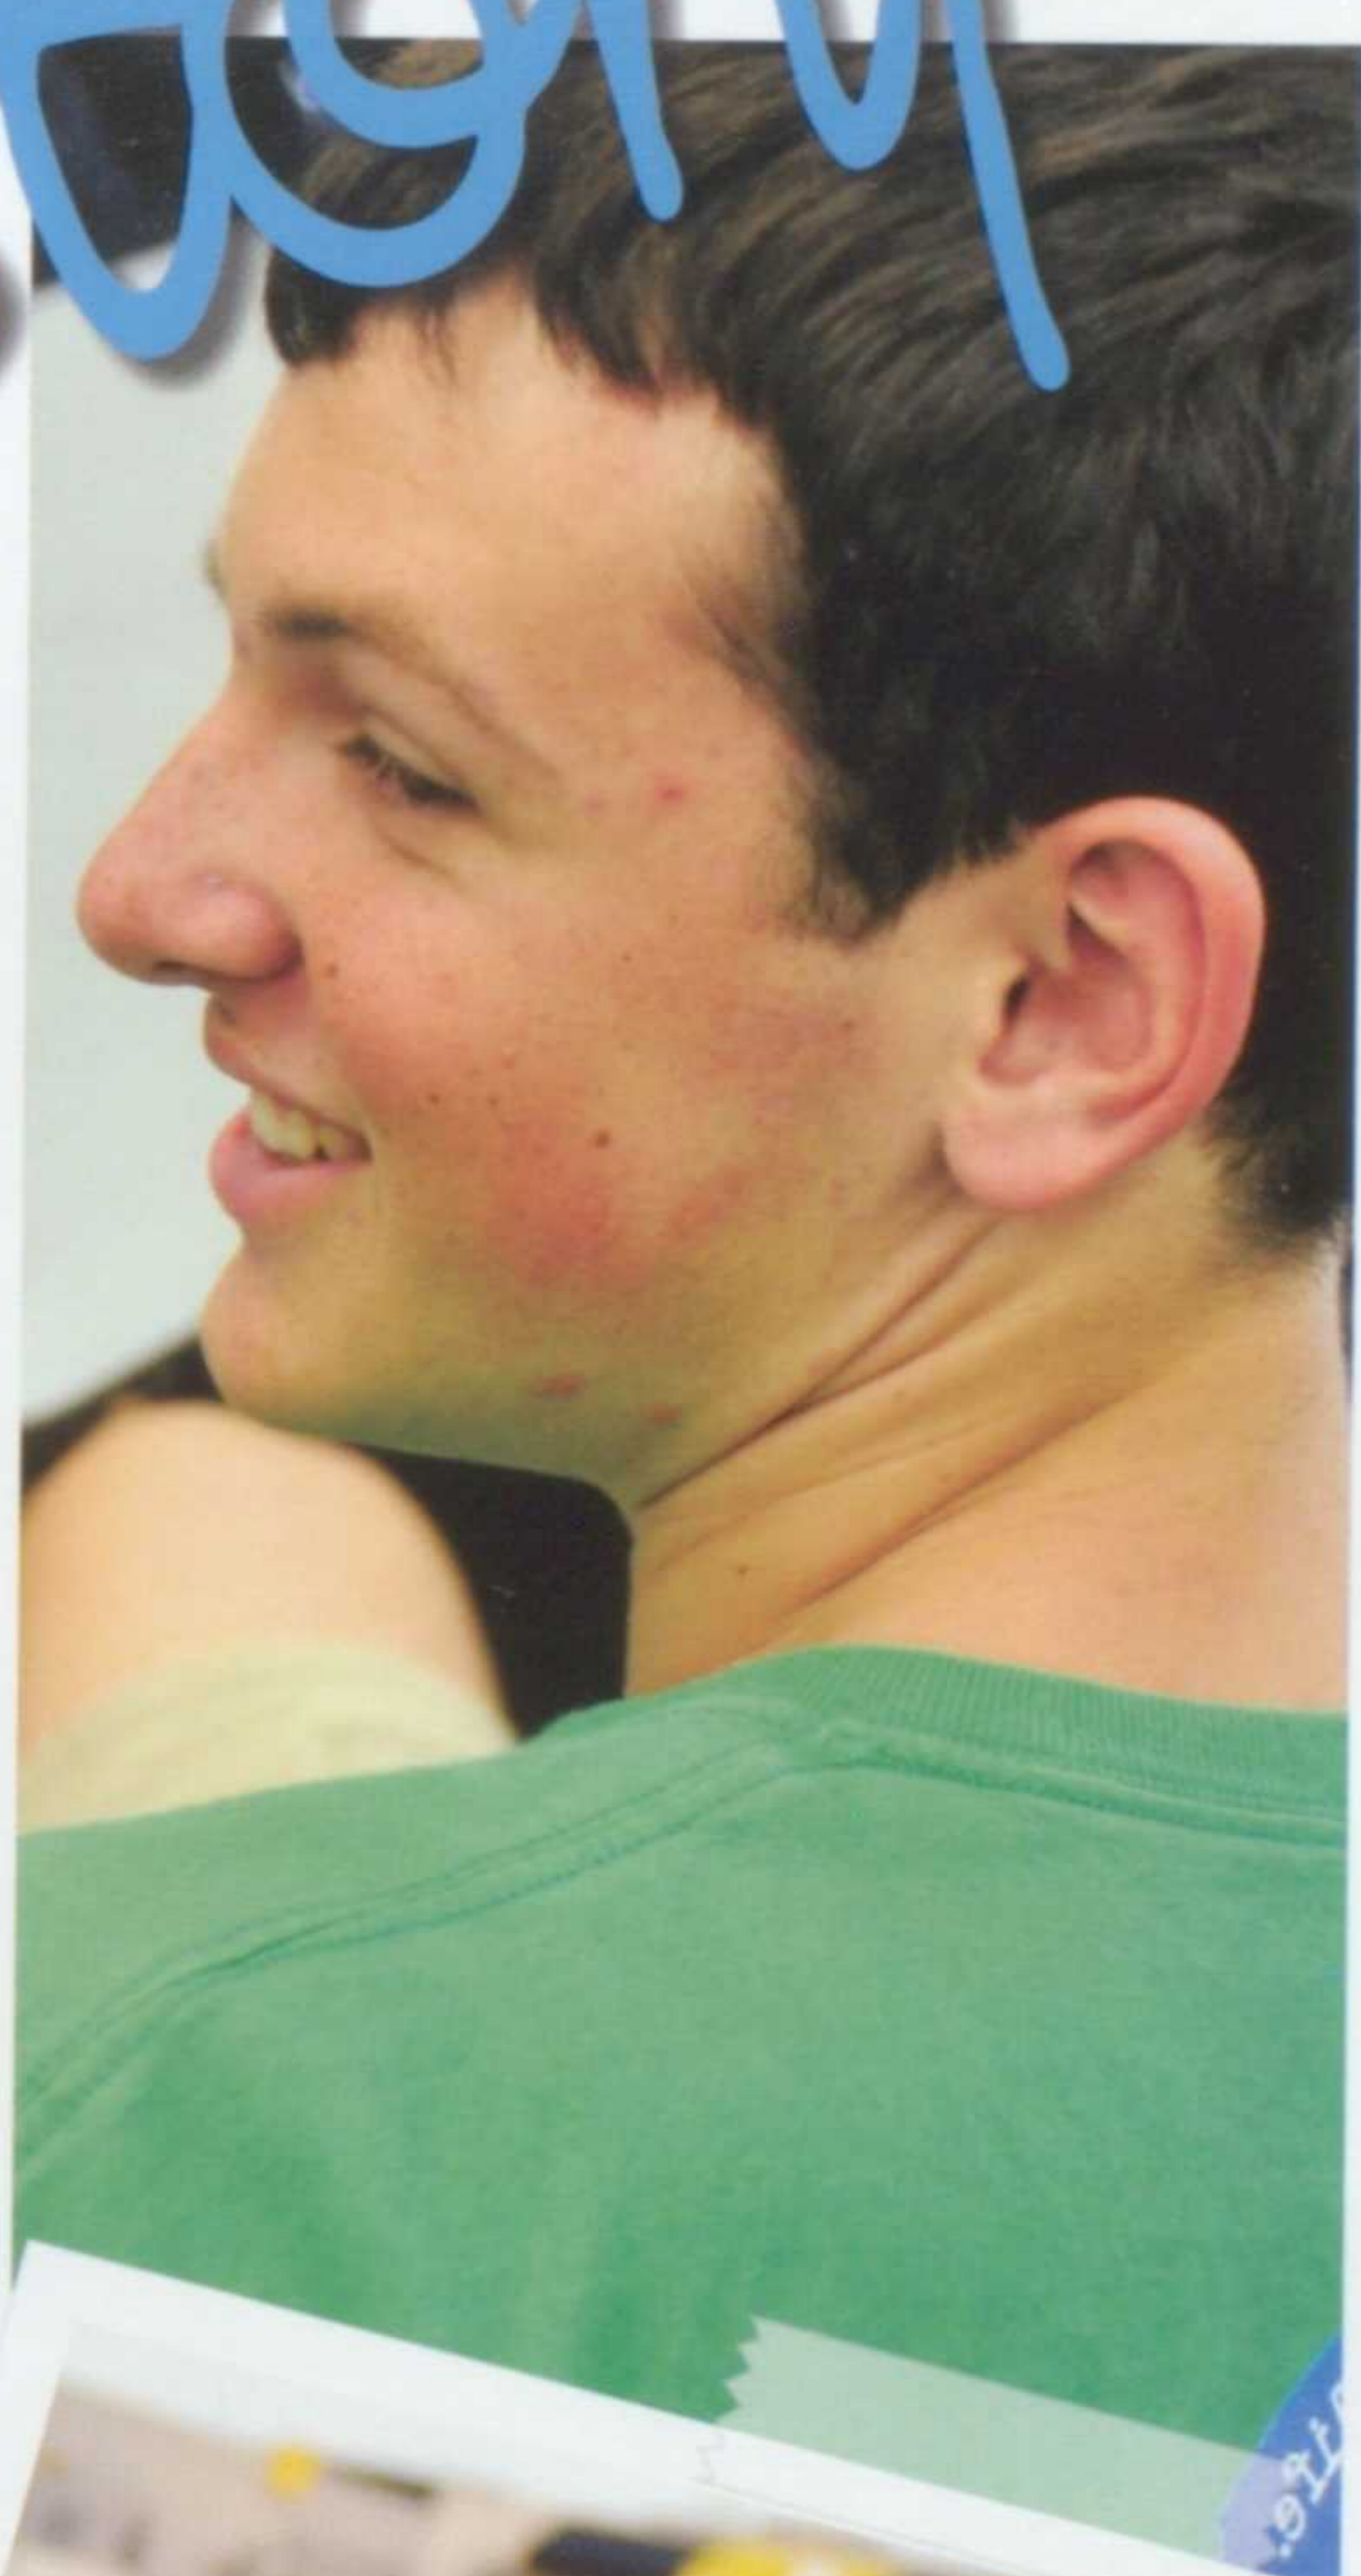

My Friends...

---

The year is twenty ten, and this year was **MY YEAR!**  
I can't predict what my future life will be like, but I can  
tell you that I enjoyed this year - **MY YEAR.** High  
school goes so fast, and it's hard to look forward as  
a freshman or back as a senior. Remembering to tell  
myself all the reasons why I CAN instead of I CAN'T  
allowed me to have great experiences. Experiences are  
not what happened to you but what you did with what  
happened. Because I knew my reason for working hard,  
I never gave up. Winning the game, marching in band,  
acting on stage, volunteering with YDF and acting my  
courses were all amazing parts of this year - **MY**  
**YEAR.** I learned that life cannot be measured by the  
number of breathes we take, but by the number of moments  
that take our breath away. I made the most of this year.  
Now, I can tell **my story** about **my year.**  
**MY YEAR: MY STORY 2010!**

As always, the Homecoming Parade is very exciting during the fall for all of the residents of Bay Village! Queen Gabi Hubbard and King Michael Humphrey arrived in style! All court members were great! Relay for Life, Project Earth, Volleyball, Hockey and the Homecoming court are only a few of many who were in the parade. The annual parade has become a classic for everyone and is always looked forward too! In addition to the great parade, this year we had an outstanding display of football to go along with the excitement. Everyone who contributed, attended, or was a part of the parade was truly a part of history in Bay High School's making. The parade, as always, was a great success and next year's parade is already being looked forward too!

"The 2009-2010 school year has been an exciting one, but unfortunately, for me, seems to have flown by. Though we are in March 2010 and reading sometime later, the fall sports season still causes a thrill for me to think back about it: Winning the league championship in football for the first time in years, our boys soccer team played for the state title, and Michael Brajdic won our first individual State Cross Country Championship. They were all incredibly memorable. Our guys basketball team won the team title for the first time in 21 years, and Nikki Craft equaled the most State Championships an individual has won (3 in diving) in our school's history. Sarah Chen and Grace Perkins were named National Merit Finalists. Our choirs earned superior ratings at OMEA District contest, our Academic Challenge team won the conference title, and the SOLD OUT run of GREASE were all sensational. A great memory was how we all came together to pitch in for Hoops for Hunger and helped out with the earthquake in Haiti. Bay High is a great place; this school year made it no different."

Although it is the end of **MY YEAR** and I wrote **MY STORY**, it doesn't have to end now. **MY STORY** should last more than a single year. **MY YEAR** isn't only my experiences as a freshman, or my struggles to increase my GPA as a junior, but **MY YEAR** is how I grew up, the choices I made, the people I met and the places I went. The end of **MY YEAR** isn't the end of **MY STORY**, it's just a new chapter, a new year. **MY YEAR: MY STORY.**

# My Year: My Story

Dear Class of 2010 Seniors,

Wow! Four years have really past so quickly! Remember when we were freshmen, and how scared but excited we were to come to the big High School? Thinking about how much we have learned through these years, we realize it's a miracle that we have had so many great teachers. Finally making it to my senior year, we should thank all the teachers who have made us be who we are today. The teachers who supported our goals, the teachers who expanded our thoughts, and the teachers who helped us reach success. These people all pushed and formed our outlook on the world and on our future.

In a year, some of us will be in college, others with jobs, and still others with families, but we all have the same background: the same small bubbly hometown, the same cranky neighbor down the street, the same places to meet, the same senior pranks, and the same class peers. We all pushed each other to do better. We all fought for grades and teachers' attention as if we were in second grade, and I know some of us still wished we were. Through these past four years, we all made mistakes but some learned. We all got angry but some forgave, and we all were busy trying to get out, but some were trying to keep us together.

Our Class, the Graduating Class of 2010, is full of crazy, loving people. Four years of playing golf, marching in the band, and being in YPF really brings you close to your classmates. But graduation doesn't mean we have to leave all our friends and memories behind; it just means we're ending **OUR YEAR** and adding on to **OUR STORY**.

## Content and Photography Policy

The contents of "My Year: My Story" focuses on coverage which will meet the wants and needs of the majority of the target audience, the student body, and staff of Bay High School, so long as those wants and needs are not contradictory to the principles of scholastic journalism. The staff encourages and requests criticism of any part of the book— before and after publication.

"My Year: My Story" is, however, as fair, accurate, complete, and honest as possible. The final authority for coverage rests with the Yearbook Editors, Advisors, and Bay High School Administration. No material which is libelous, obscene, irresponsible, and/or advocates illegal activities will be published. No materials the editors, advisors, or Bay High Administration deems in poor taste will be printed in "My Year: My Story".

Purchase of "My Year: My Story" does not guarantee the purchaser's photo will appear in the book; we are not responsible for students or staff inadvertently left out of the book.

All students and school personnel must have their portrait taken by Thomas and Thomas Photography to be included in this book. Senior portraits taken after December 1, 2009 may not appear in this book because of printer deadlines.

## Advertising and Death

All advertising accepted by the staff must follow the same editorial guidelines as the rest of the book. Acceptance of an advertisement does not constitute endorsement by the yearbook staff or any affiliate of the Bay Village City School District. Because of liability, no encrypted, coded, or abbreviated messages will be accepted.

Upon the death of a student or faculty member, the yearbook will acknowledge the death by running a gray bar over the name and printing the years of birth and death with the formal picture if made available by family.

This was our third year using Yearbook Avenue. "My Year: My Story" was produced on four Dell desktop computers, two Acer Laptops, and the home computers of our yearbook staff.

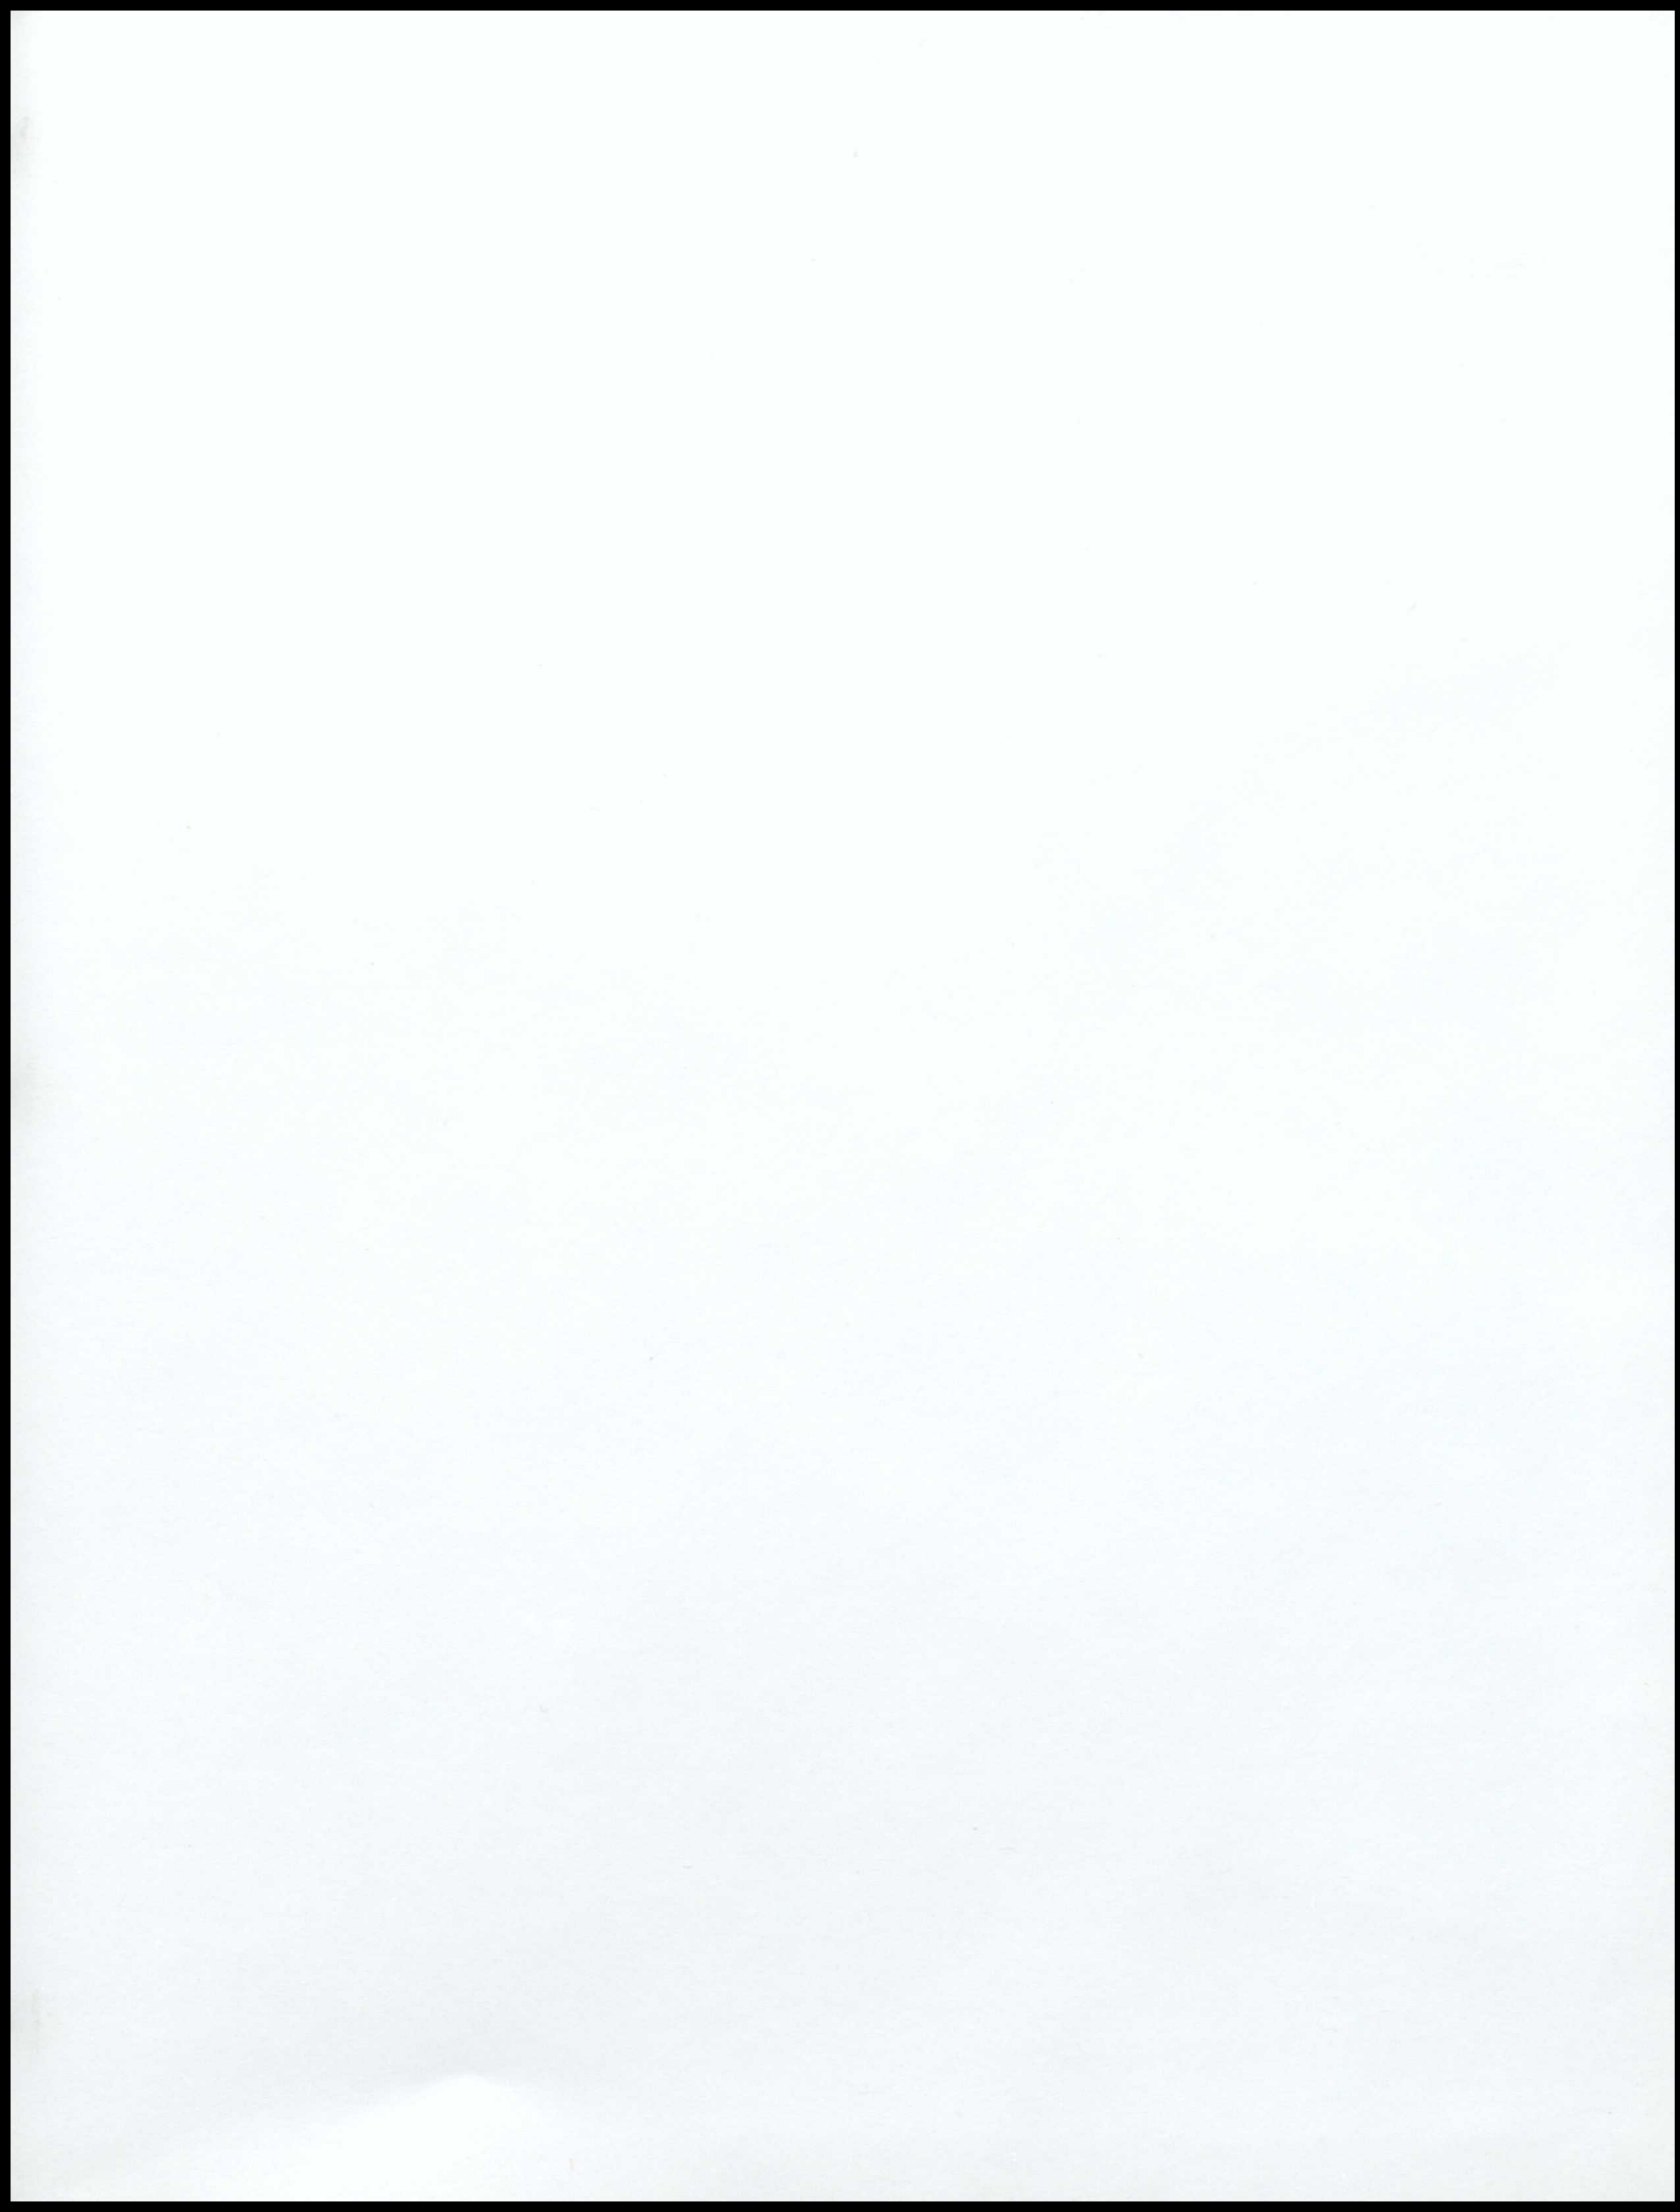

As the editors of the Bay High School Yearbook, we would like to deeply thank Mr. Gary Ricketts, the advisor of the 2009-2010 yearbook; moreover, Mrs. Kathy Hitesman, the advisor of photography is also owed a lot of credit with assisting the staff in photography and direction. Also, we would like to thank our staff, and express our deep appreciation to our Ad Editor, Meghan Huntley, and our incredible staff including Elise Aronson, Anastasia Young, Michaela Campbell, Hannah Cziryak, Nicole Senft, Max Smith, Michael Humphrey, Eliz Fulop, Ellen Gurley, Zoe Heaton, Megan Mohny, Emily Kohl, Sarah Balch, Caroline Kennedy, and Tori Tarr. In addition to staff, *My Year: My Story*, created by Kati Corbitt, could not have been accomplished without the help of our Jostens's Representative, Alex Intihar. We are grateful for all his willingness to help and support us throughout the making of the book. Also, thank you to all the parents and students who submitted photographs for the 2009-2010 yearbook. Lastly, we thank Mr. Smithberger for taking the time out of his busy days to help read and edit the names in the yearbook. His help was immense, and very useful in the making of our book. The dedication towards creating *My Year: My Story*, was undeniably, one of best. We thank the staff for meeting all the deadlines, and attending all the meetings they possibly could. As the editors, we were beyond blessed to have the staff we did, with the work ethic they embodied. The hard work has justly paid off, and *My Year: My Story* is an accurate testament to all of that.
